

This week's story:
Jesus Heals Ten Lepers

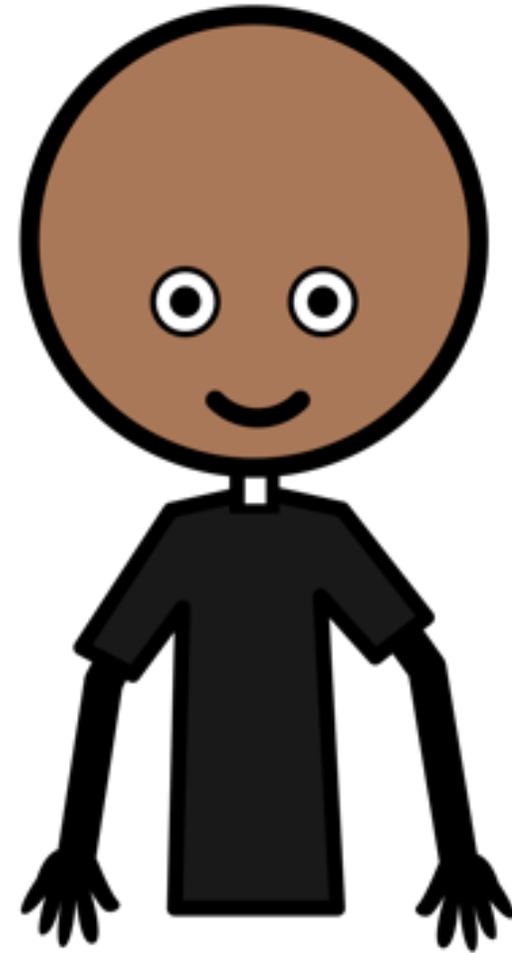

**Teaching Truth:
Jesus has the power to heal.**

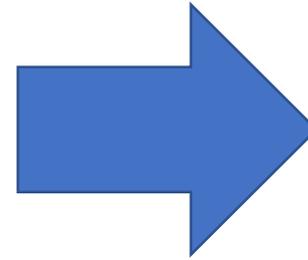

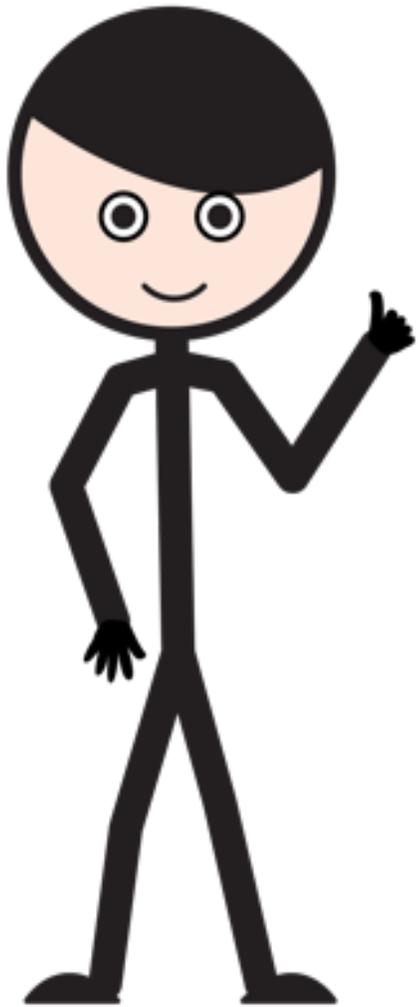

Jesus and the disciples were traveling to a new town to preach the good news.

**Ten men with a skin disease met Jesus on the road.
They begged Jesus to heal them.**

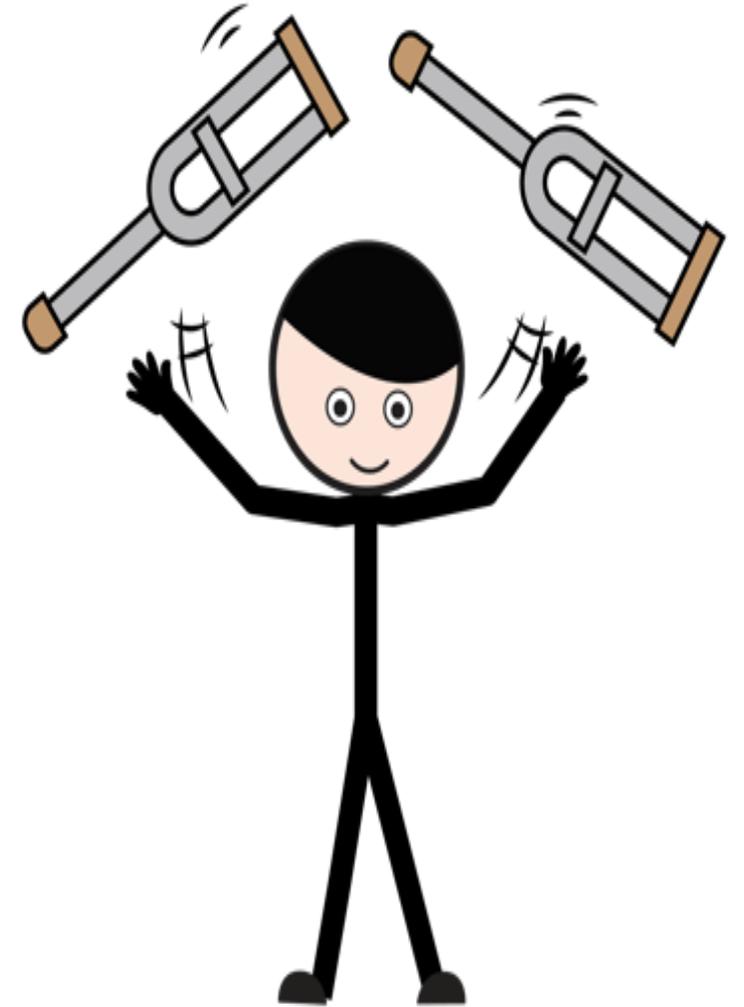

**Jesus told them to go show themselves to the priest.
As they went, the men were healed.**

One of the men, when he saw he was healed, stopped and went back to thank Jesus.

Jesus praised the man's faith.

Jesus has the power to heal.
