

This Week's Story: Food from Heaven

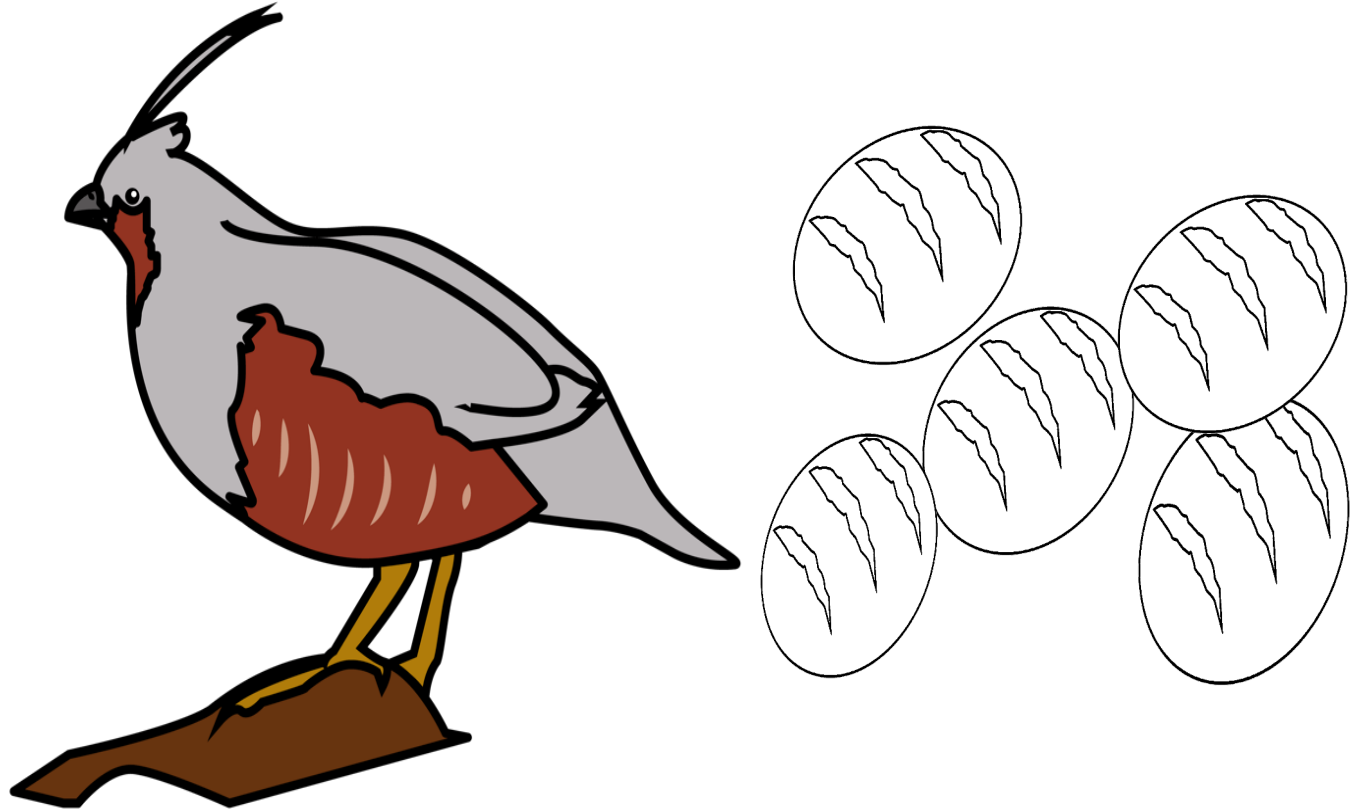

This Week's Teaching Truth:
God takes care of us

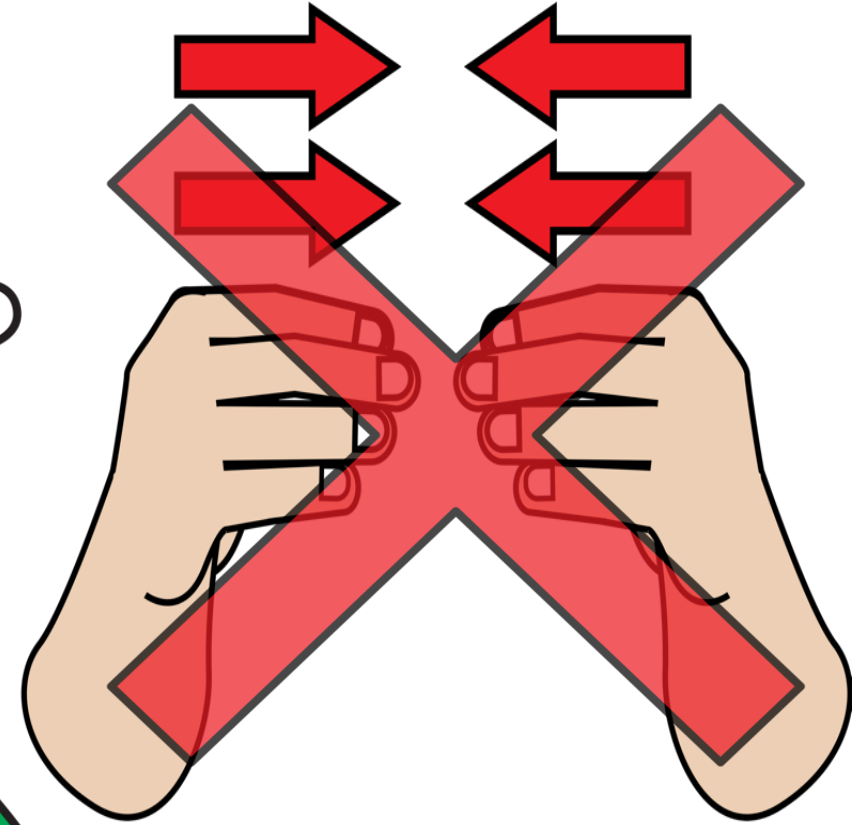

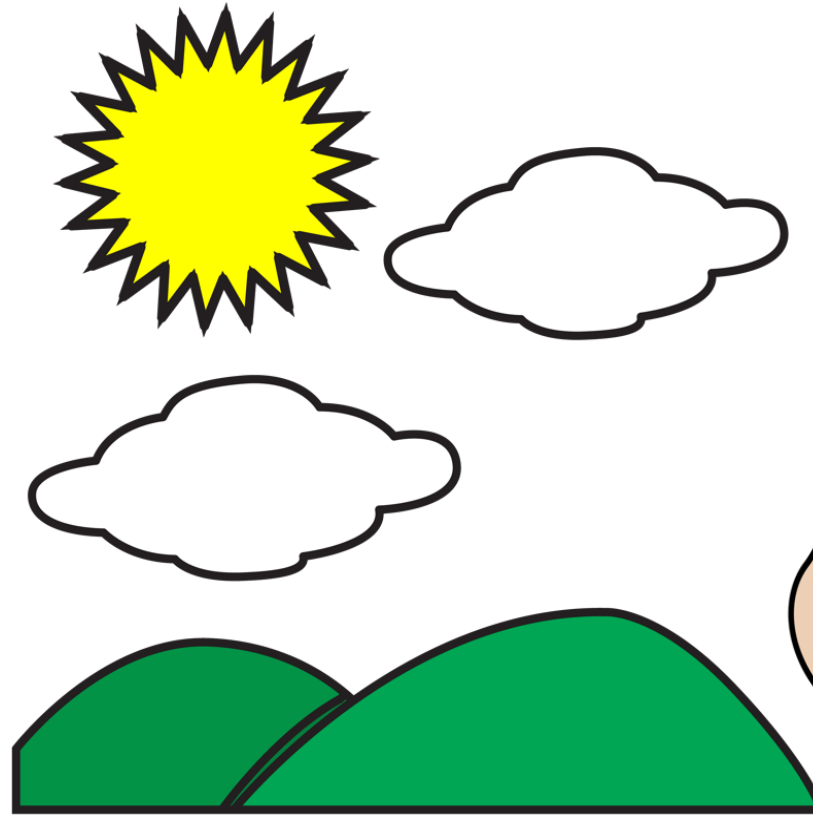

**Moses and the Israelites were traveling
to the land God promised them.**

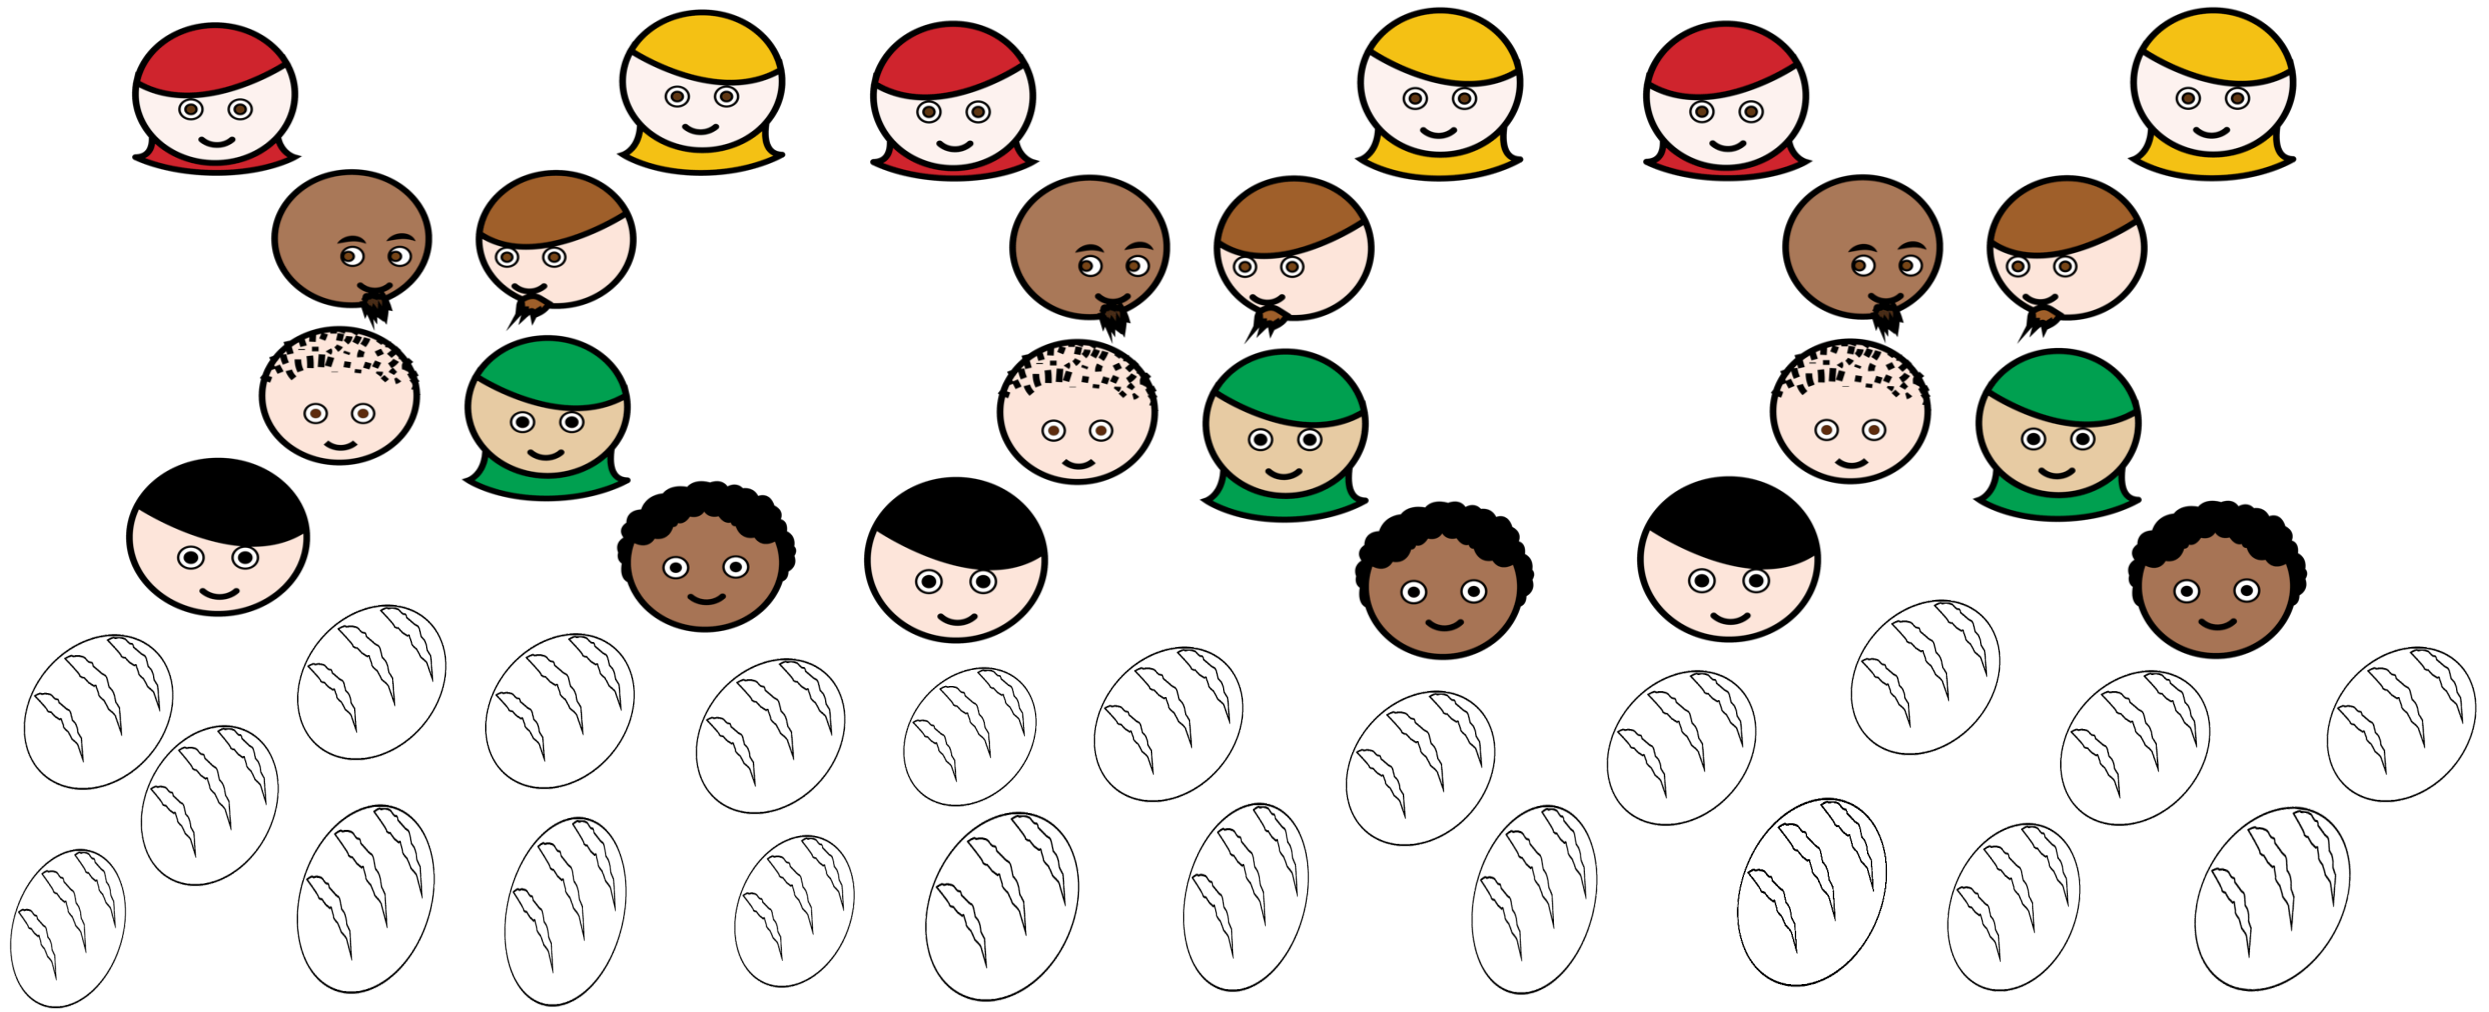

The Israelites started complaining about food.

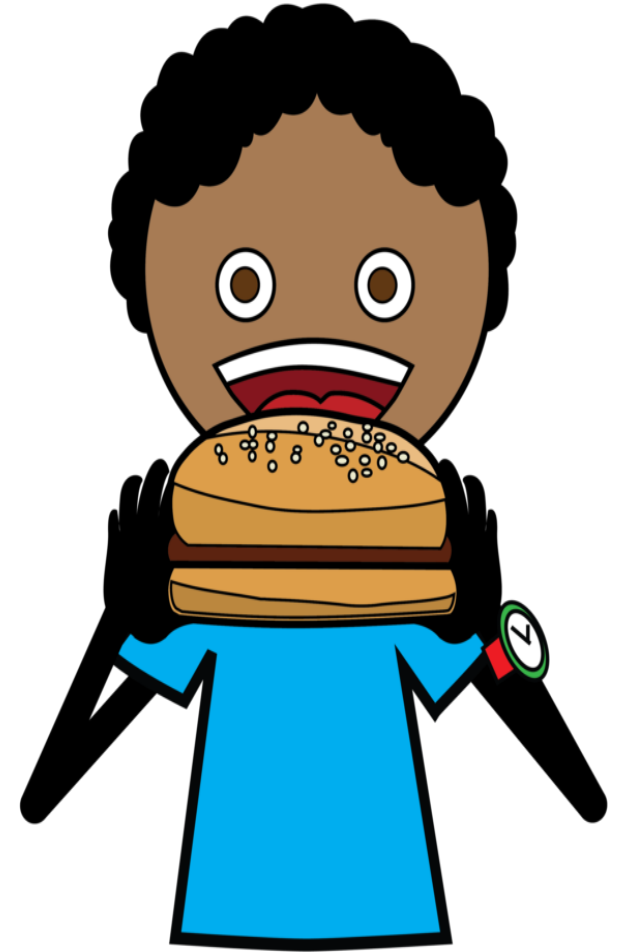

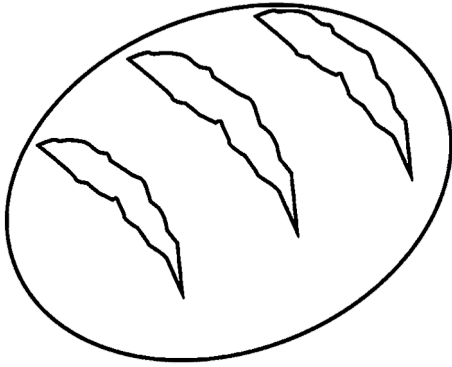

**God promised to rain food down from heaven,
quail as meat to eat and manna for bread.**

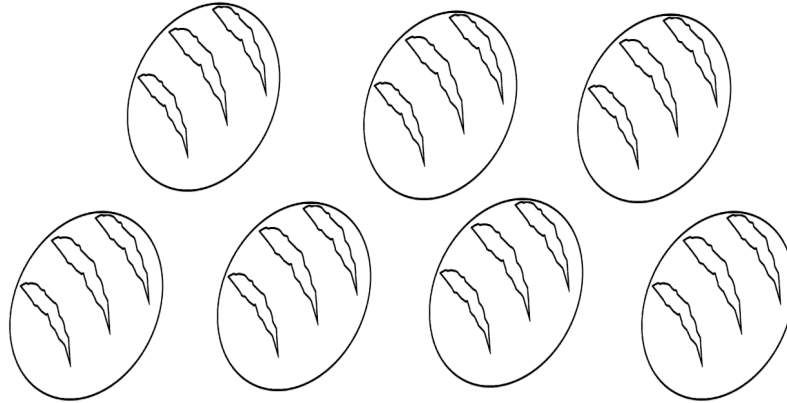

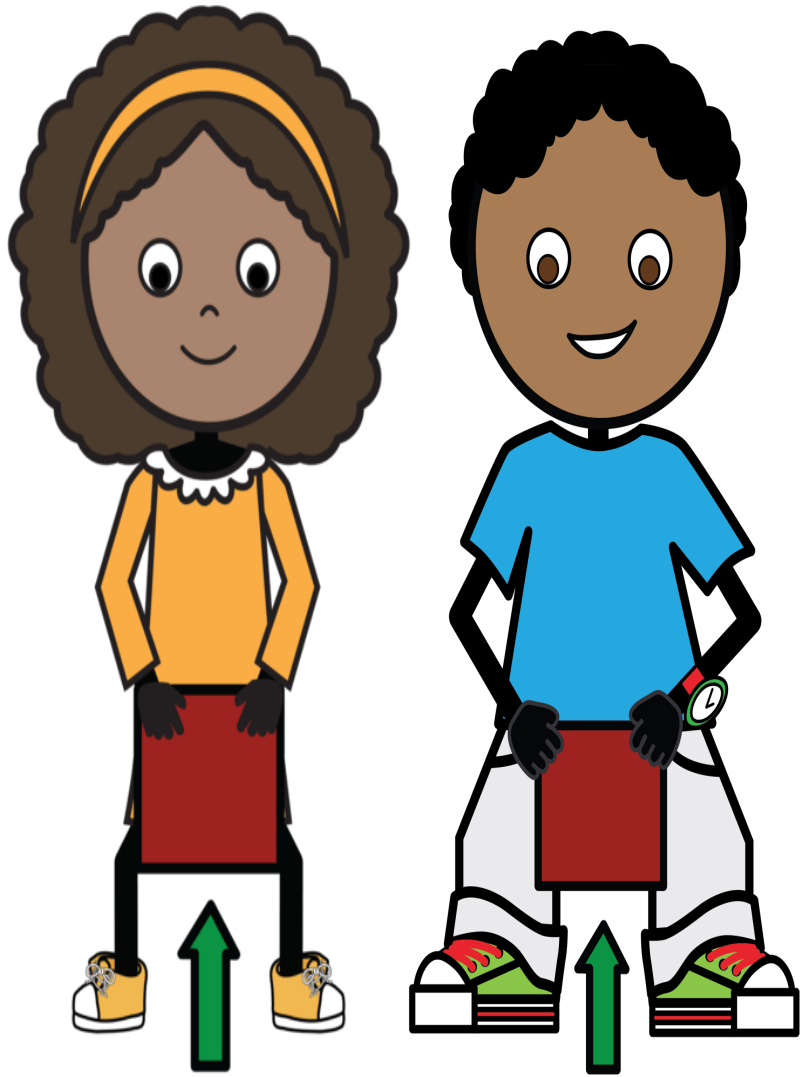

God gave the people instructions to only gather enough food for one day and no more.

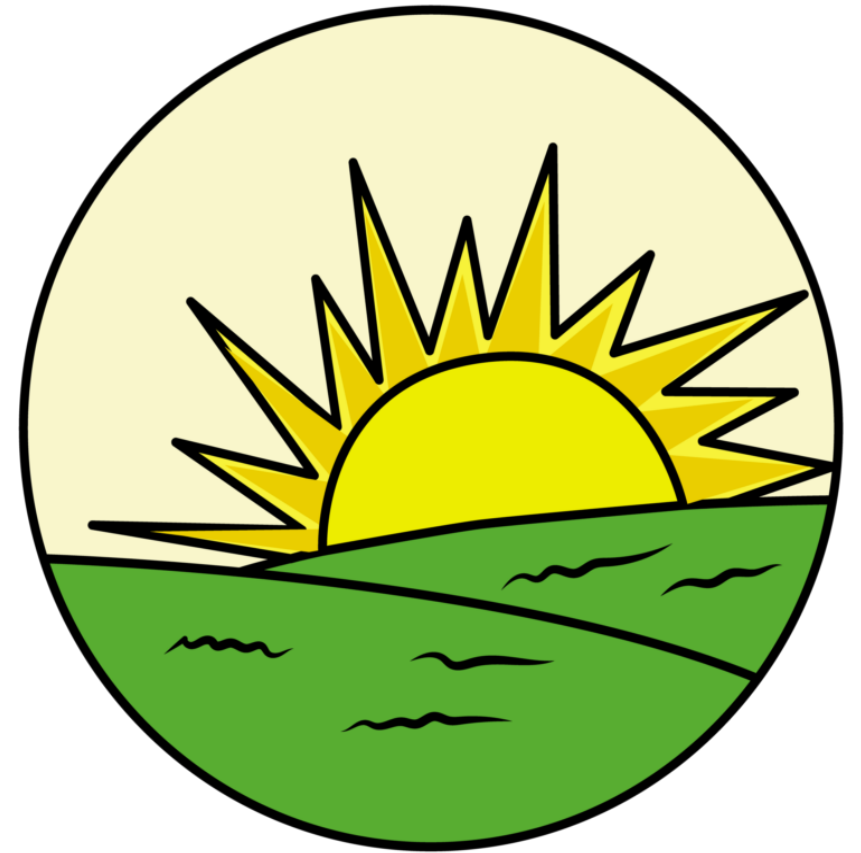

**In the morning, the people woke up and saw a white, flaky
thing on the ground that tasted like honey.
They called it manna because they didn't know what it was.**

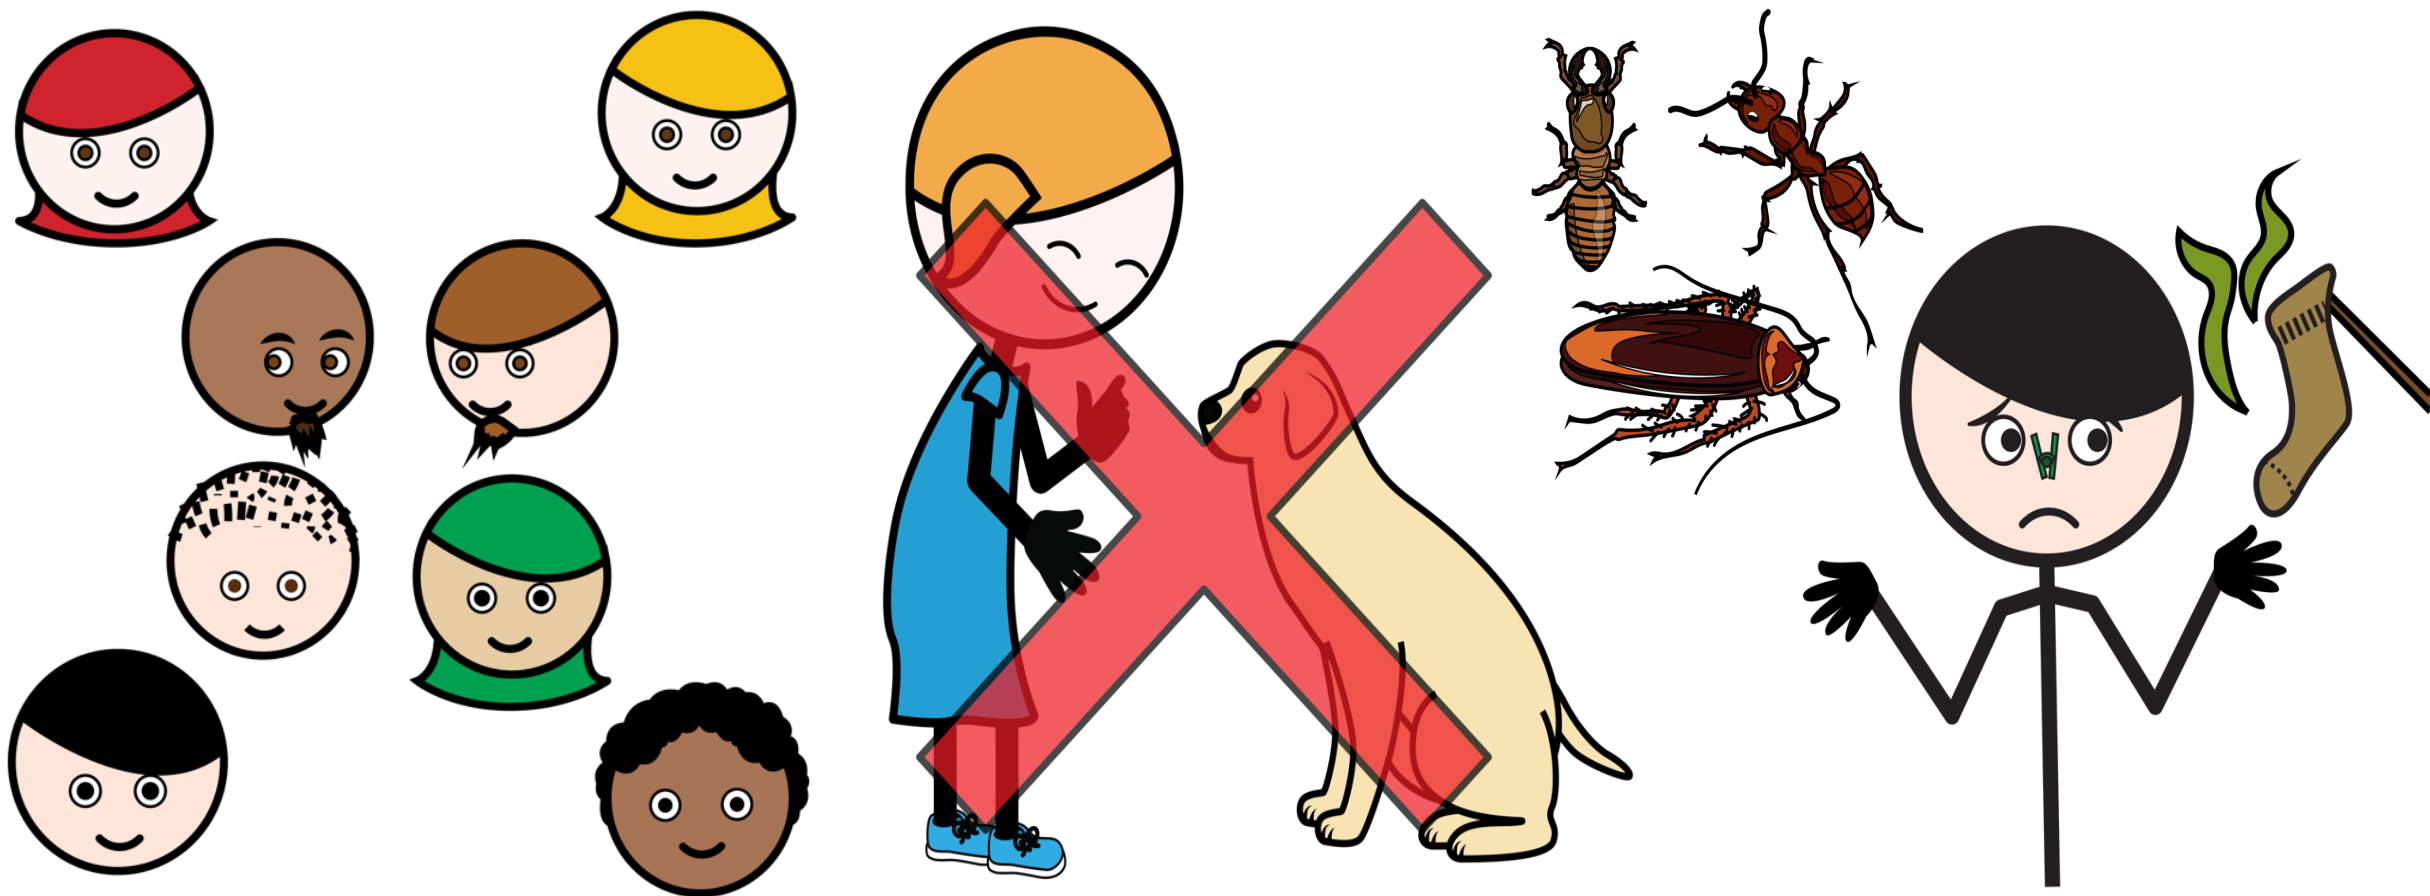

Moses said it was the bread God gave them to eat.

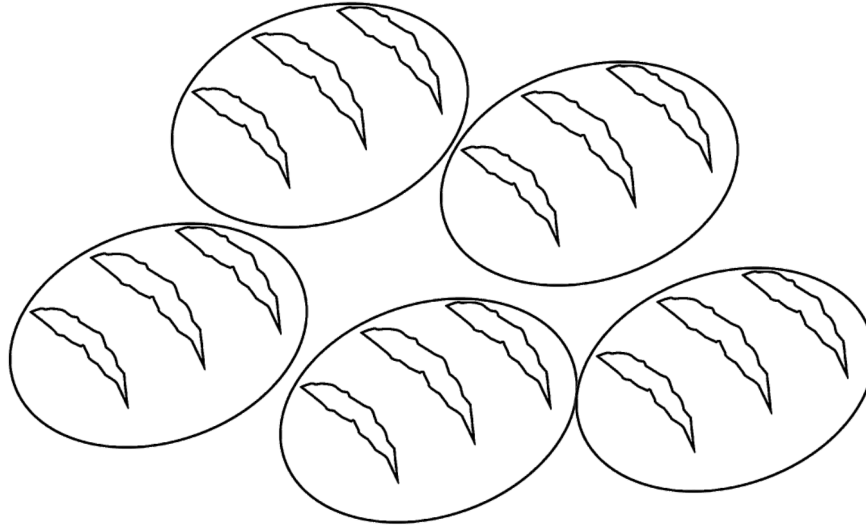

The people picked up what they could eat.

Moses said not to keep any of it until morning.

**Some of the Israelites disobeyed God and kept extra food.
The next day the food was full of bugs and smelled terrible.**

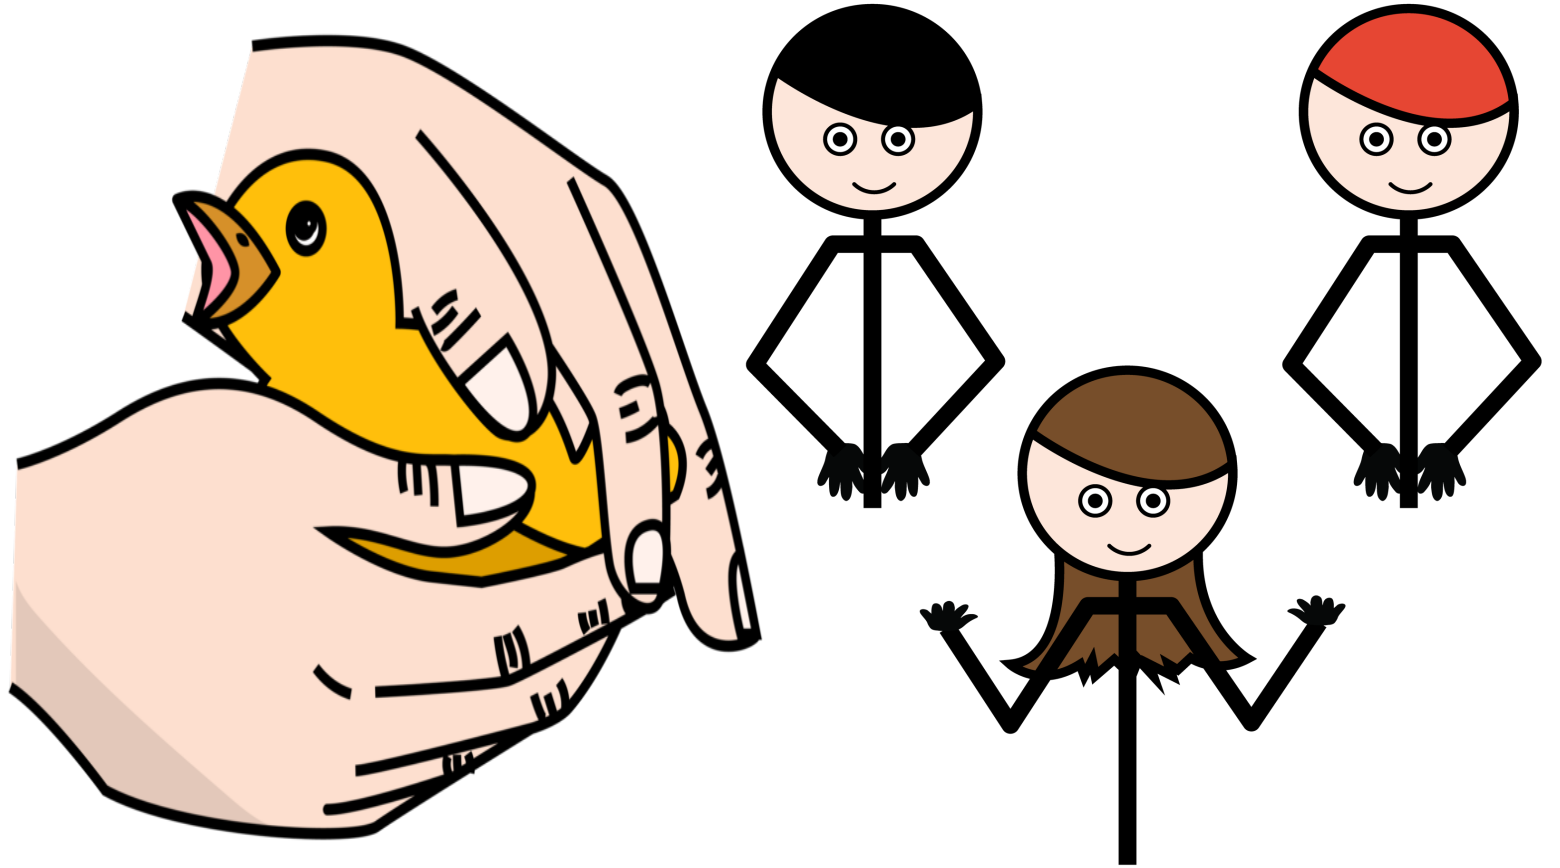

40!

But God gave them manna for 40 years!

God takes cares of us.

God told them to keep some in a jar to remember how He gave them food when they had none.

God takes cares of us.
