

This week's story:
Jesus enters Jerusalem

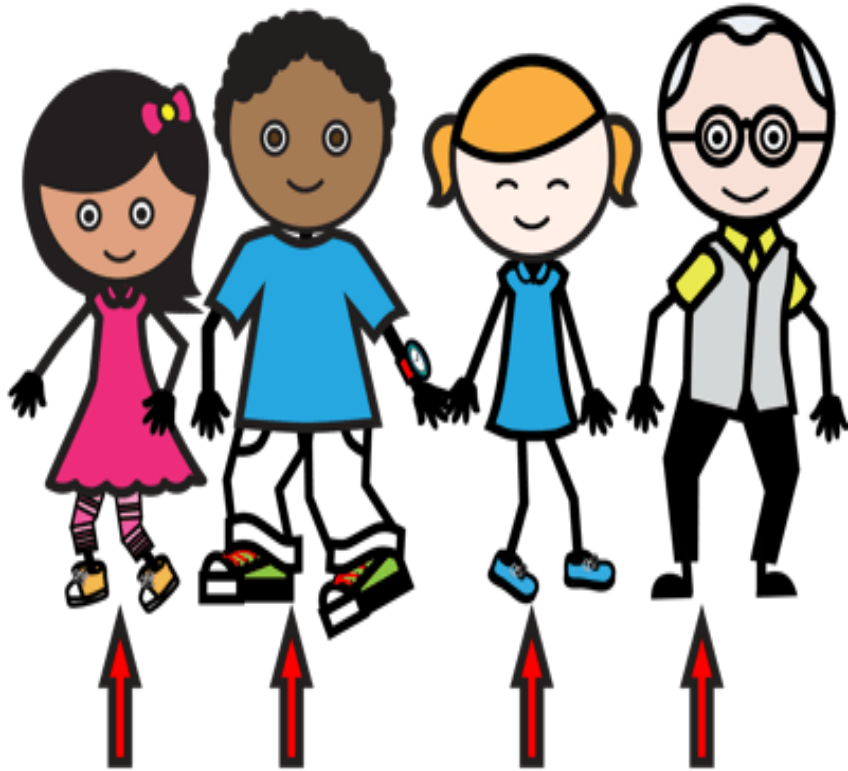

Teaching Truth:
Jesus is the Savior God promised

It was time for Jesus to go to Jerusalem as a part of God's rescue plan. But first, he needed a donkey.

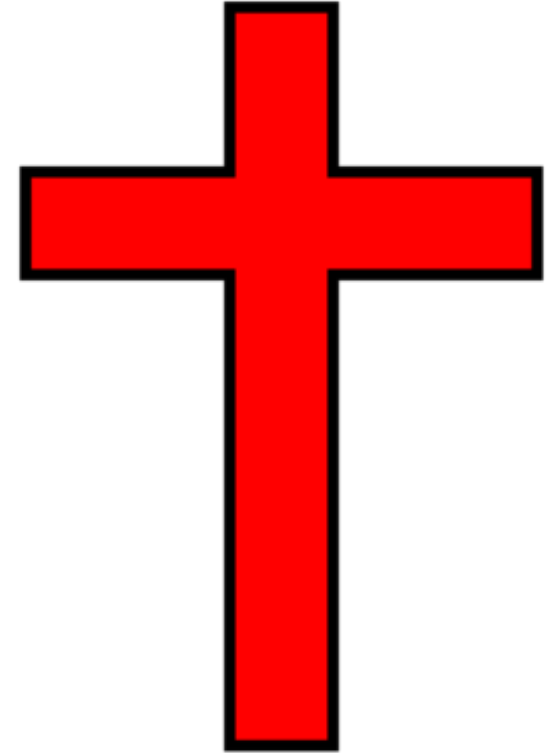

Jesus told the disciples where to find a donkey for Him to ride into Jerusalem.

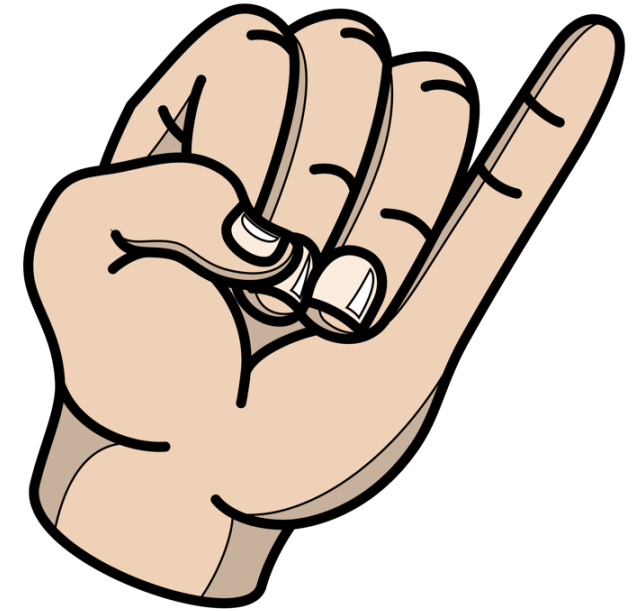

When Jesus rode into the city on the donkey, the people shouted “Hosanna!” They threw down their coats and waved palm branches.

Jesus rode into Jerusalem, gentle like a king.

God sent Jesus to save us!

Jesus is the Savior God promised.
