

Jesus Shows John Our Forever Home

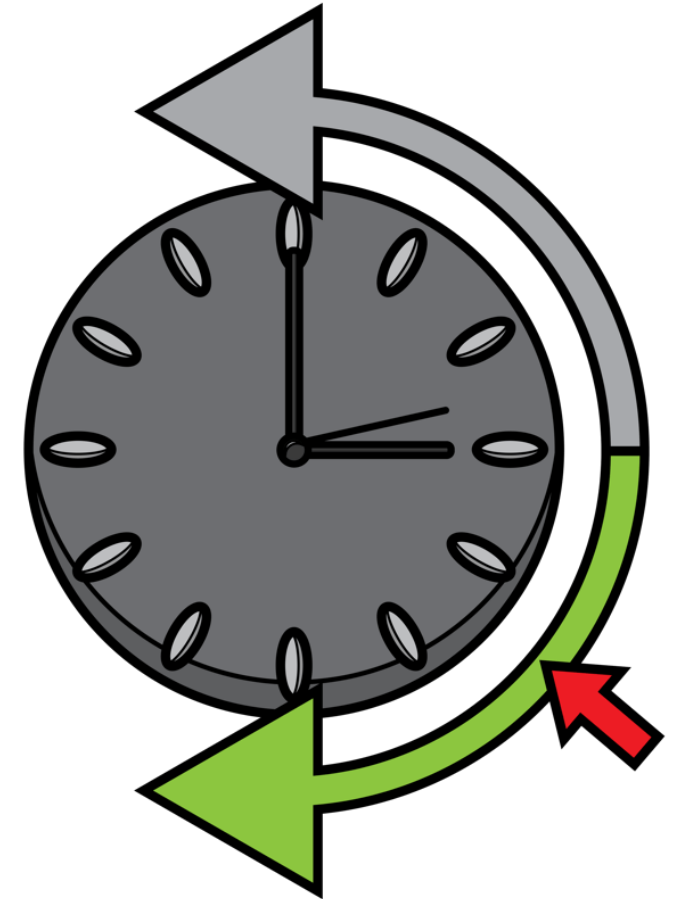

**Teaching Truth:
Jesus will come again and make all things new**

John was one of Jesus's disciples.

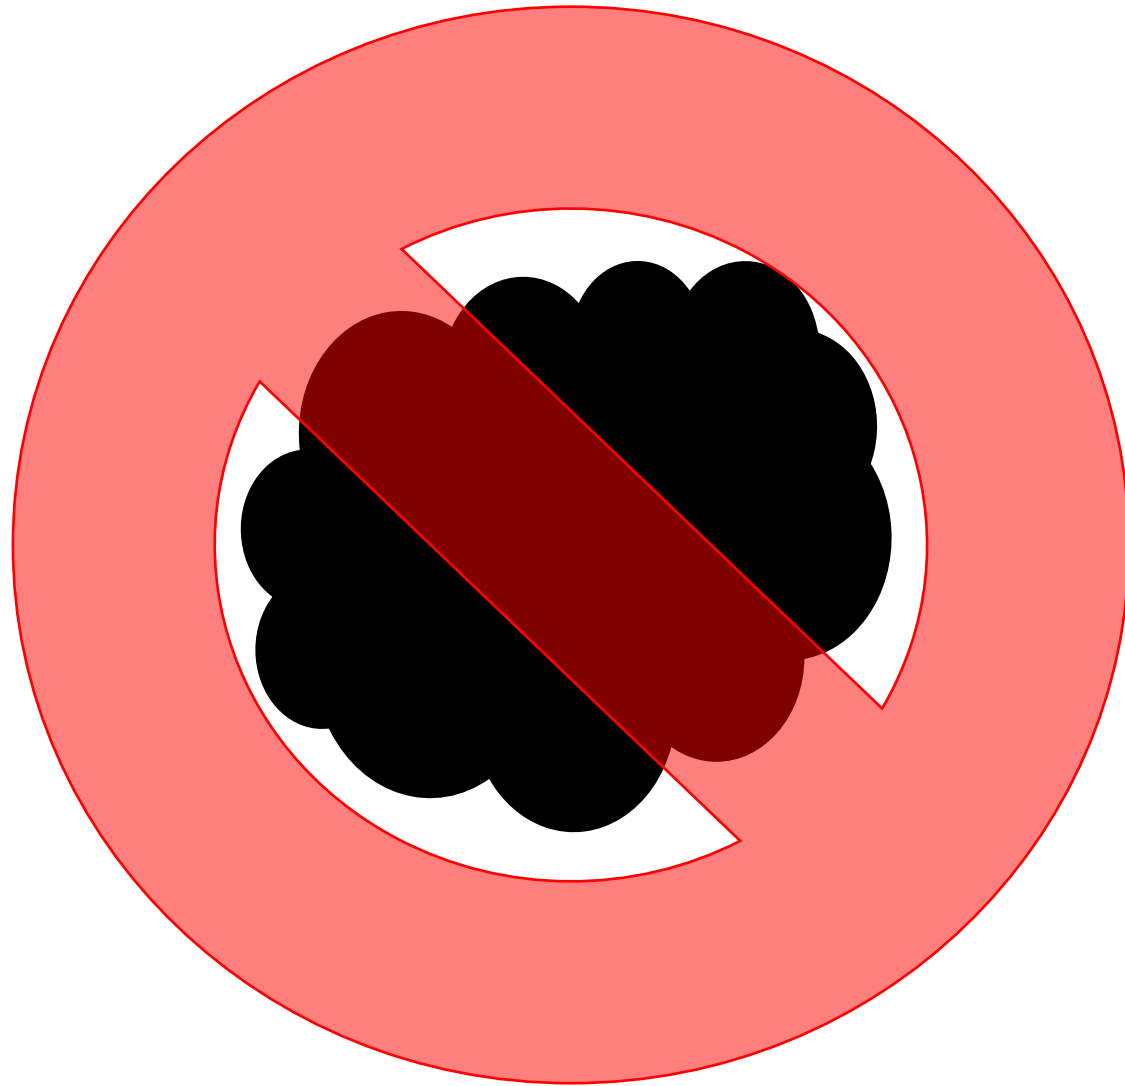

When John was an old man, he lived on an island. It was his prison for telling people about Jesus.

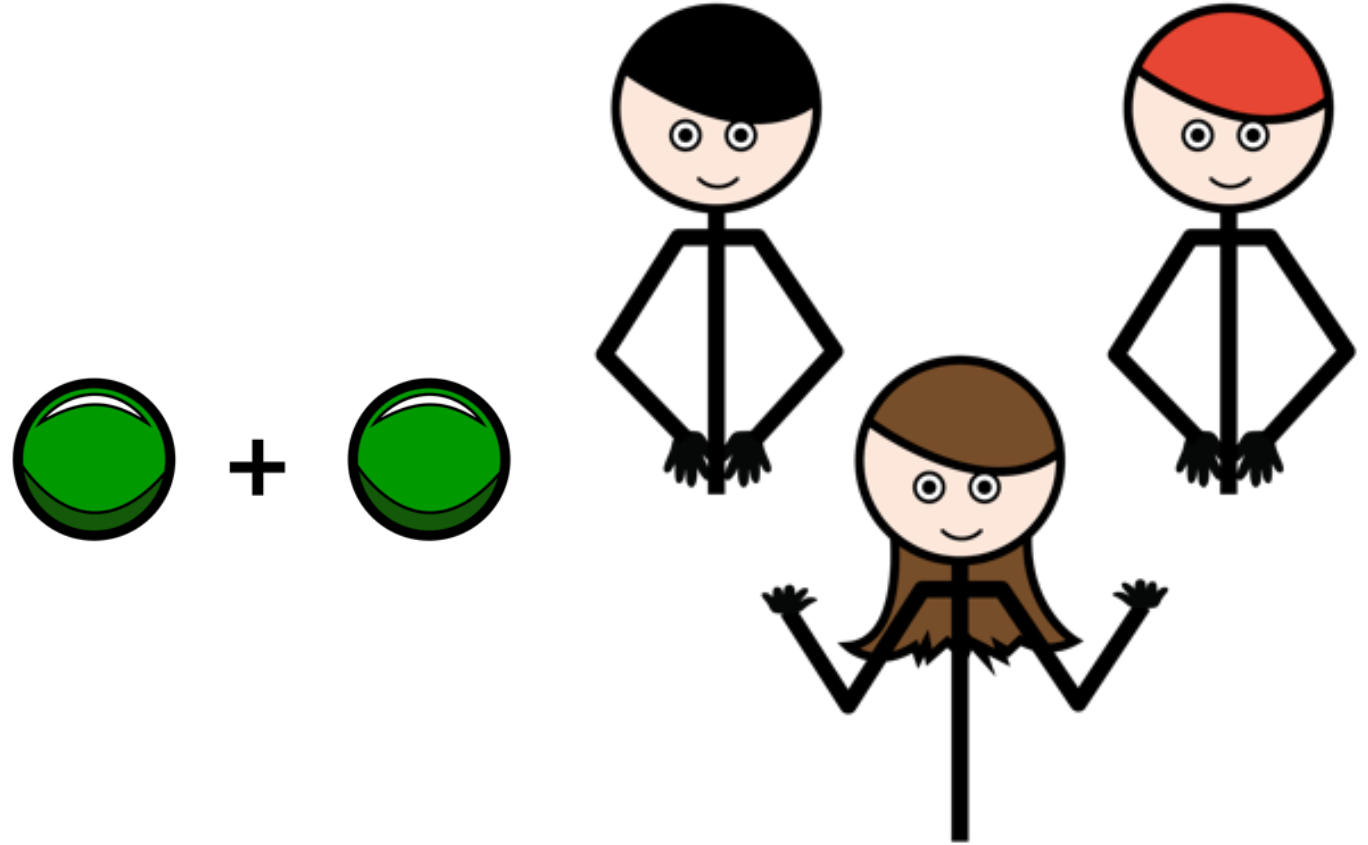

**One day, Jesus appeared to John.
Jesus told John all about the future.**

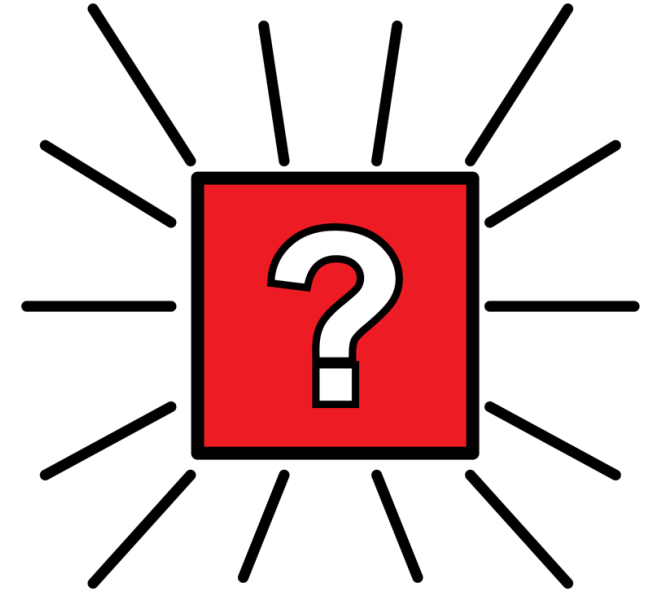

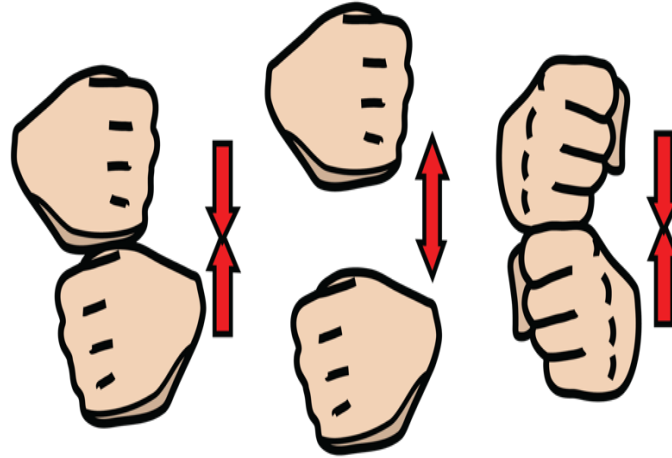

**Jesus is going to make the earth new.
There will be no more crying.**

There will be no more sin.

God will live with us.

Jesus will come again and make all things new.
