WHAT DOES IT SAY? (OBSERVATION)

1. Who created everything? (*God did.*)
2. What are some of the things God created? Who are the first two people God created? (*Adam and Eve*)
3. What did God think of everything He had created? (*He said that it was very good.*)

WHY DOES IT MATTER? (APPLICATION)

1. What did God use to create the world? What does this teach us about God? (*God used His words to create everything out of nothing. This shows us how mighty and powerful God is!*)
2. What do you think God wants us to learn from this story? (*Let your kids answer and then bring them back to this week's Teaching Truth: God created everything.*)
3. Pray a short simple prayer thanking God that He created everything and that He loves His creation, including you.
