

Integrity

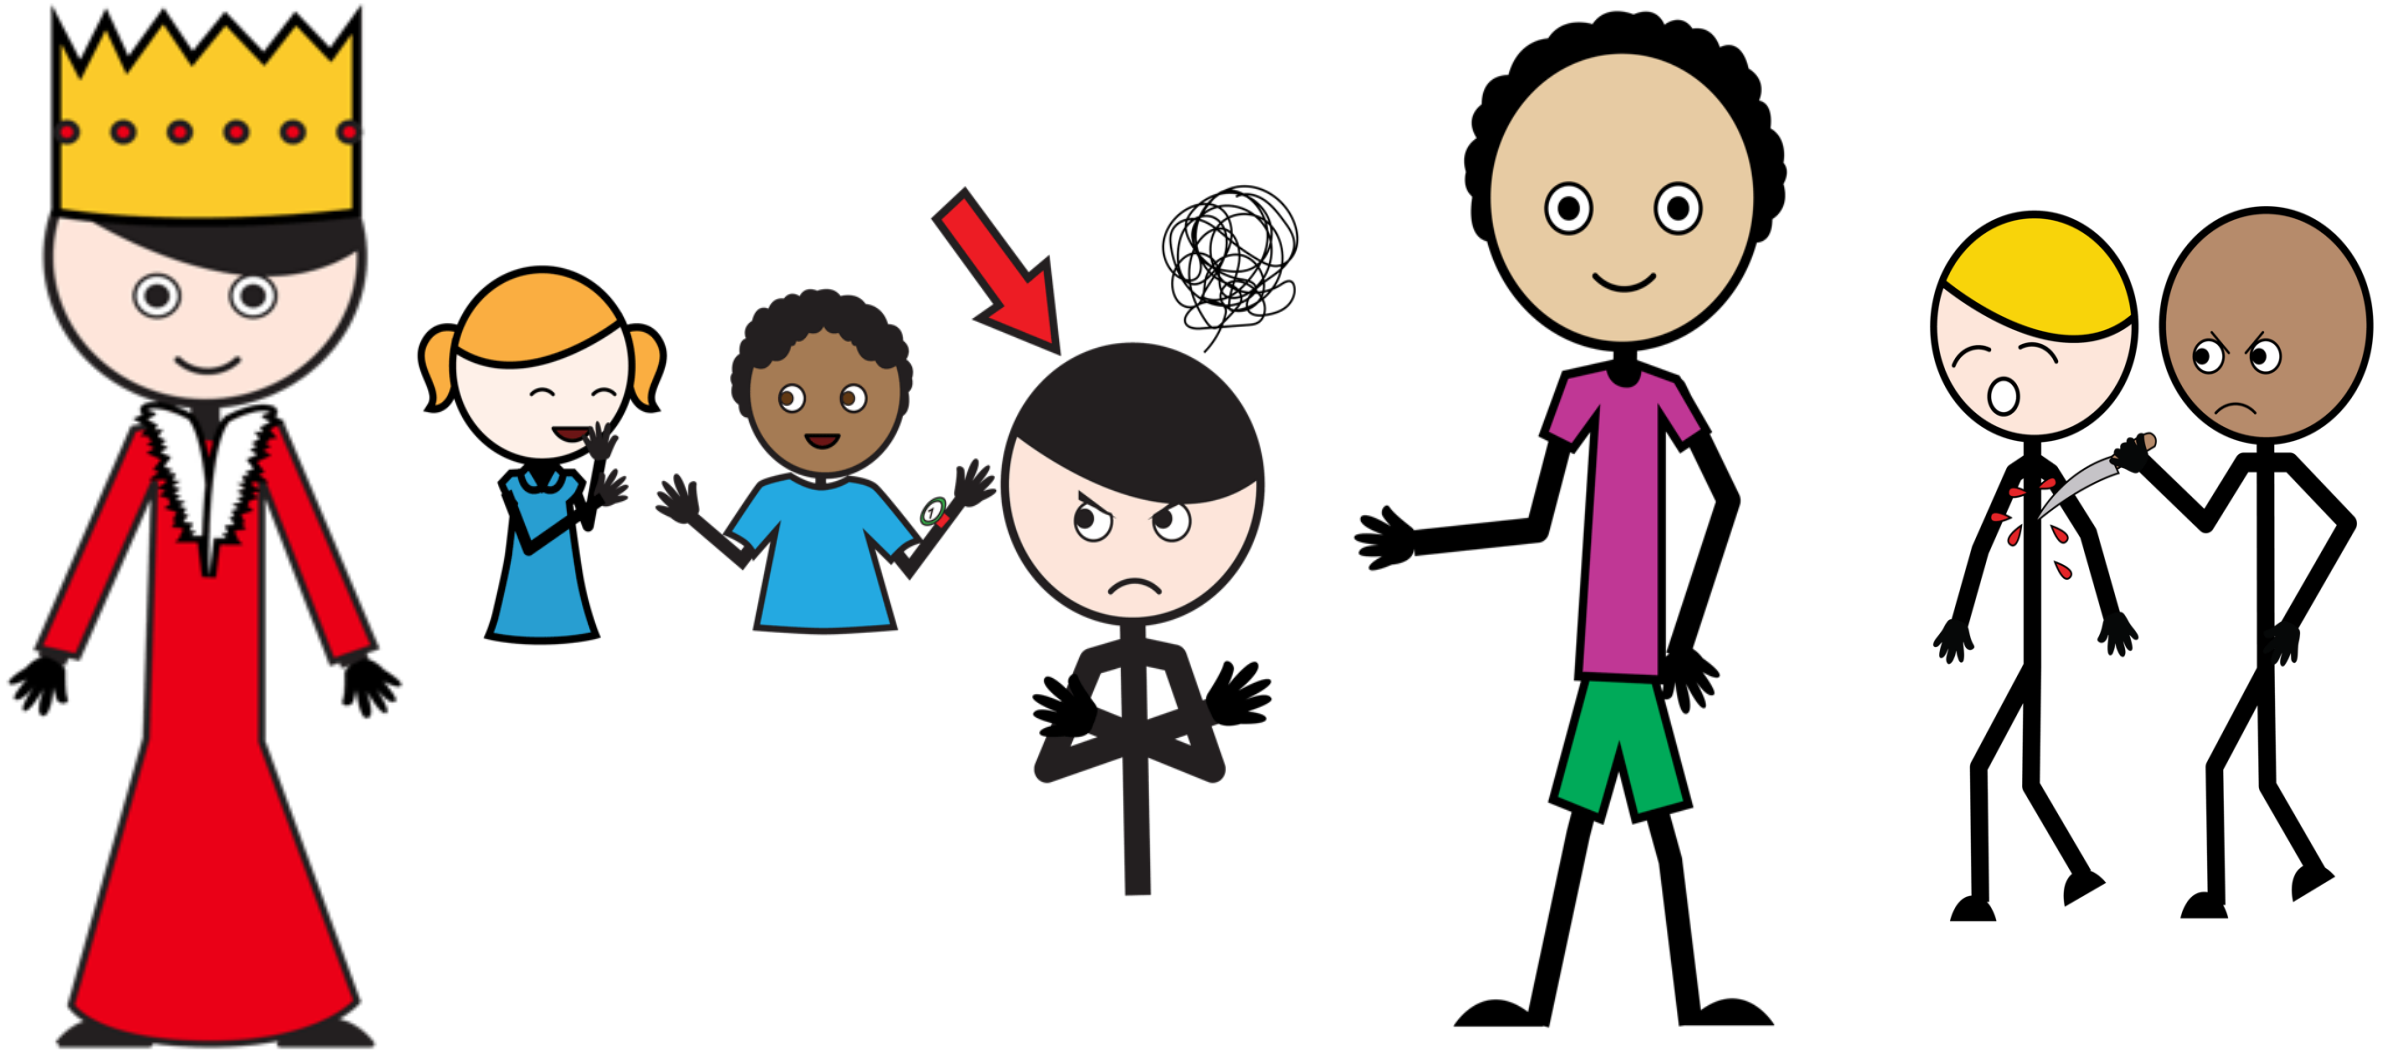

Following God inside, outside, and everywhere

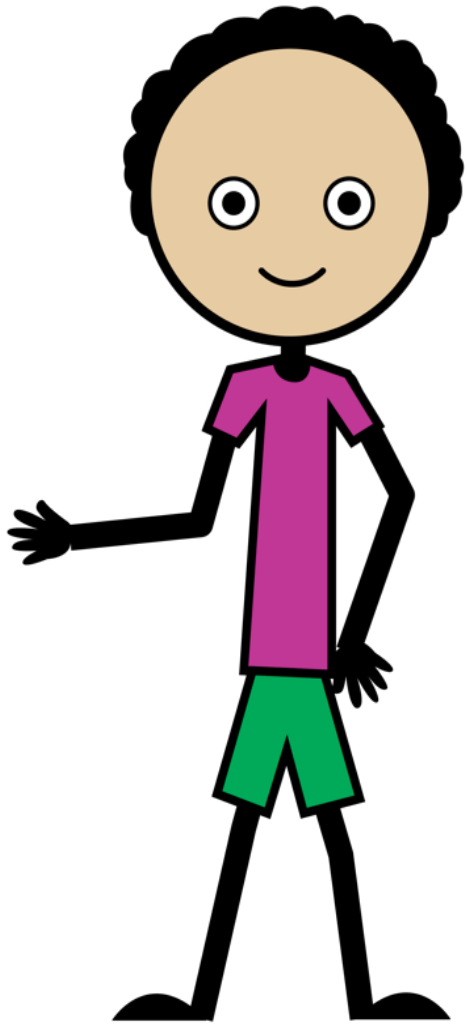

**This Week's Finish Line:
People with integrity follow God no matter what**

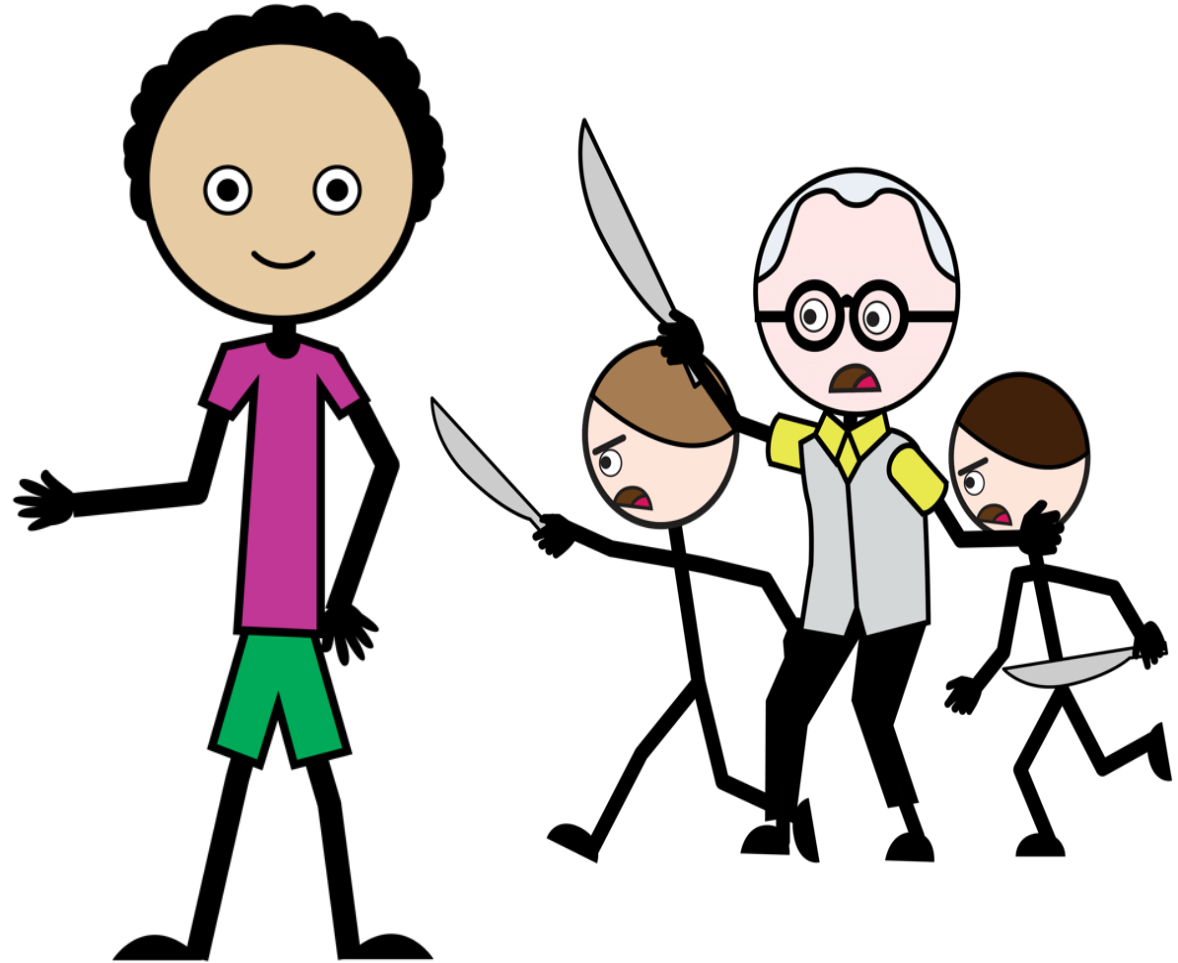

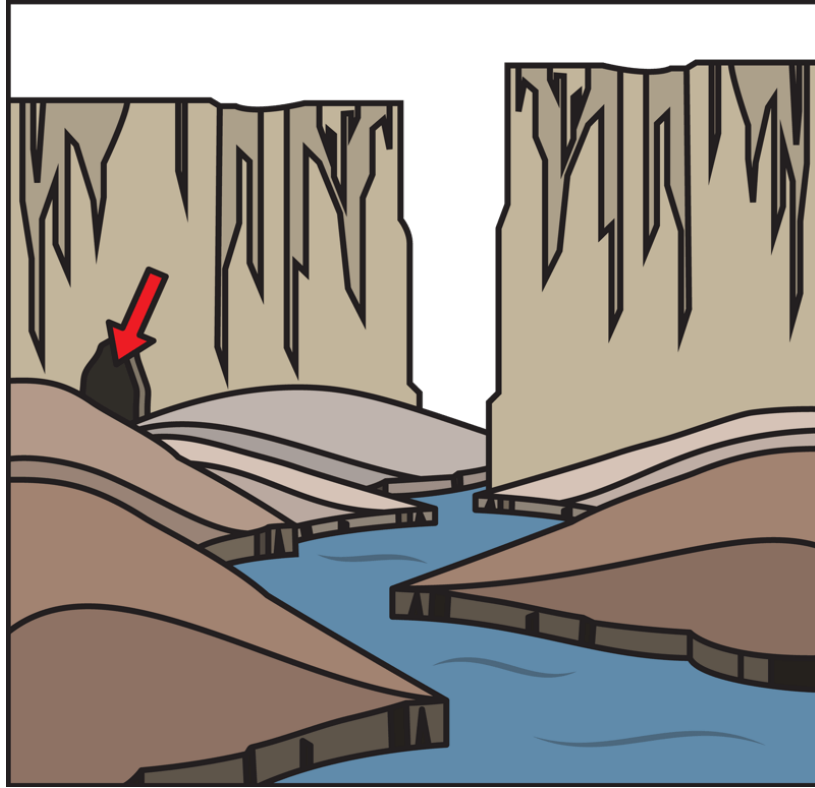

David was running away from King Saul.

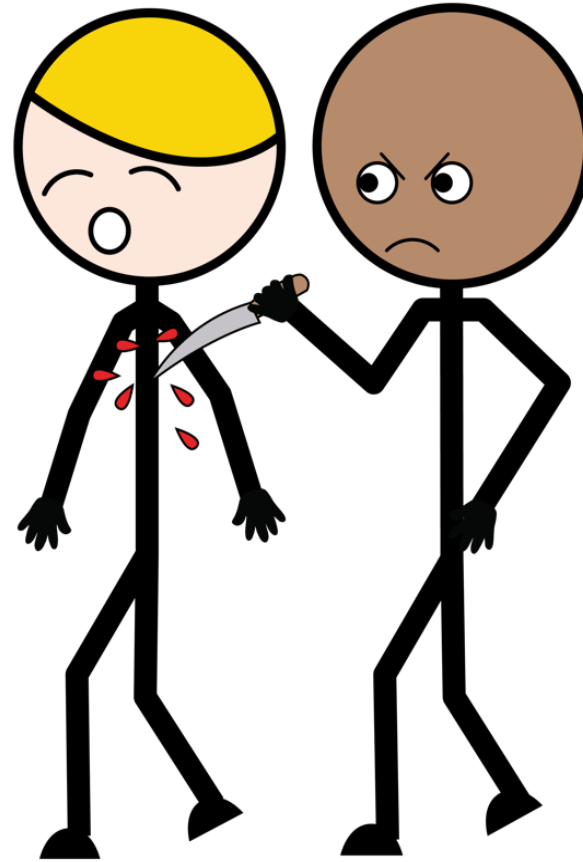

King Saul was jealous of David and trying to kill him!

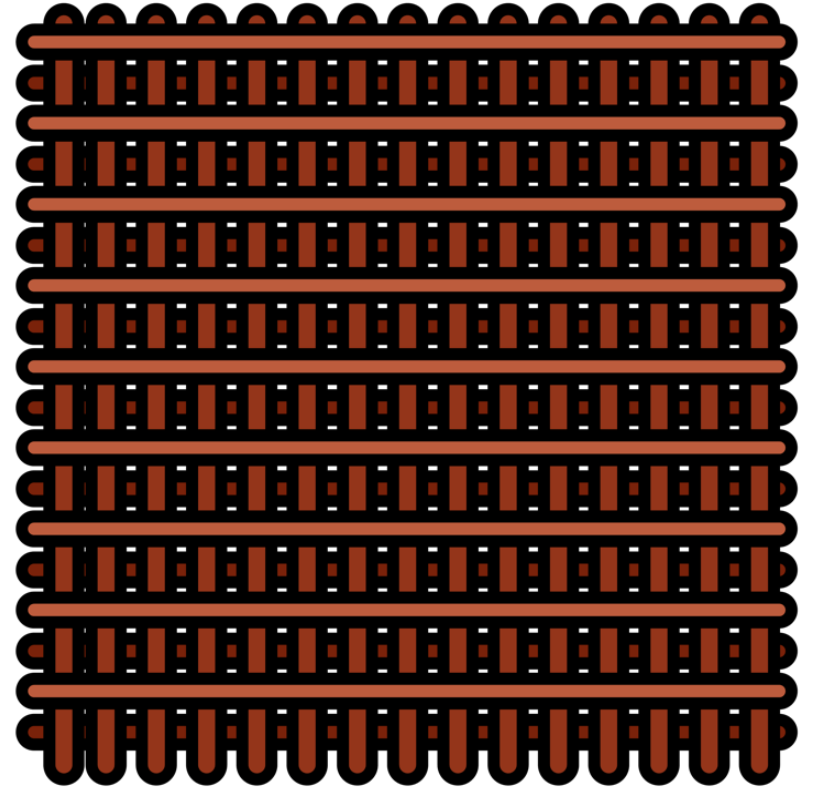

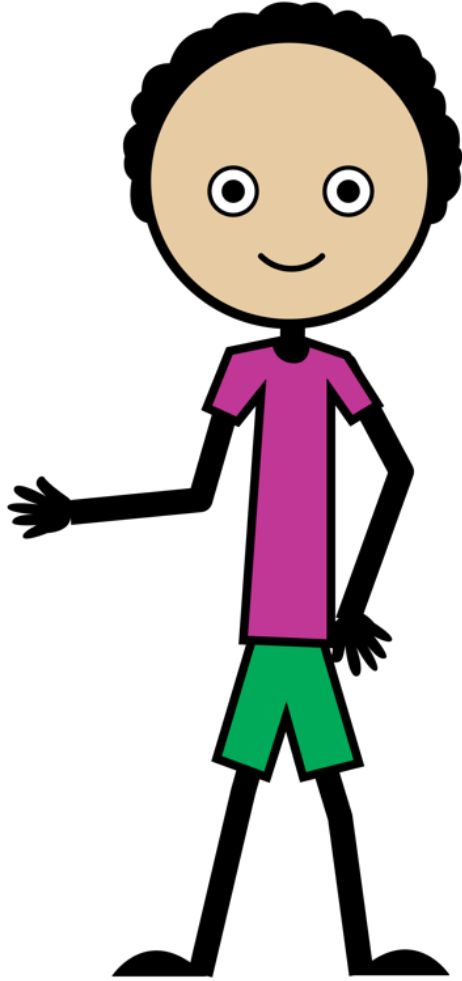

David and his fighting men were hiding from King Saul in a cave.

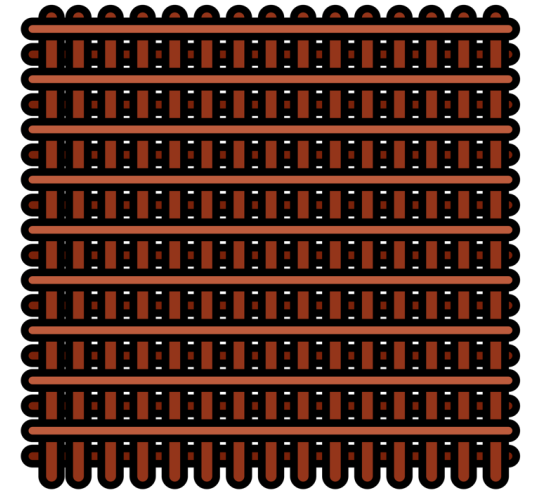

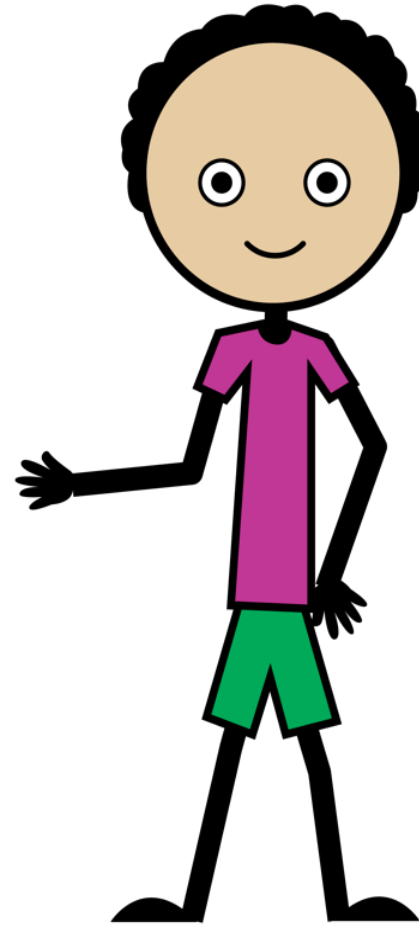

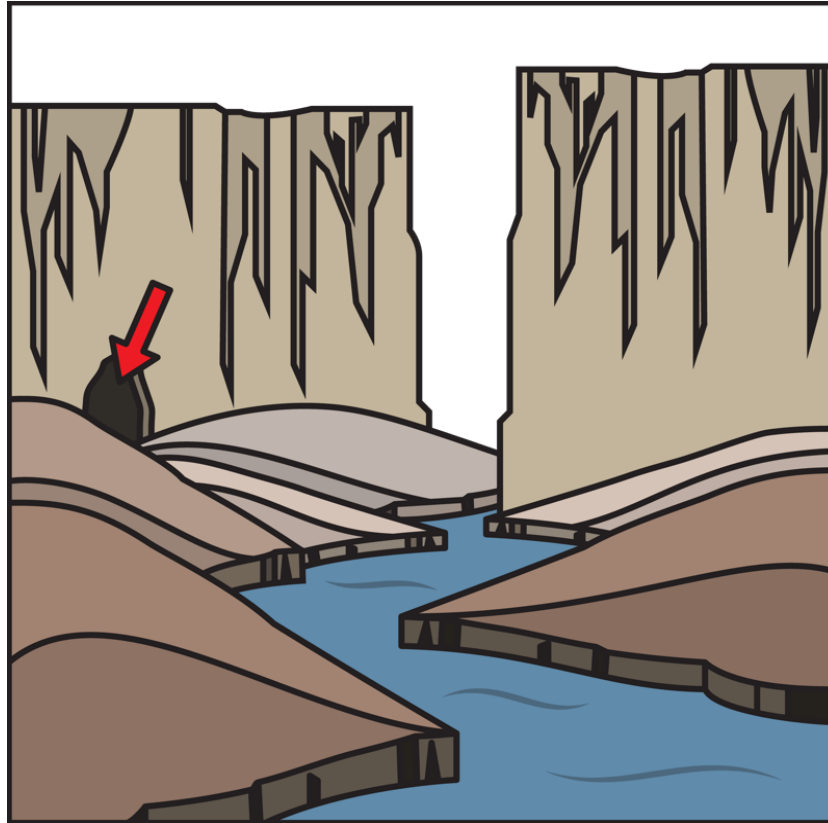

**Saul went into the cave.
He did not know David and his men were there.**

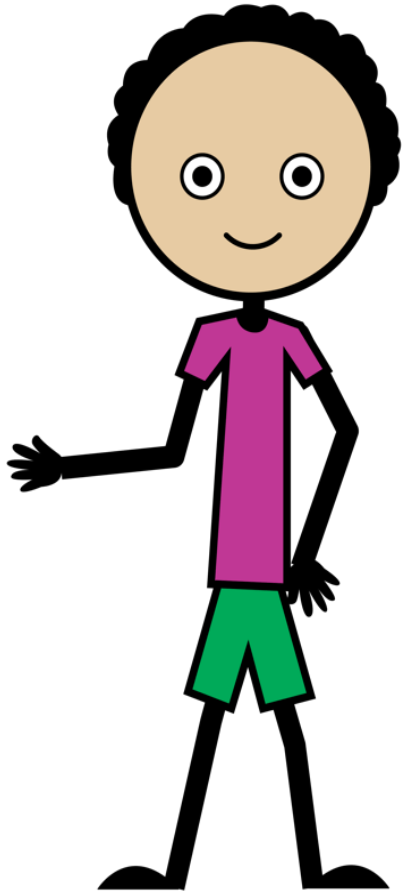

**David's men told him to kill King Saul.
Then they would not have to run away anymore.**

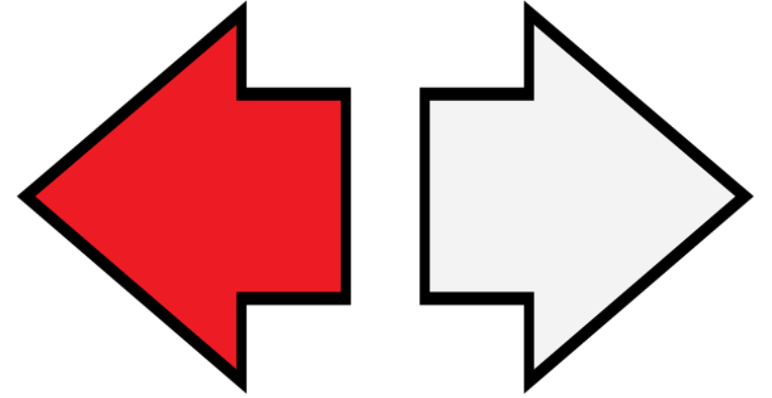

David said no, but he did sneak up and cut off a piece of King Saul's clothes.

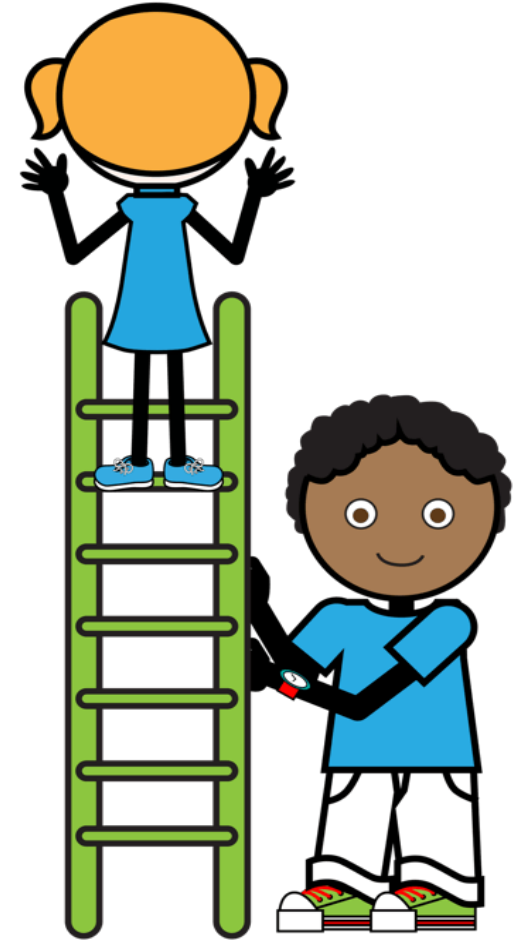

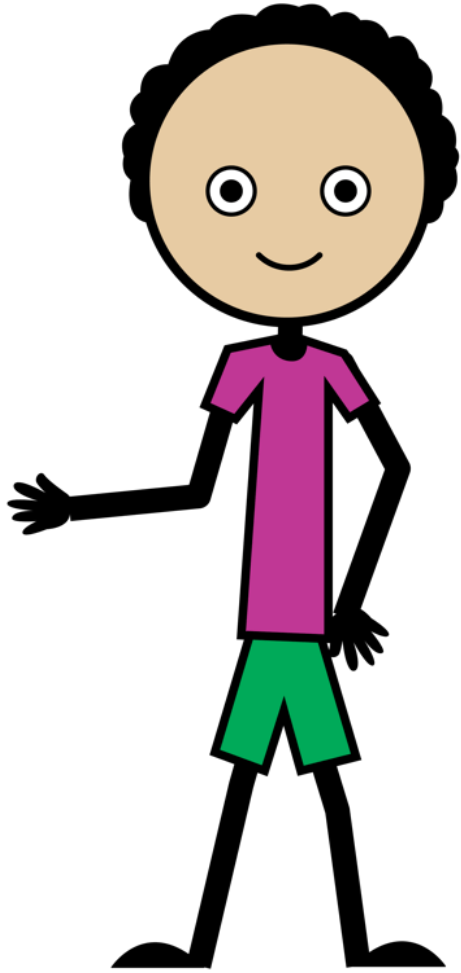

King Saul left the cave. David felt bad for cutting off a piece of King Saul's clothes.

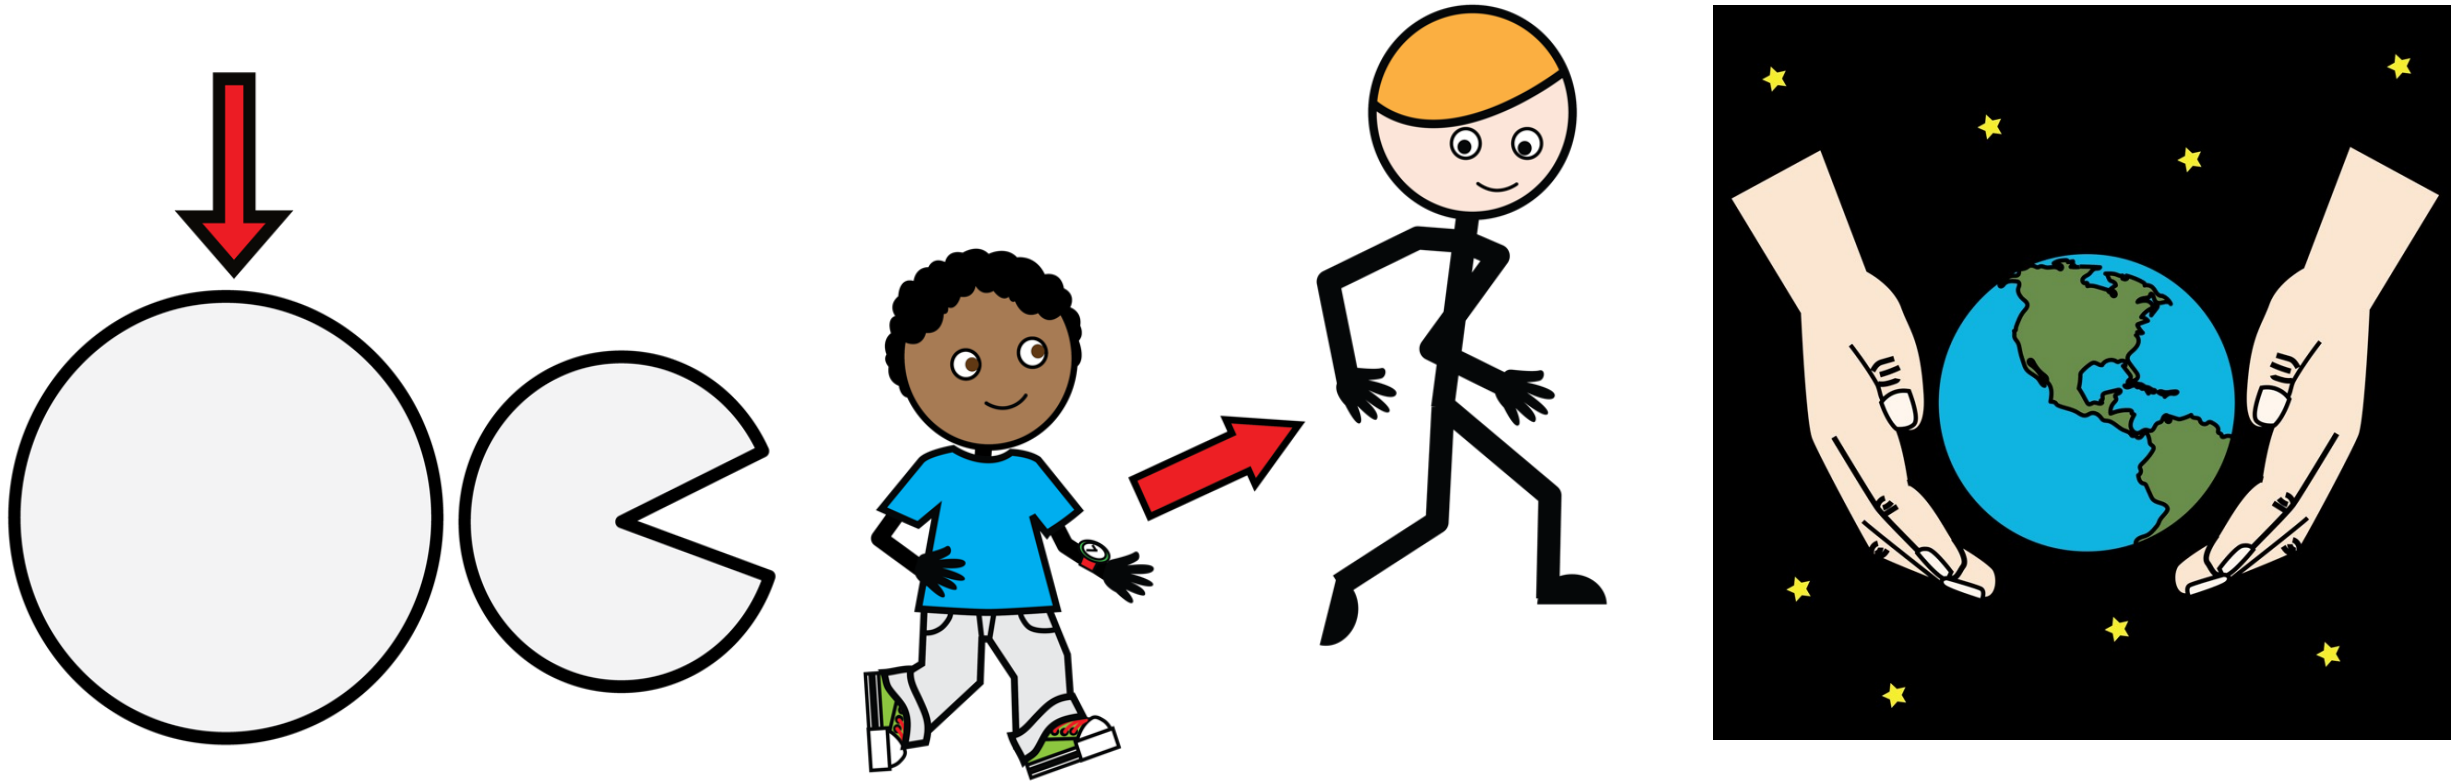

**David came out of the cave and called to King Saul.
David told King Saul he would never hurt him because Saul
was the one God chose to be king.**

King Saul cried and left David alone.

David followed God's plan and trusted in Him.

People with integrity follow God no matter what!
