Staying the Course Because God's Plan Is Perfect

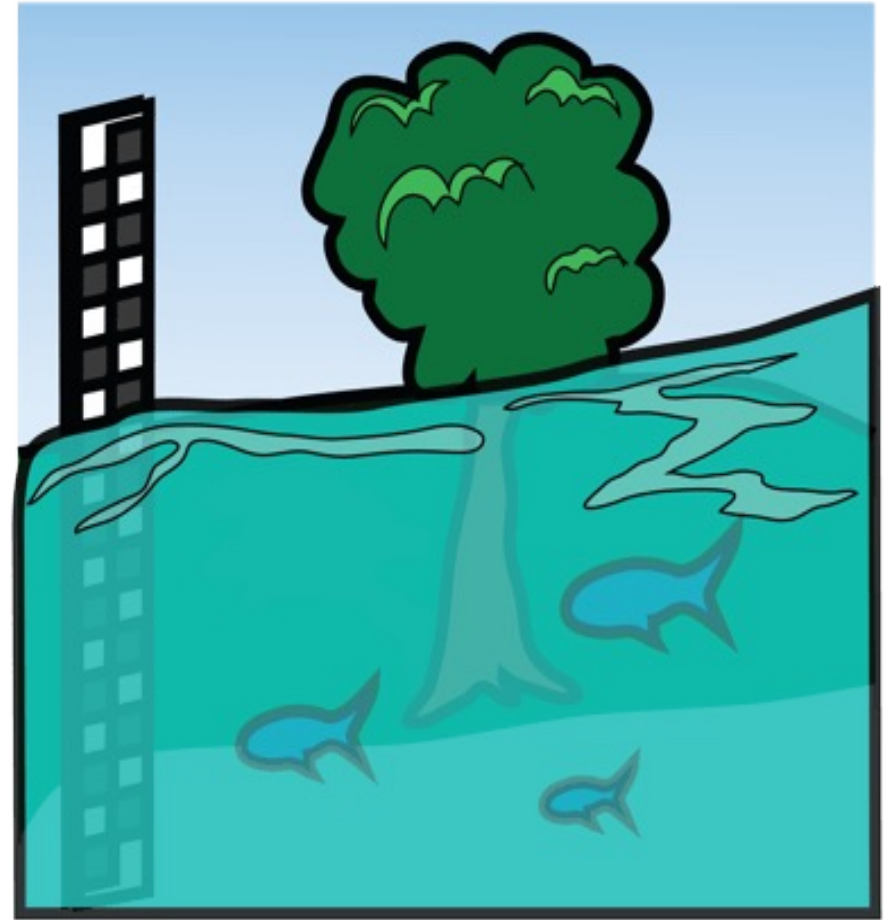

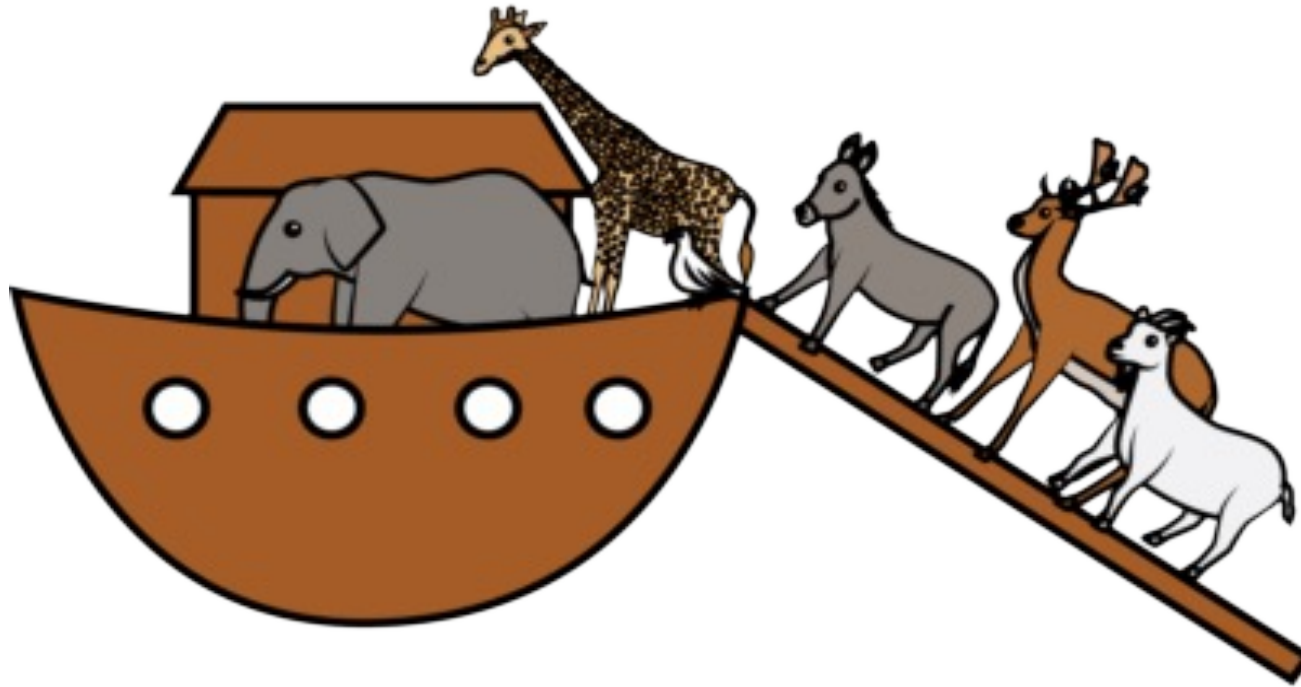

People on earth had become very evil. They did bad things all the time.

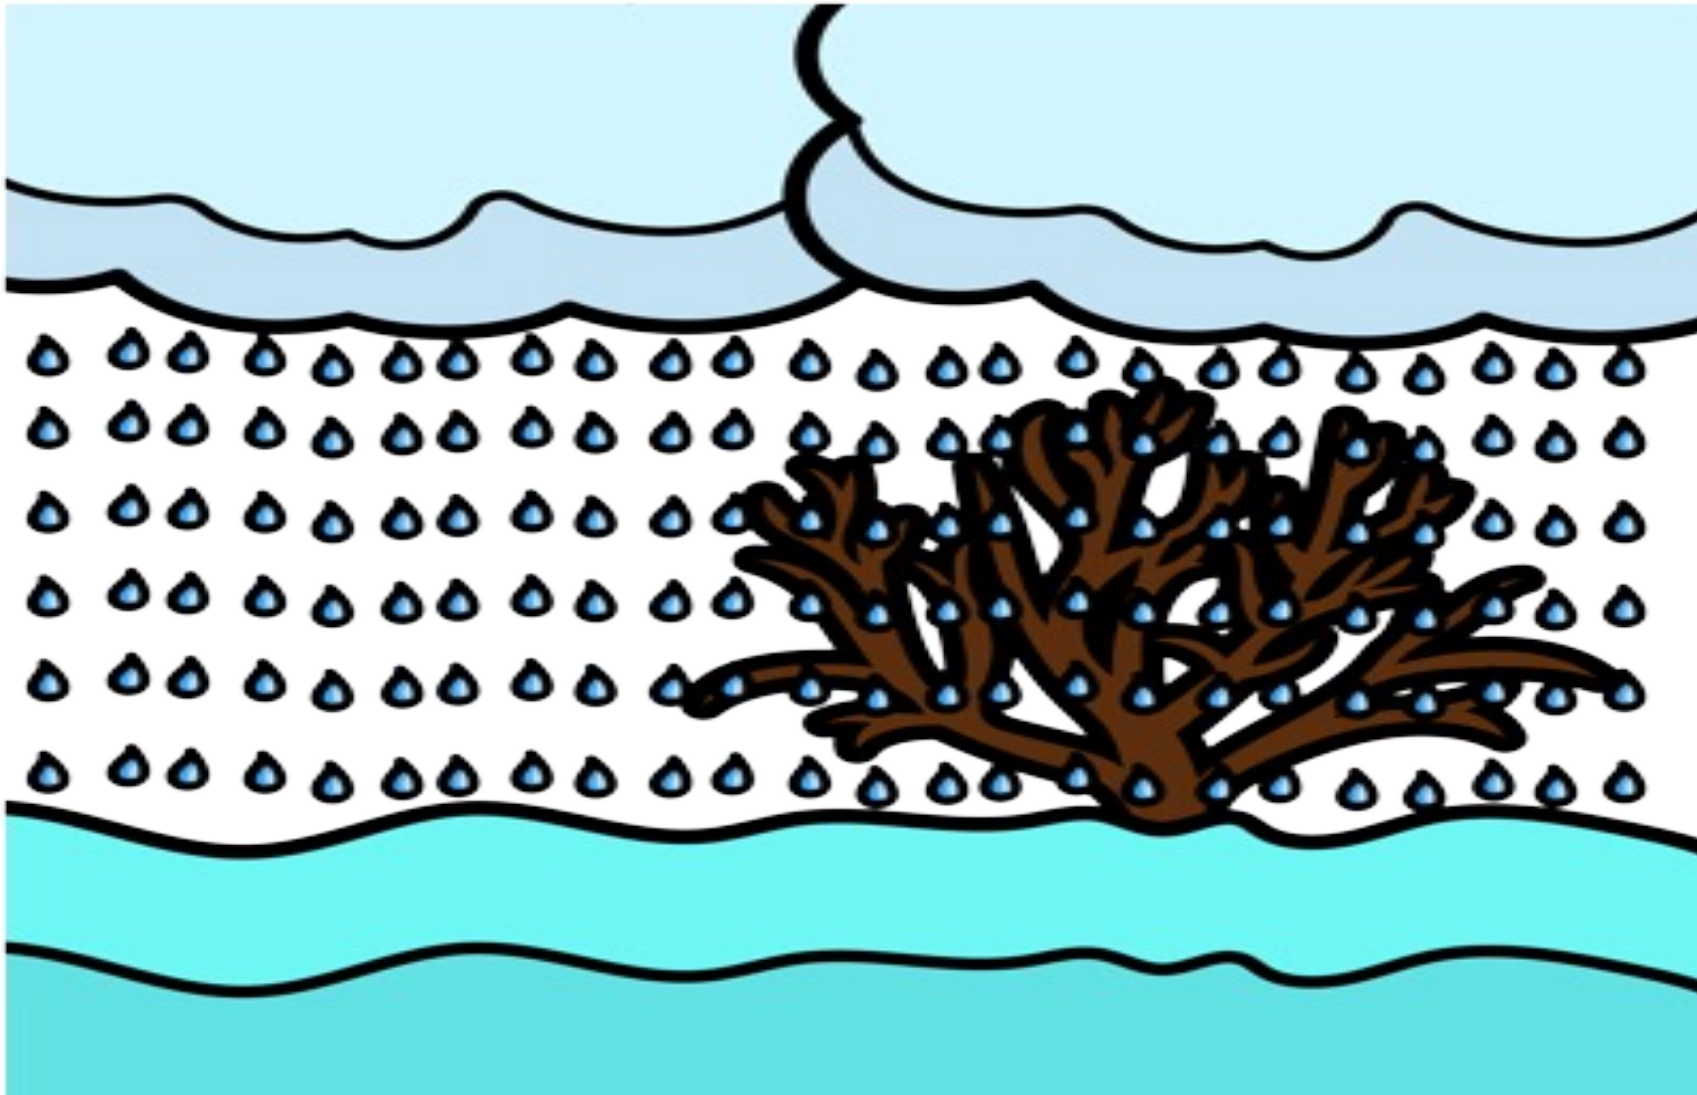

This broke God's heart and made Him sorry He created man.

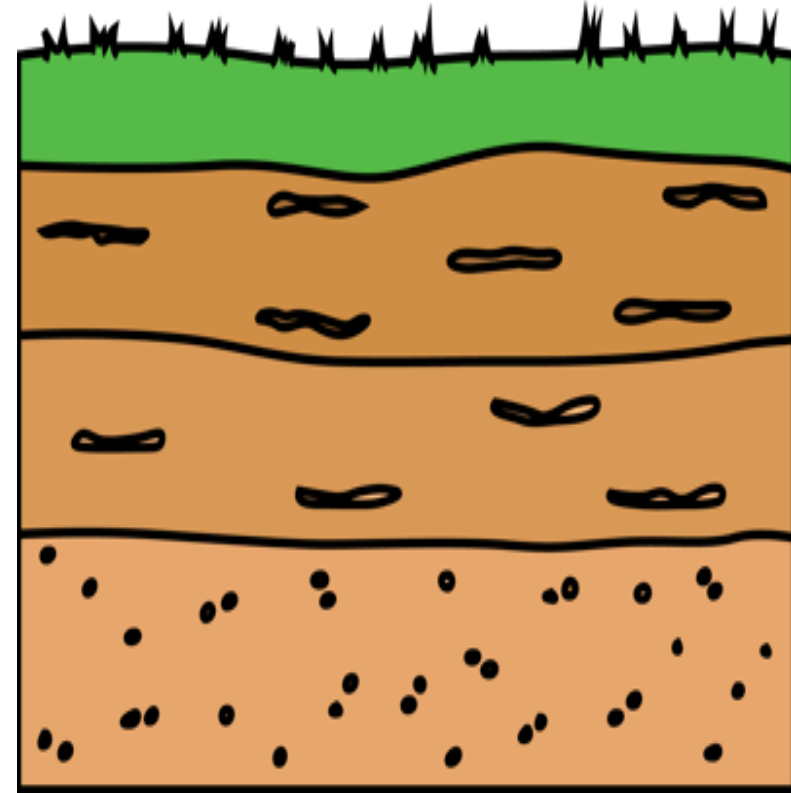

But God found one righteous man and his family living on the earth. His name was Noah.

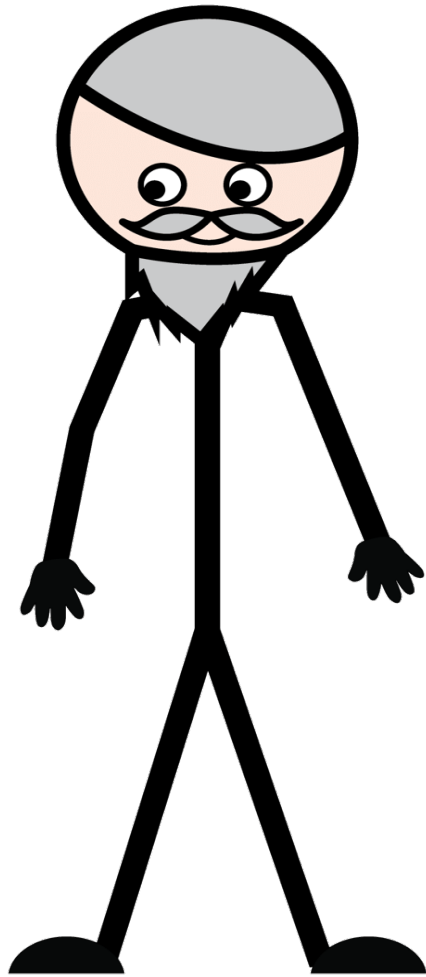

God told Noah to build a big boat and bring two of every kind of animal on it. God was going to send a huge flood to cover the earth.

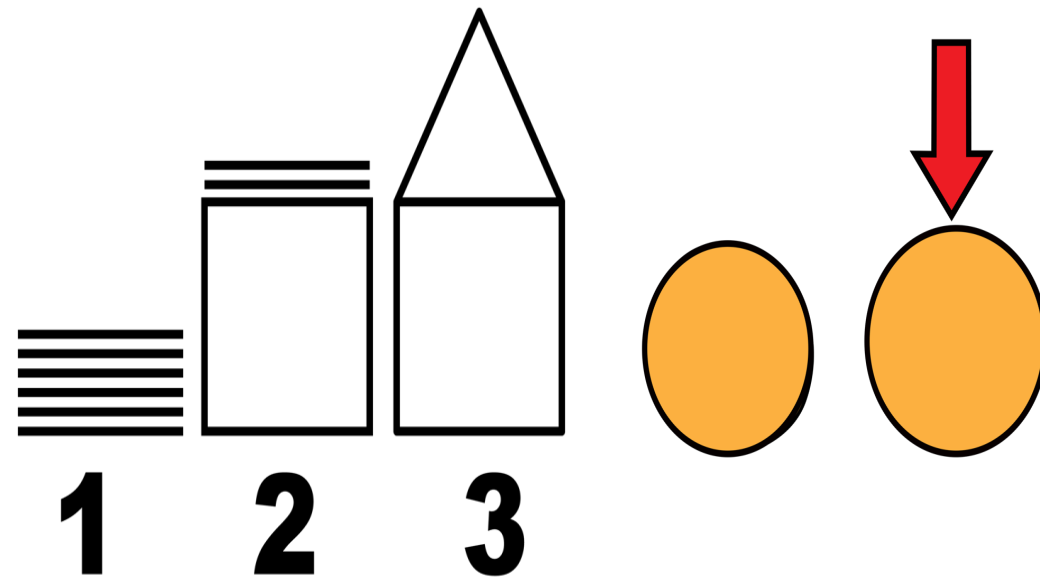

It rained 40 days and nights. Water was everywhere!

Finally, the rain stopped and after a long time, dry ground appeared.

**Noah and his family got off the boat.
God put a rainbow in the sky as a promise to never
flood the earth again.**

Staying the course because God's plan is perfect.
