

This Week's Story:
Isaiah

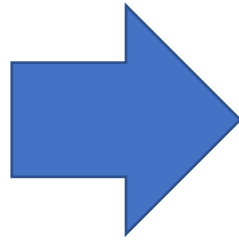

Teaching Truth:
God promised to send a Savior

**God told a prophet named Isaiah a special message
He had for His people.**

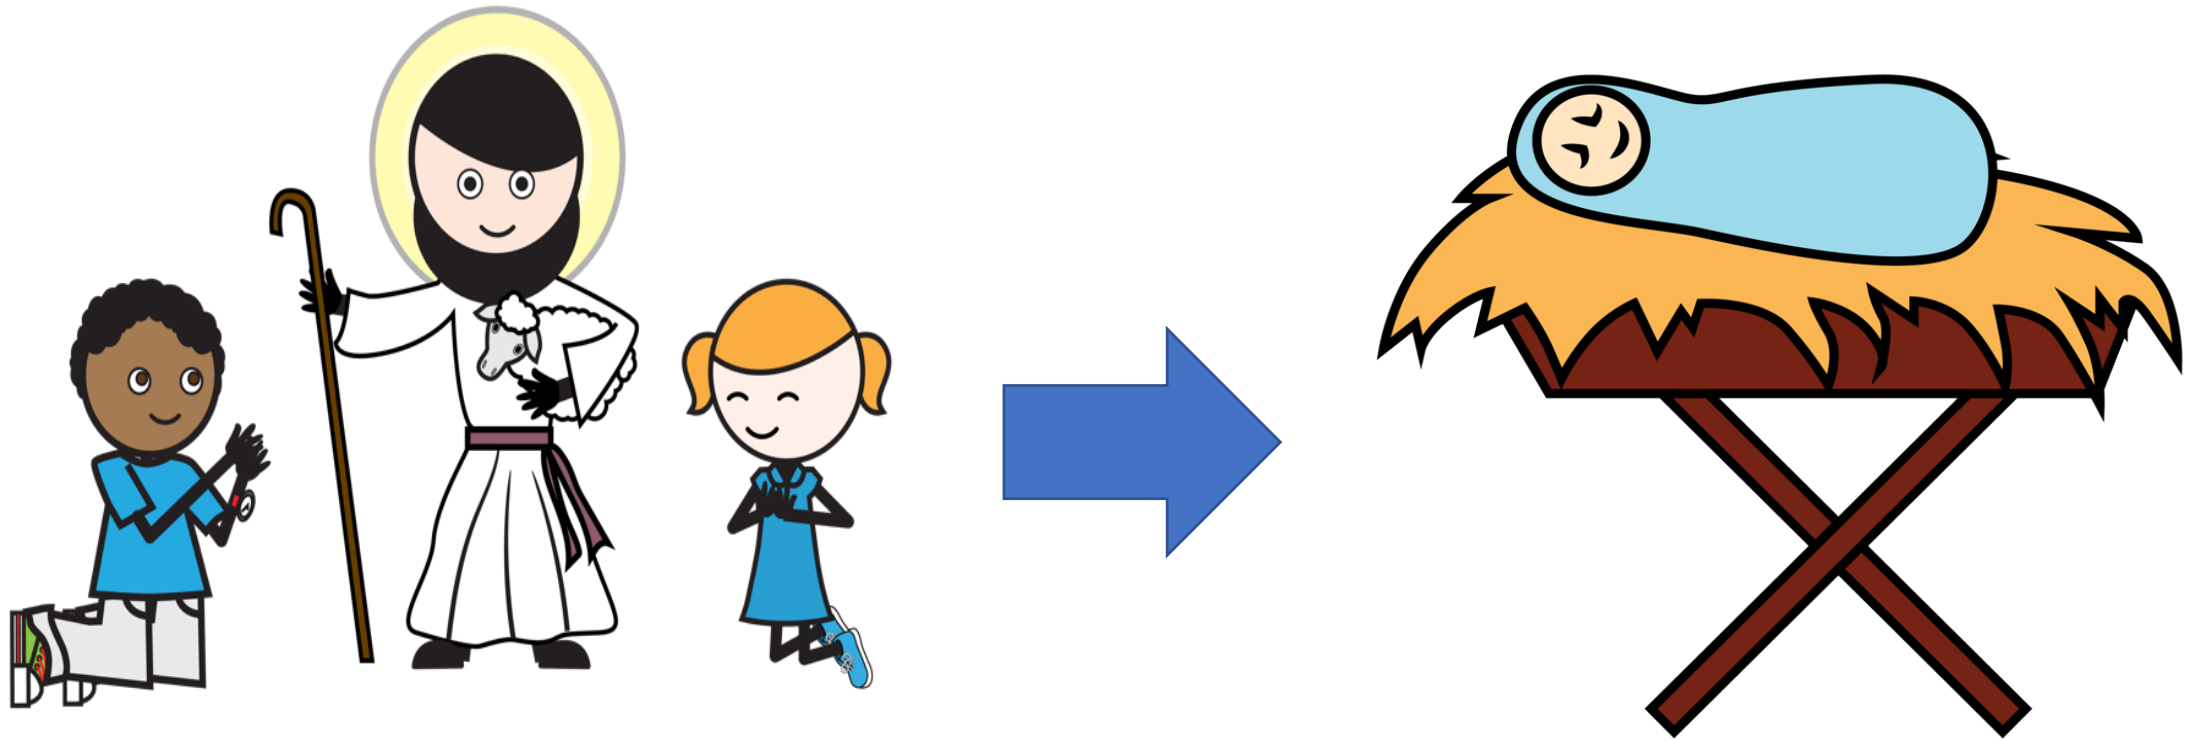

**God had a special rescue plan for His people.
He wanted to save them from their sin.**

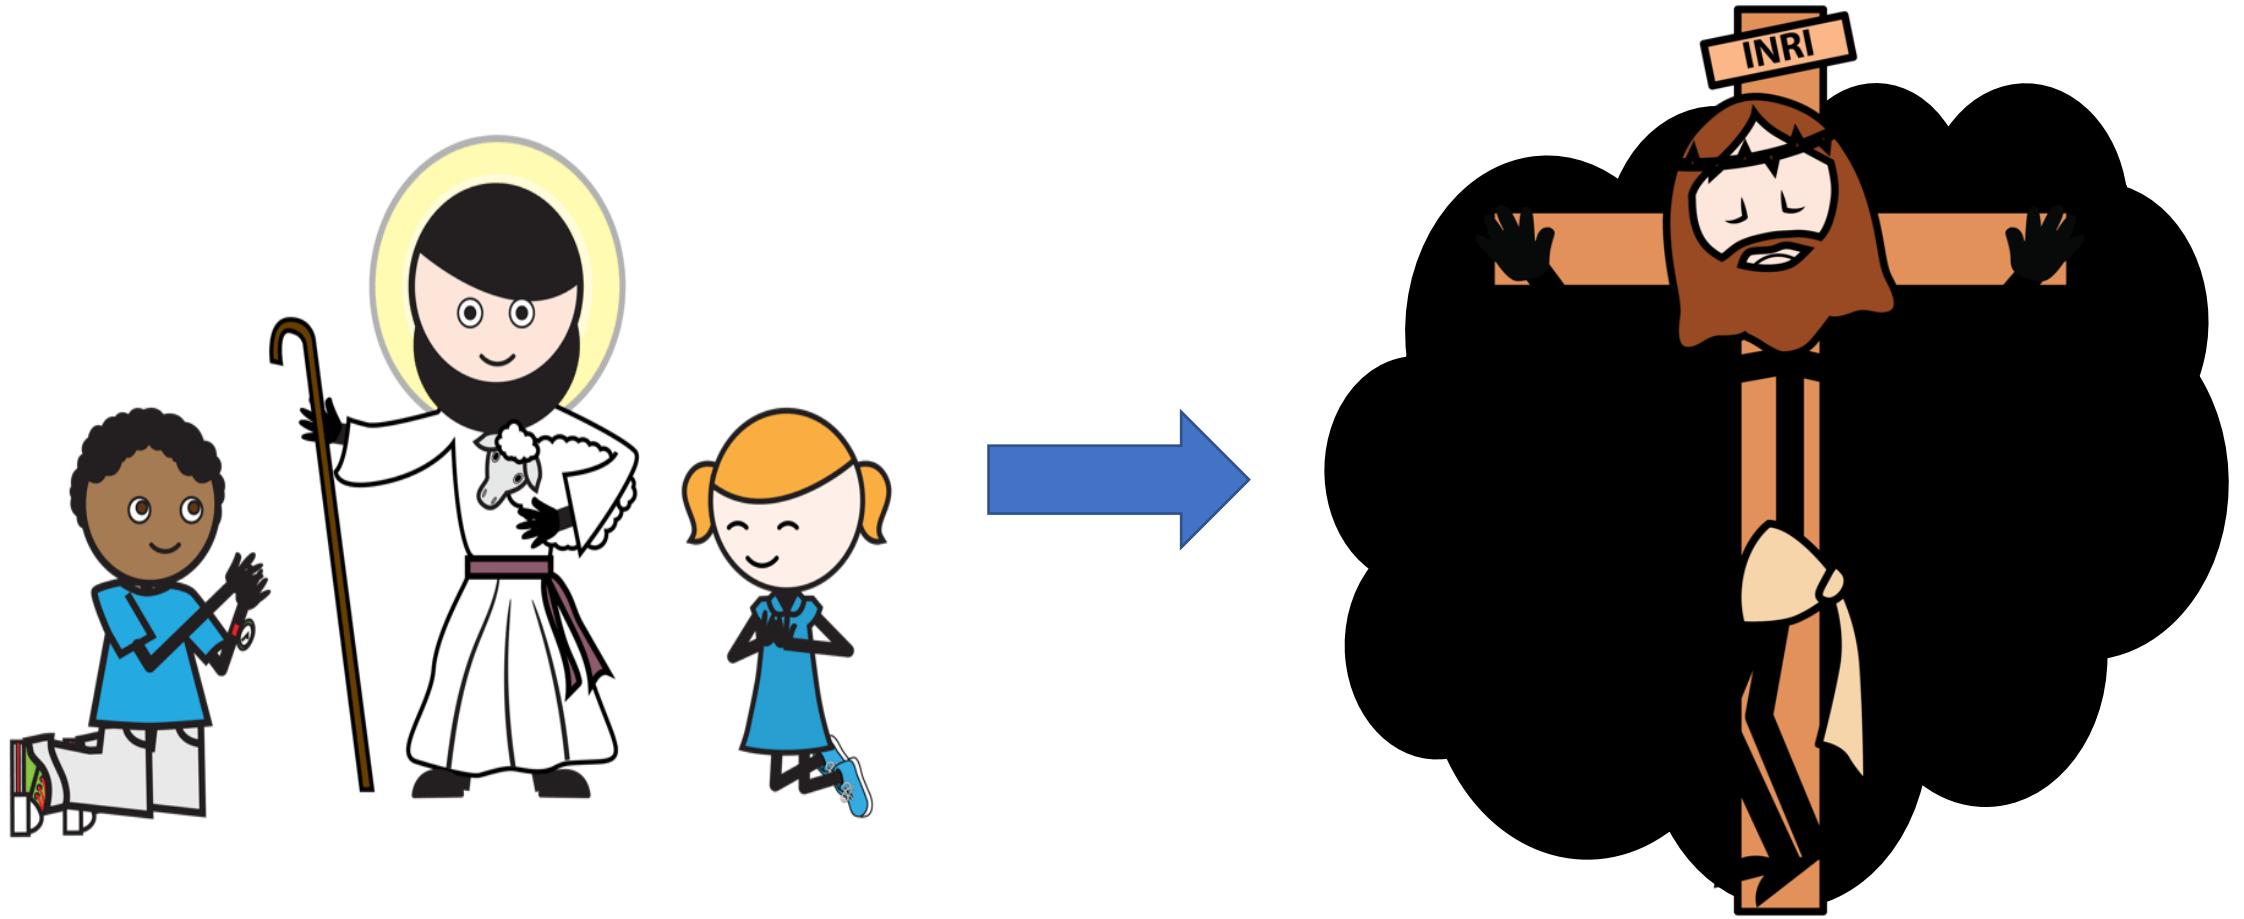

God was going to send a Savior to rescue His people.

**The Savior would be like a light in the darkness
to guide people back to God.**

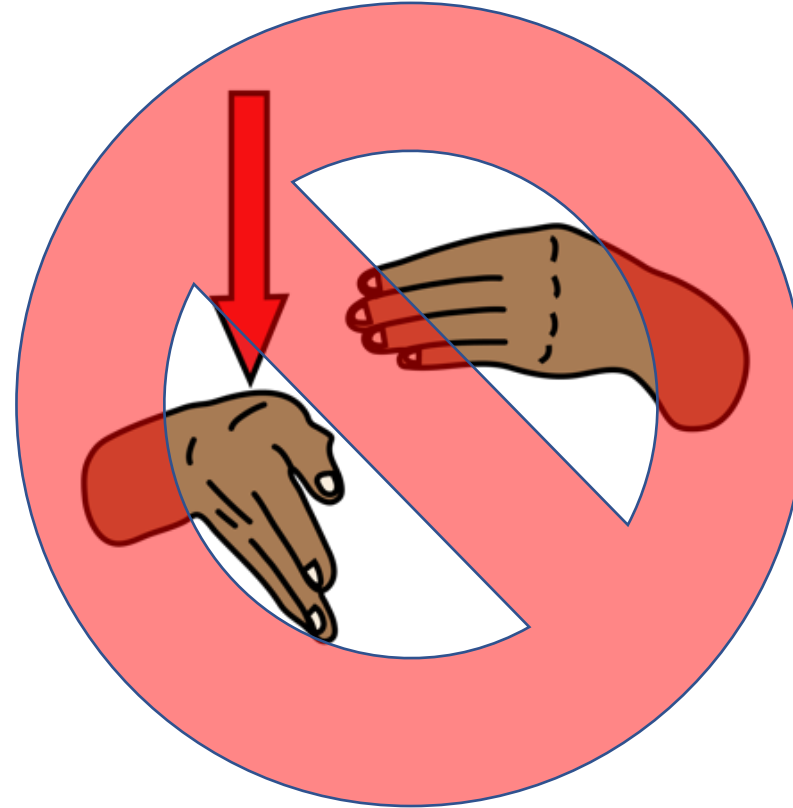

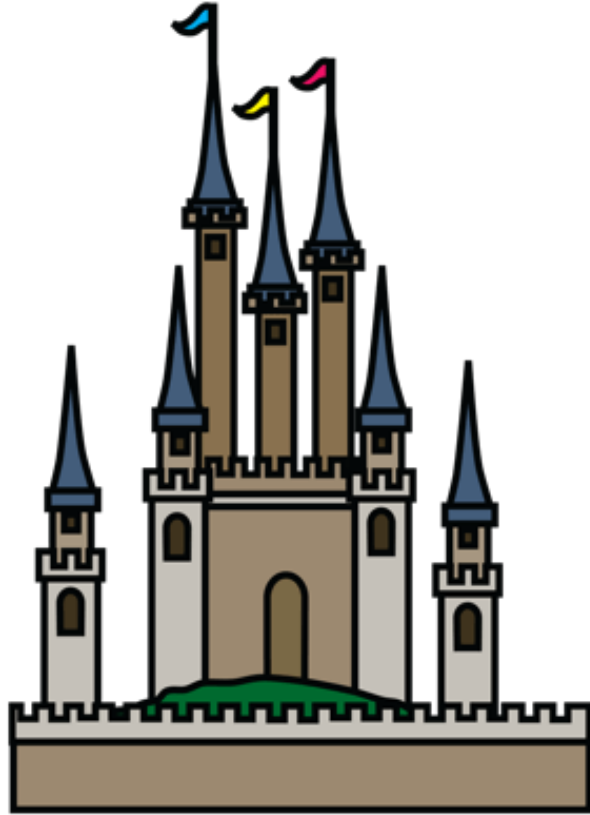

The Savior would come as a baby.

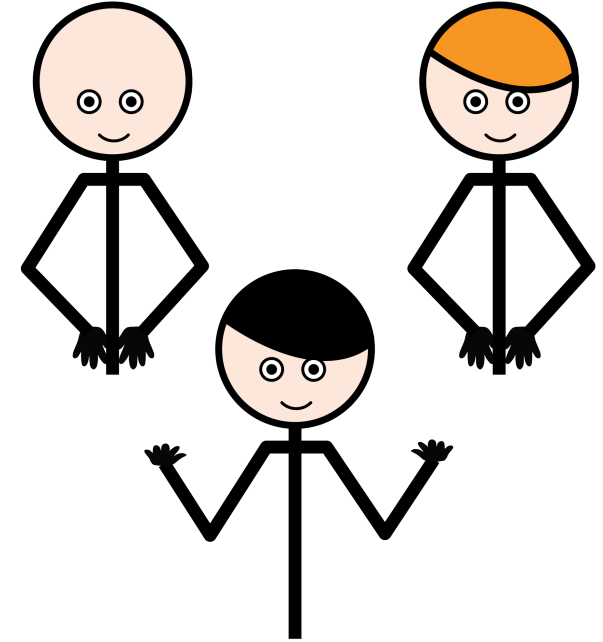

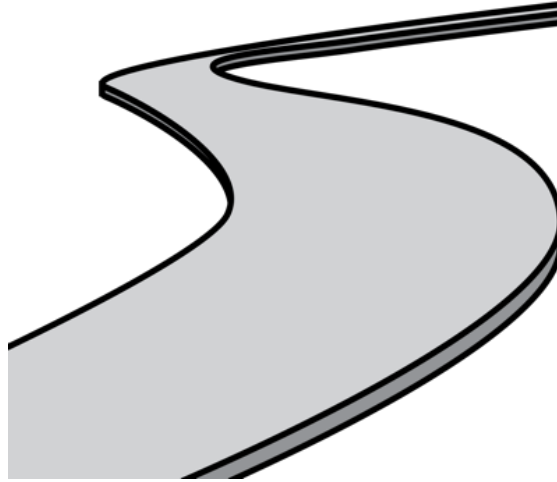

**The Savior would die for our sins, come back to life,
and defeat death.**

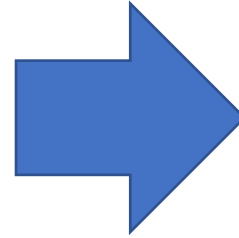

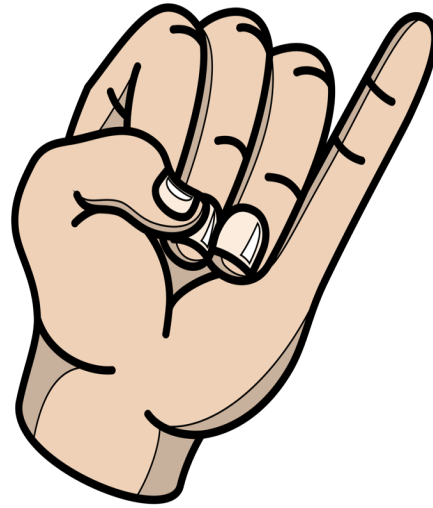

**One day the Savior will come back as a king
to rule forever.**

His kingdom will never end.

God was making a way for us to be with Him.

God promised to send a Savior.
