

This Week's Story:

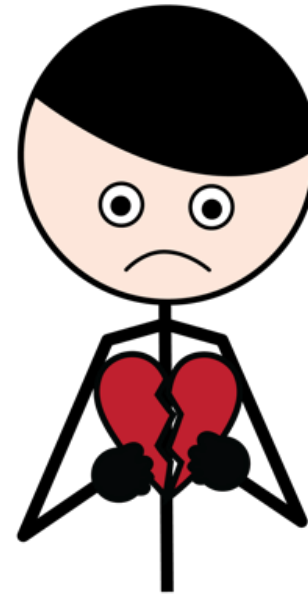

Noah

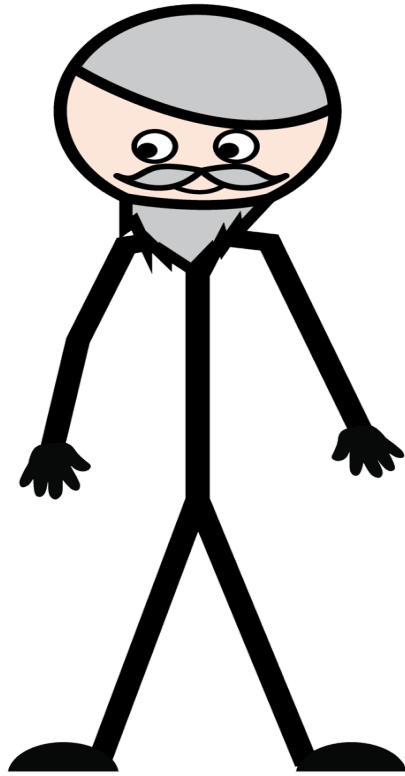

**Teaching Truth:
God's way is the best way.**

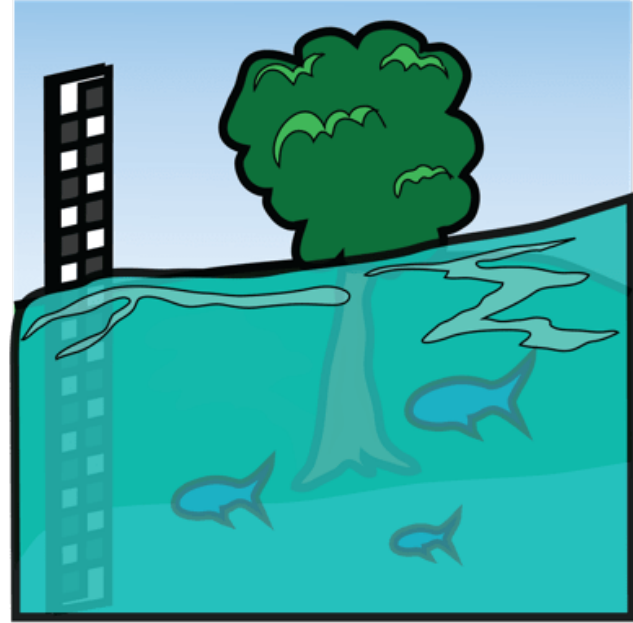

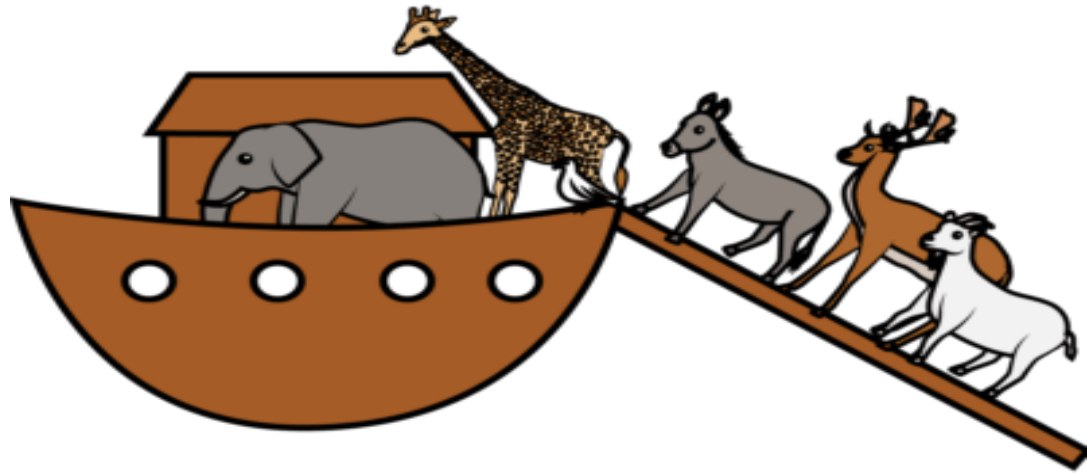

**People on earth had become very evil.
They did bad things all the time.**

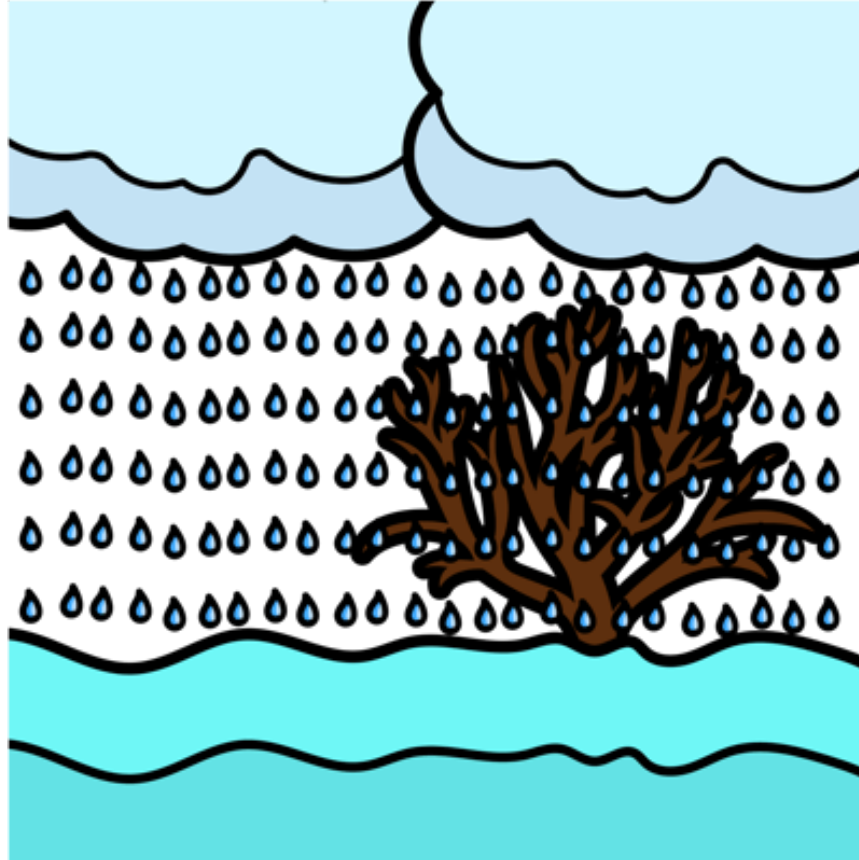

**This broke God's heart and made Him sad
He created man.**

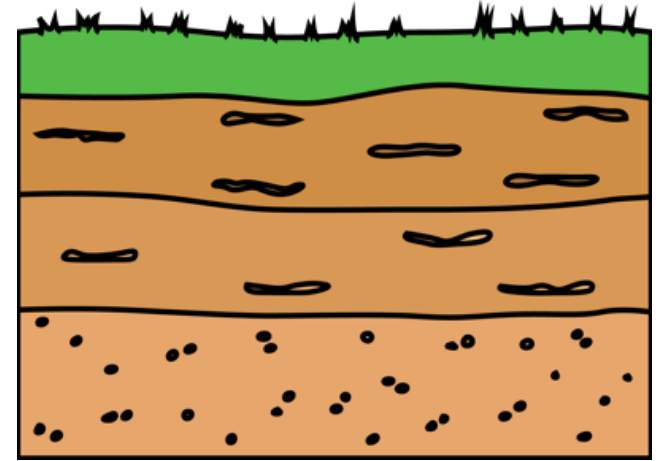

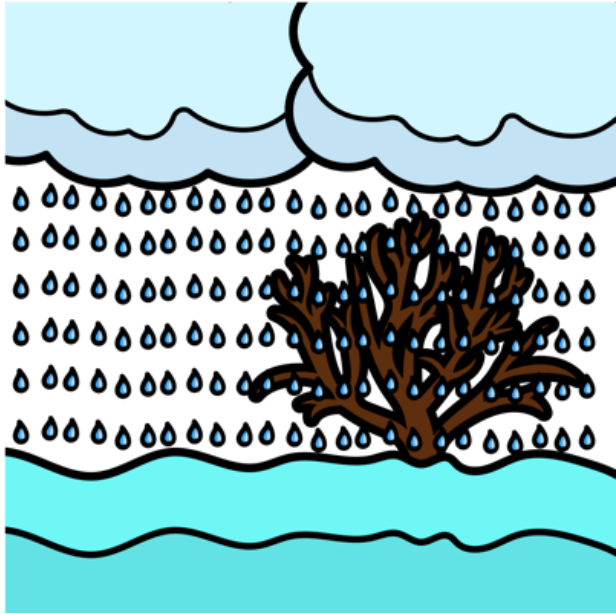

**But God found one righteous man and his family
living on the earth. His name was Noah.**

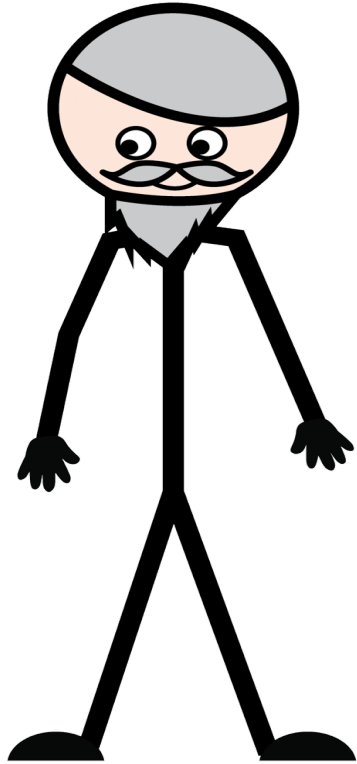

God told Noah to build a big boat and bring two of every kind of animal on it. God was going to send a flood to cover the earth.

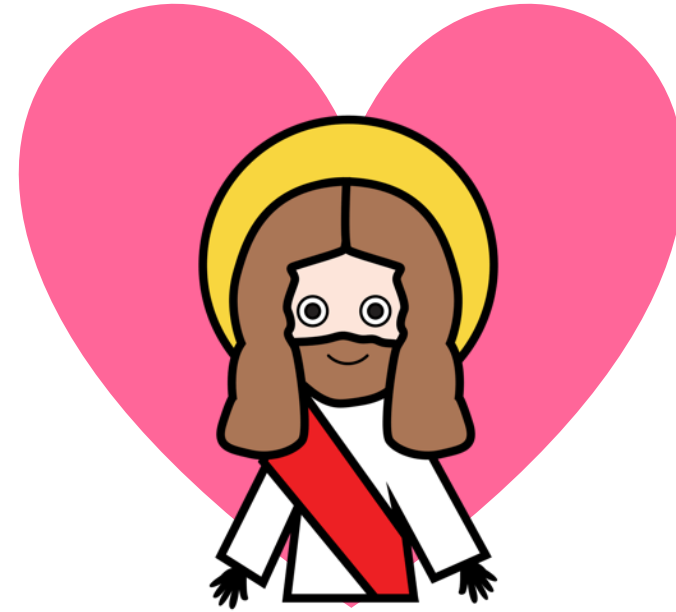

Noah followed God's way and did everything He said because Noah knew God's way was best. Then it rained 40 days and nights. Water was everywhere!

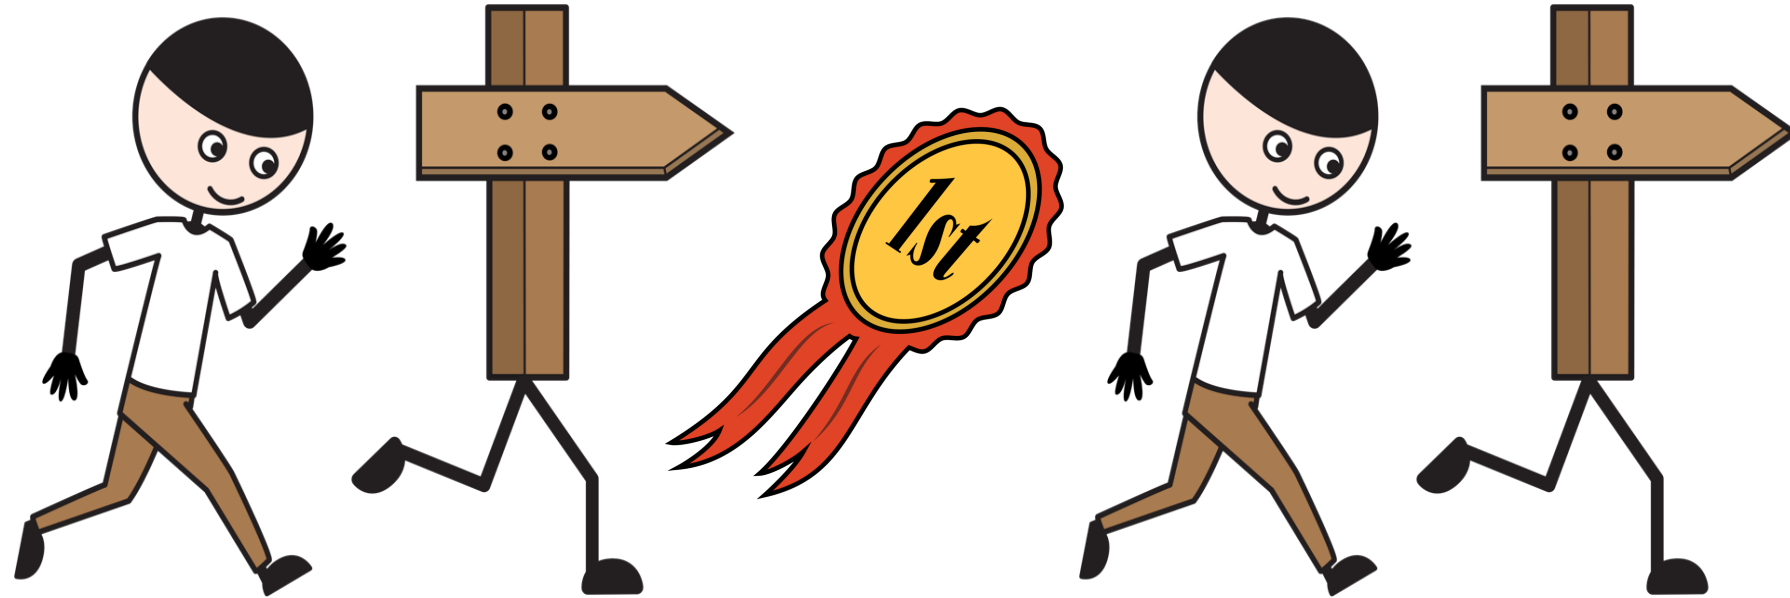

Finally, the rain stopped, and after a long time dry ground appeared.

Noah and his family got off the boat. God put a rainbow in the sky as a promise to never flood the earth again.

Many years later God sent Jesus. Jesus is the only way we can be rescued from sin, just like the boat was the only way for Noah to be rescued from the flood.

God's way is the best way.
