

Generosity

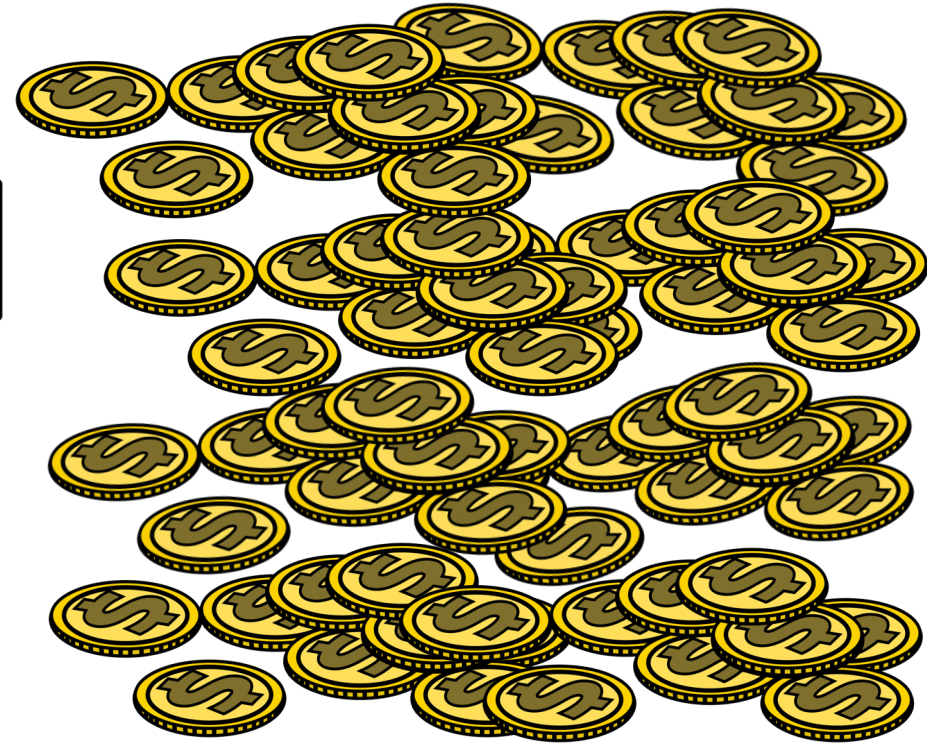

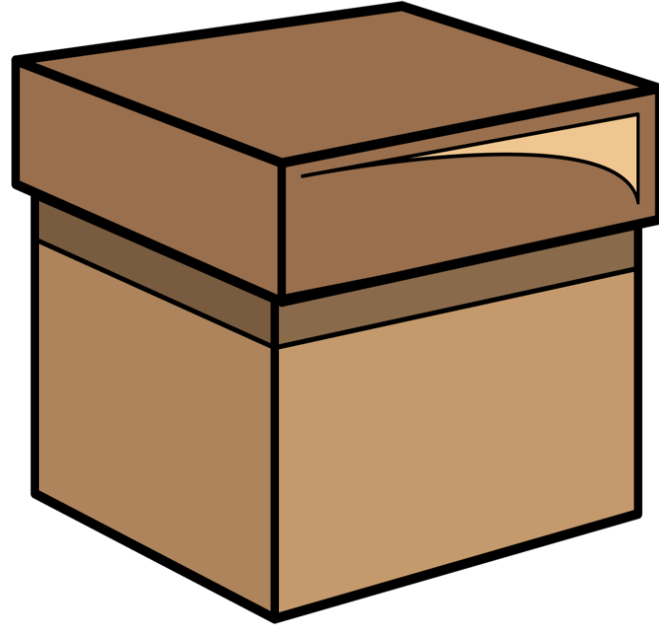

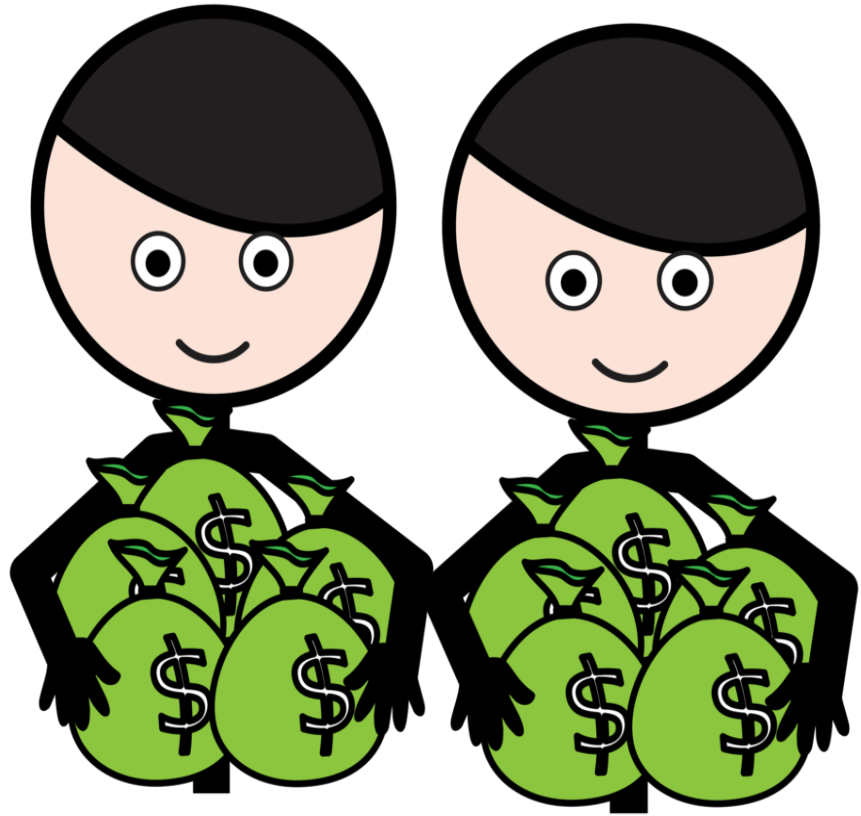

Joyfully sharing what God has given you

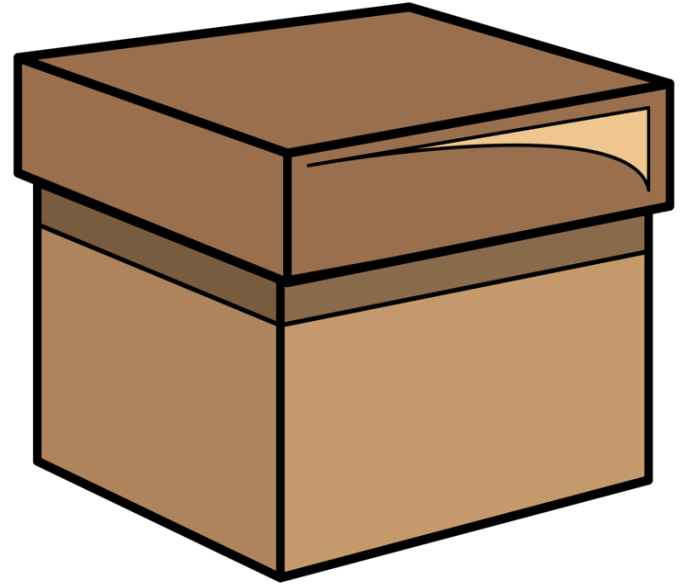

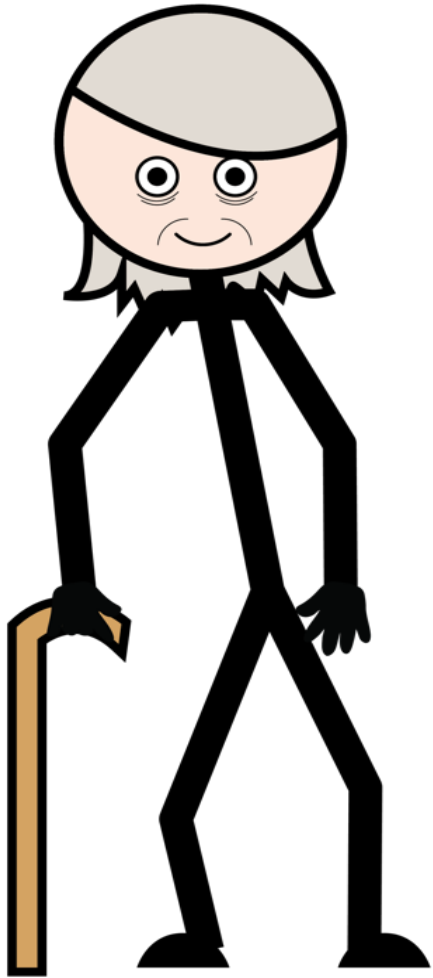

**This Week's Finish Line:
Giving generously is all about your heart**

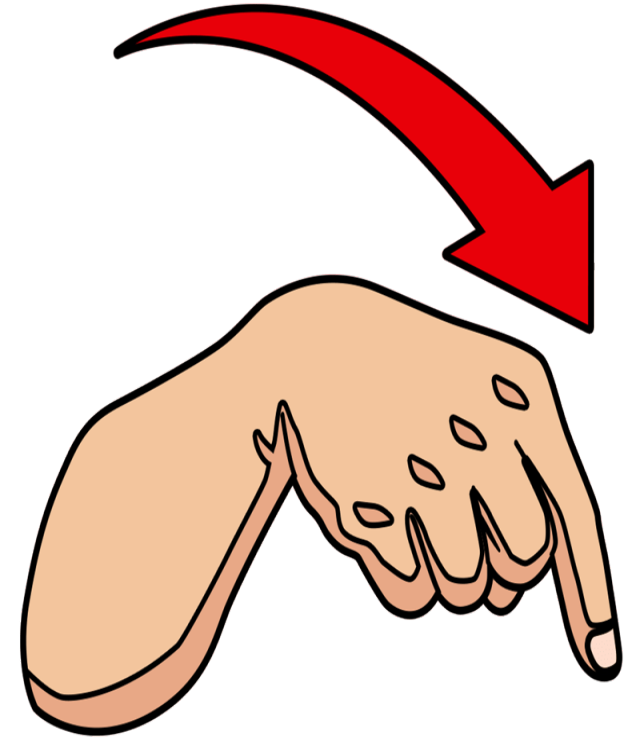

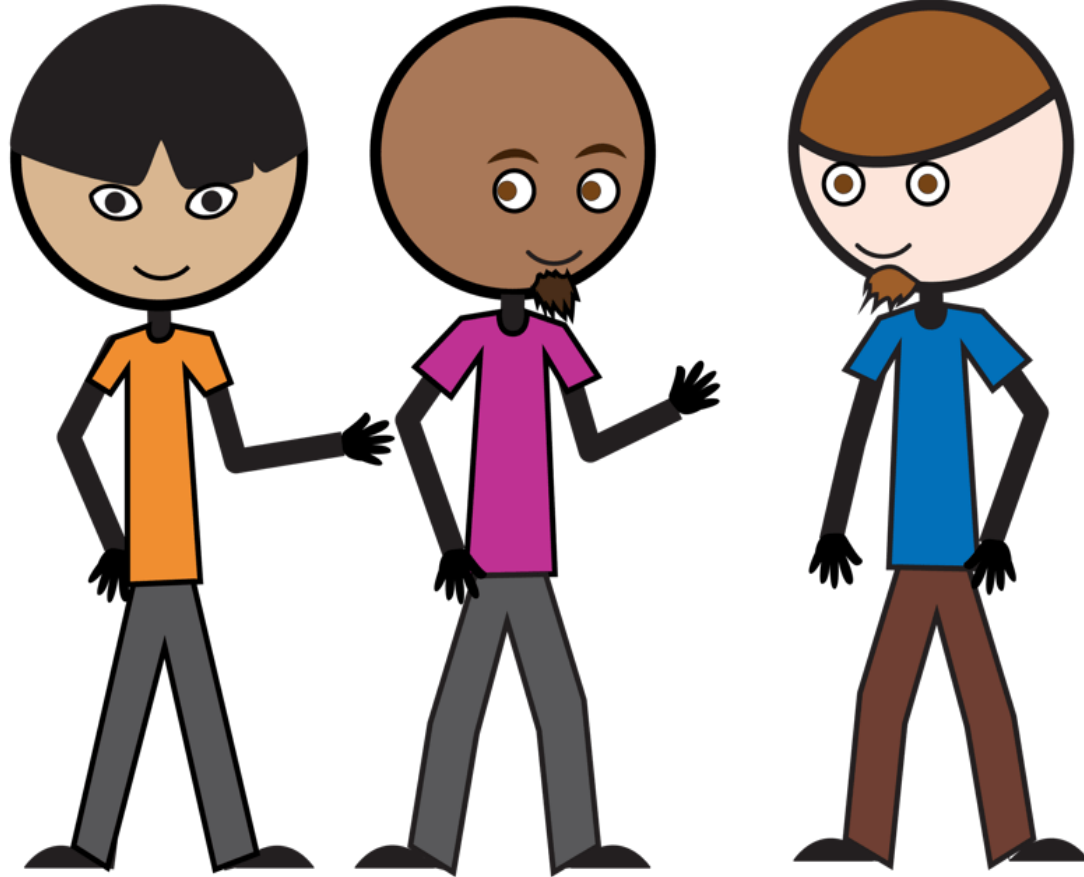

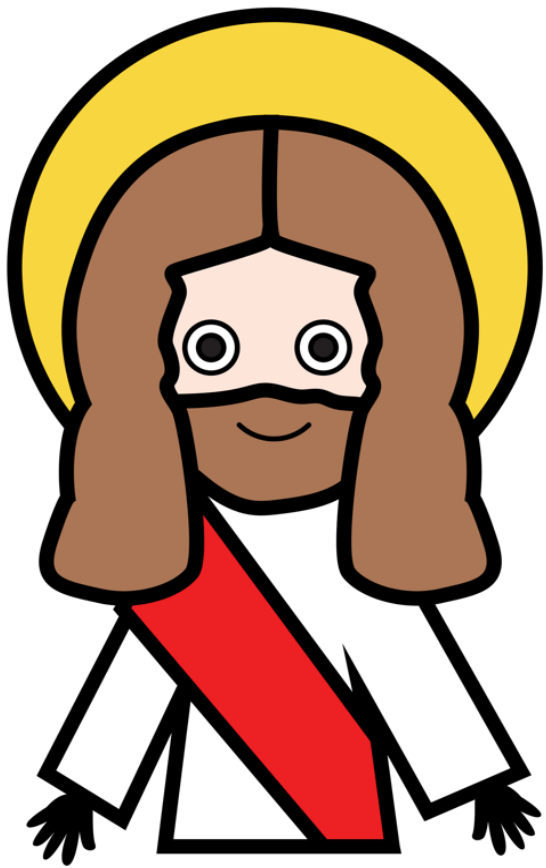

Jesus was sitting in the temple. He was watching people put money in the money box.

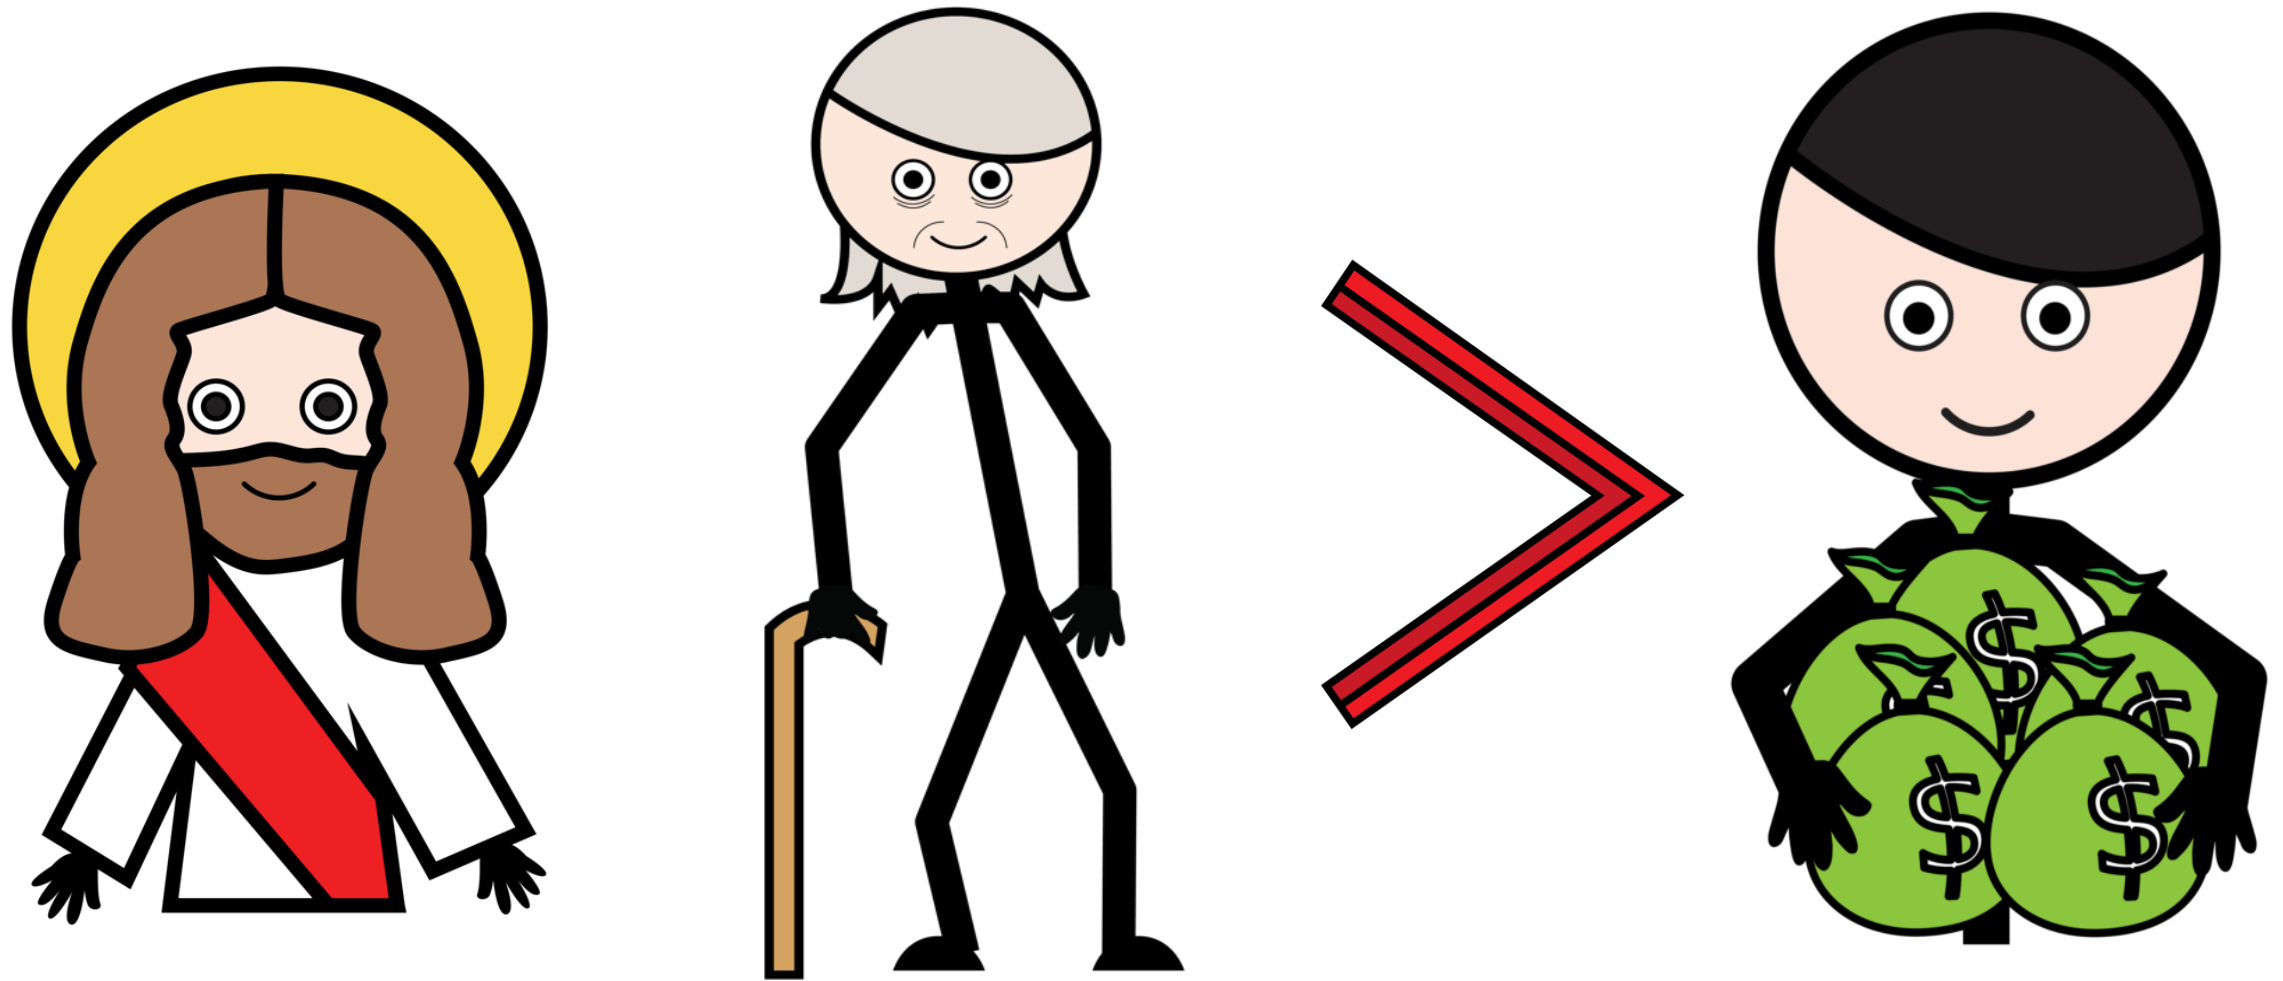

**Lots of rich people came to the money box.
They put lots of money in.**

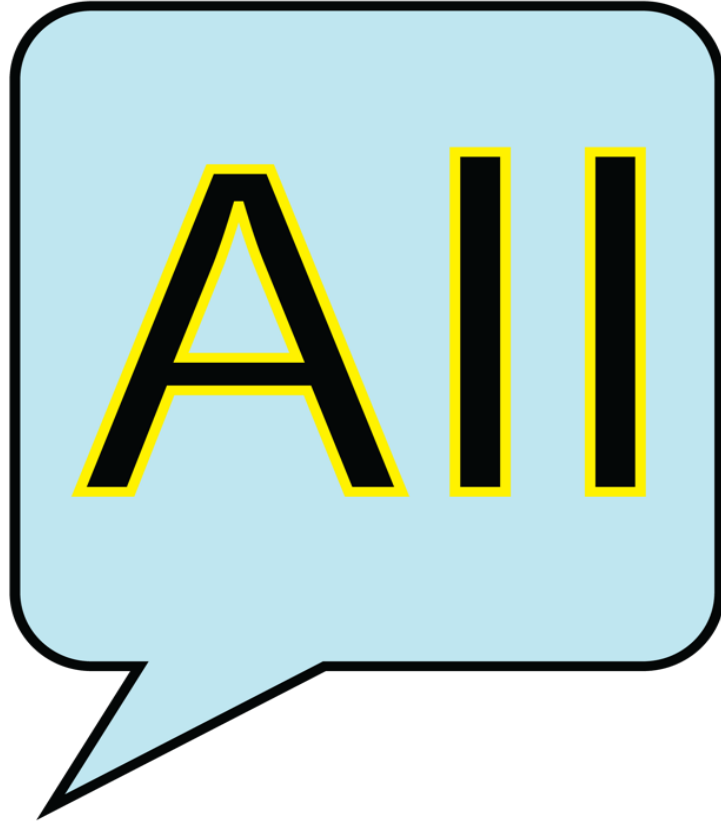

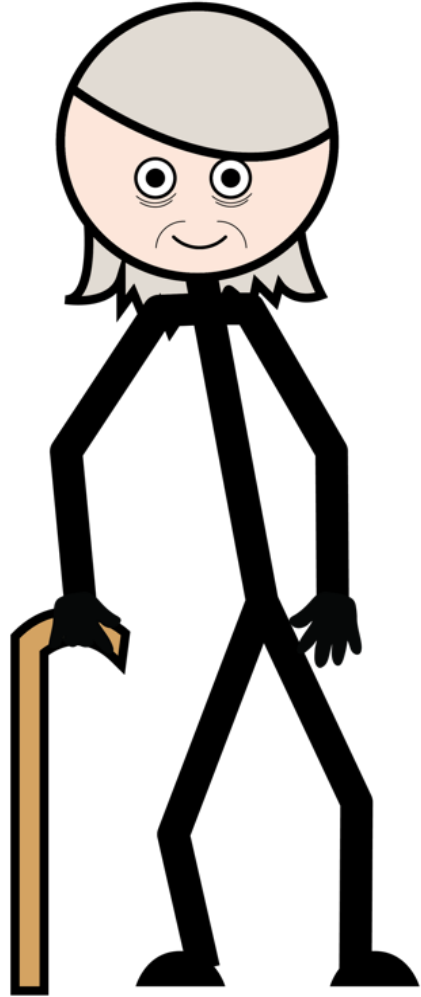

**A poor widow came in.
She put two small coins in the money box.**

Jesus talked to His disciples who were with Him.

Jesus told the disciples that the poor widow gave more than all the rich people.

The widow gave all she had to God.

Giving generously is all about your heart.
