

INCLUSIVITY ROADMAP

BiasSync's Proprietary Five-Stage

Inclusivity Roadmap™ (Inclusivity Roadmap) acts as a guide for organizations as they pursue a more diverse, equitable, inclusive, and accessible workplace. Contained within the Inclusivity Roadmap are diversity, equity, inclusion, and accessibility (DEIA) insights, best practices, checklists, and trusted resources.

Regardless if you are just beginning your DEIA journey or if you have a well-established strategy, BiasSync's Inclusivity Roadmap can assist you in identifying, assessing, and measuring organizational goals, as well as develop strategic plans and policies.

DISCOVER OUR SCIENCE-BACKED TOOLS

Contained within BiasSync's Inclusivity Roadmap are the following tools:

The Five Stages of Organizational Inclusivity

Empower yourself and your organization to evaluate where you are in the process of inclusion using this step-by-step guide, which includes actionable steps and checklists.

Diversity and Inclusion (D&I) Statements

Consult established best practices and review industry examples of organizational D&I statements.

BiasSync's Equity Audit

Examine your organizational lifecycle from recruitment to retention. Designed using BiasSync's 8-Touchstone framework and derived from evidence-based and science-informed research, this equity audit is arguably the most comprehensive in the marketplace.

Inclusive Calendar Celebrations

Acknowledge professional, cross-cultural, secular, and religious holidays, and important dates with guidance on how to celebrate inclusively.

Evolving Inclusive Language Glossary

Understand, connect, and identify what is meaningful in the experience of humanity through shared language and key terms.

UNIQUE ASSETS AND BENEFITS

- Guided by empirical data, informed by science, and based on peer-reviewed research
- Designed by social science PhDs to meet a vast breadth of organizational needs from early adopters to expert implementers of DEIA
- Provides transparency and objectivity to DEIA strategies and practices
- Delivers ready-to-use tools
- Offers actionable insights and checklists
- Establishes an empirical basis and evidence-based approach to strategic planning and evaluation

Gain all the value of a consultative, comprehensive DEIA plan and process with BiasSync's science-backed Inclusivity Roadmap and elevate your organization's goals, strategies, and metrics.
