Gaining understanding of the truth

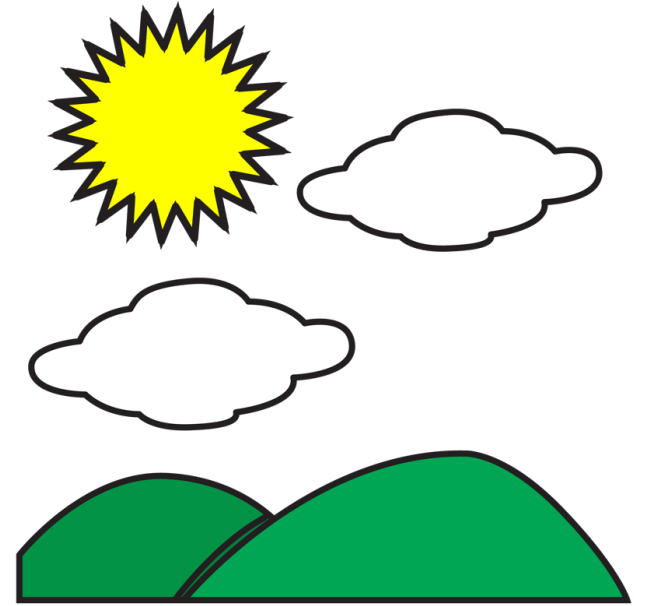

**This week's Finish Line:**  
**We can know God by memorizing scripture**

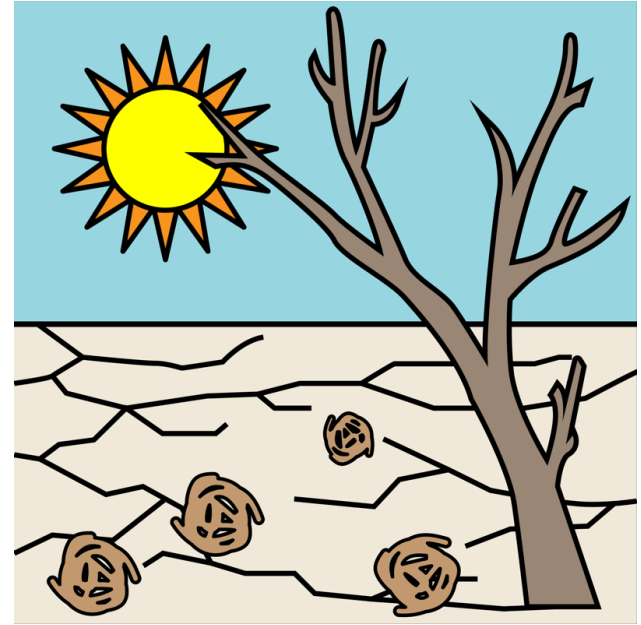

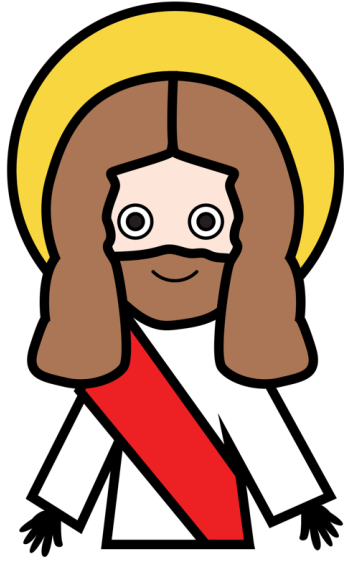

**After Jesus was baptized,  
the Holy Spirit led Him to the desert.**

40

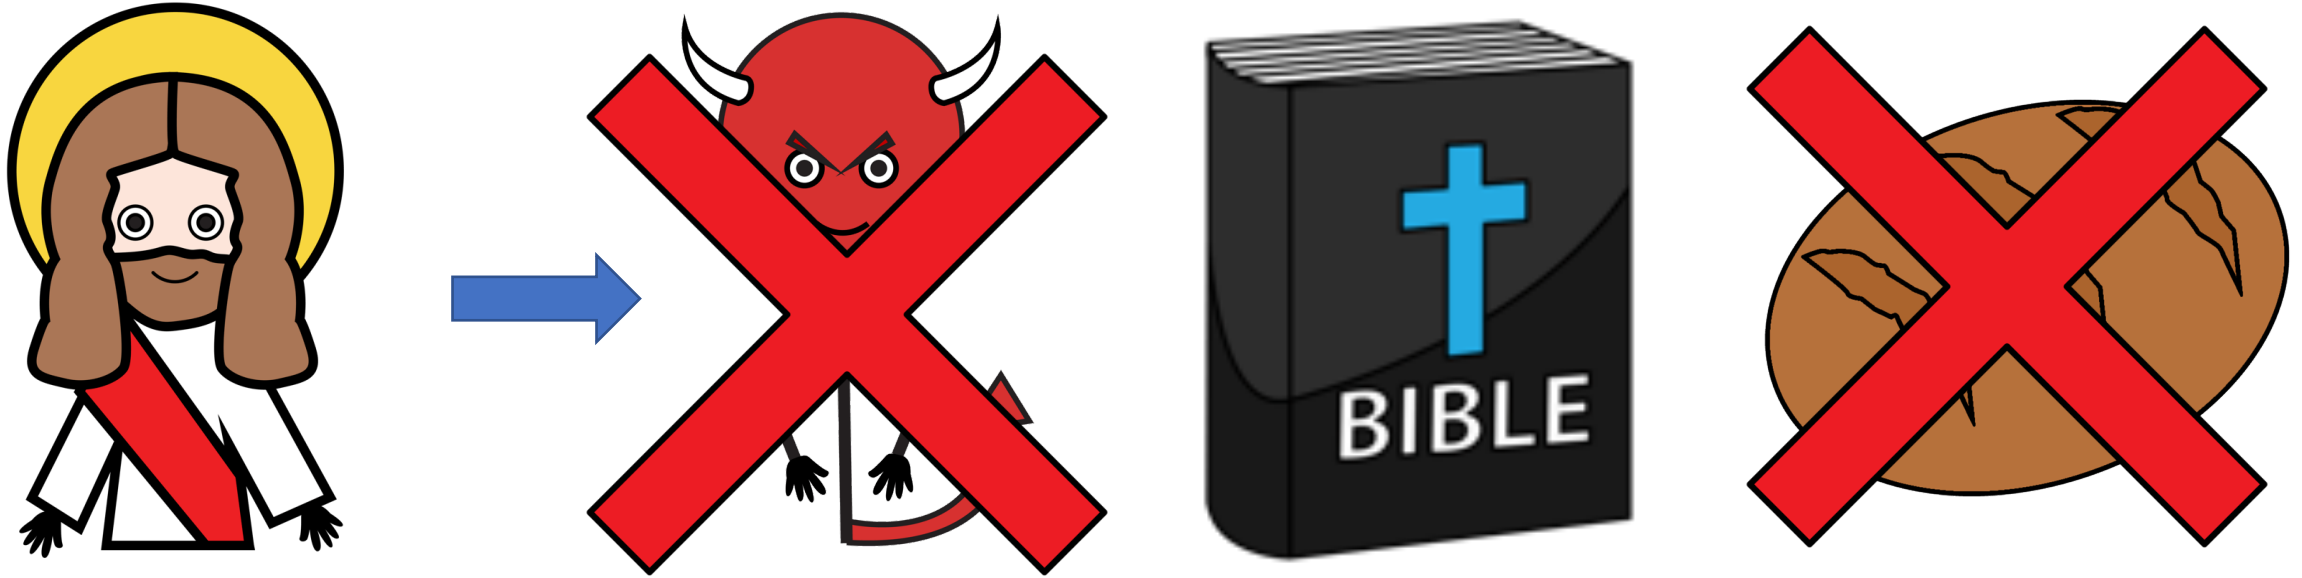

**Jesus was in the desert for 40 days.**

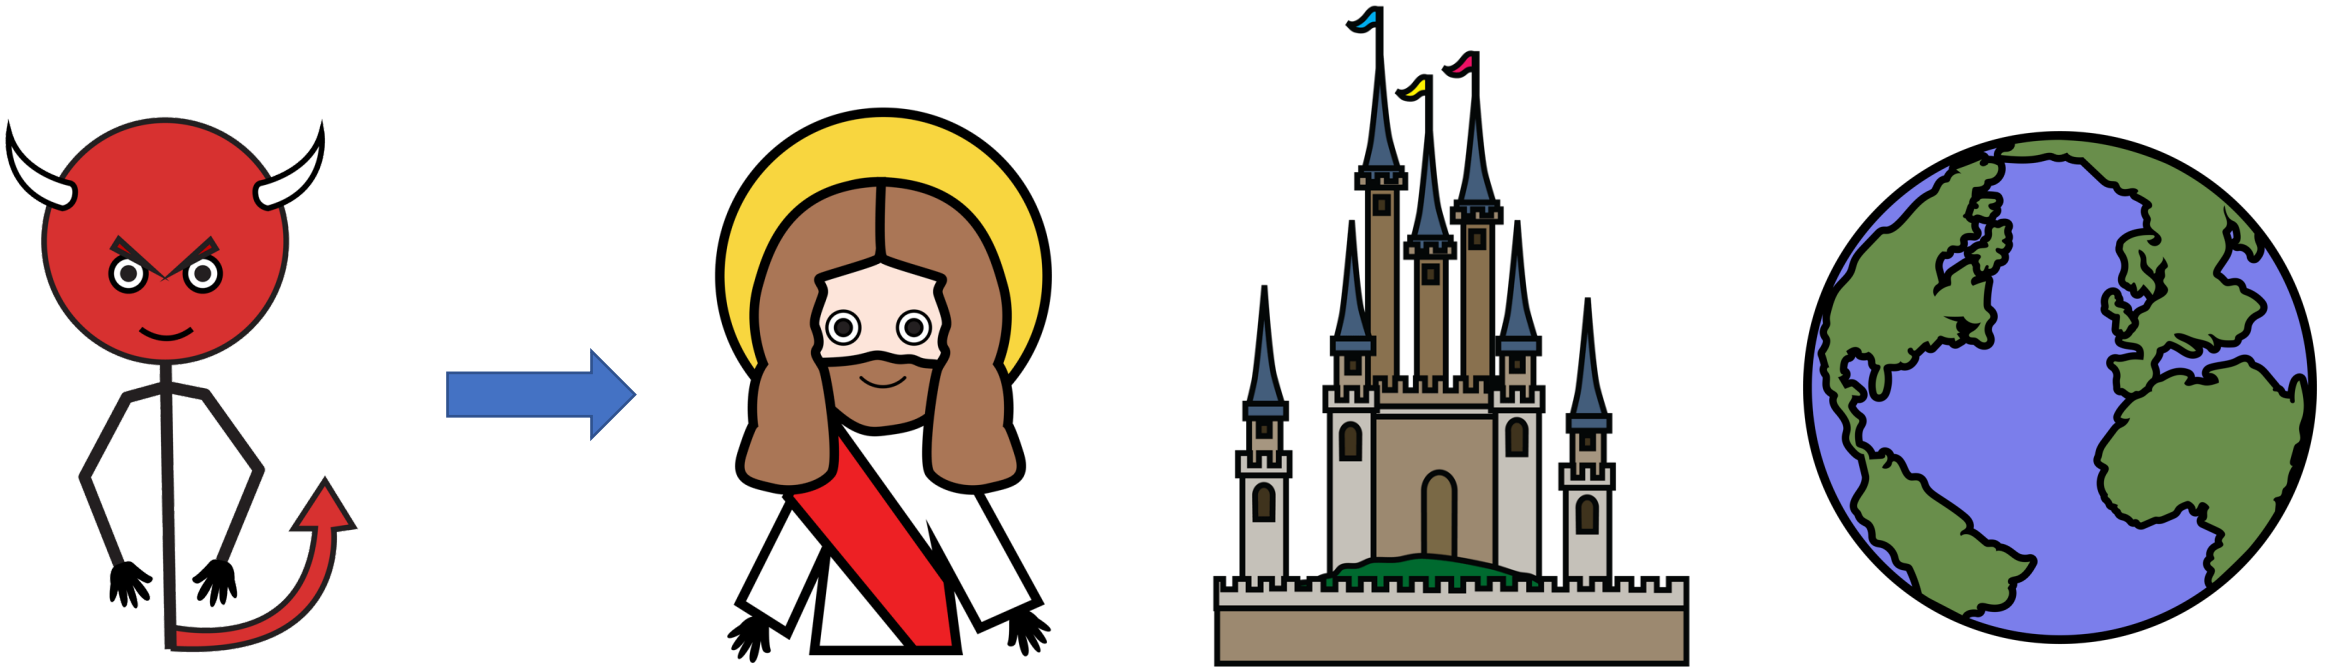

**Jesus did not eat any food while he was in the desert.**

**Satan came to Jesus and told Him that He should turn the stones into bread.**

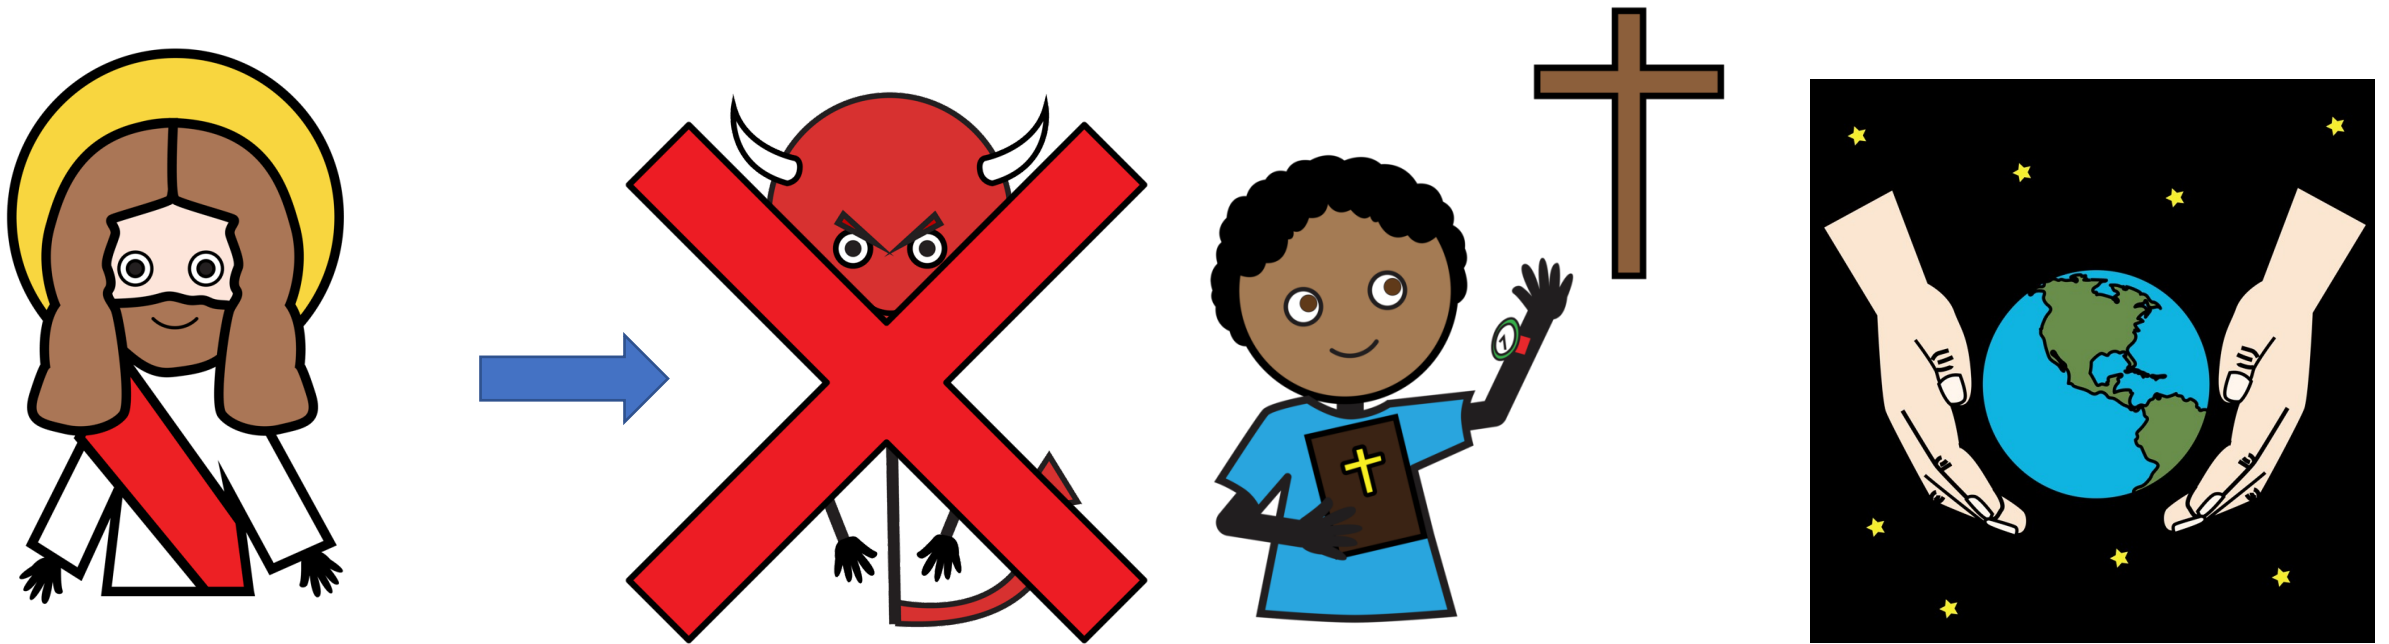

**Jesus said, “No!” He told Satan a verse from God’s Word that said man should not live just on bread.**

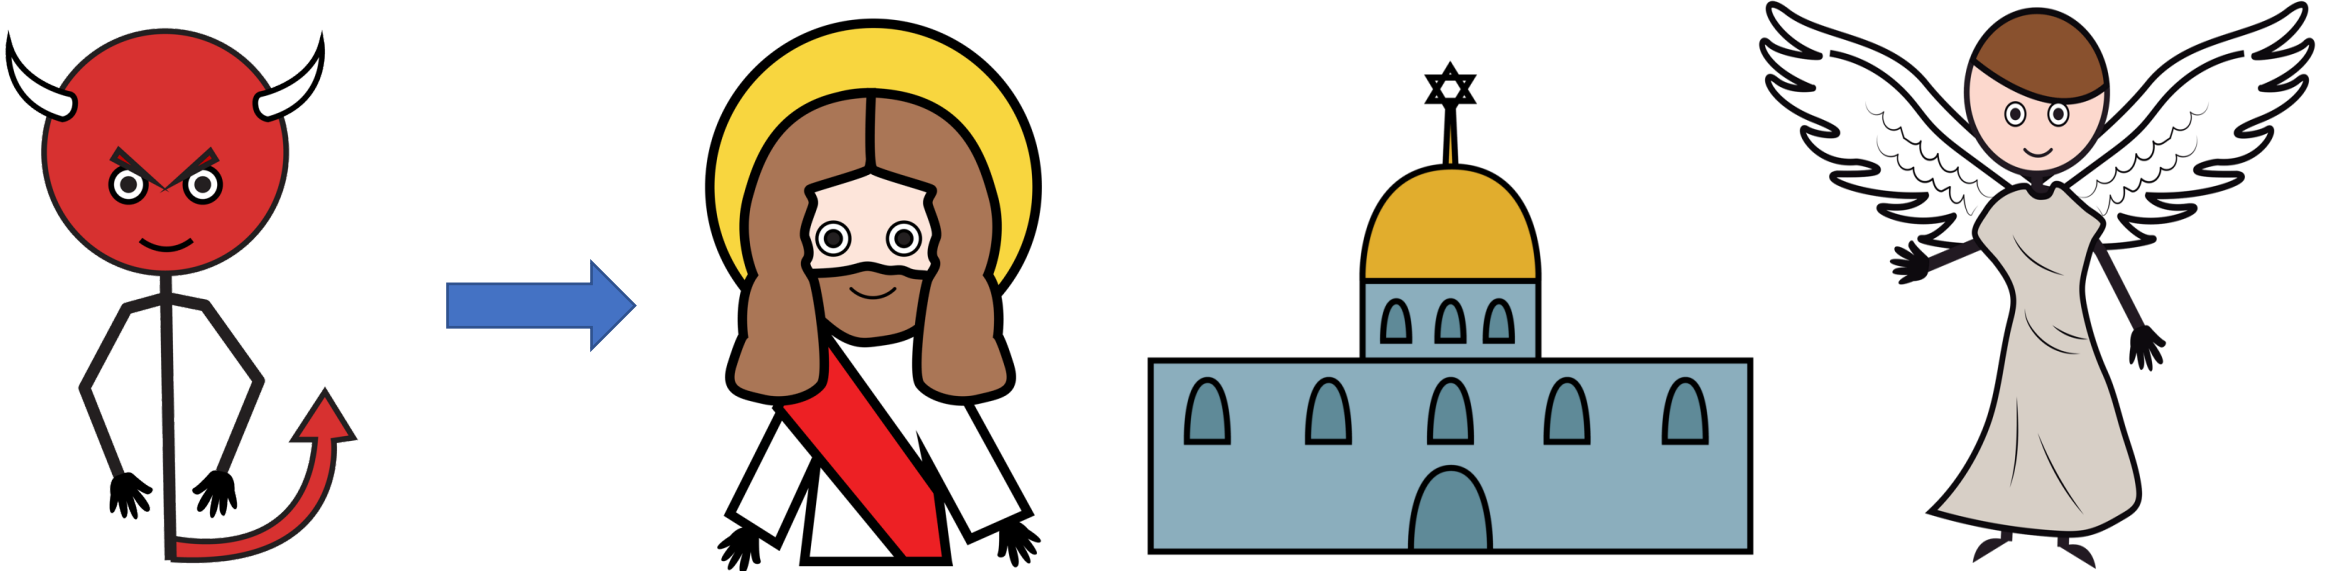

**Then, Satan took Jesus to a high place and showed Him all the kingdoms of the world. Satan promised to give them all to Jesus if Jesus would just worship him.**

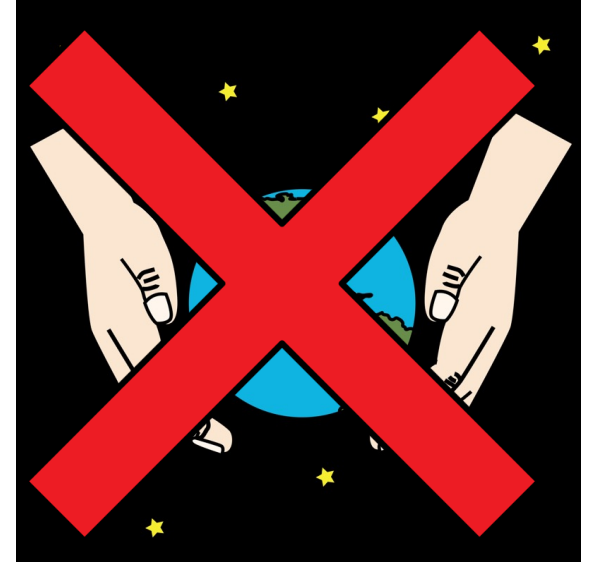

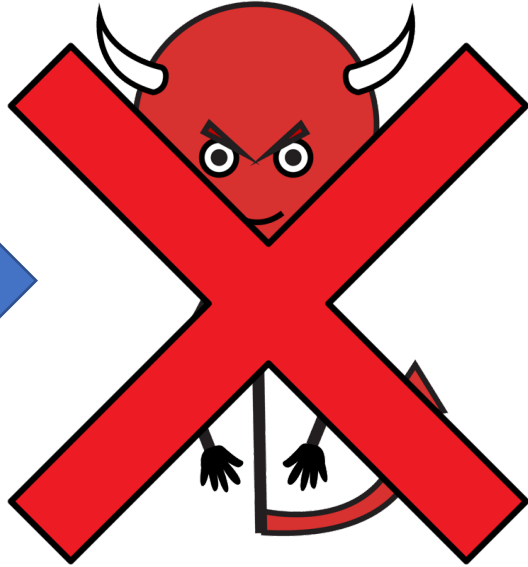

**Jesus told Satan, “No!” Jesus said another verse from God’s Word that said you are to only worship God.**

**Satan tried to get Jesus to do the wrong thing again.  
He took Jesus to the top of the Temple  
and told Him to jump off to test God.**

**Jesus said, “No!” Jesus told him God’s Word said not to test God. Jesus knew this because He had God’s Word memorized!**

**Finally, Satan left Jesus.  
Jesus trusted and obeyed God's Word.**

**We can know God by reading His Word  
and memorizing scripture.**
