

**This Week's Story:**  
**Joshua & Jericho**

**Teaching Truth:  
God wants us to obey**

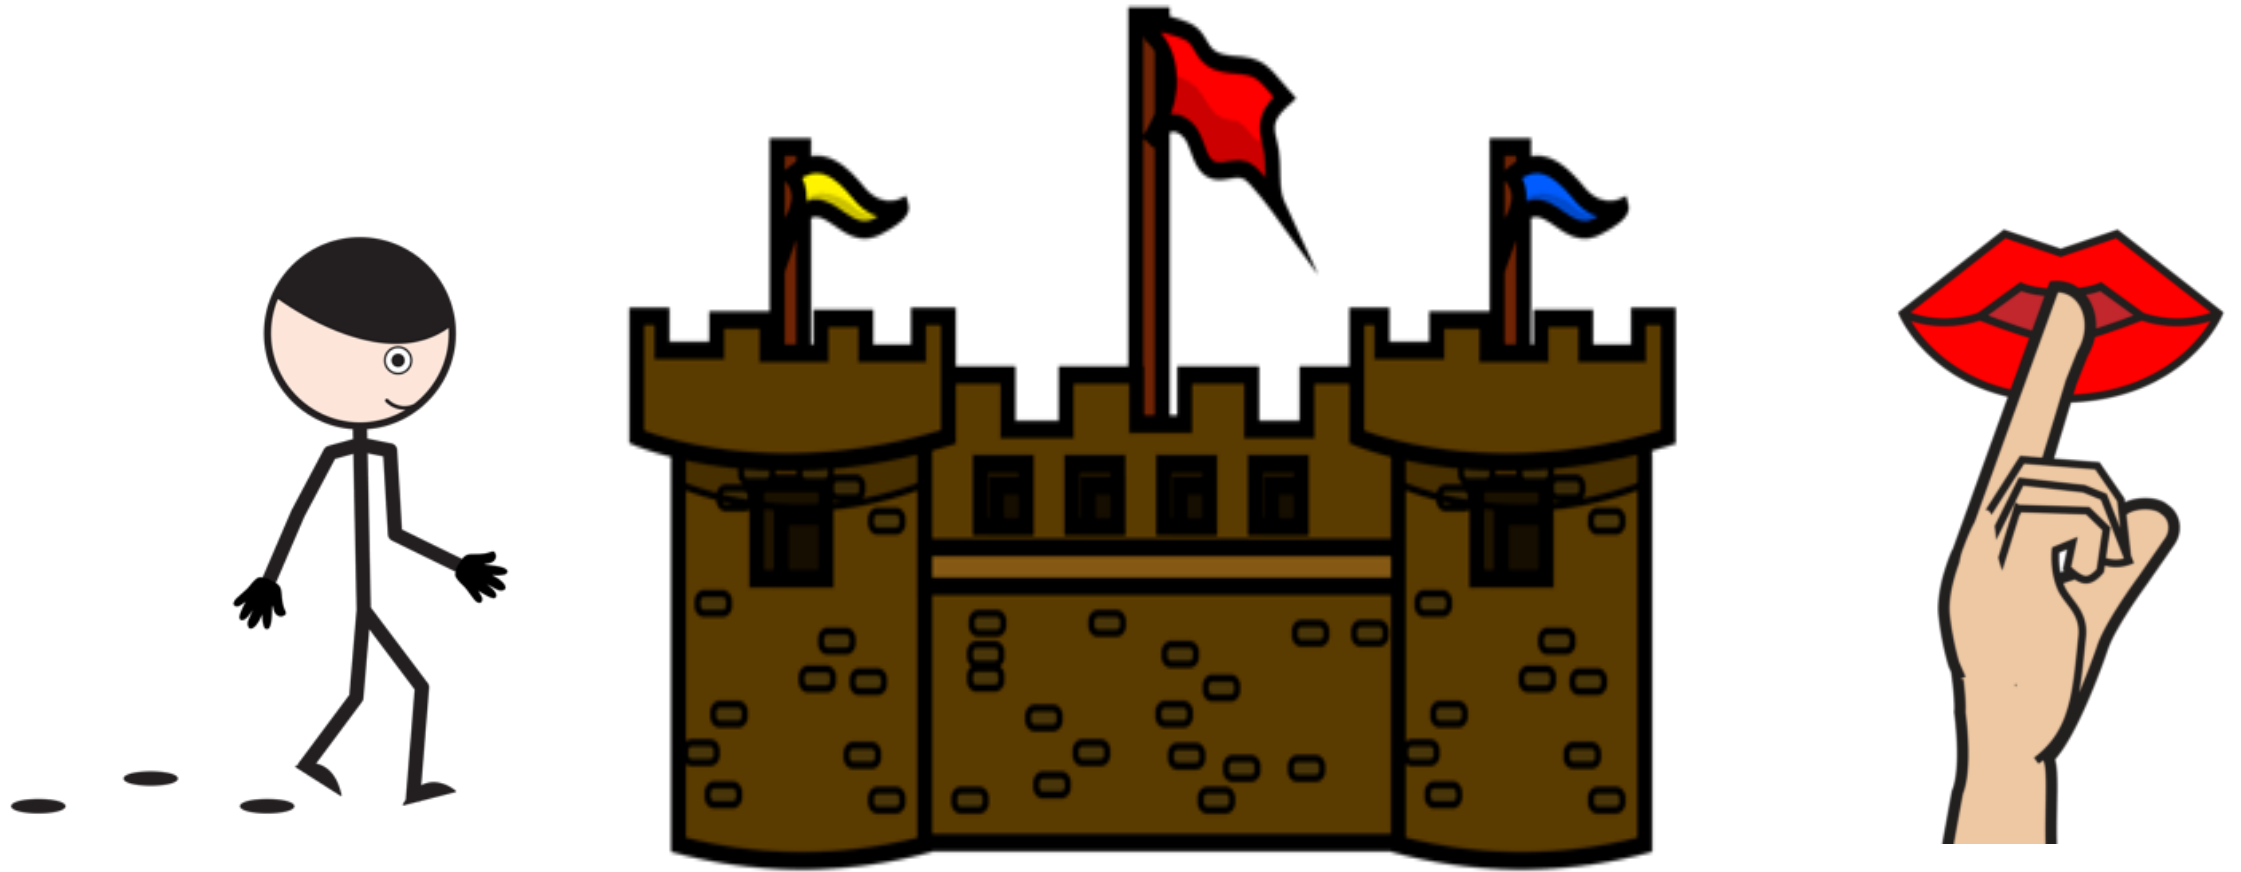

**After 40 long years in the desert, God's people were about to enter the promised land. Moses had died, and God made Joshua the new leader.**

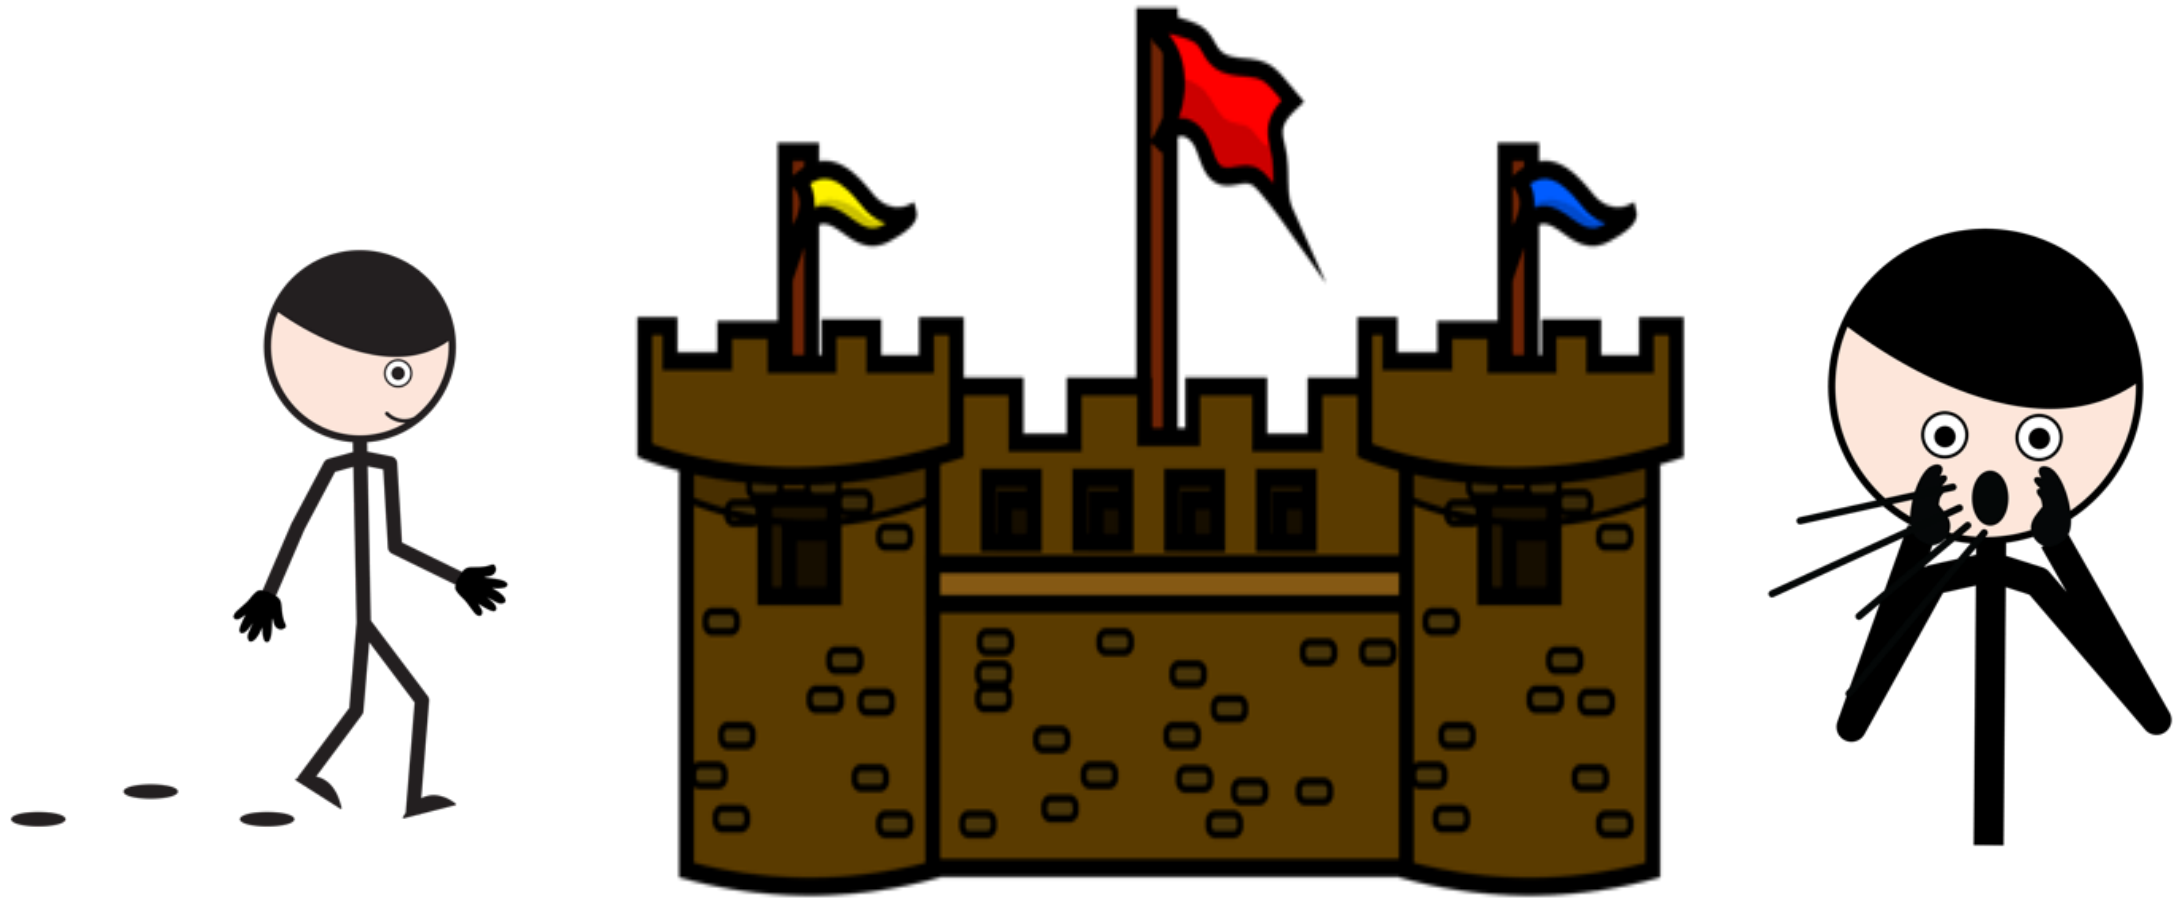

**Before God's people could go into their new home,  
they had to fight a big city called Jericho.**

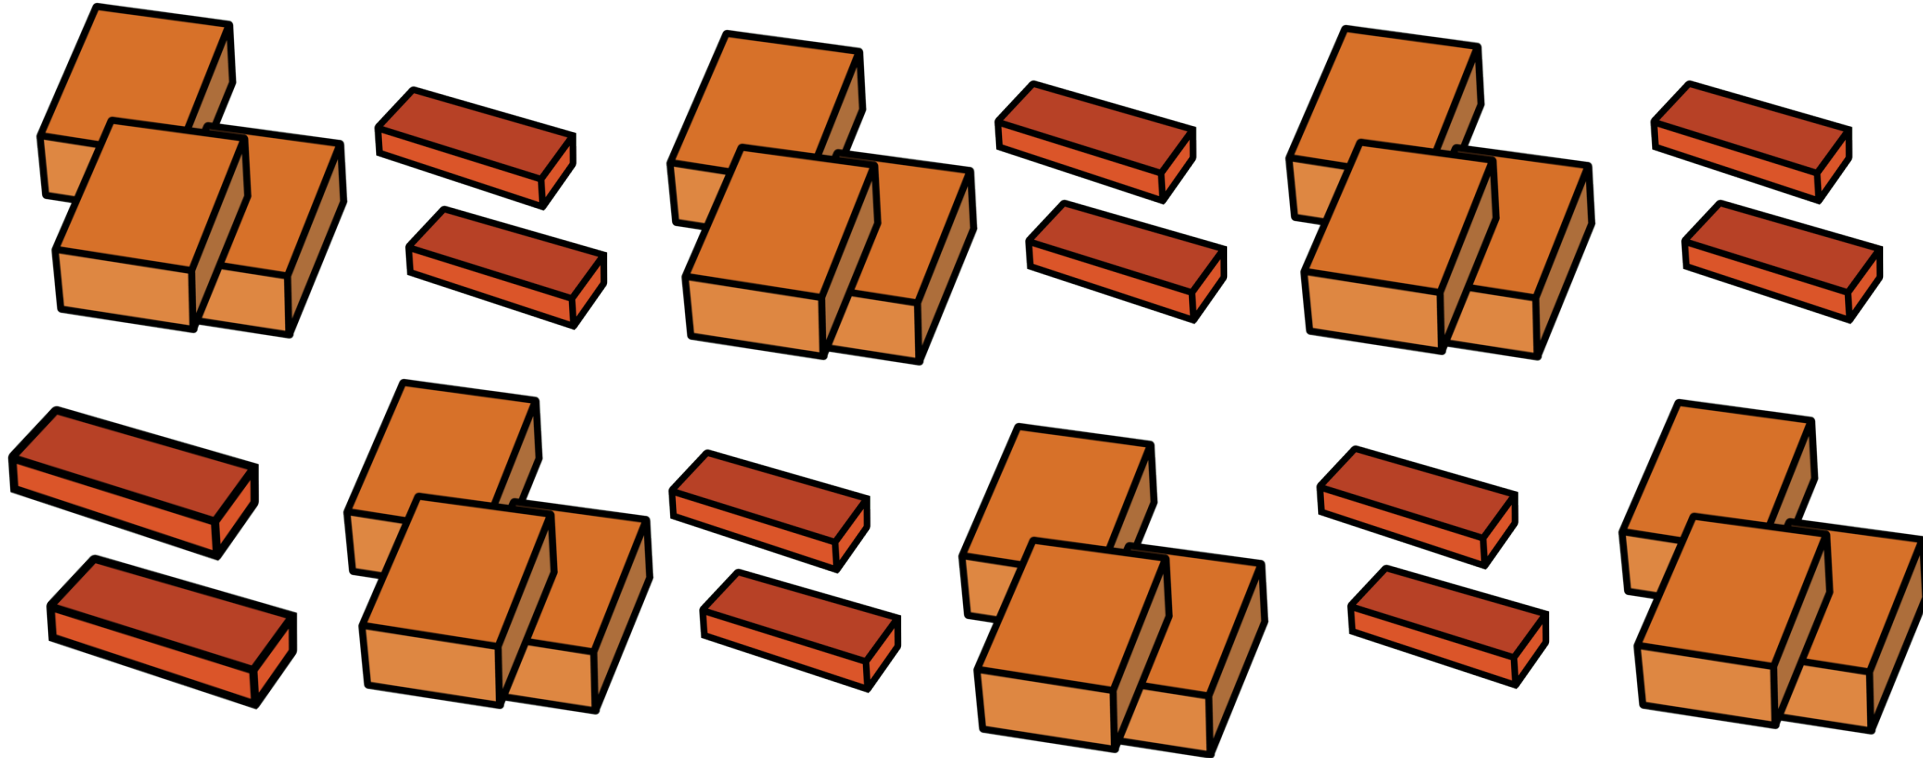

**God told Joshua to not be afraid because He would always be with him.**

**God gave them very special instructions on how to fight the city that He wanted them to obey. He told them to walk around the city quietly for six days.**

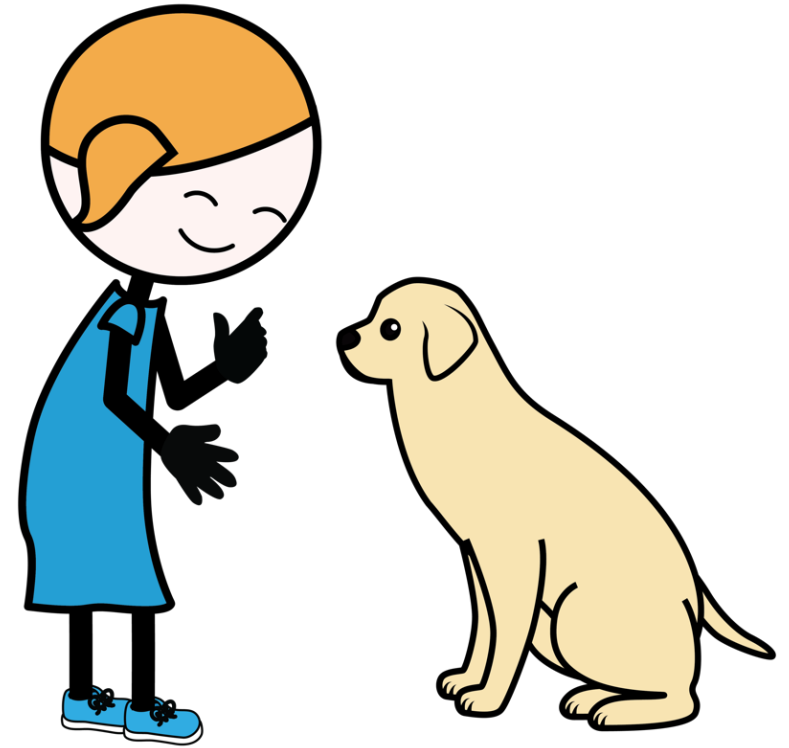

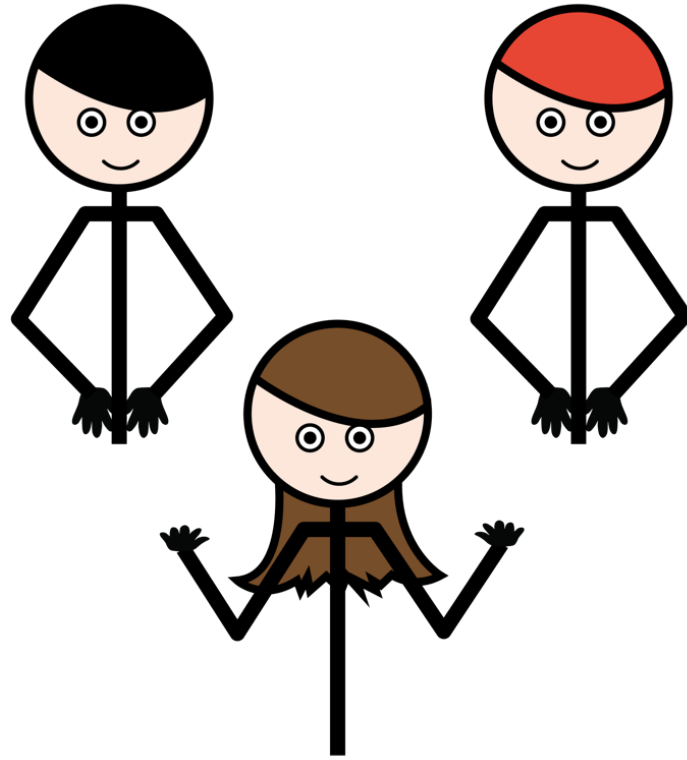

**On the seventh day, God told them to walk around the city seven times. Then they had to blow their trumpets and give a huge shout. The Israelites obeyed God.**

**After that shout, God made the walls of the city fall down.  
God gave His people victory over the city because they  
obeyed His Word.**

**God wants us to obey.**
