Overnight Parking (2130 to 0700)	186.86

9. EARLY ARRIVALS CHARGE

Should an aircraft touch-down between zero and 15 minutes ahead of its scheduled arrival time ("the Allowable Early Arrival Period") no Early Arrival Charge will be applied.

Should an aircraft touch-down more than 15 minutes ahead of its scheduled arrival time, the following charges will apply for each 15-minute period (or part thereof) over and above the Allowable Early Arrival Period based on the scheduled arrival time for the aircraft.

Premium	505.58
Peak	430.01
Shoulder	224.82
Off-Peak	99.15

10. OUT OF HOURS CHARGES

Extension of the opening hours published in the UK Air Pilot or altered by NOTAM maybe available subject to a request in writing to an Airport Director at least 24 hours in advance of the Airport facilities being required. Where such notice is not possible, and the extension hours are due to weather, ATC or technical delays, etc., application must be made to the Operations Controller by telephone as early as possible and confirmed in writing or by email. Airport extensions are subject to the Airport planning permission in place with regard to the Airport and the availability of operation and technical staff and, where granted, will attract a surcharge.

The period to be charged for will be calculated from the promulgated closing time, or to the promulgated opening time. Each and every Operator of Aircraft out of hours will be separately charged on the following basis:

Per 30 minutes, or part, per Operator.	1,492.05
--	----------

11. MINIMUM INVOICE VALUE

Minimum invoice value excl. VAT	2,305.97
---------------------------------	----------
