Going the Distance Starts by Trusting God's Plan

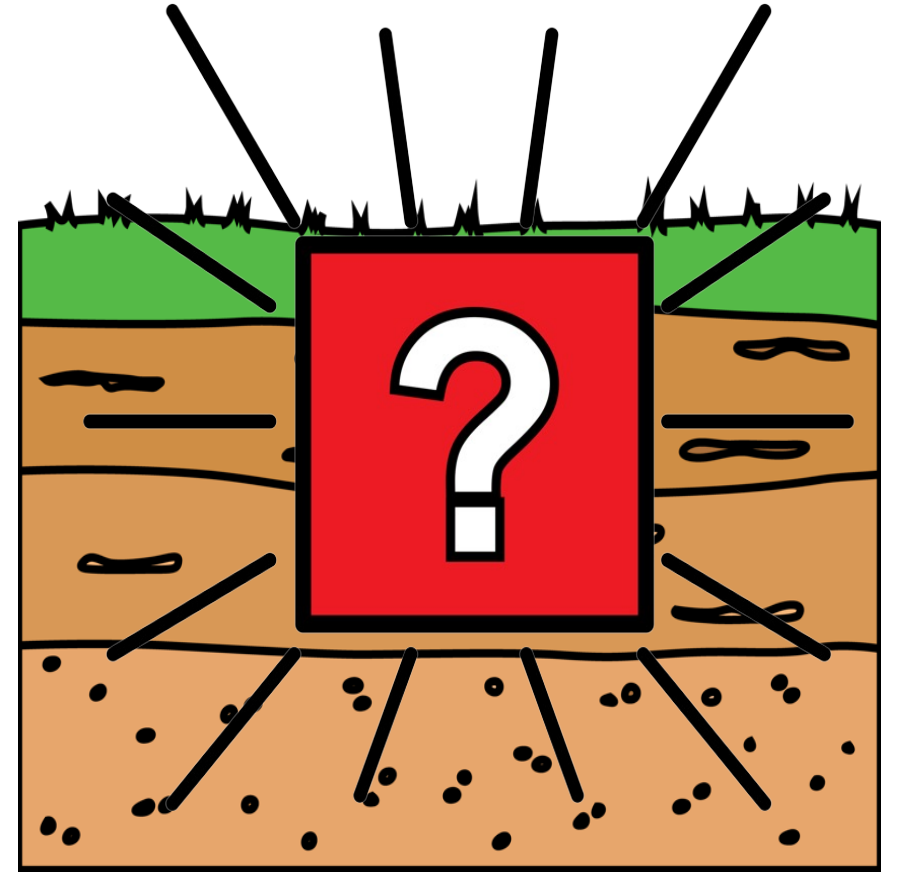

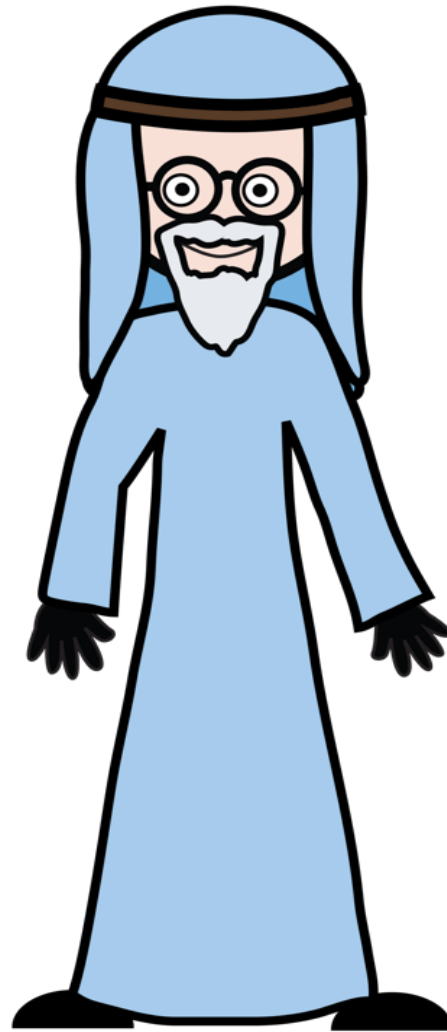

Perseverance

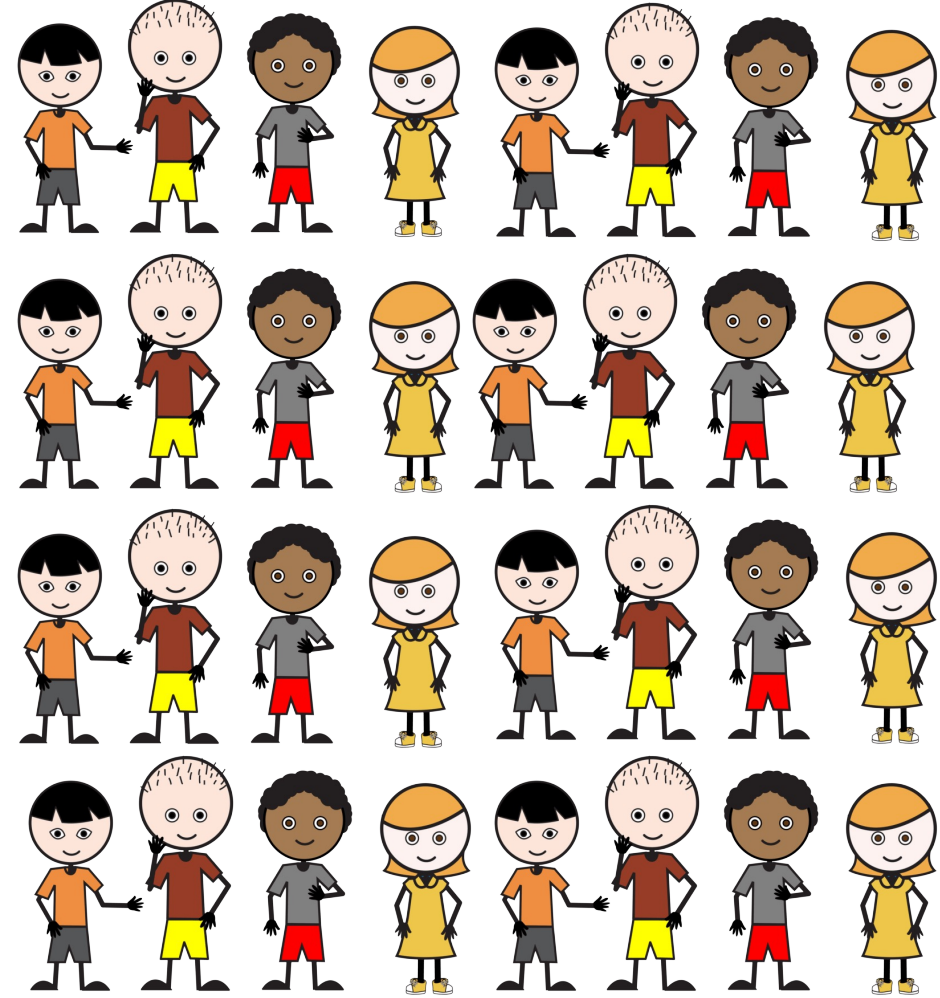

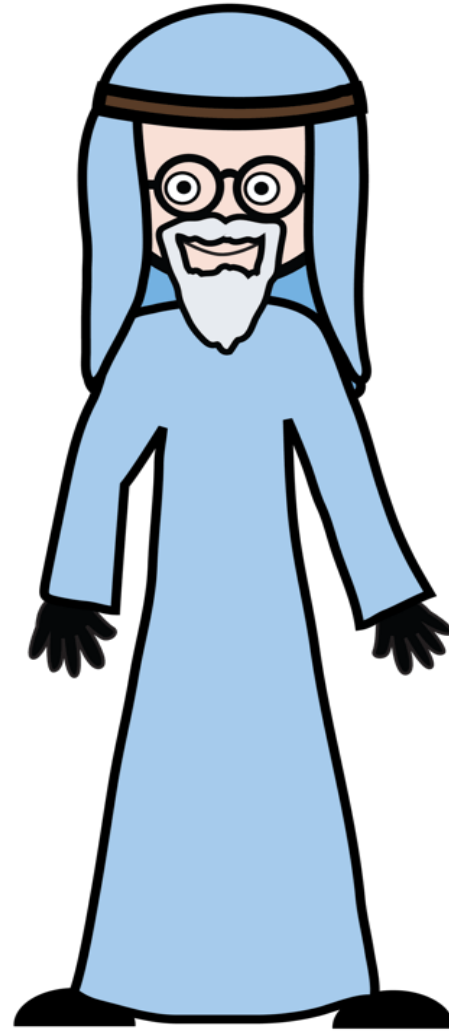

Perseverance is going the distance and staying the course, even when it's tough.

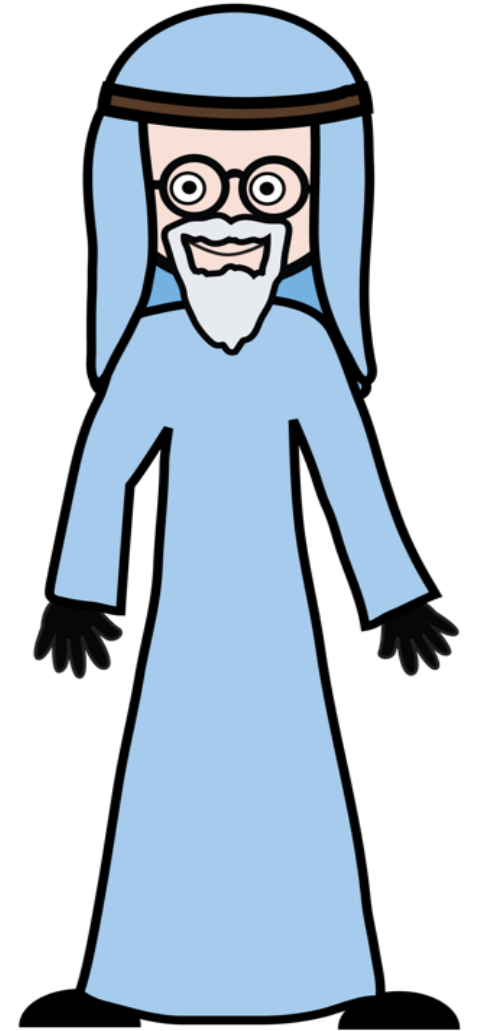

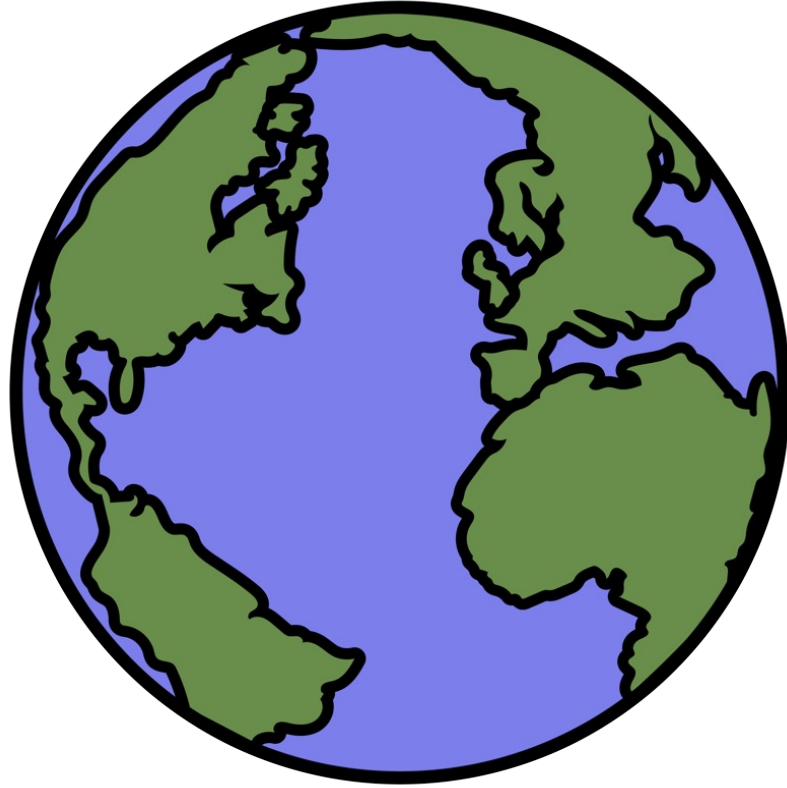

**Abraham and his wife Sarah were living
in a far away land.**

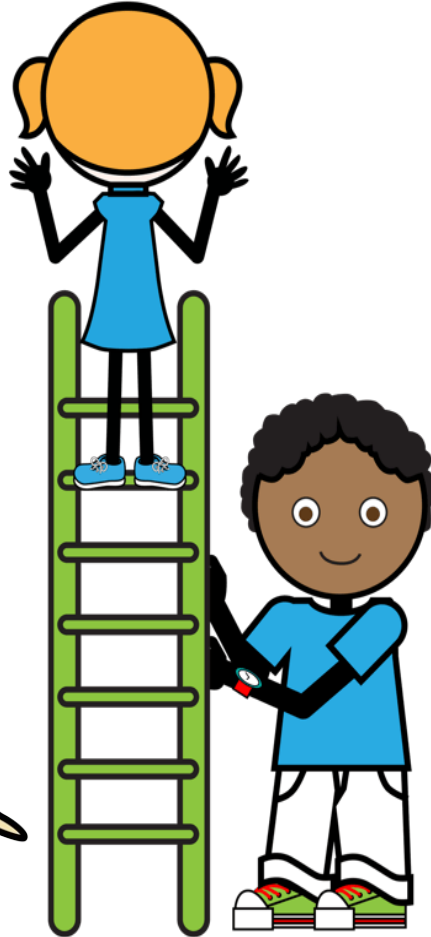

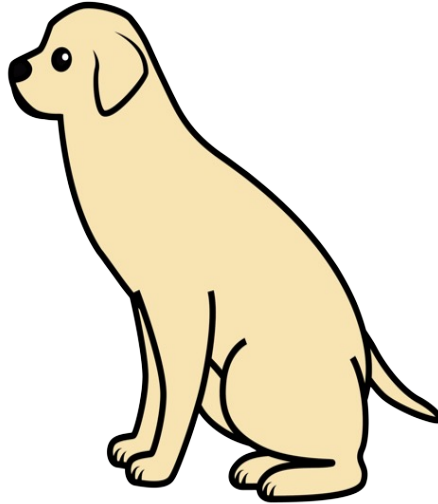

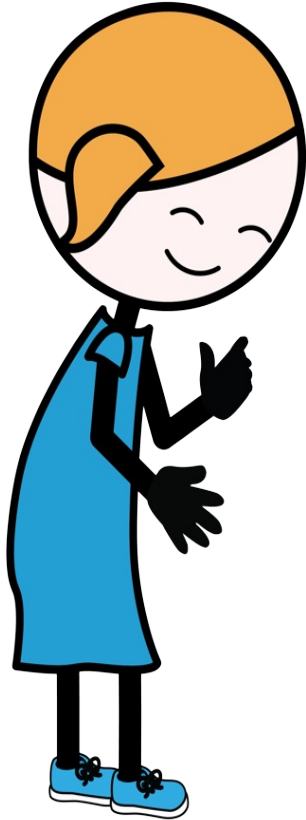

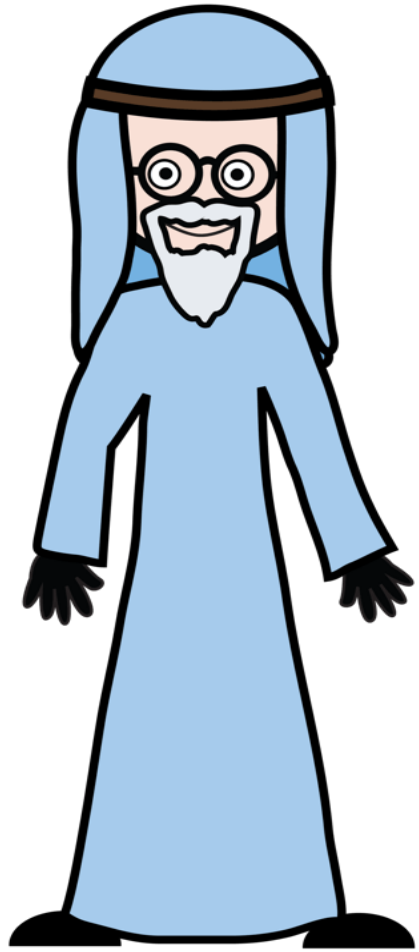

God called to Abraham. God asked Abraham to go to a new land God would show him.

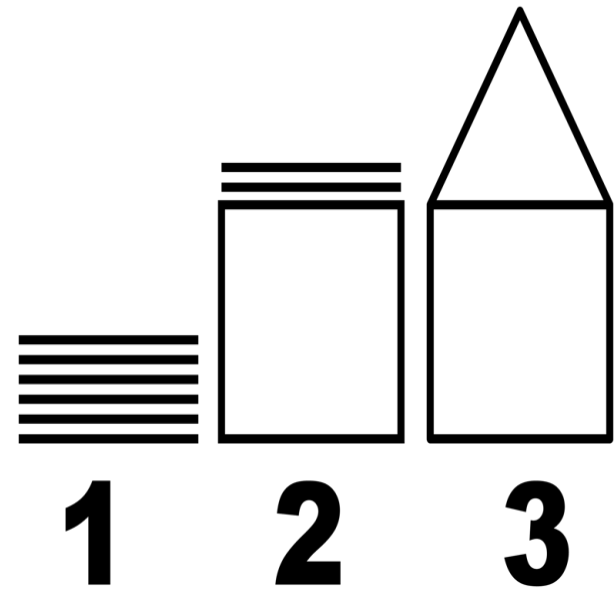

**God promised to give Abraham many, many children
and make him into a great nation.**

God promised to bless the earth through Abraham.

By faith Abraham obeyed and trusted God.

Going the distance starts by trusting God's plan.
