

# Integrity

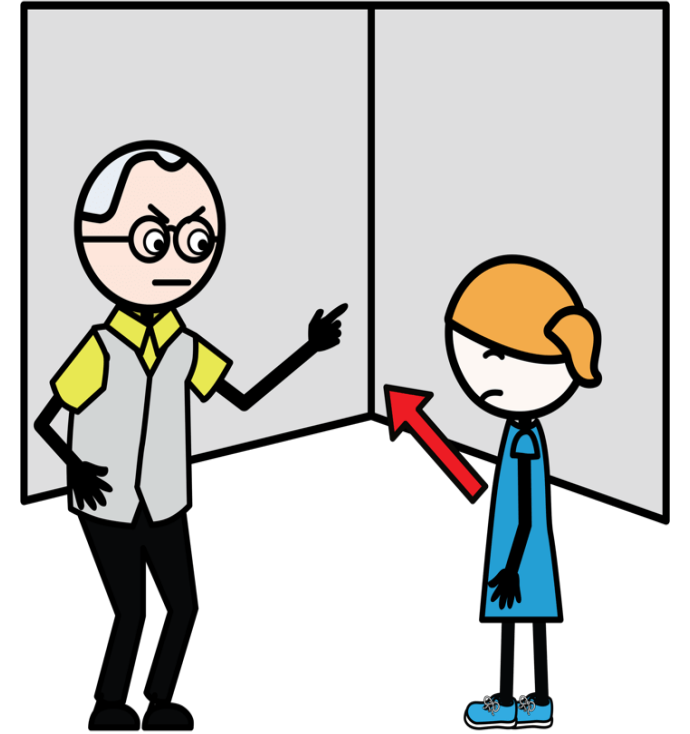

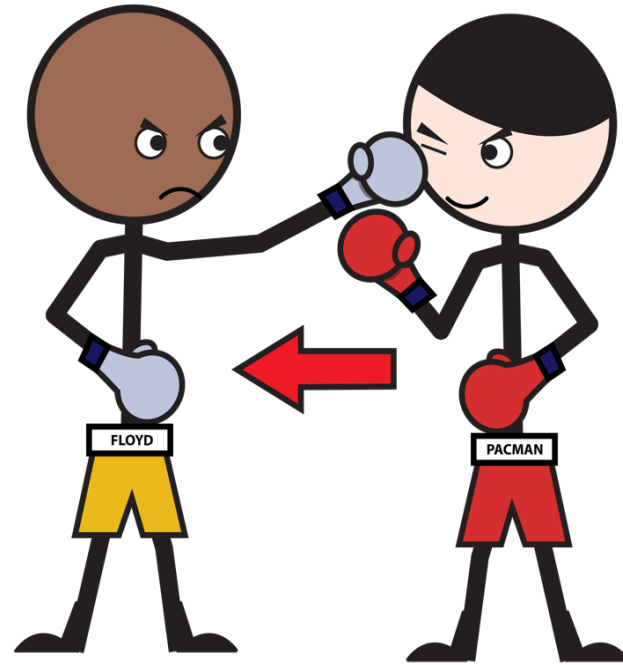

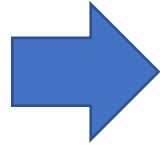

Following God inside, outside, and everywhere

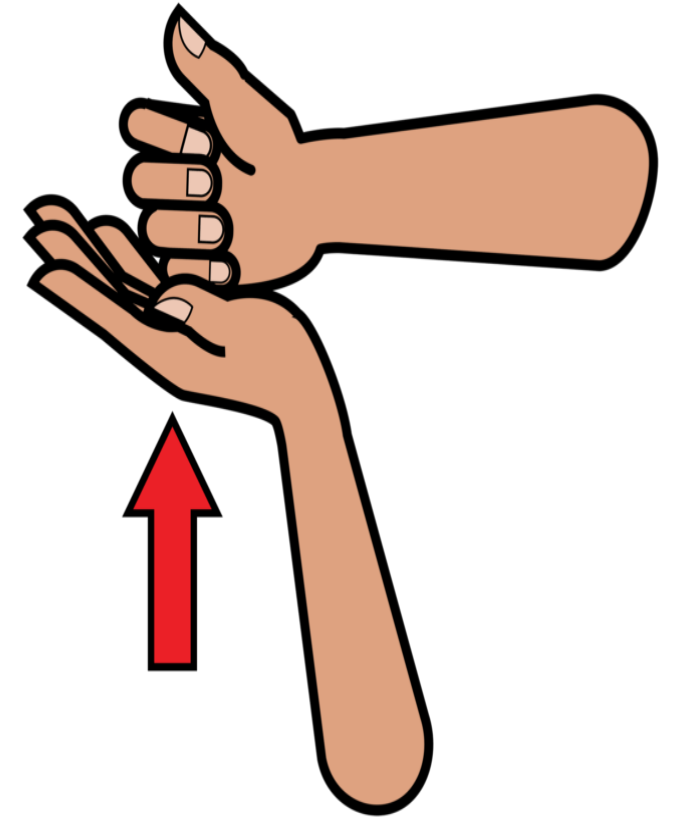

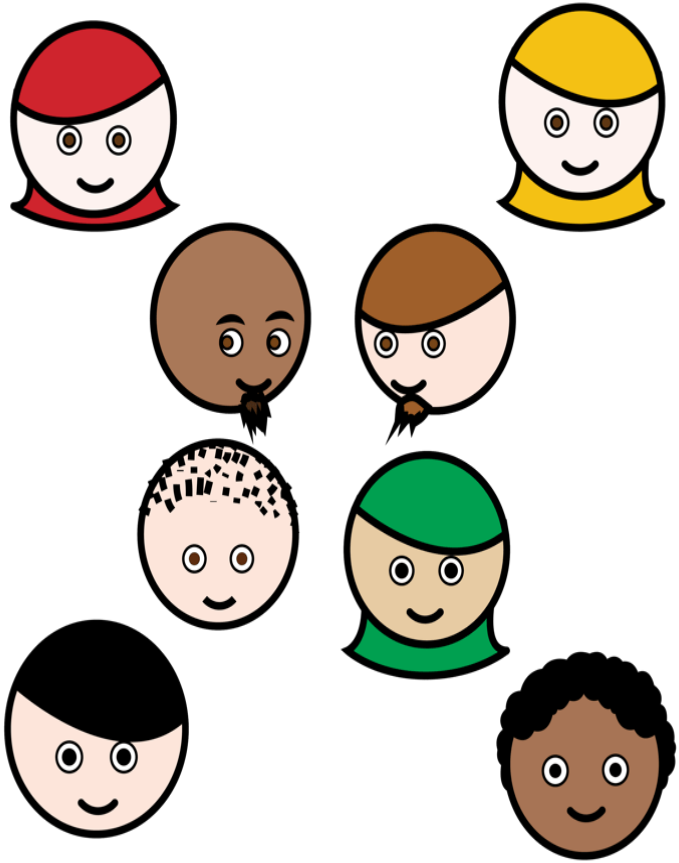

**This week's Finish Line:  
Integrity begins with trusting that God's way is perfect**

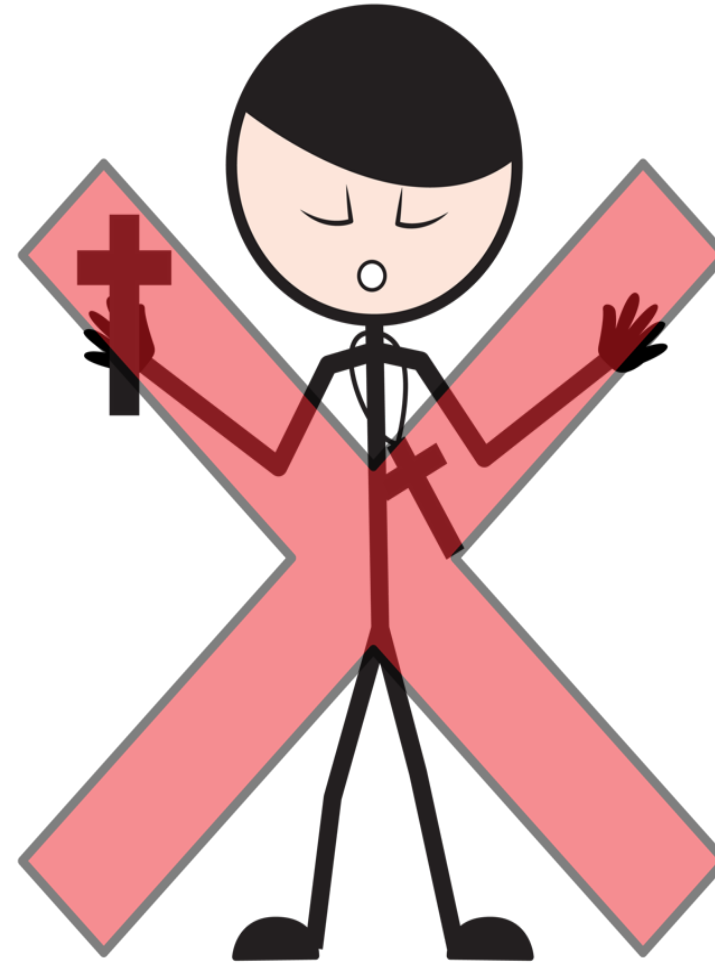

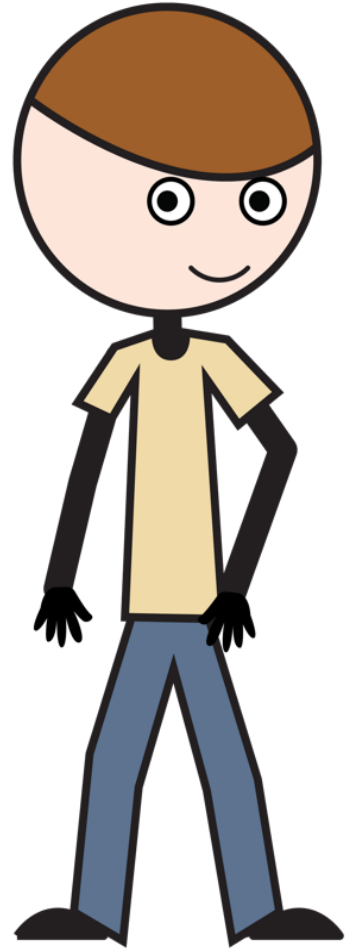

**God's people, the Israelites, had stopped worshipping Him.  
This made God sad.**

**God let their enemies defeat them.**

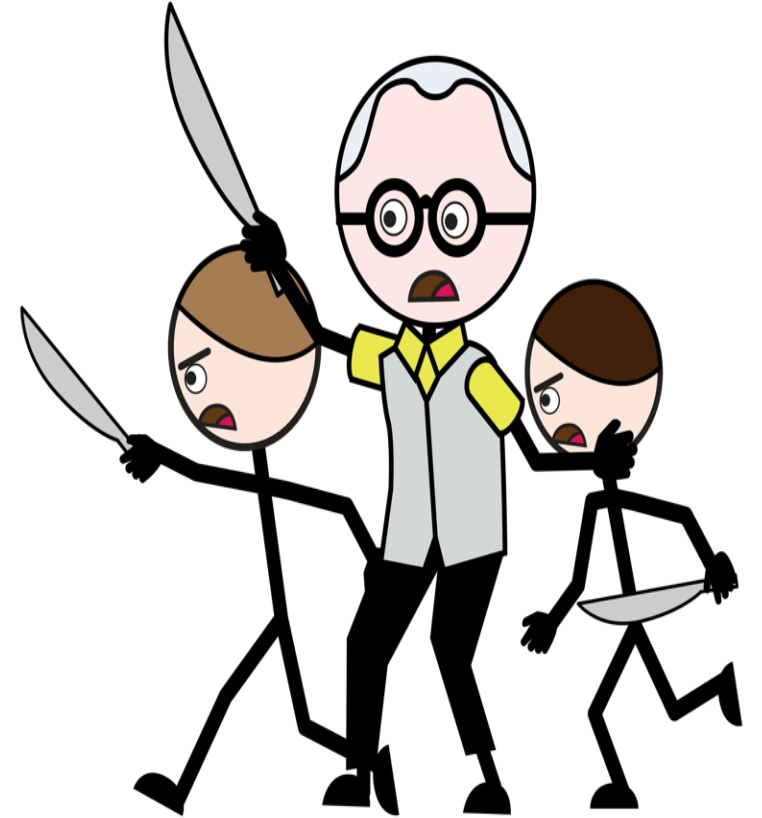

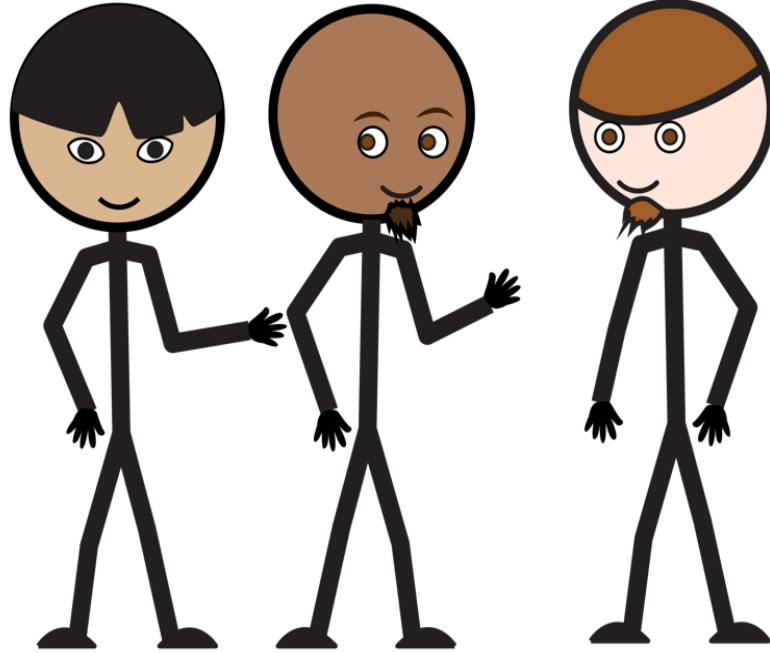

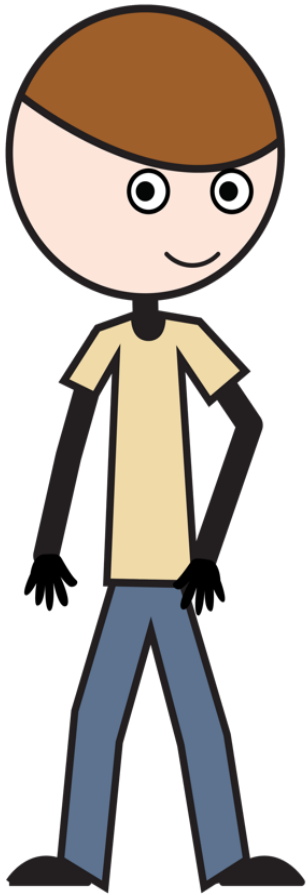

**The Israelites finally called out to God for help.**

**God chose Gideon to lead the Israelites. But Gideon did not believe God's message right away.**

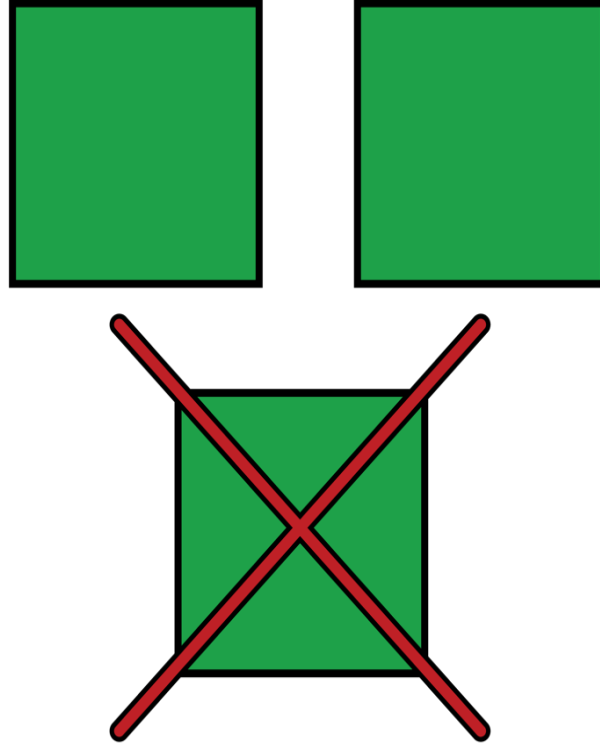

**Gideon asked God for a sign that the message was from Him. God reminded Gideon that His way is perfect.**

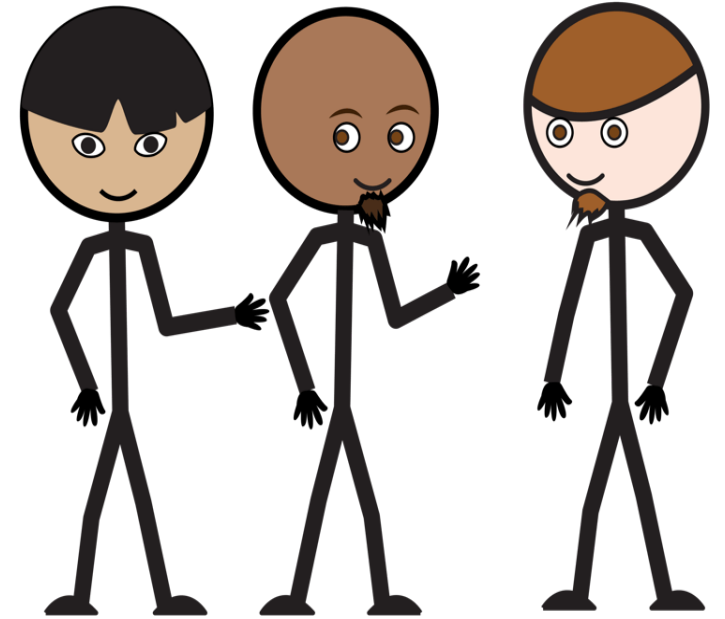

**Gideon gathered 22,000 Israelites to fight their enemies. God said that was too many. Then 12,000 men went home.**

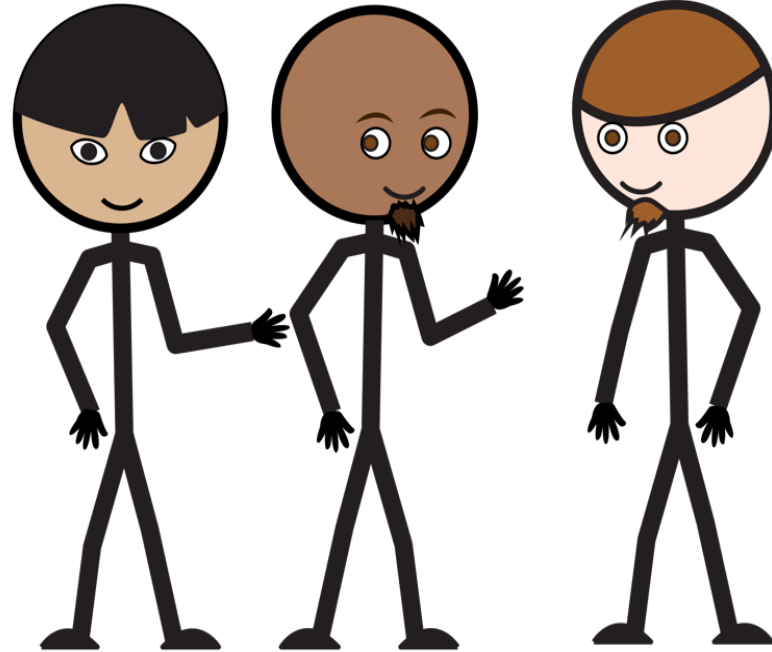

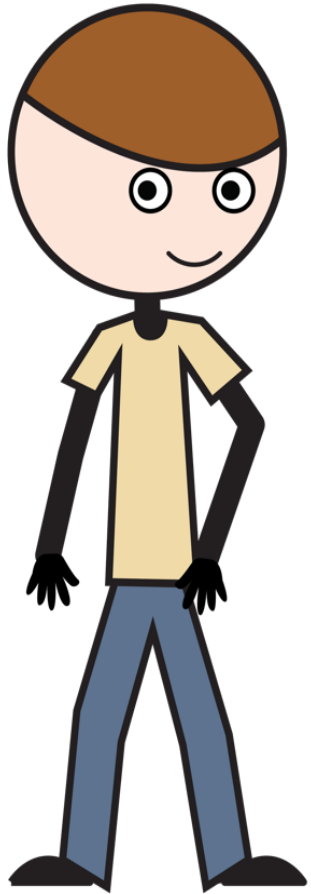

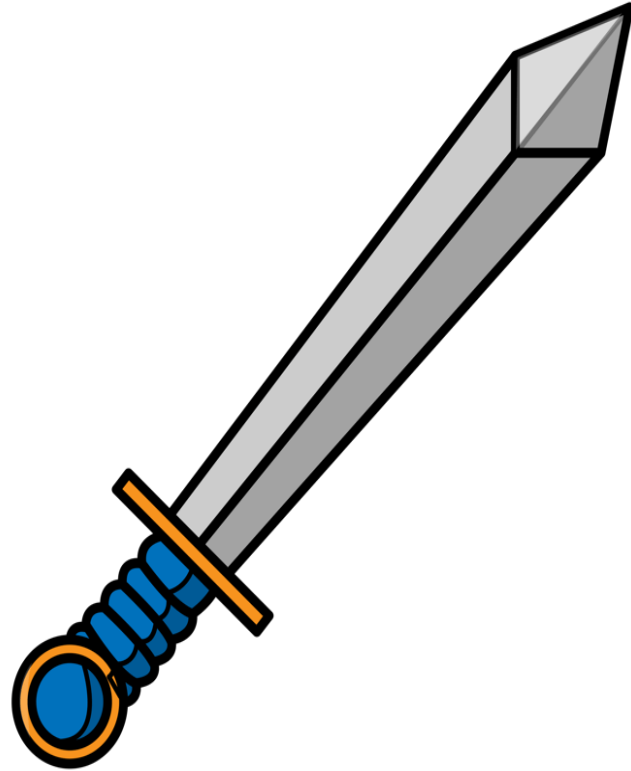

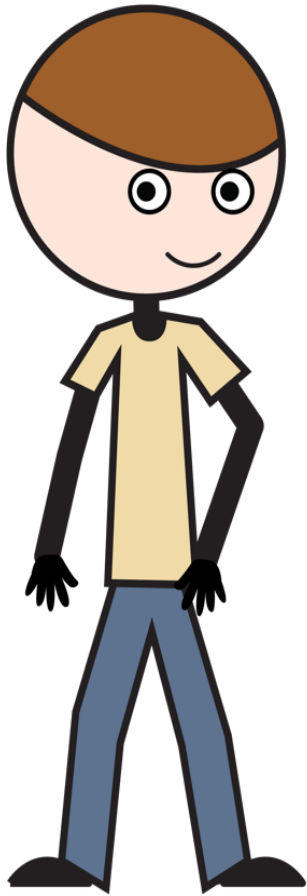

**300**

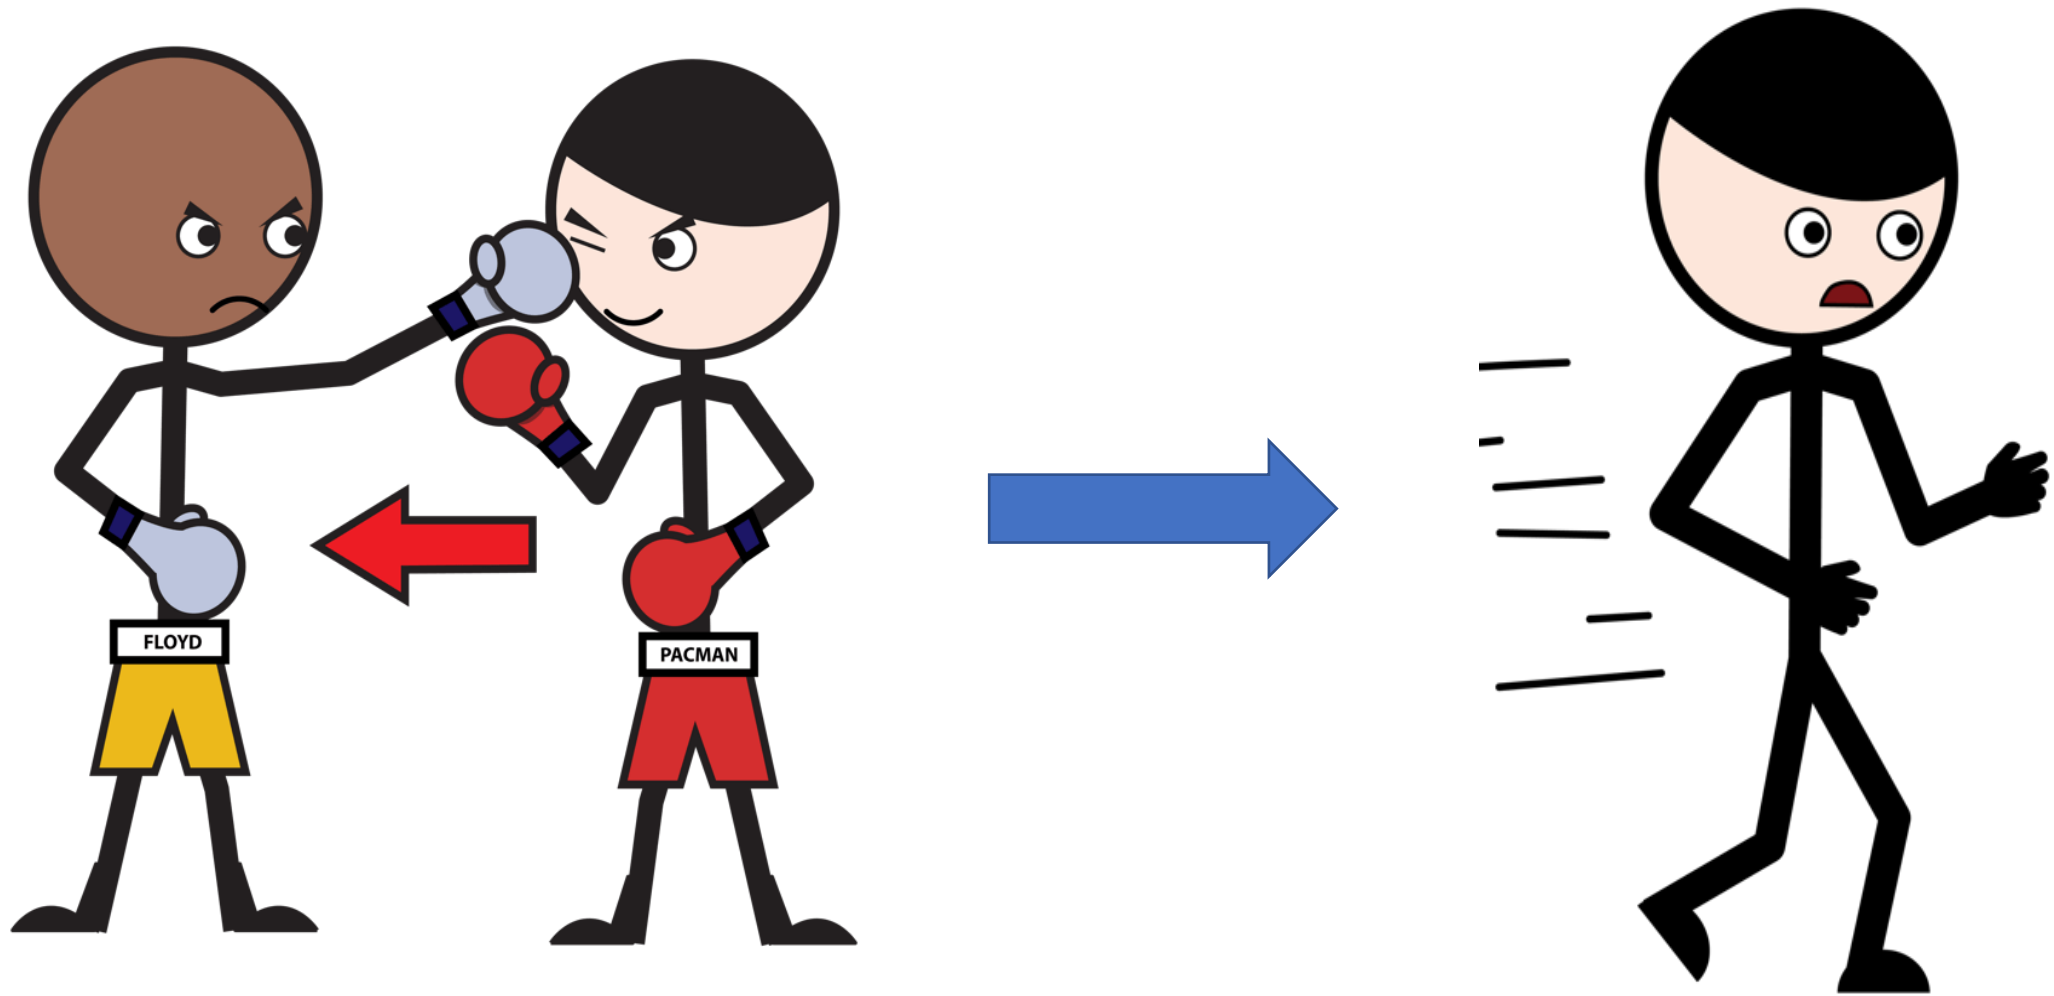

**God said that was still too many. God reduced the army to only 300 men. Gideon still followed God.**

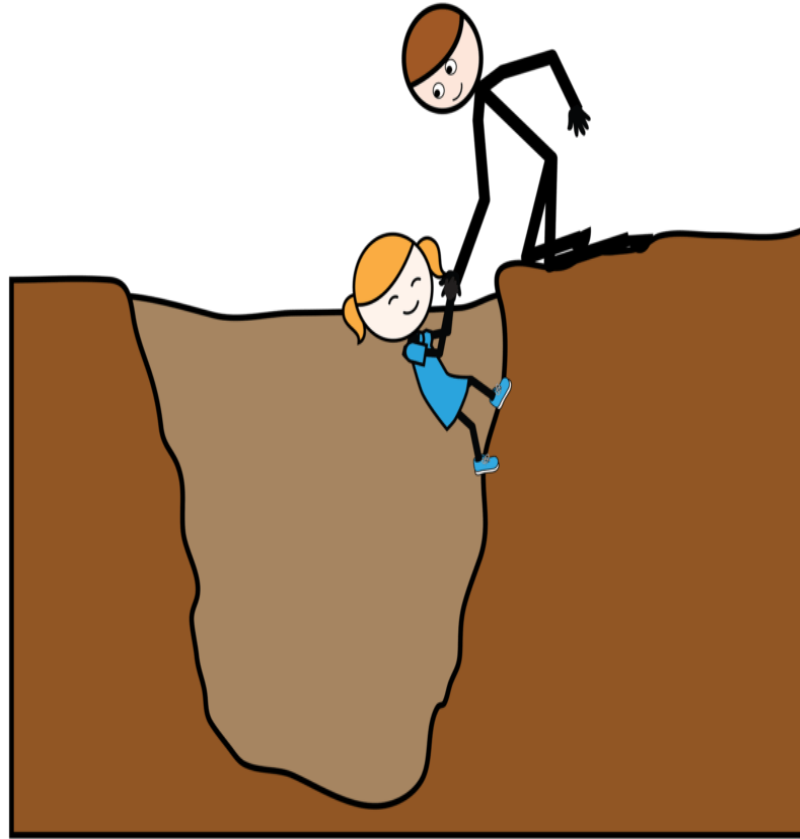

**Gideon and the 300 men surrounded their enemy at night with horns and torches in jars.**

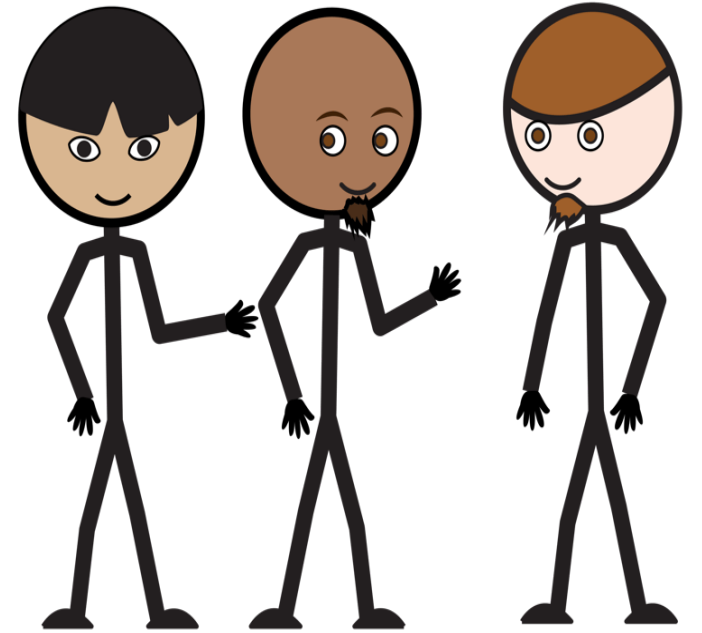

**They broke the jars, blew the horns, and shouted, “A sword for the Lord and for Gideon!”**

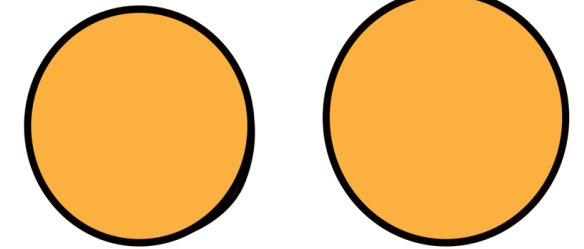

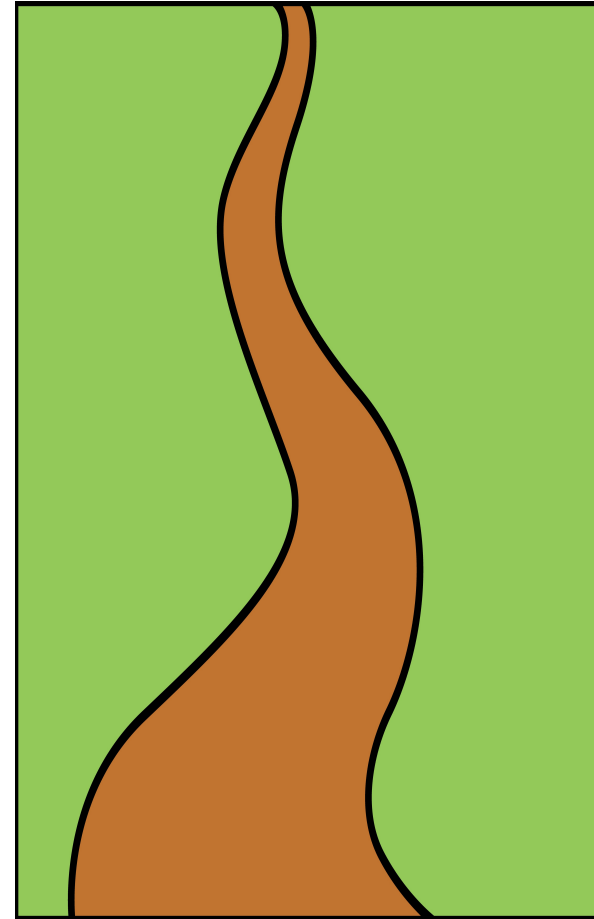

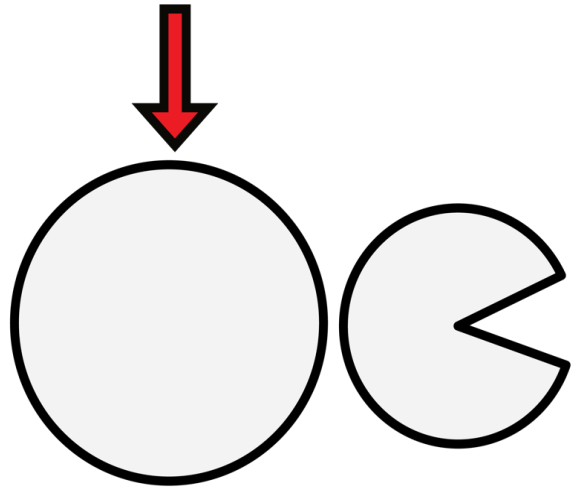

**The enemy was scared and ran away.  
They even attacked on another!**

300

**God saved Israel with just 300 men!**

**Integrity begins with trusting that God's way is perfect.**
