

This week's story:
Paul's Travels

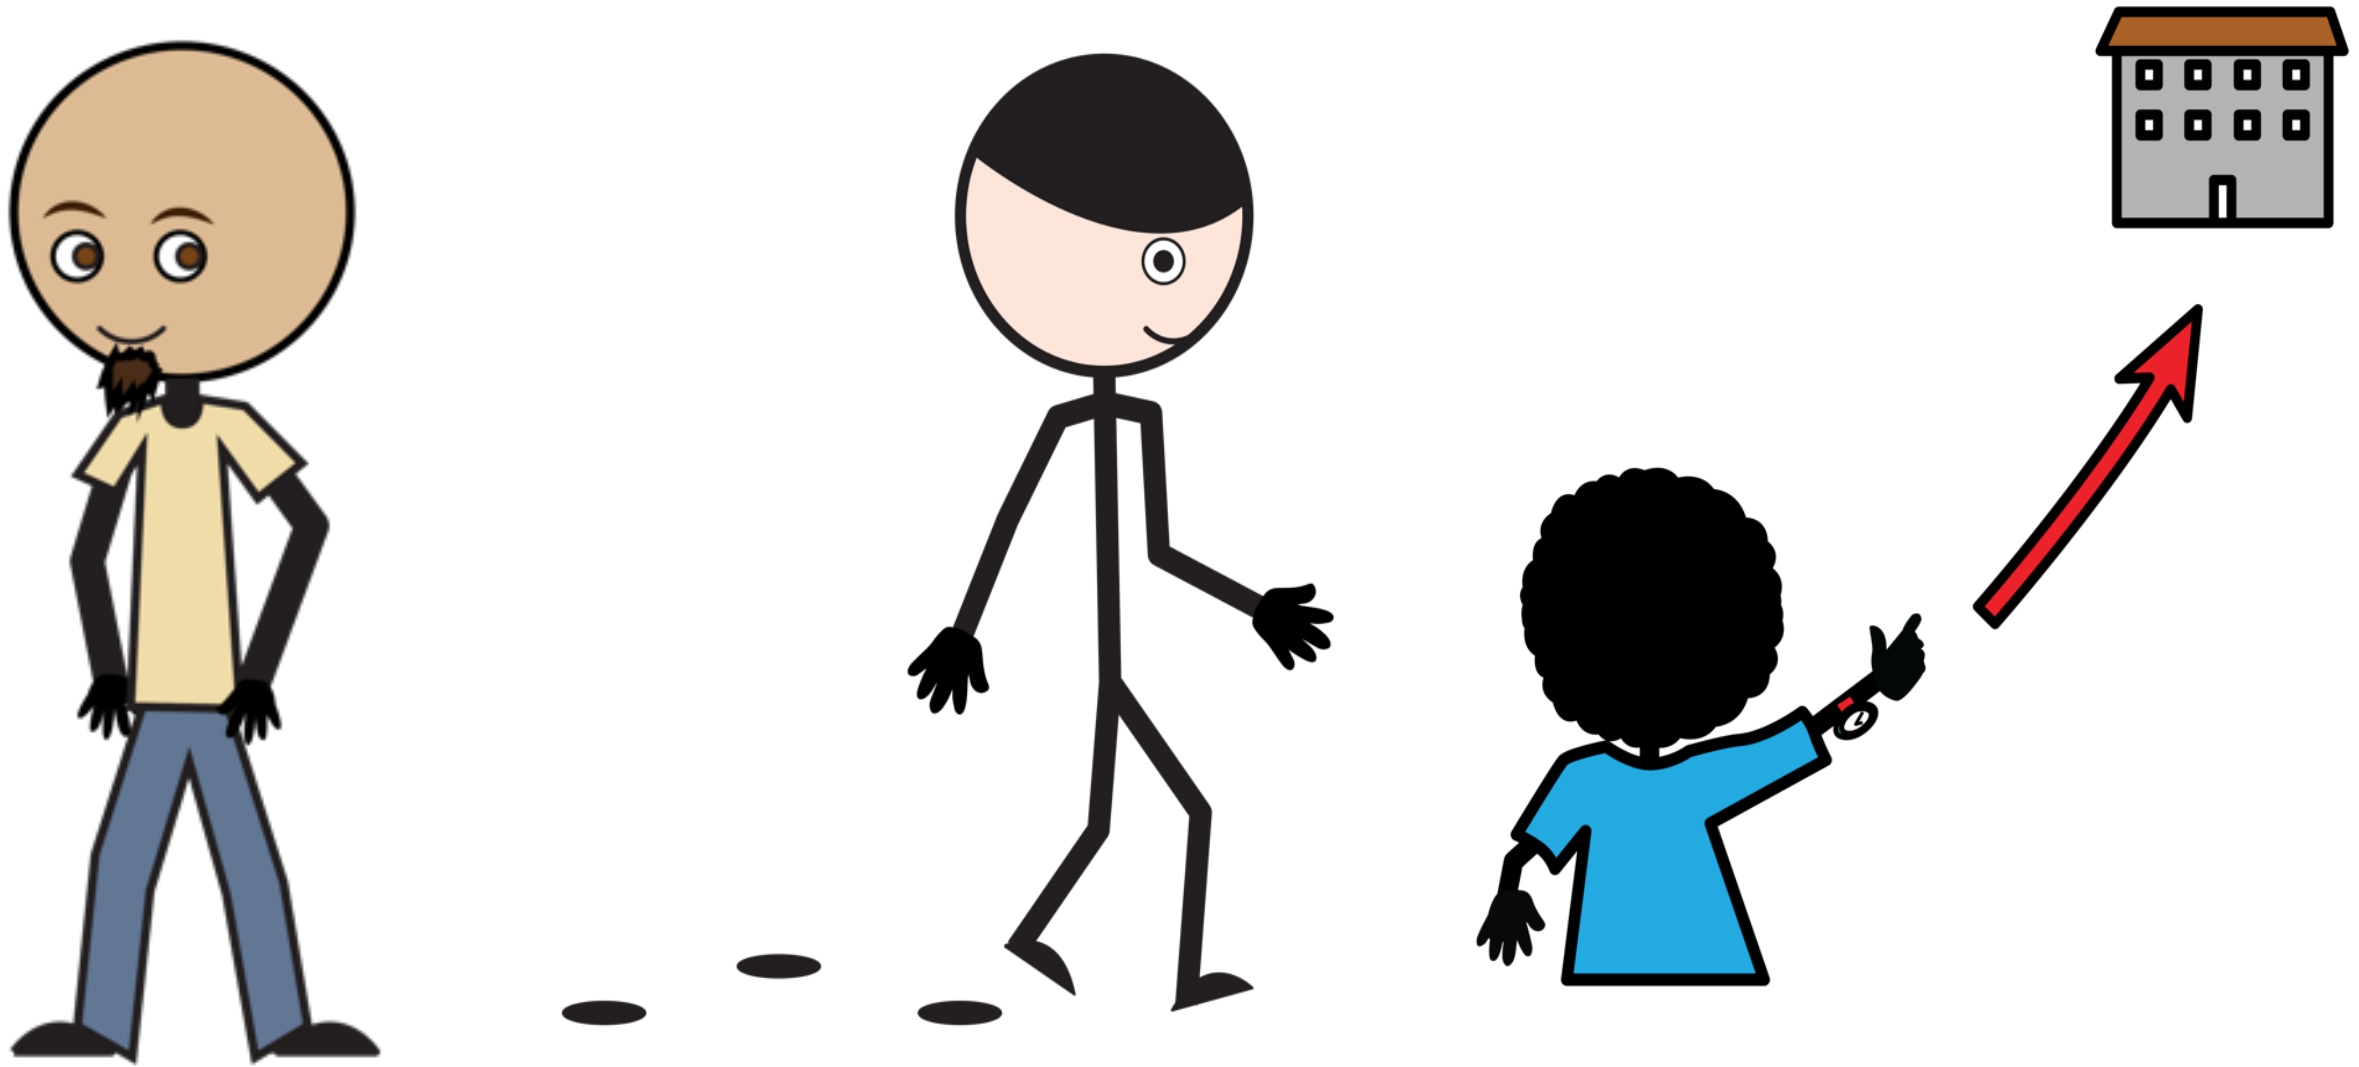

This week's Teaching Truth:
We can tell others about Jesus

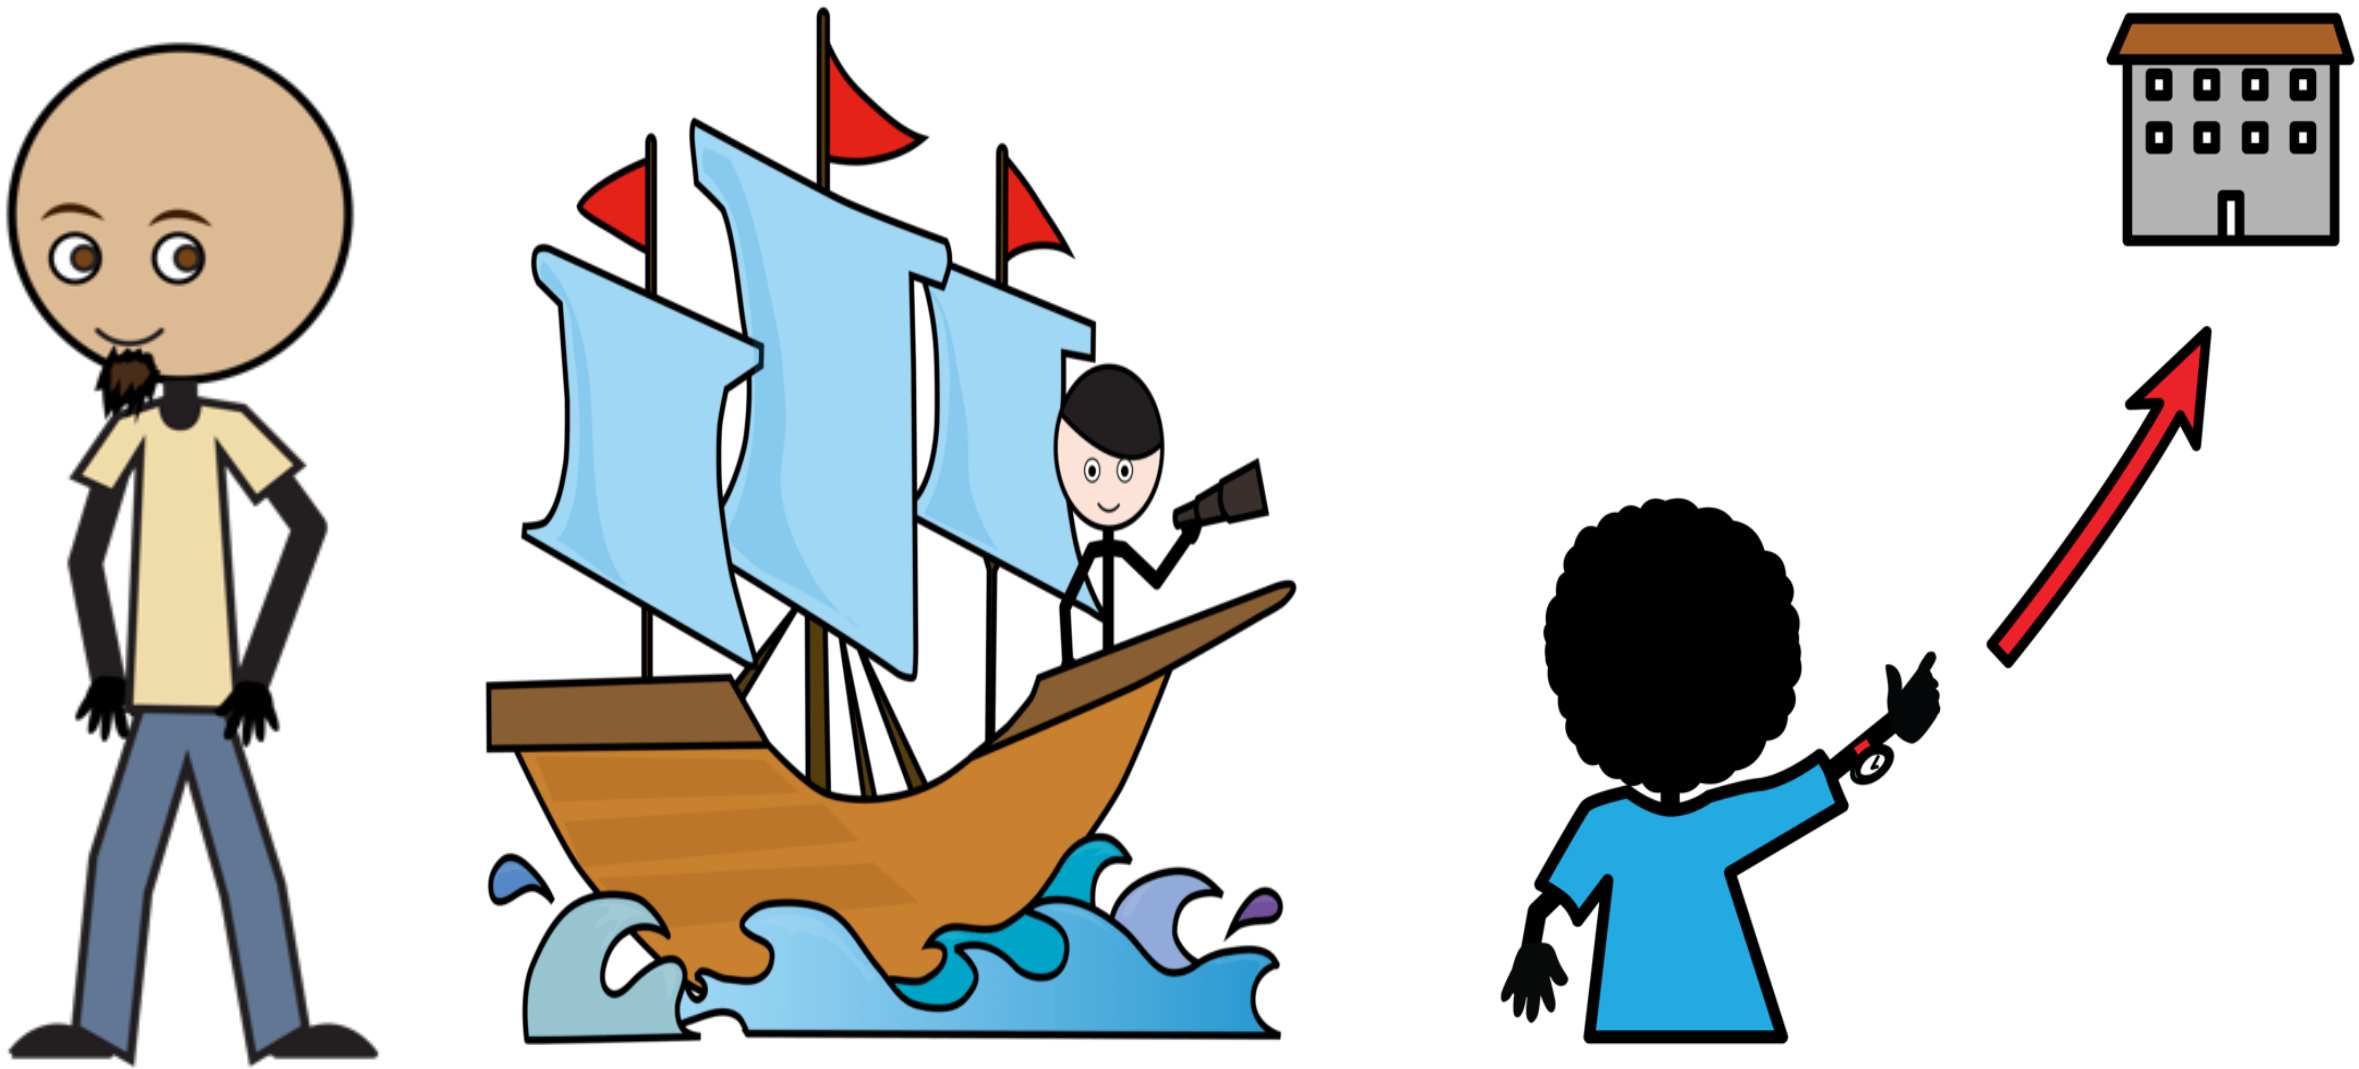

**Paul loved Jesus.
He went everywhere teaching people about Jesus.**

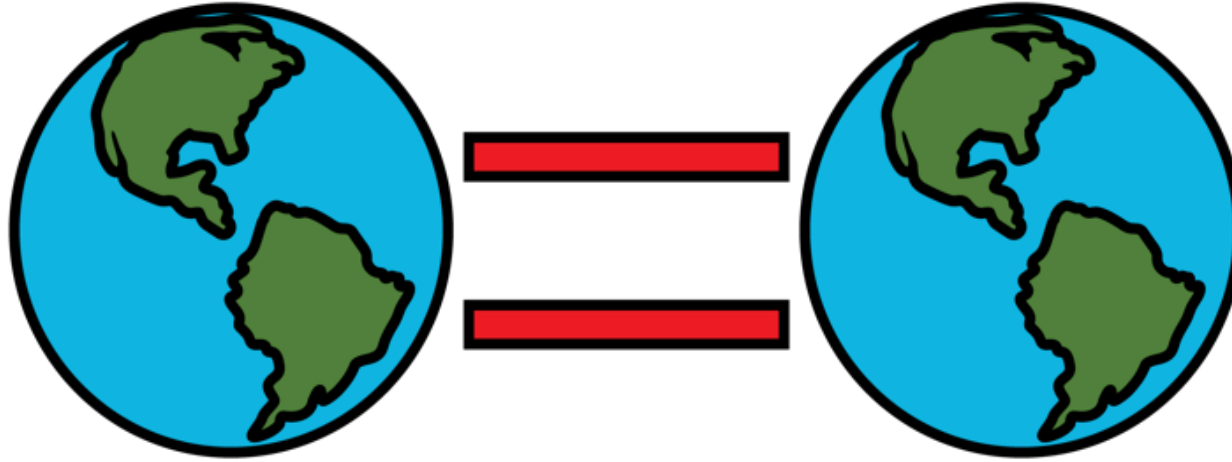

Paul told the people how Jesus died and rose again to save them from their sins.

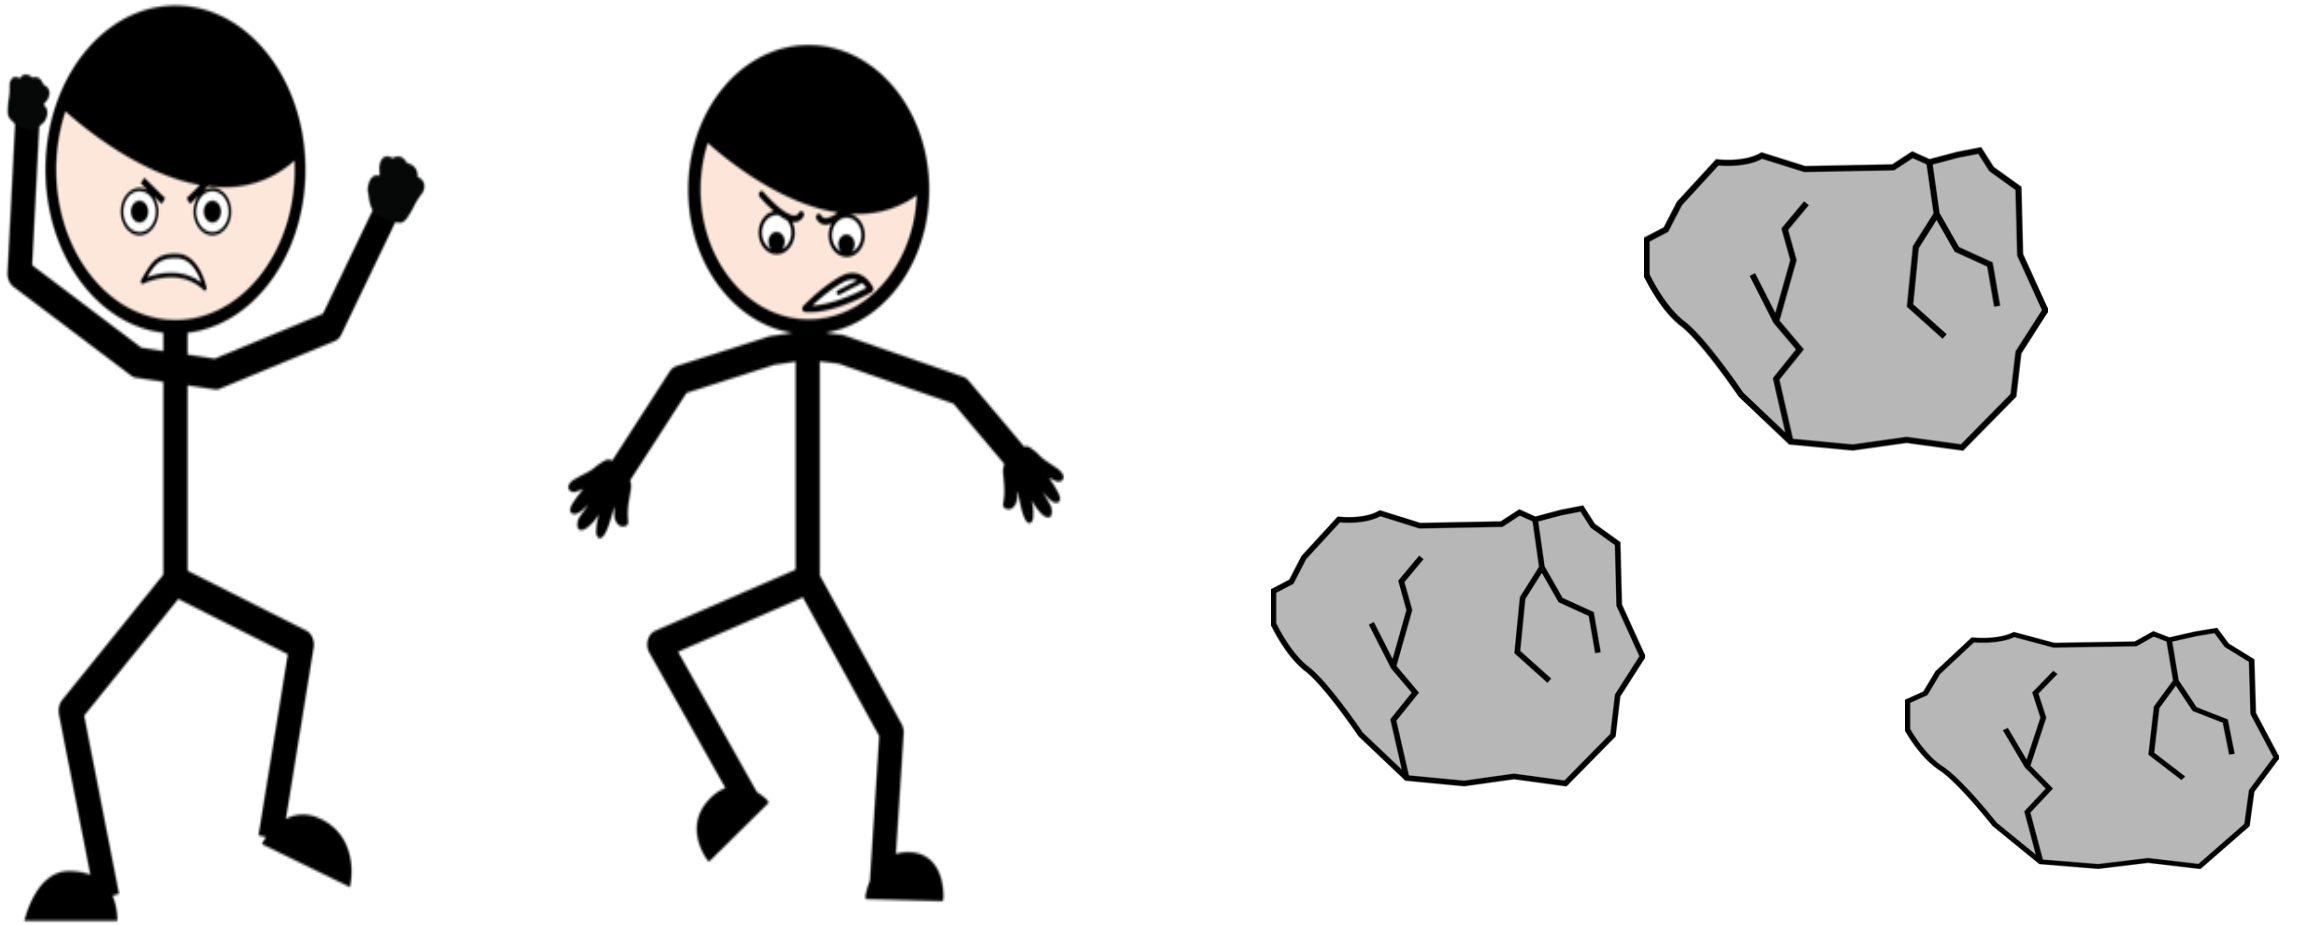

**Sometimes Paul would walk very far
to tell people about Jesus.**

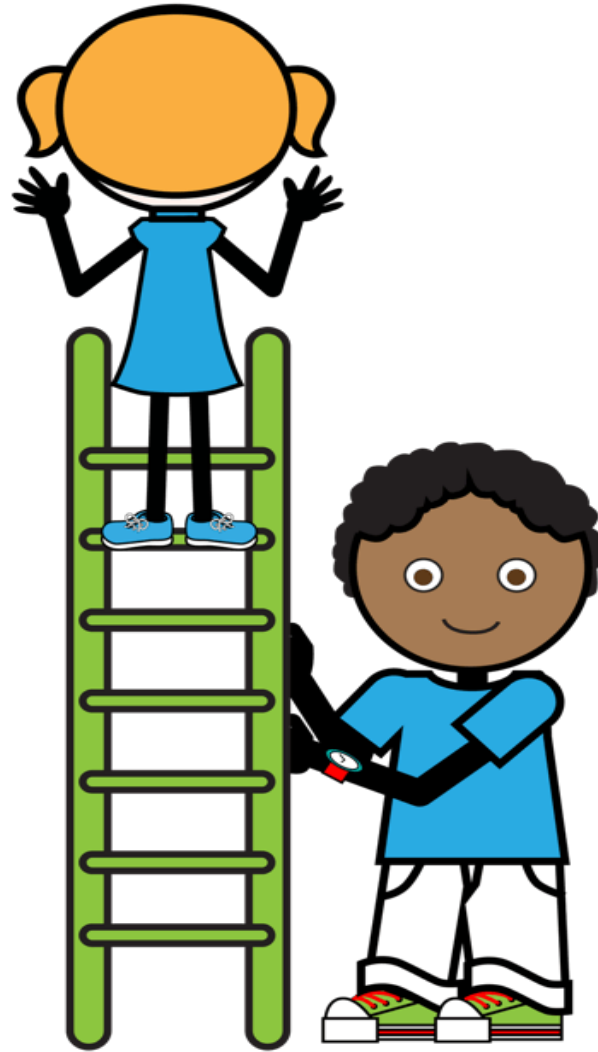

**Sometimes Paul would sail on a big boat far away
to tell people about Jesus.**

Paul would go anywhere to tell people about Jesus.

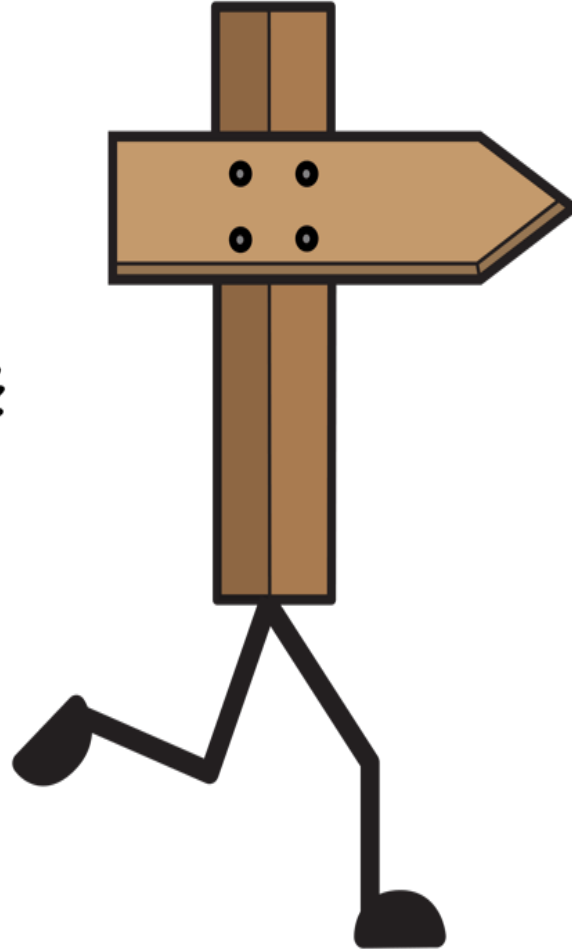

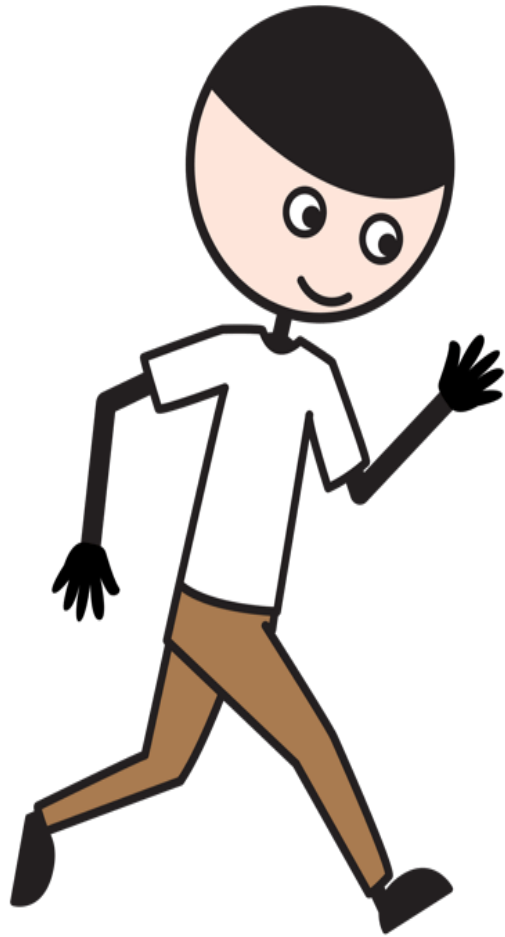

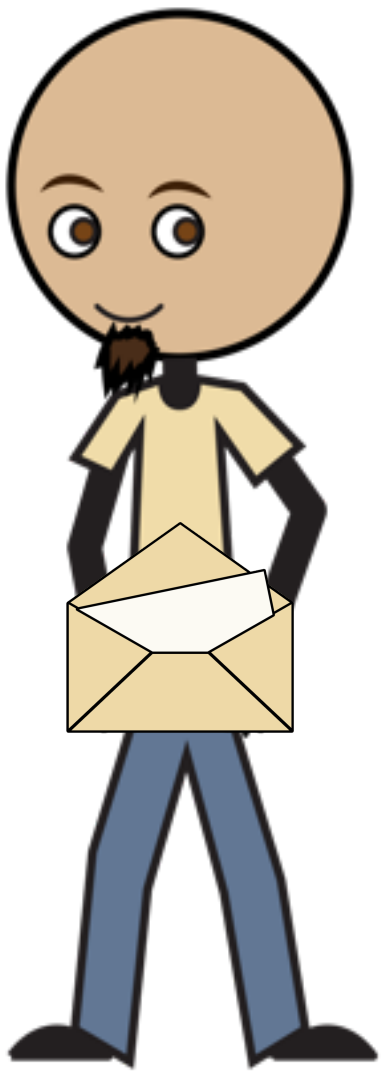

**Sometimes people became angry at Paul
and threw stones at him.**

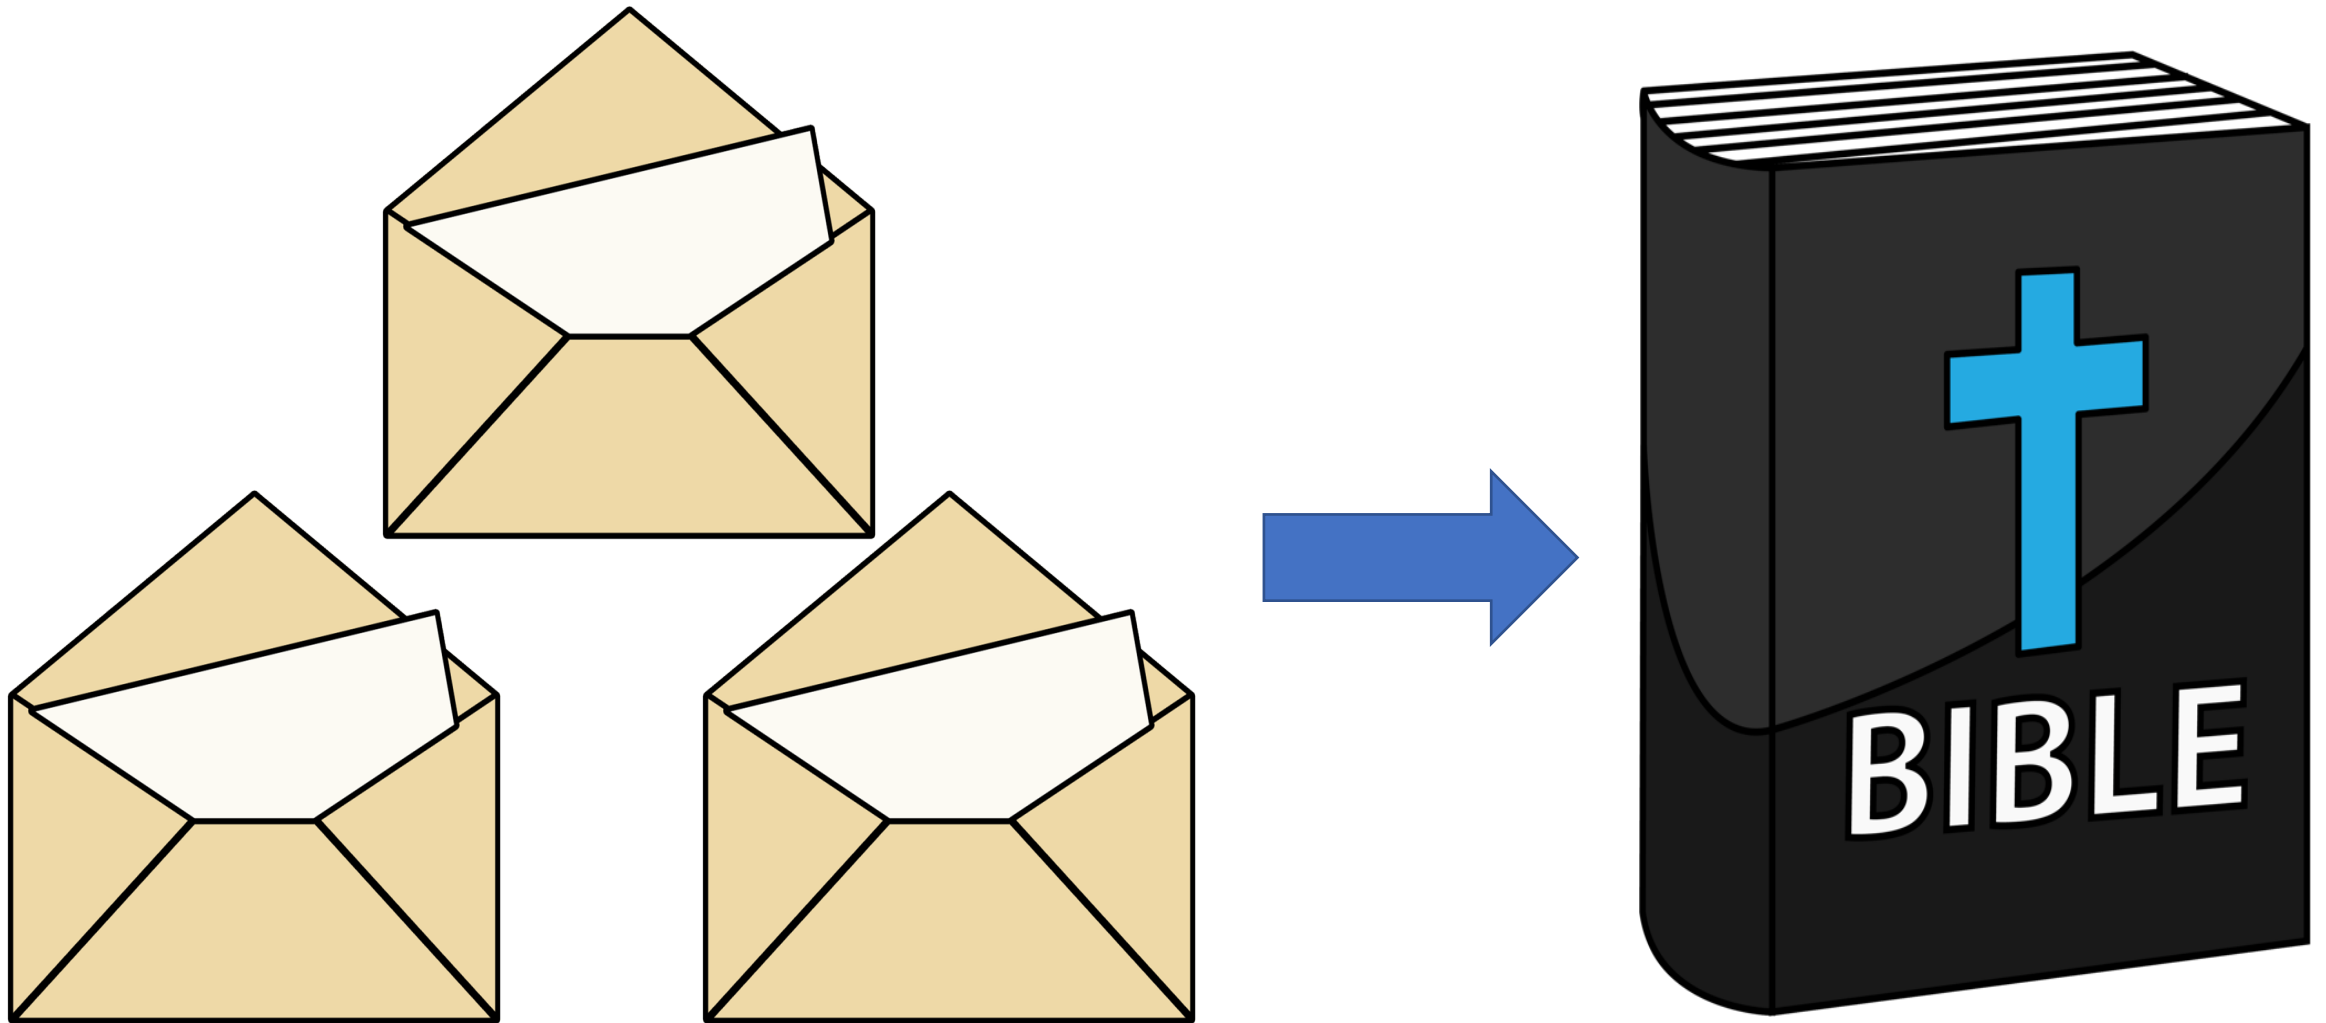

But Paul trusted God.

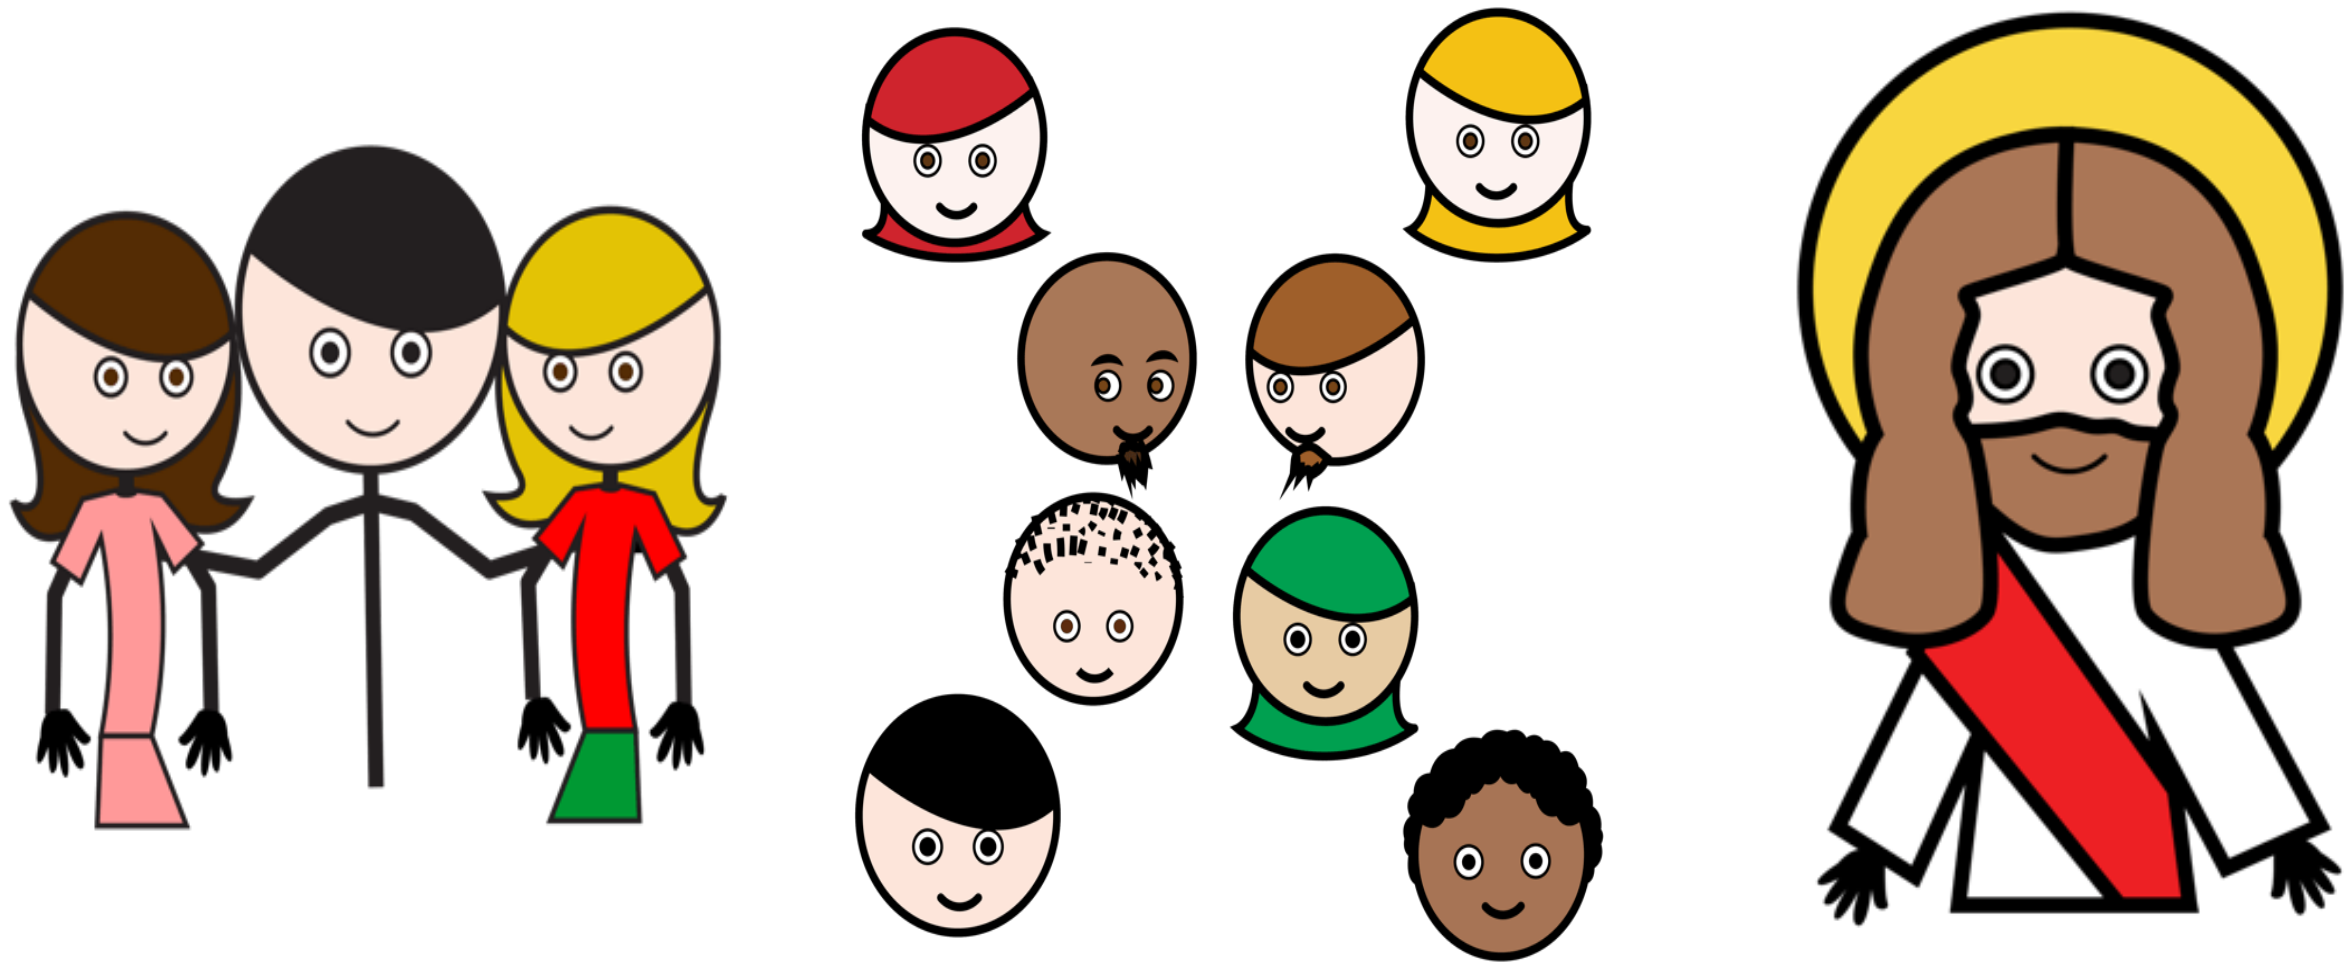

Paul did not stop telling people about Jesus.

**Paul wrote letters to people to remind them
to keep following Jesus.**

We can read Paul's letters today in the Bible.

We can tell others about Jesus.
