# Diligence

**Consistently working with all my heart  
to bring glory to God**

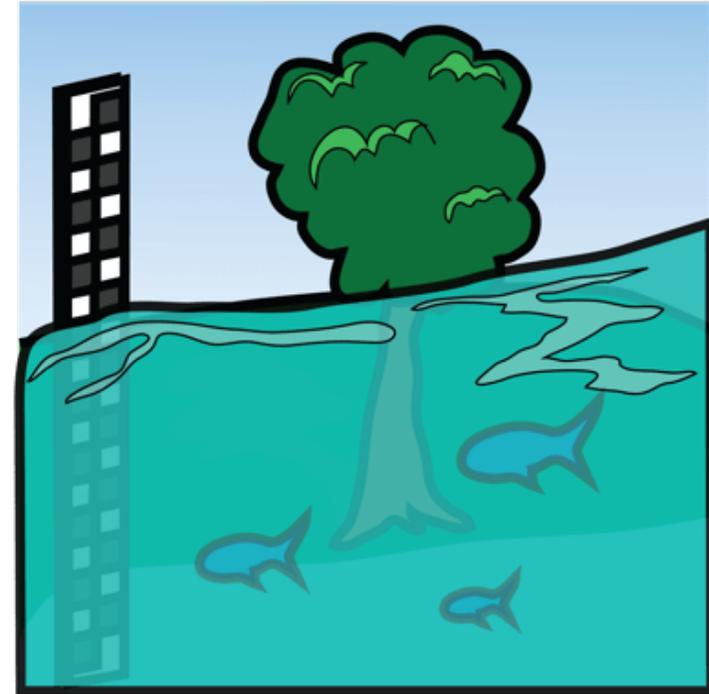

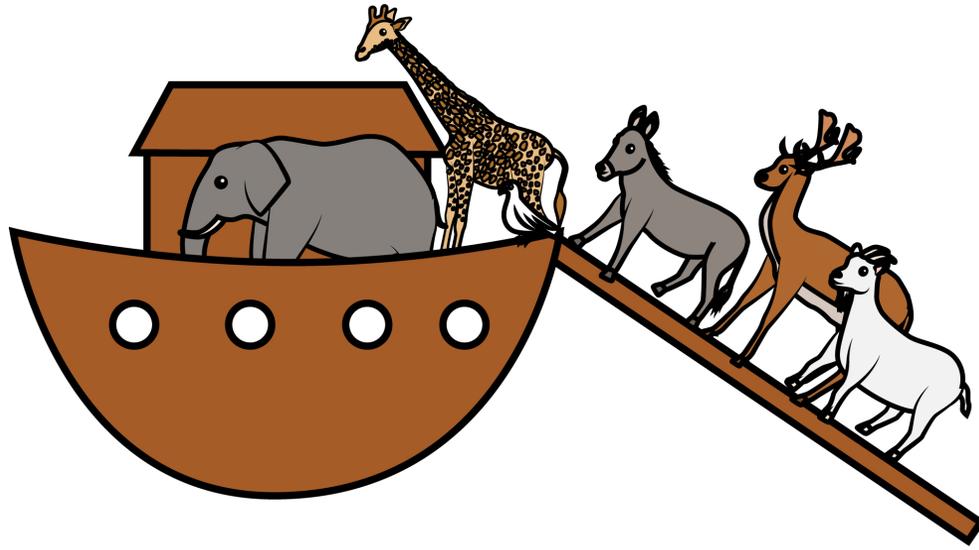

**People on earth had become very evil.  
They did bad things all the time.**

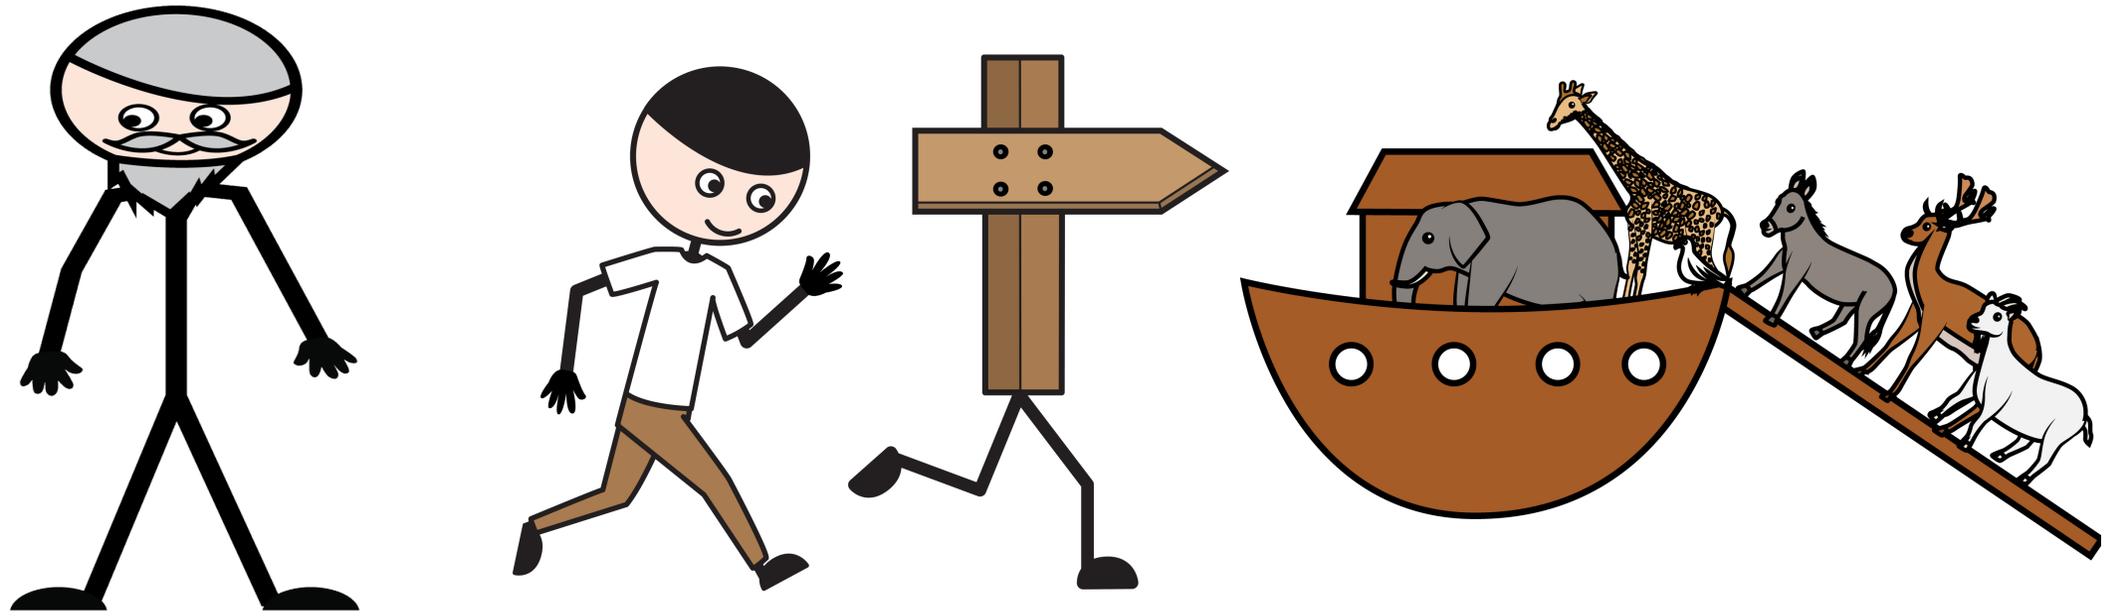

**This broke God's heart and made Him sad.**

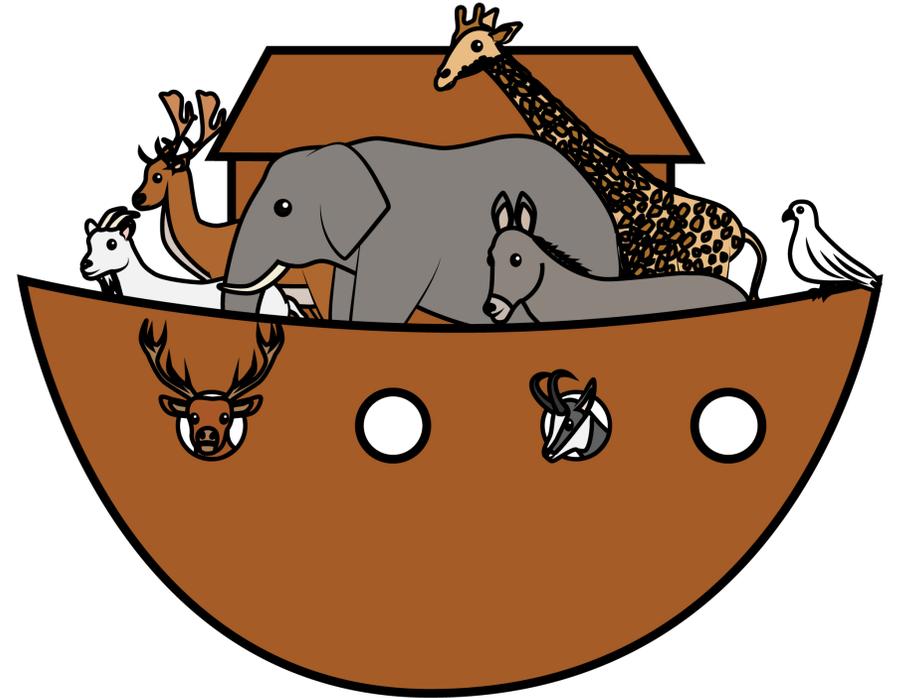

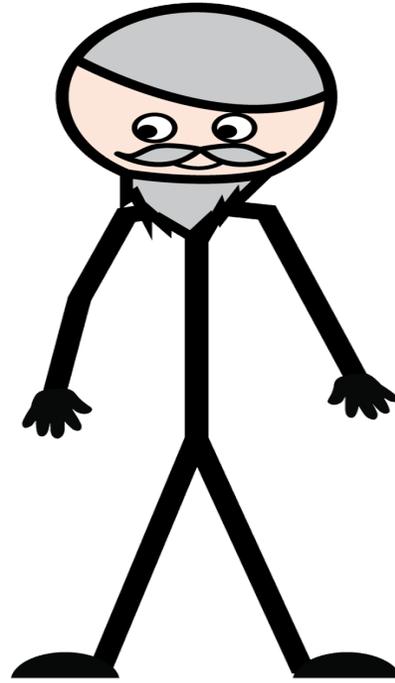

**But God found one righteous man and his family living on the earth. His name was Noah.**

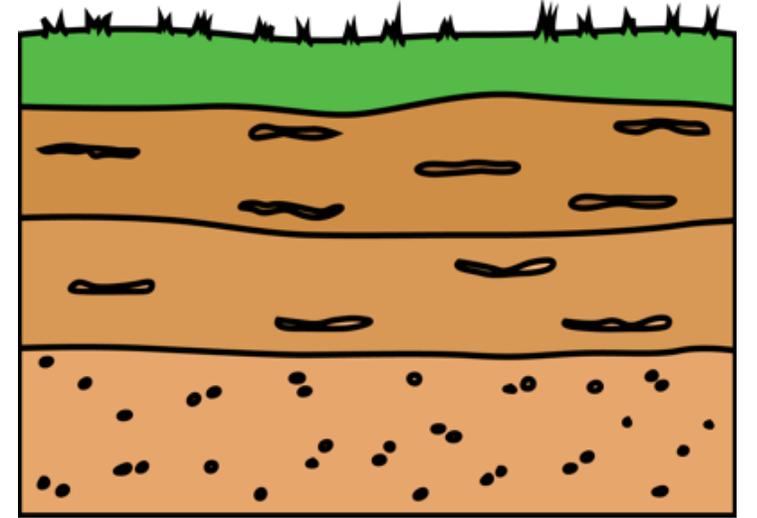

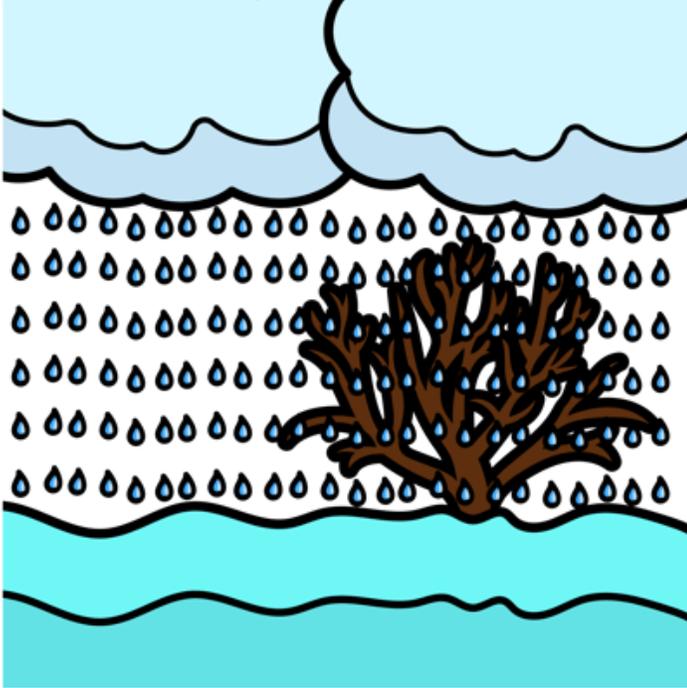

**God told Noah to build a big boat and bring two of every kind of animal onto it. God said He would send a huge flood to cover the earth.**

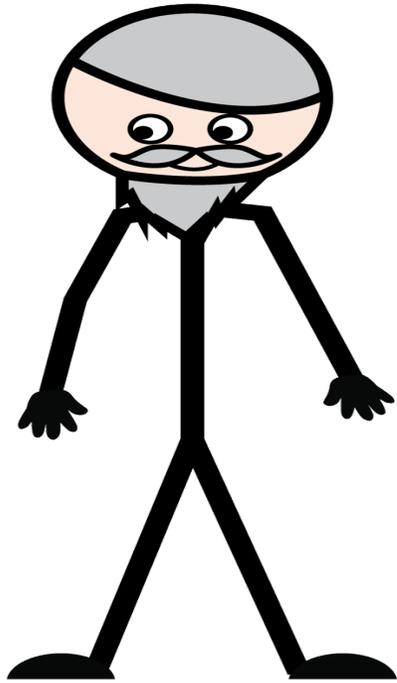

**Noah trusted God and followed all the directions God gave him. It took Noah's family many years to build the boat.**

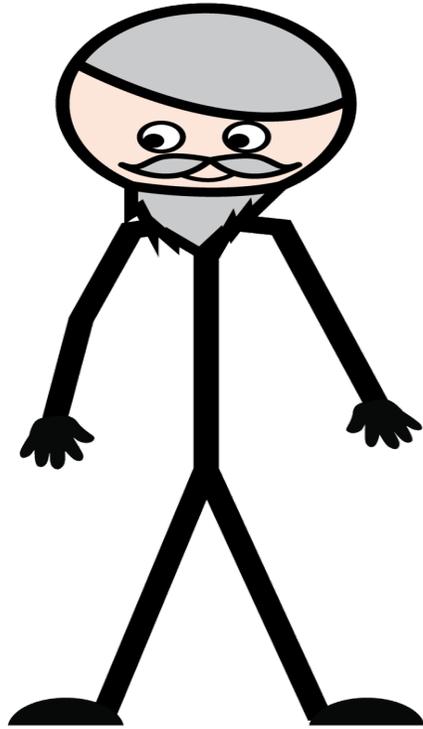

**When the boat was finished, God sent the flood.  
It rained for 40 days and nights.  
But Noah, his family, and the animals were safe.**

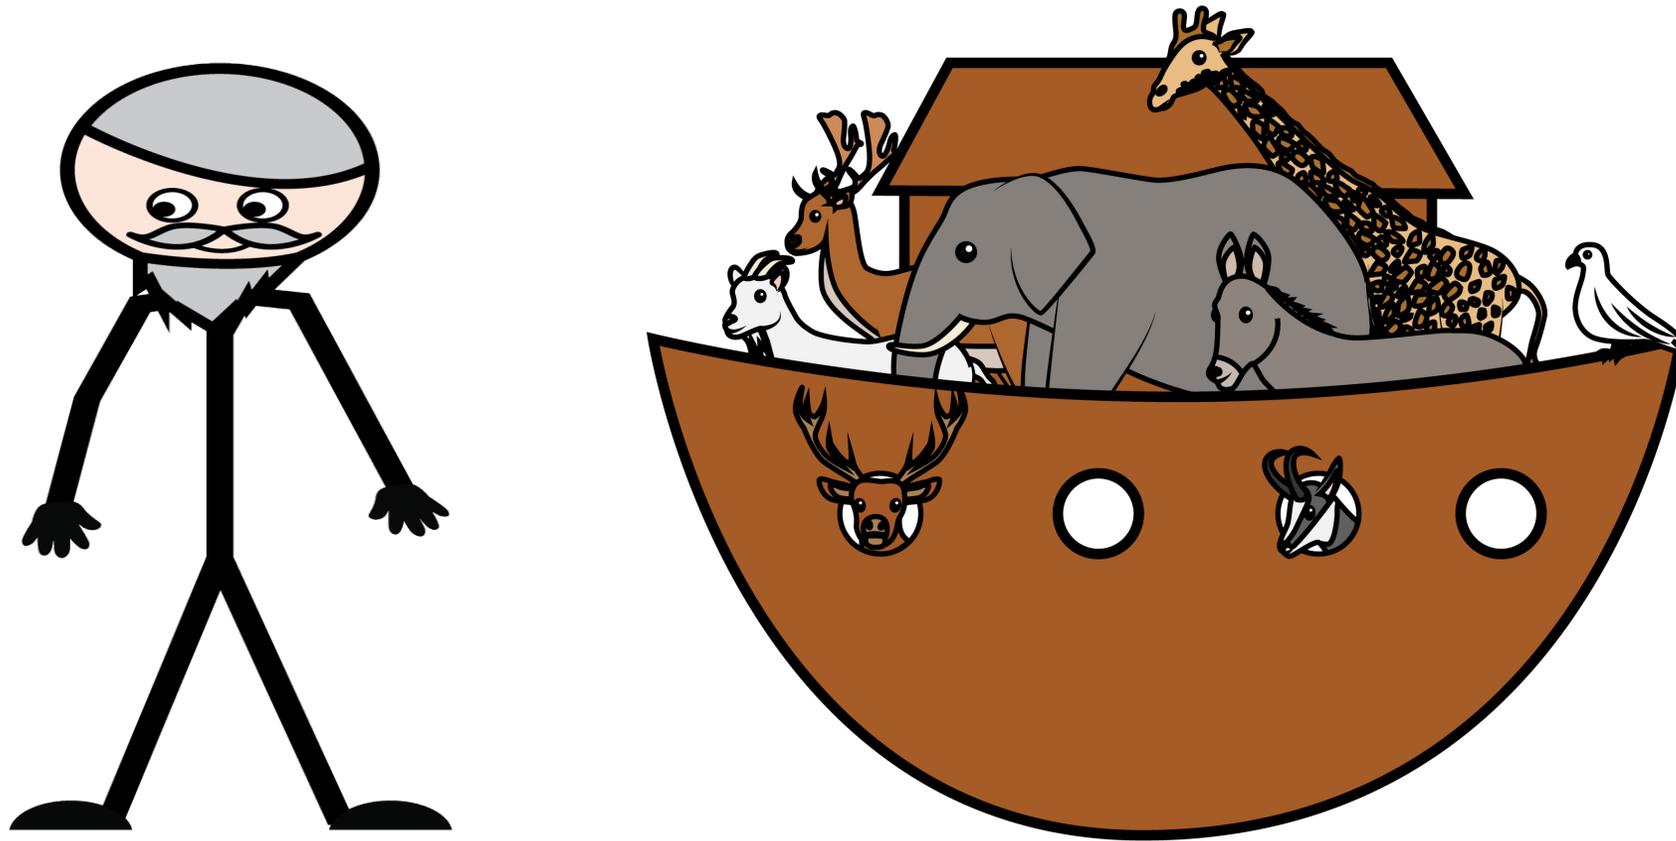

**Finally, the rain stopped.  
After a long time, dry ground appeared.**

**Noah and his family got off the boat.  
God put a rainbow in the sky as a promise  
to never flood the earth again.**

**Noah honored God obeying Him and by working diligently with all his heart.**
