what was right in God's eyes.**

**The book of God's Law was read to King Josiah.

and the people had not been doing what God said is best.**

It reminded them that God loved them and told them how  
they could love Him back by following His Word.**

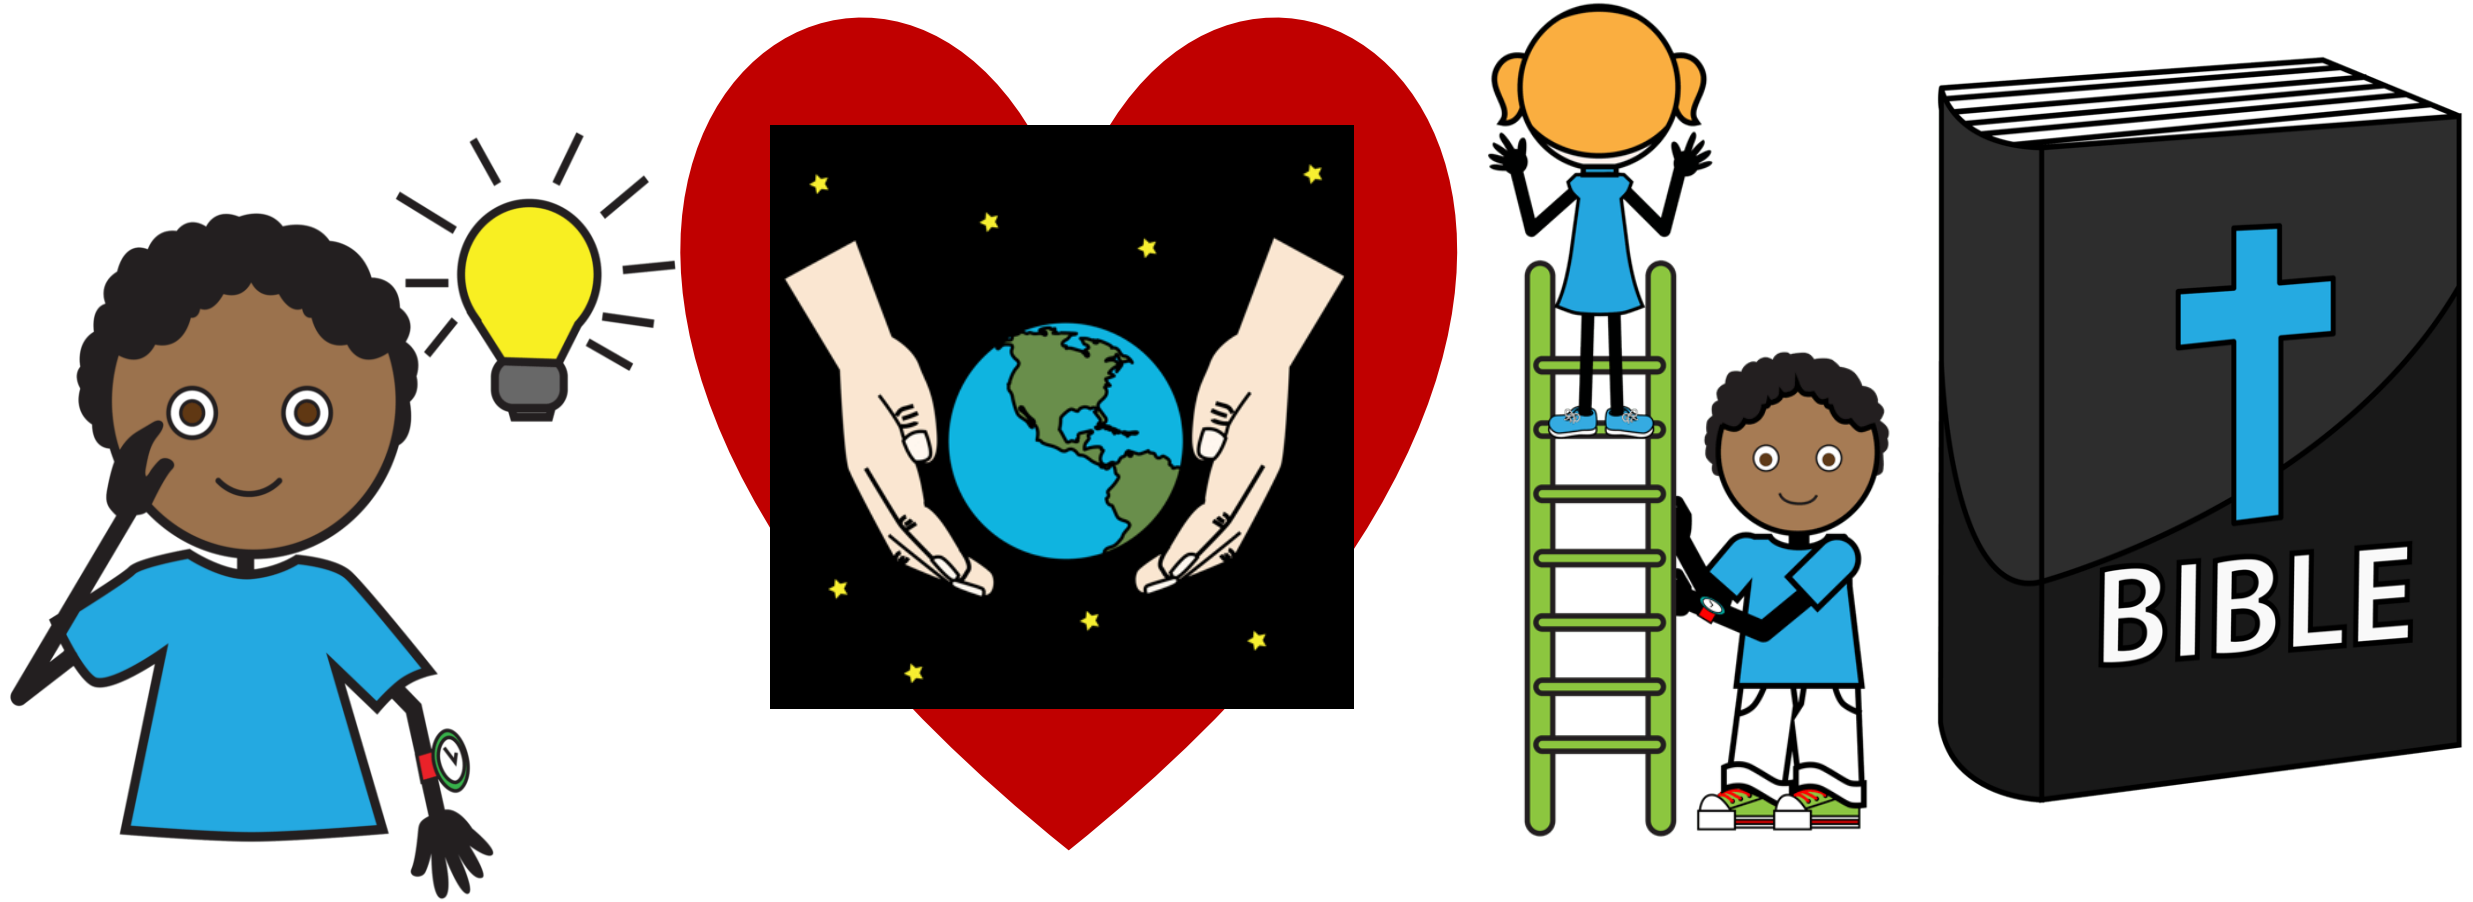

**The people said they were sorry and promised  
to follow God's laws.**

**King Josiah and the people celebrated Passover so they could worship and thank God for all the ways He loved them.**
