

The Beatitudes

God's way is best.

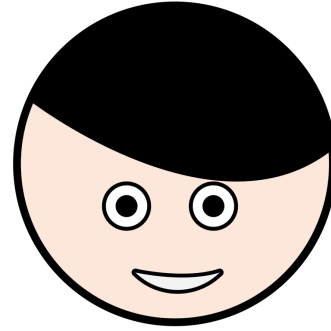

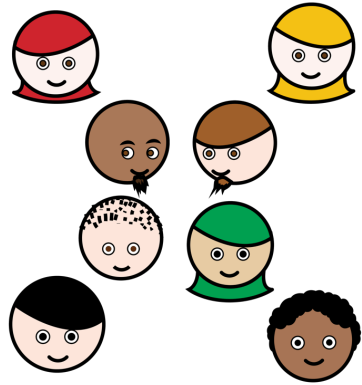

Jesus was teaching His disciples and many others on a mountain. He was teaching them what they needed to know to live rightly for God.

People who are poor in spirit are blessed by God.

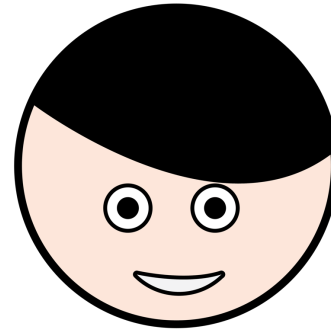

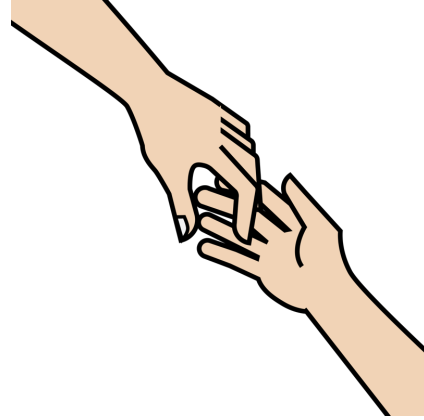

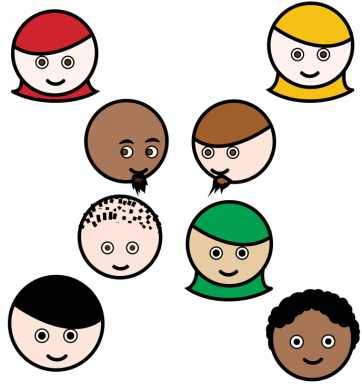

The Kingdom of Heaven belongs to them.

People who mourn are blessed by God.

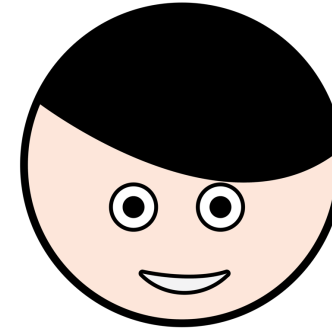

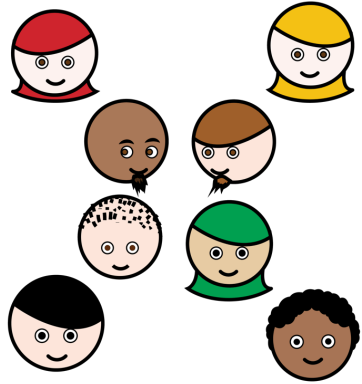

They will be comforted.

People who are humble are blessed by God.

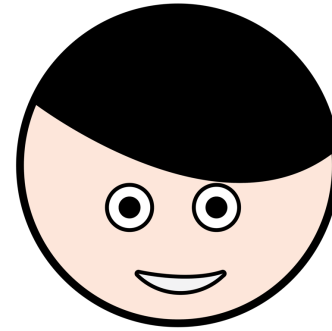

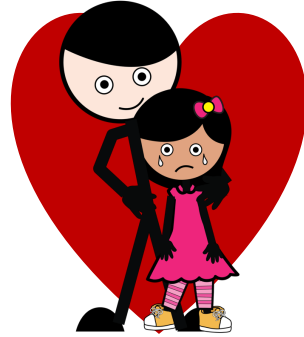

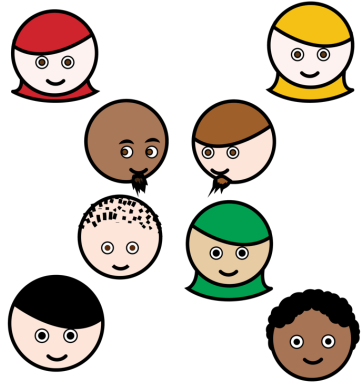

They will inherit the earth.

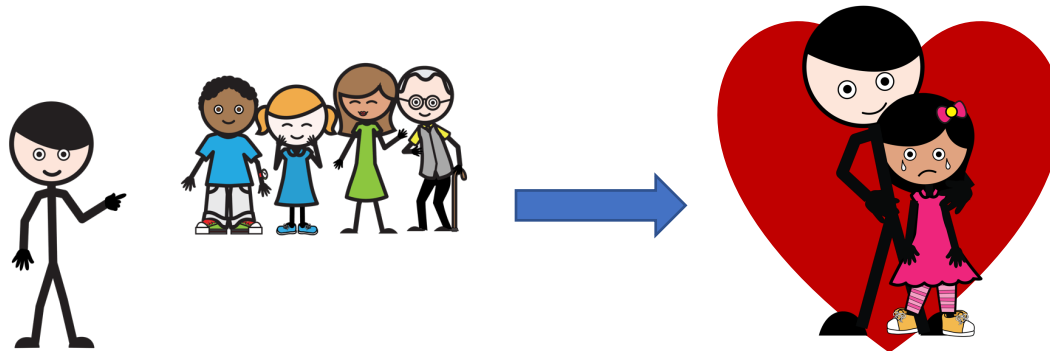

People who want righteousness are blessed by God.

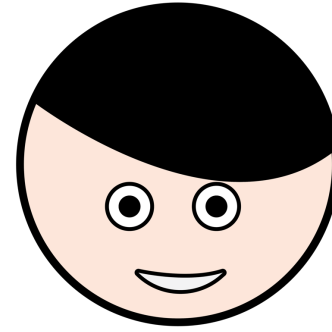

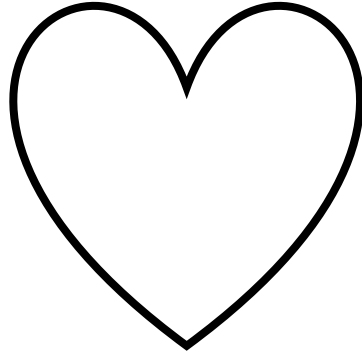

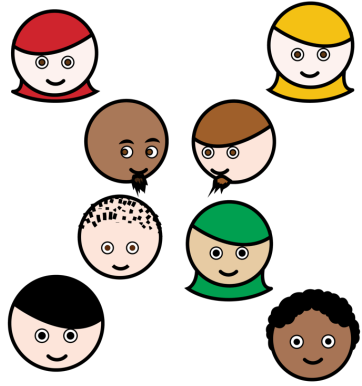

They will be satisfied.

People who are merciful are blessed by God.

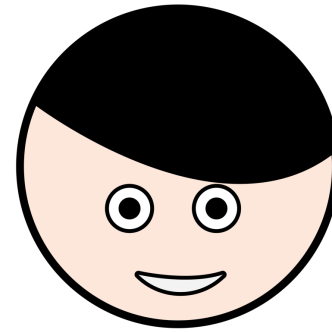

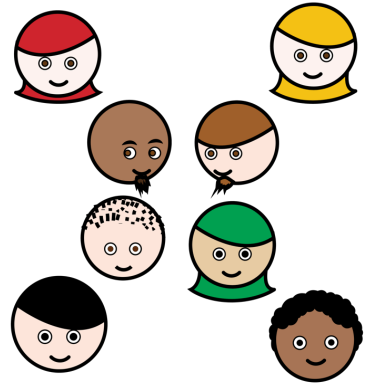

They will be given mercy.

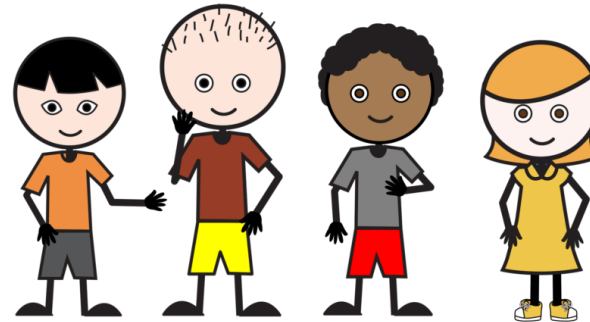

People with pure hearts are blessed by God.

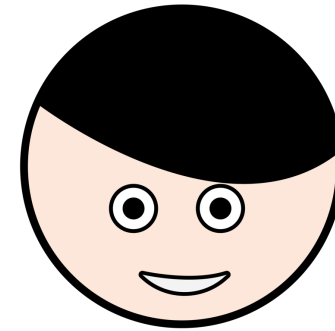

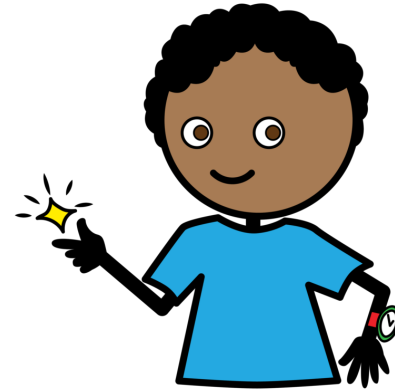

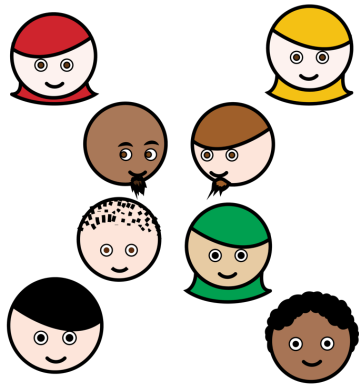

They will see God.

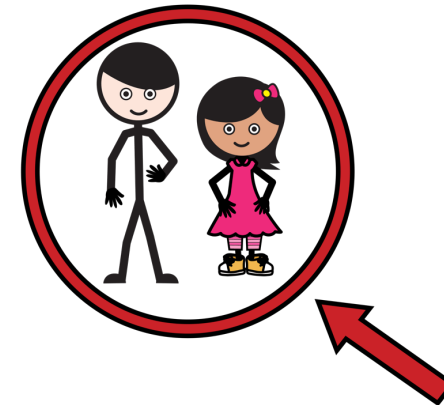

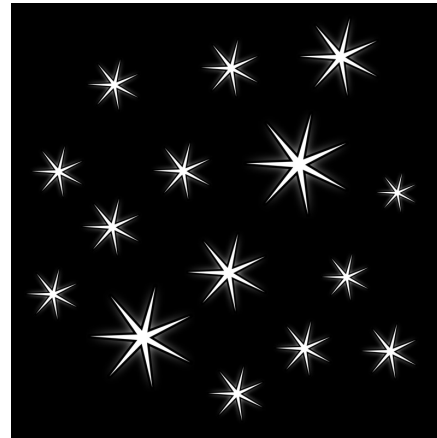

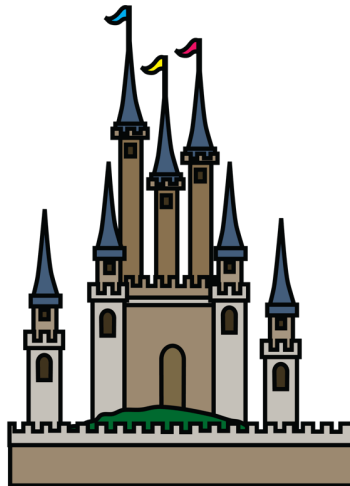

People who make peace are blessed by God.

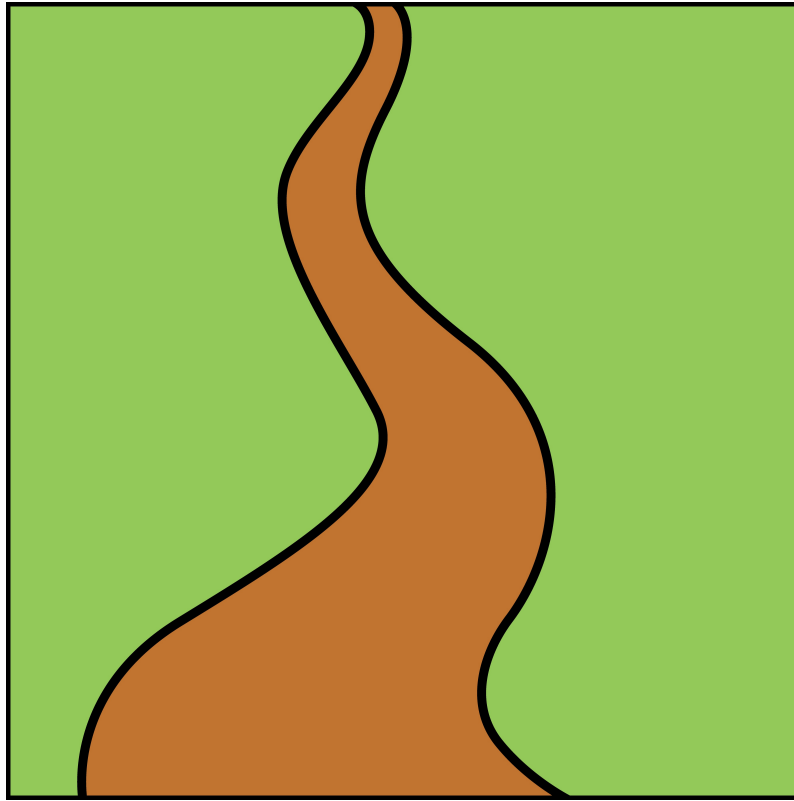

They will be called God's children.

**People who are hurt for doing the right things are blessed by
God.**

The Kingdom of Heaven belongs to them.

God's way is best.
