

**This week's Finish Line:
Don't obey halfway. Obey all the way!**

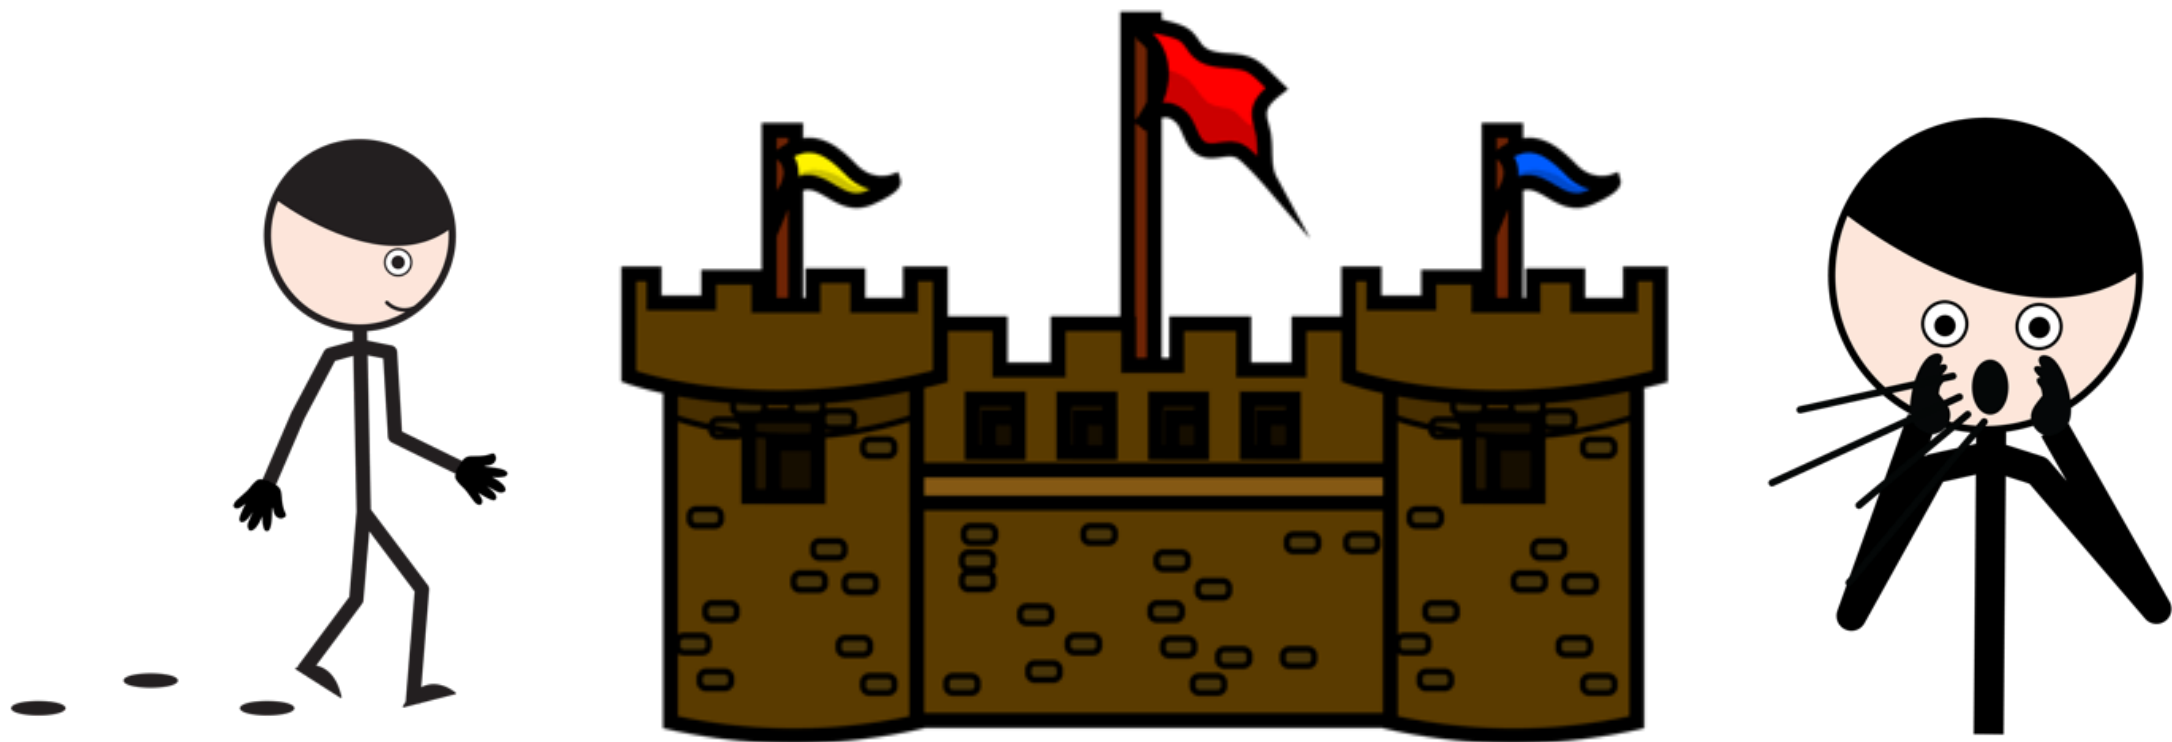

After 40 long years in the desert, God's people were about to enter the promised land. Moses had died, so God made Joshua the new leader.

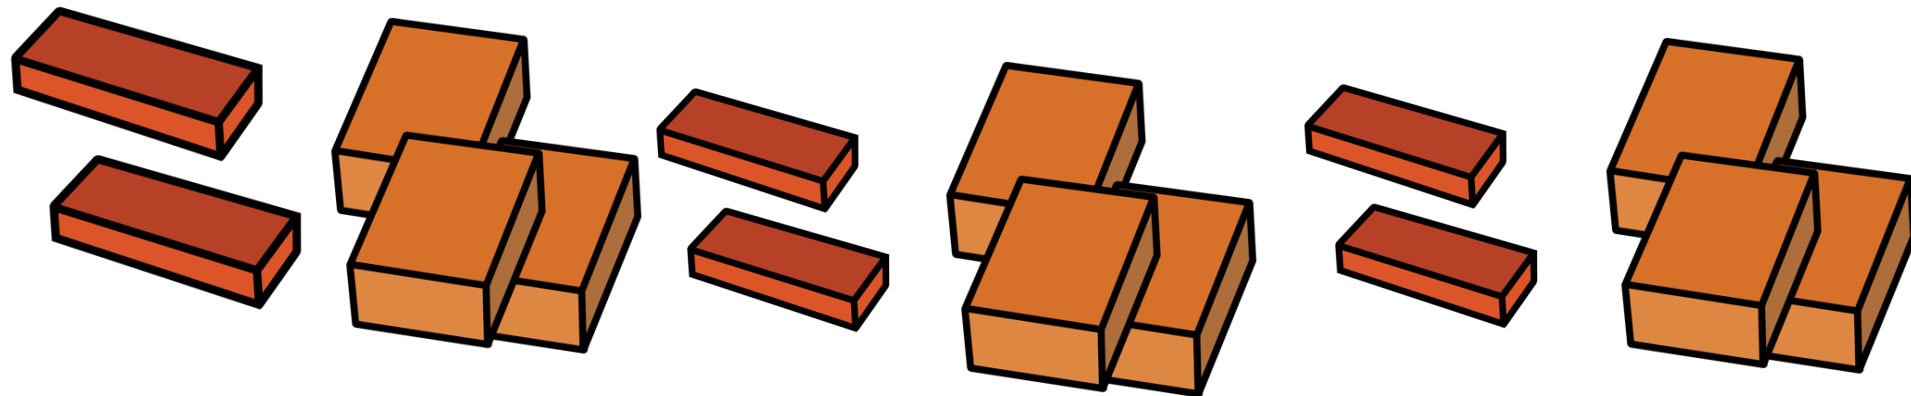

**Before God's people could go into their new home,
they had to fight a big city called Jericho.**

God gave them very special instructions on how to fight the city. They had to walk around the city quietly for six days.

On the seventh day, they were to walk around the city seven times. Then they were to blow their trumpets and give a huge shout.

**God's people obeyed all the way and did everything
God told them to. The walls of the city fell down and
God gave His people victory over the city!**

Don't obey halfway. Obey all the way.
