

Outpost Bed Frame

A nature-inspired, low-profile frame featuring our signature soft, curved corners and superior craftsmanship. The headboard's slight tilt makes bedtime reading more comfortable, while a continuous side rail adds a modern exterior lip. Reinforced mortise-and-tenon joints maintain the bed's heirloom-quality construction – and will last for years to come.

MATERIALS + CARE

Our first solid wood bed features sturdy slats that allow you to rest your mattress directly on the frame – no box spring needed. Mortise-and-tenon joinery allow for tightening when needed and prevent signs of wear. Rails placed underneath the bed cradle and support the frame in an "H" shape, for added stability.

Spot clean as needed. Use a clean, damp cloth with mild dish soap and warm water to wipe the wood clean.
