

BRITISH AIRWAYS

OVERNIGHT BAG DROP

Our new service buys you several 'just five more minutes' in the morning.

All customers travelling on flights departing before **9am** are eligible for overnight bag drop the night before between **6pm** and **8.30pm**.

Head to any of our check-in or self-service bag drop desks to leave your bags with us.

You'll need to bring your boarding pass, passport and all travel documents, including any health tests required for the journey.

You can also take up to 2 litres of liquid through security at London City Airport.
