

Generosity

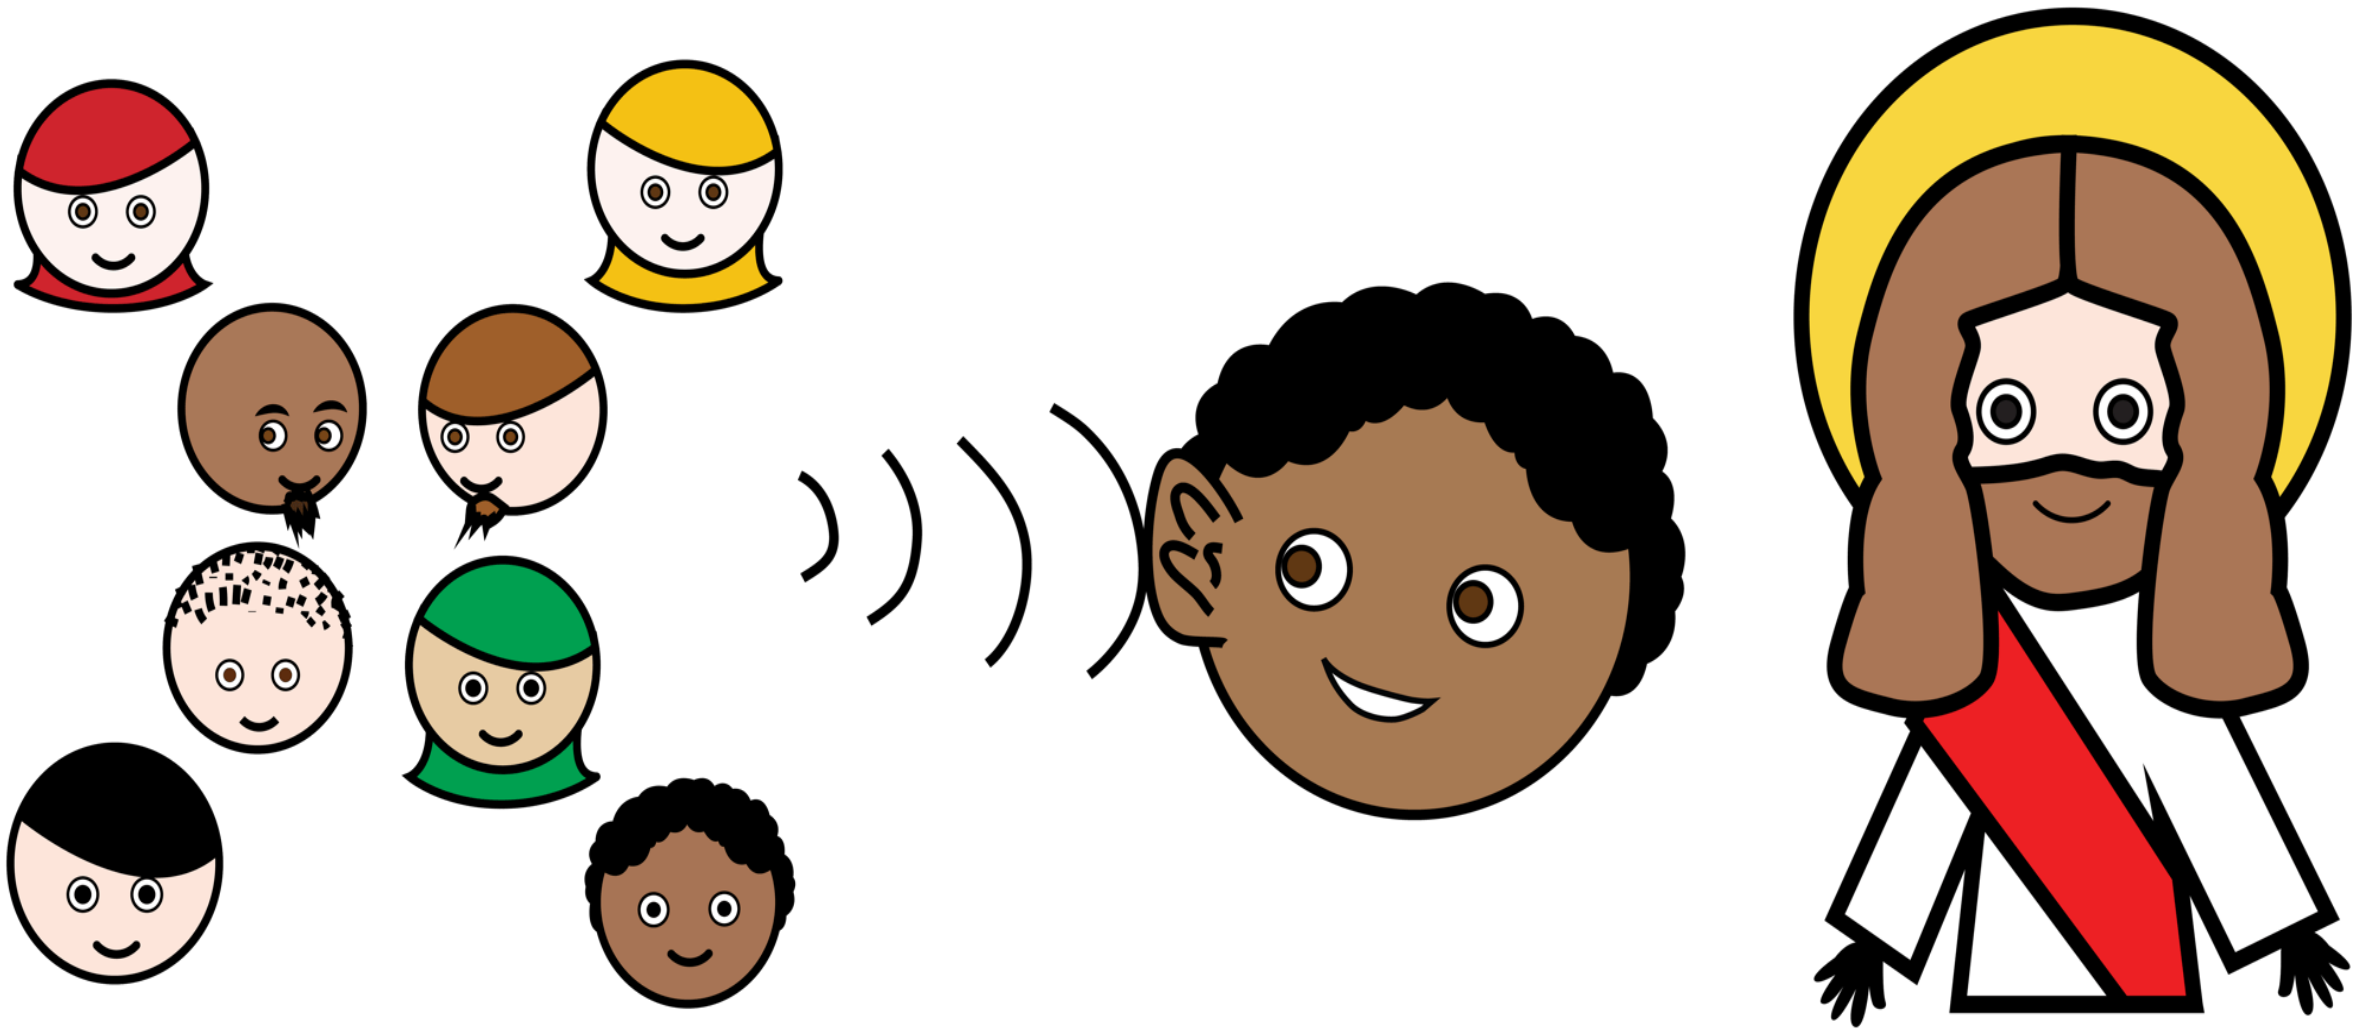

Joyfully sharing what God has given you

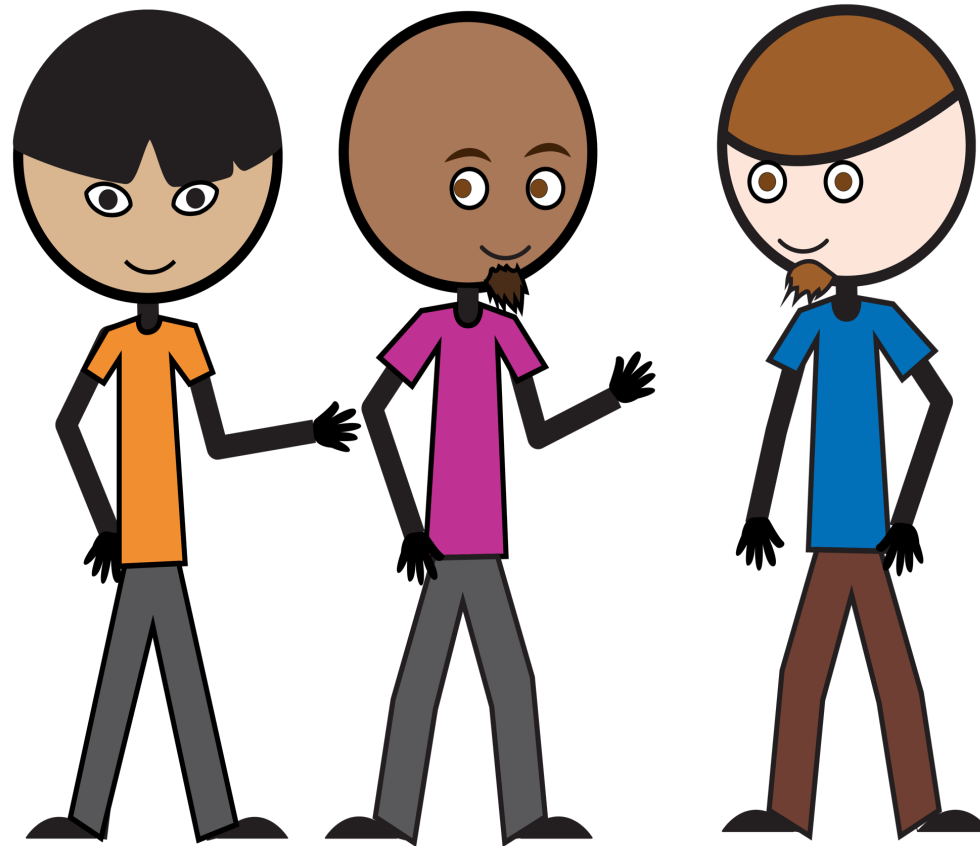

**This Week's Finish Line:
God gave generously so we can too!**

**After Jesus went back to heaven and the Holy Spirit came,
all the people who believed in Jesus met together.**

**The believers in Jesus spent time listening
to teaching about Jesus.**

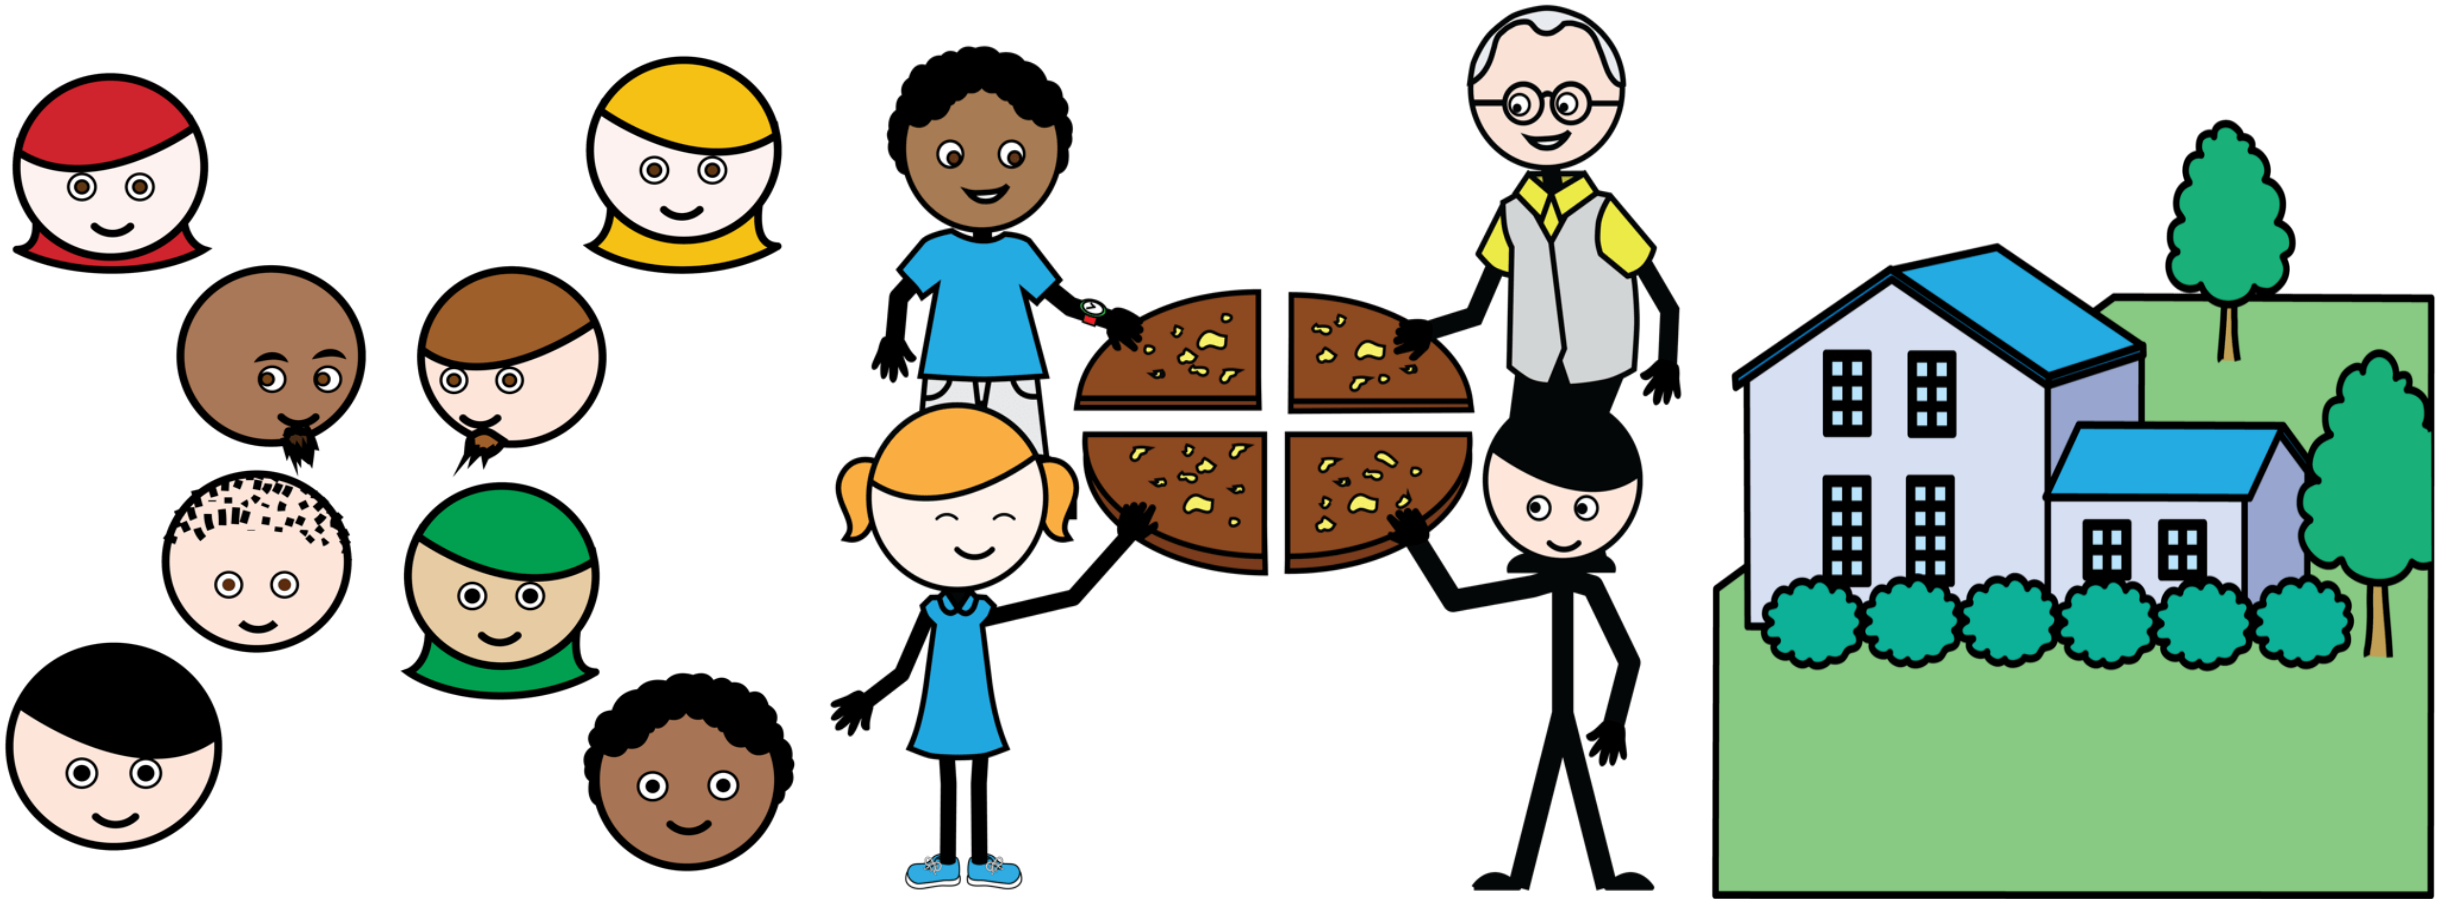

**God used Jesus's disciples, also called apostles,
to do amazing miracles.**

**The believers were generous
by sharing meals with each other.**

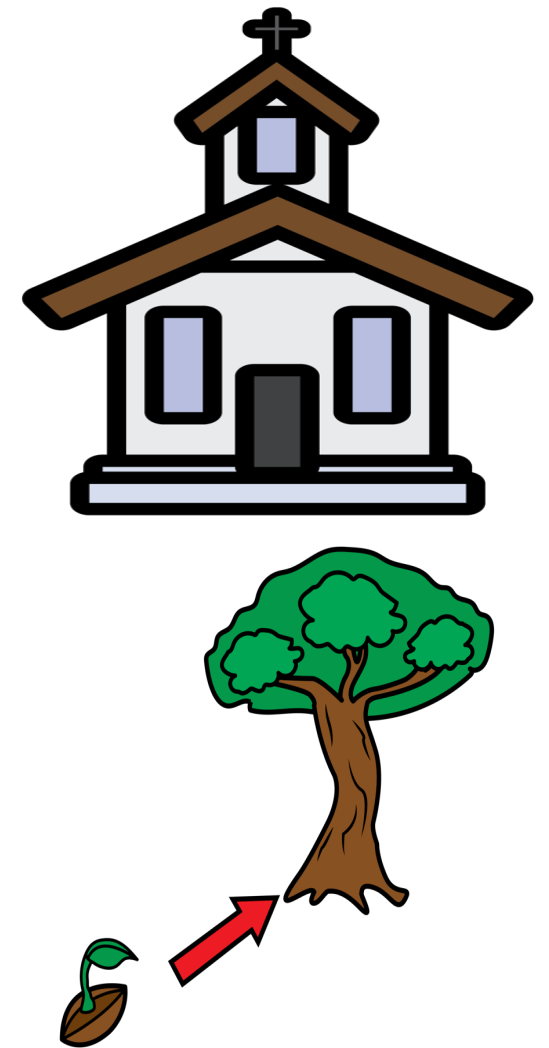

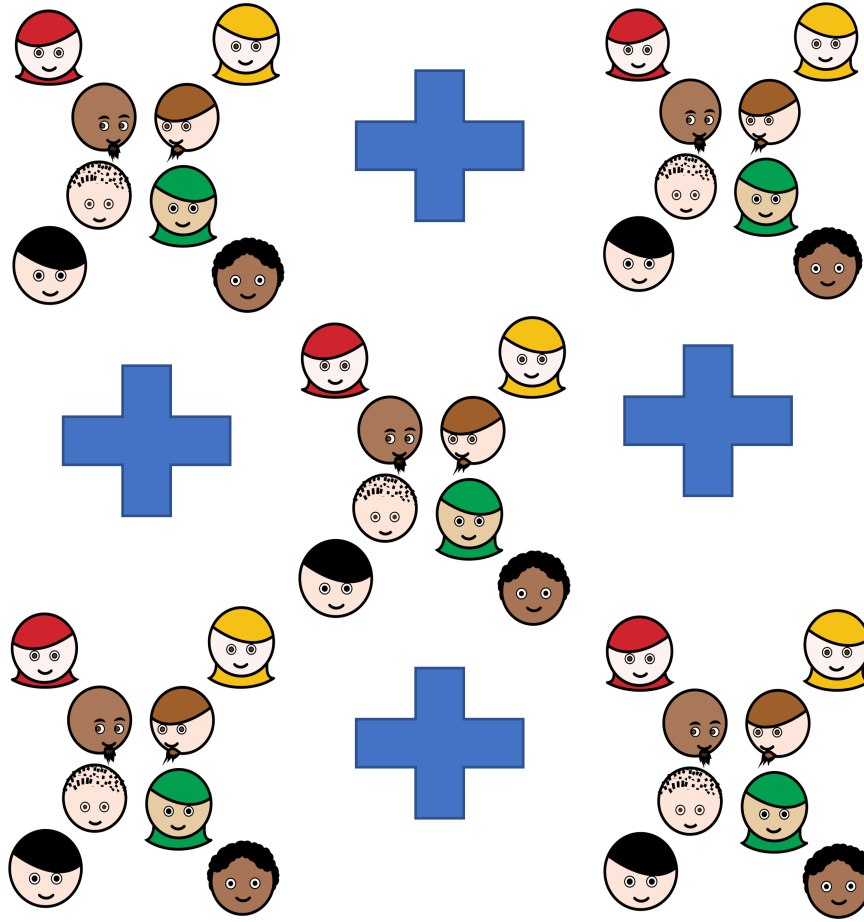

**The believers were generous
by sharing their money with each other.**

**The believers were generous
by sharing their homes with each other.**

The believers prayed and worshipped God together.

**Every day God added more people to their numbers
and the church grew.**

God gave generously so we can too!
