

Generosity

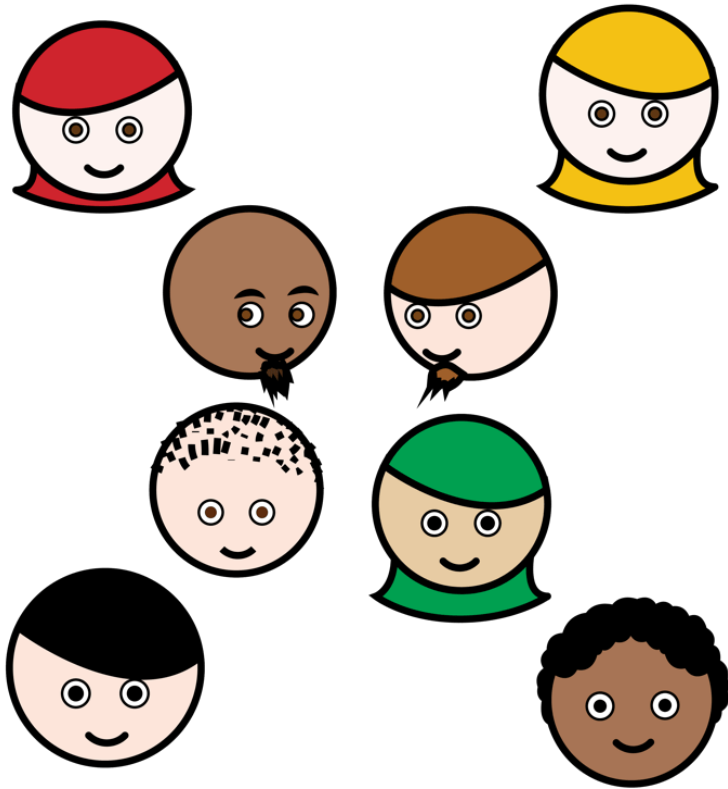

Joyfully sharing what God has given you

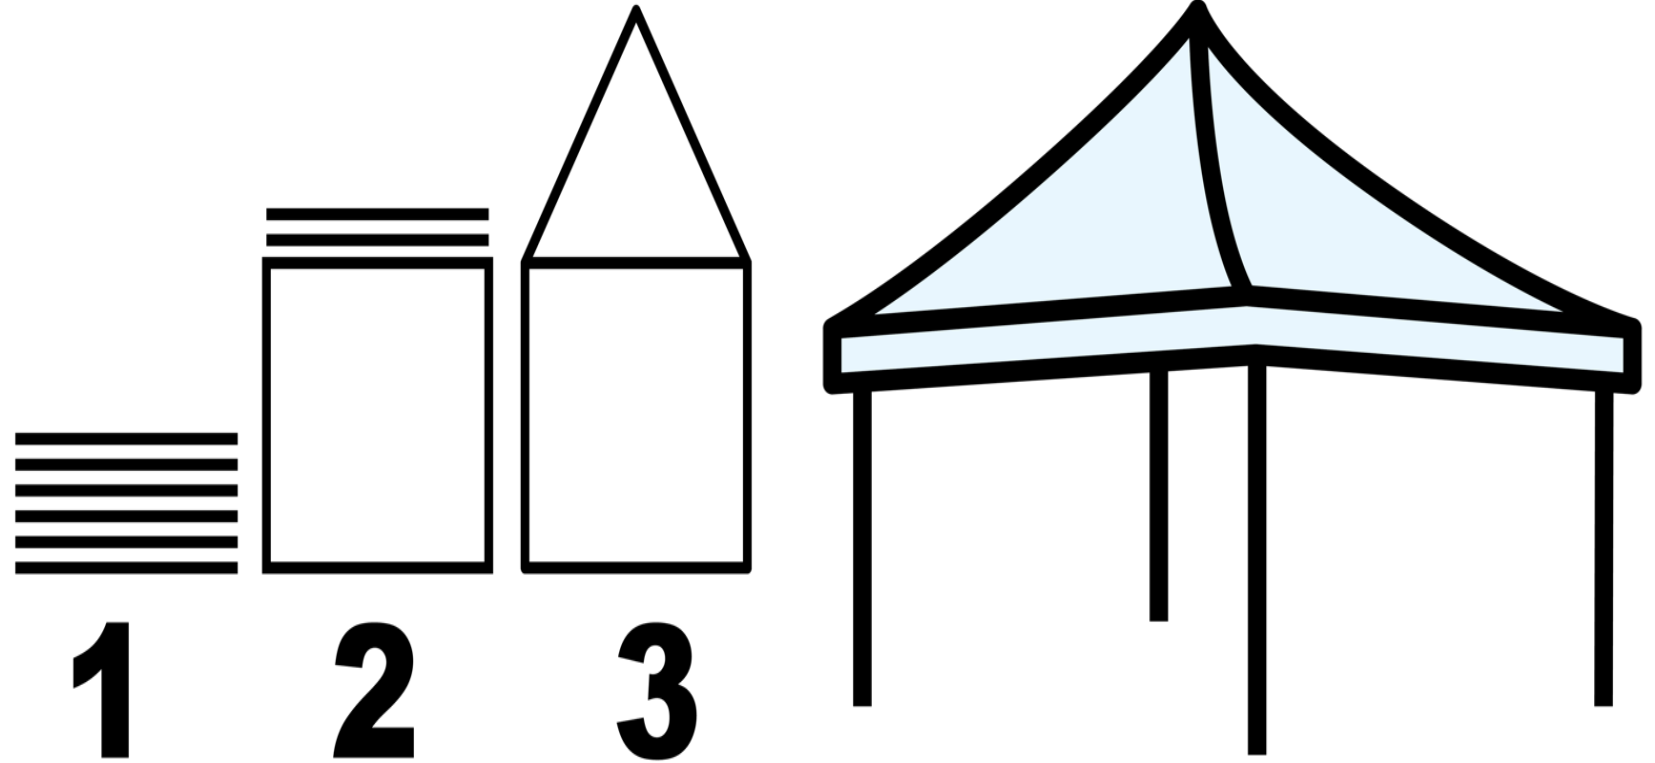

Generosity
Giving generously glorifies God

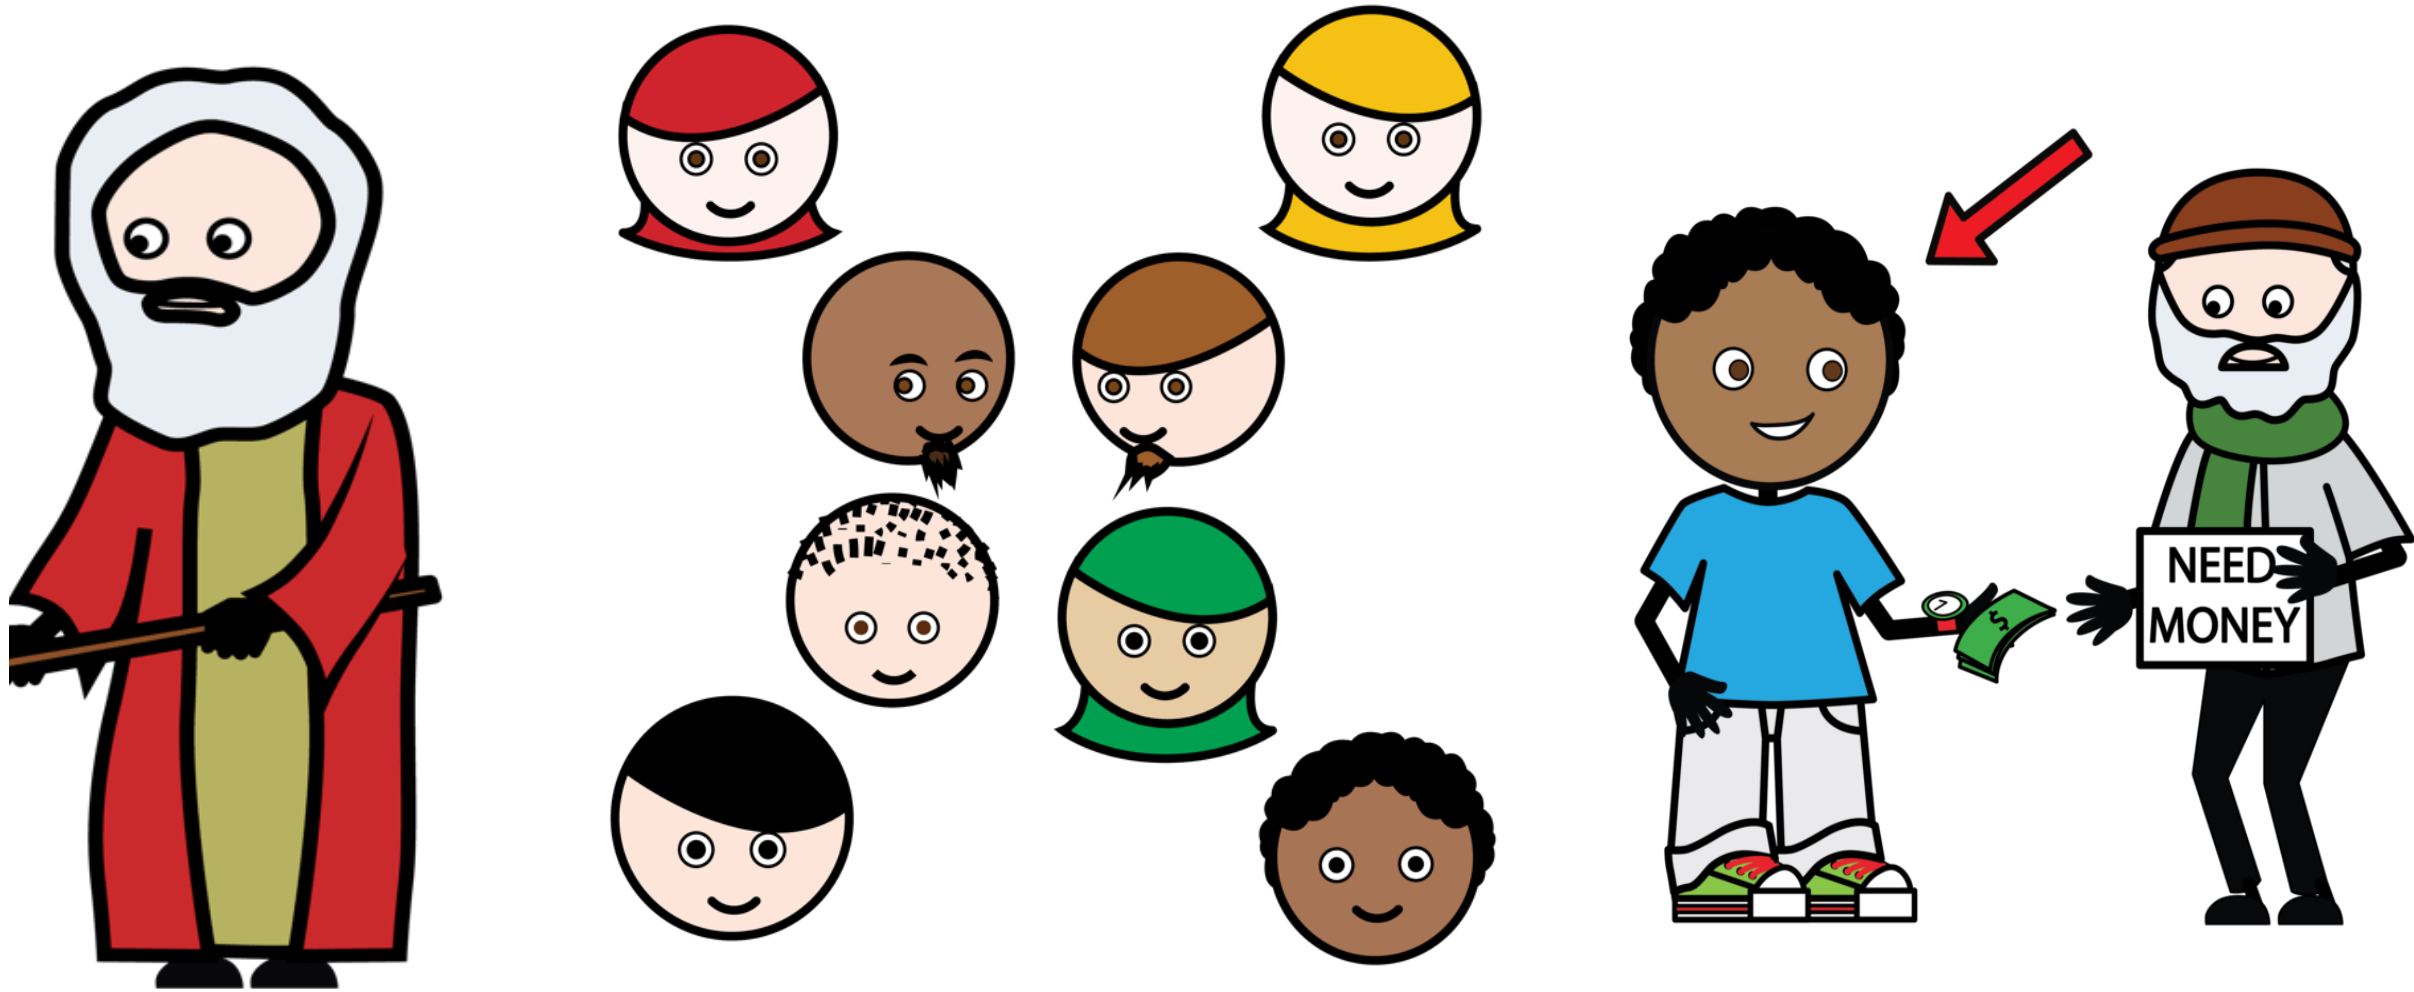

**Moses and the Israelites were traveling
to the Promised Land.**

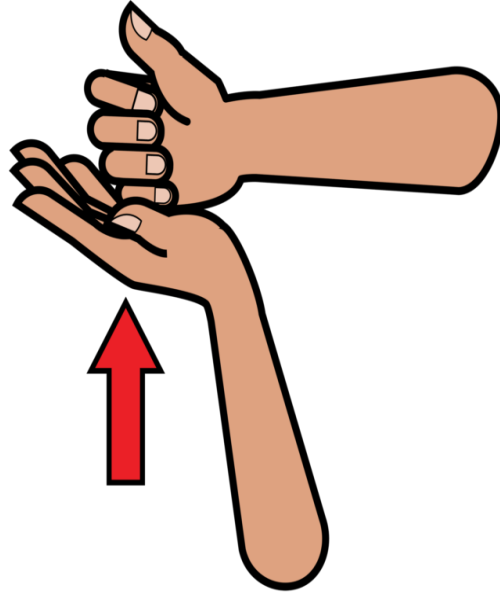

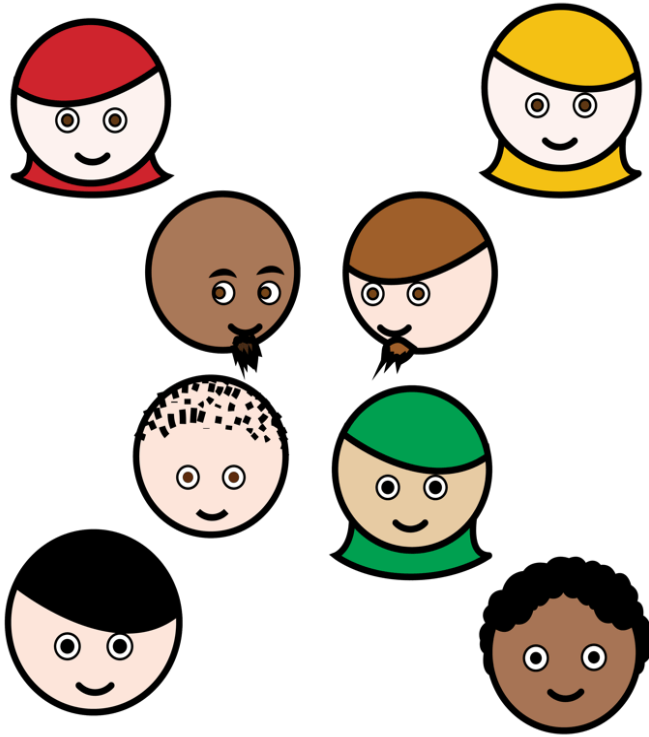

**On the way to the Promised Land,
God gave the people His laws to live by.**

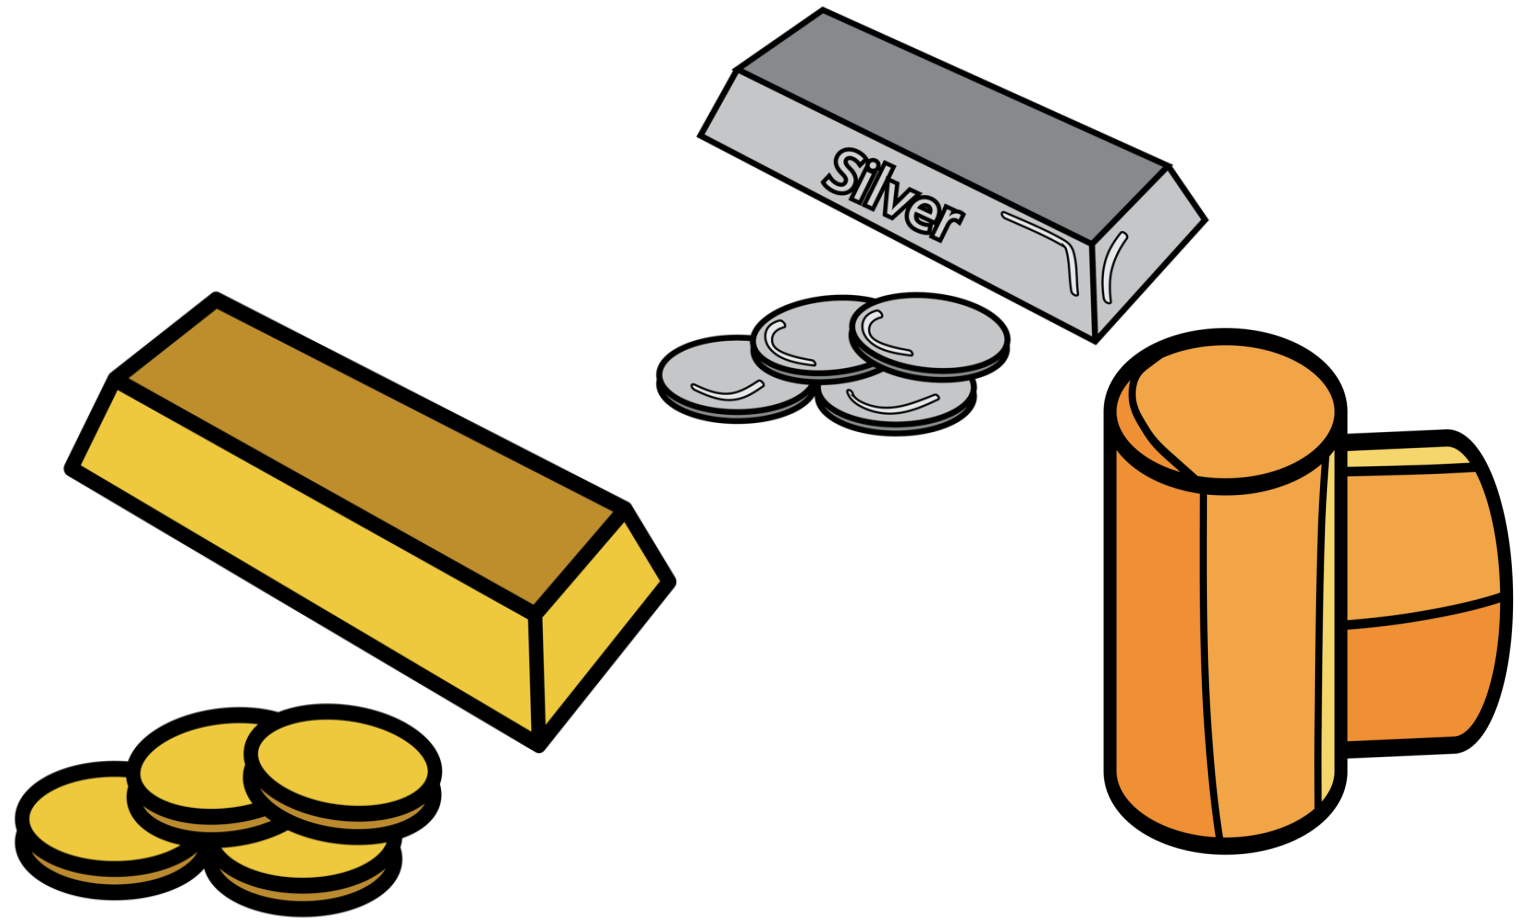

**God also gave them instructions to build the tabernacle,
a place where the people could worship Him.**

**Moses asked the people to give generously
so the tabernacle could be built.**

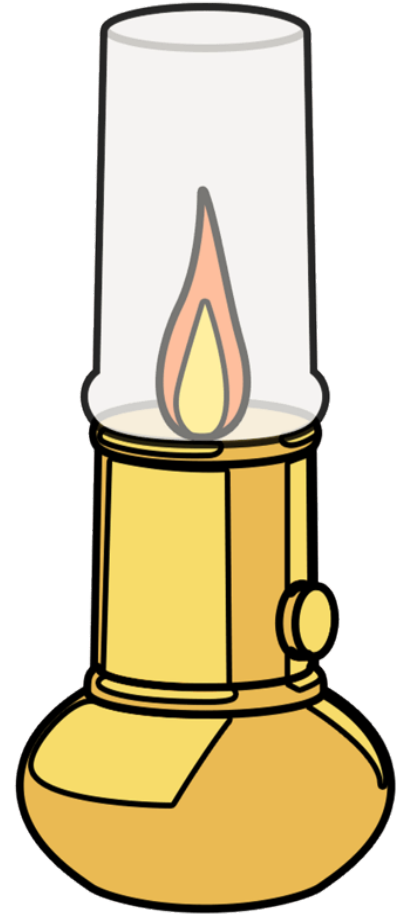

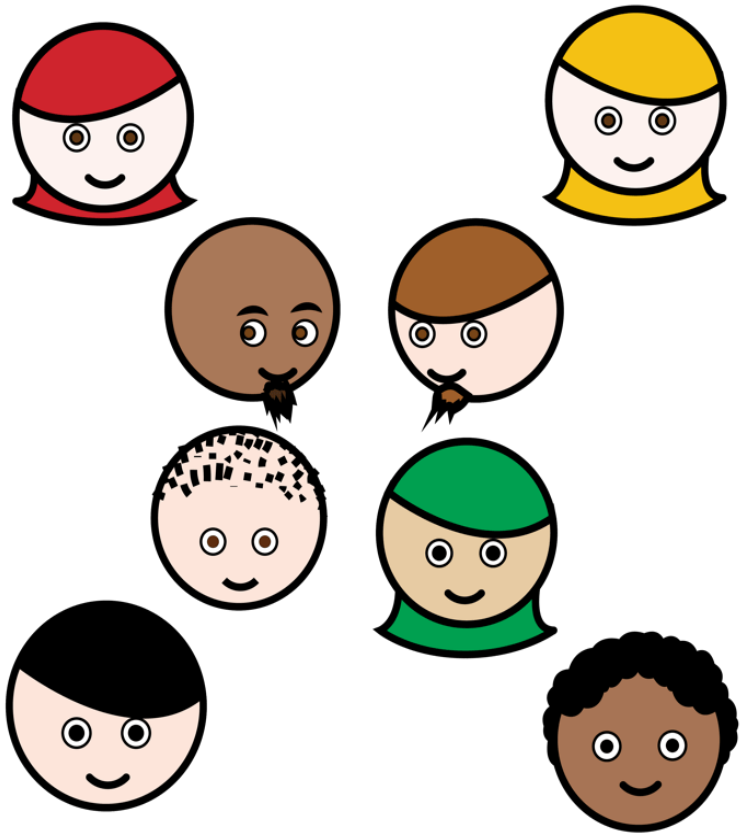

**The people wanted to help.
They gave generously for God.**

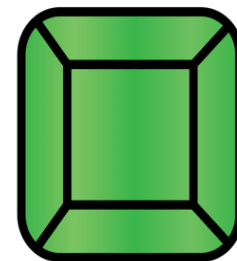

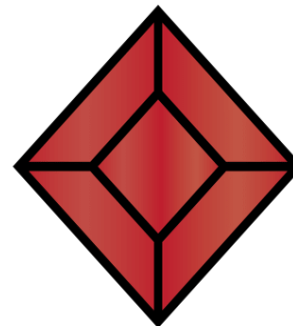

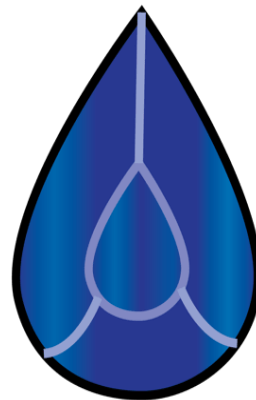

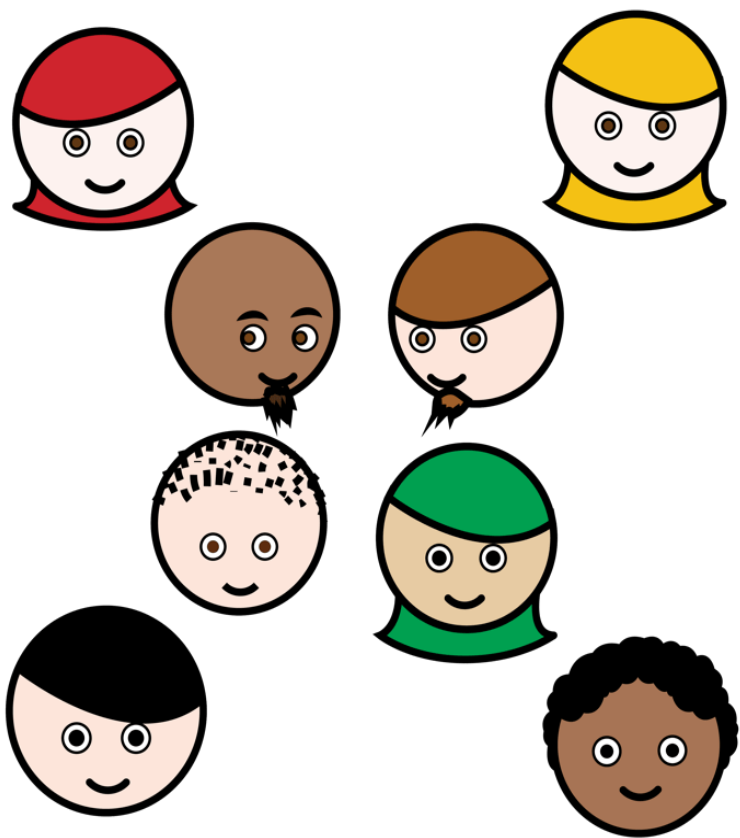

The people gave gold, silver, and bronze.

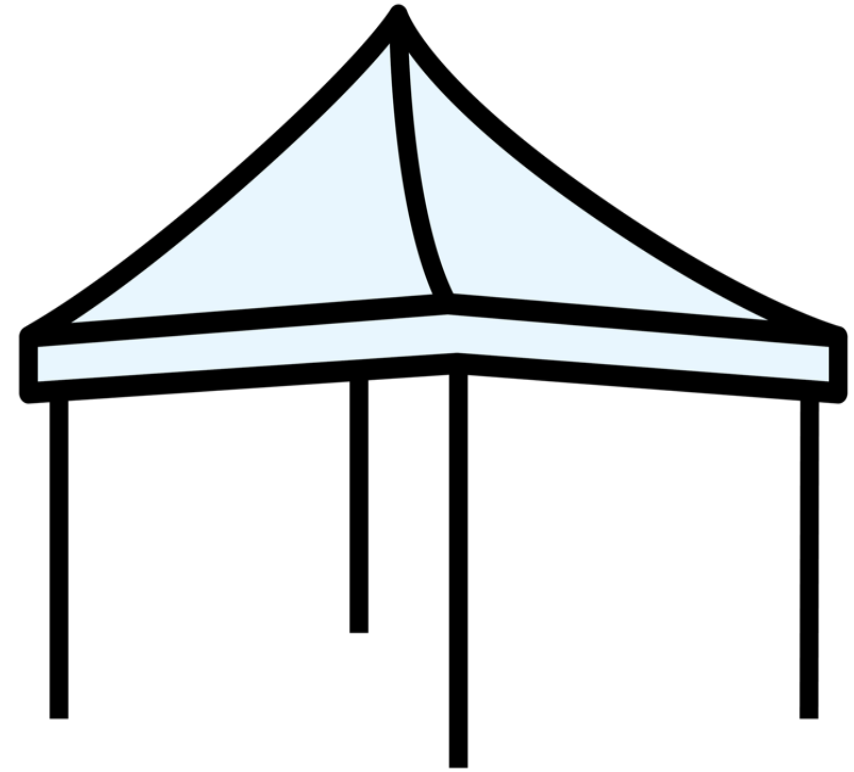

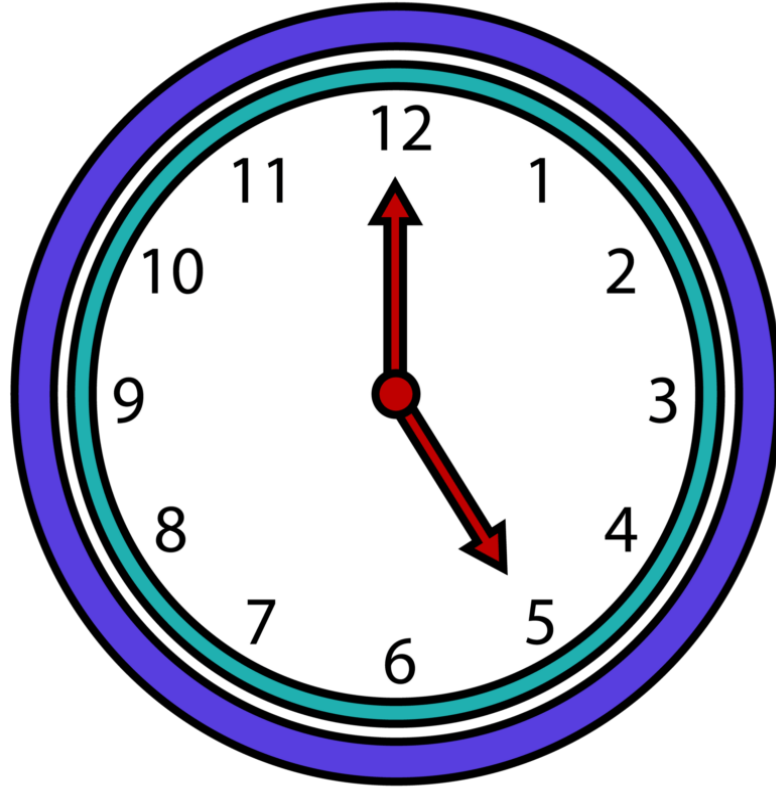

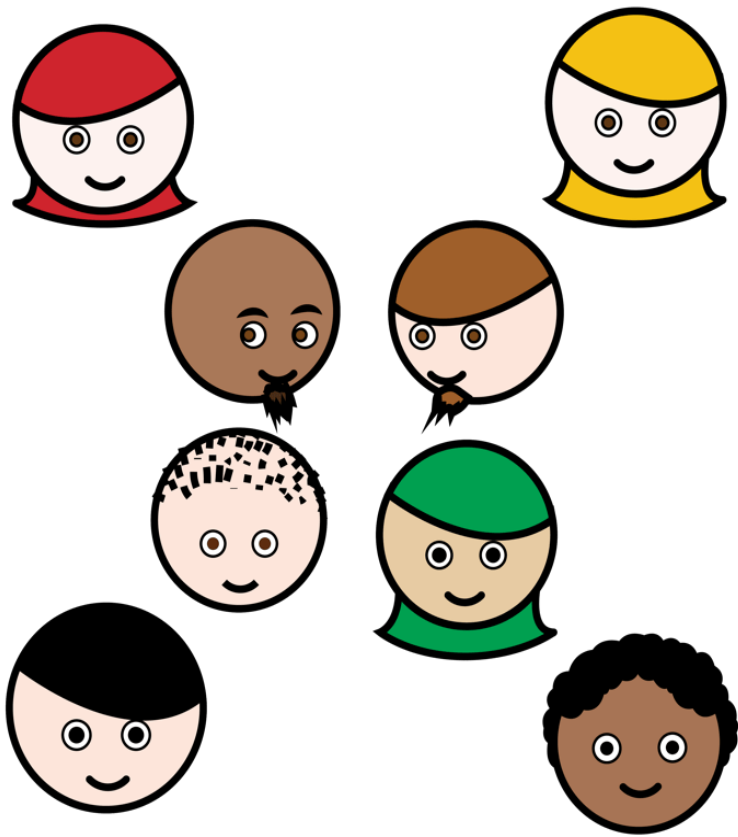

**The people gave blue, purple, and red thread.
They gave nice cloth.**

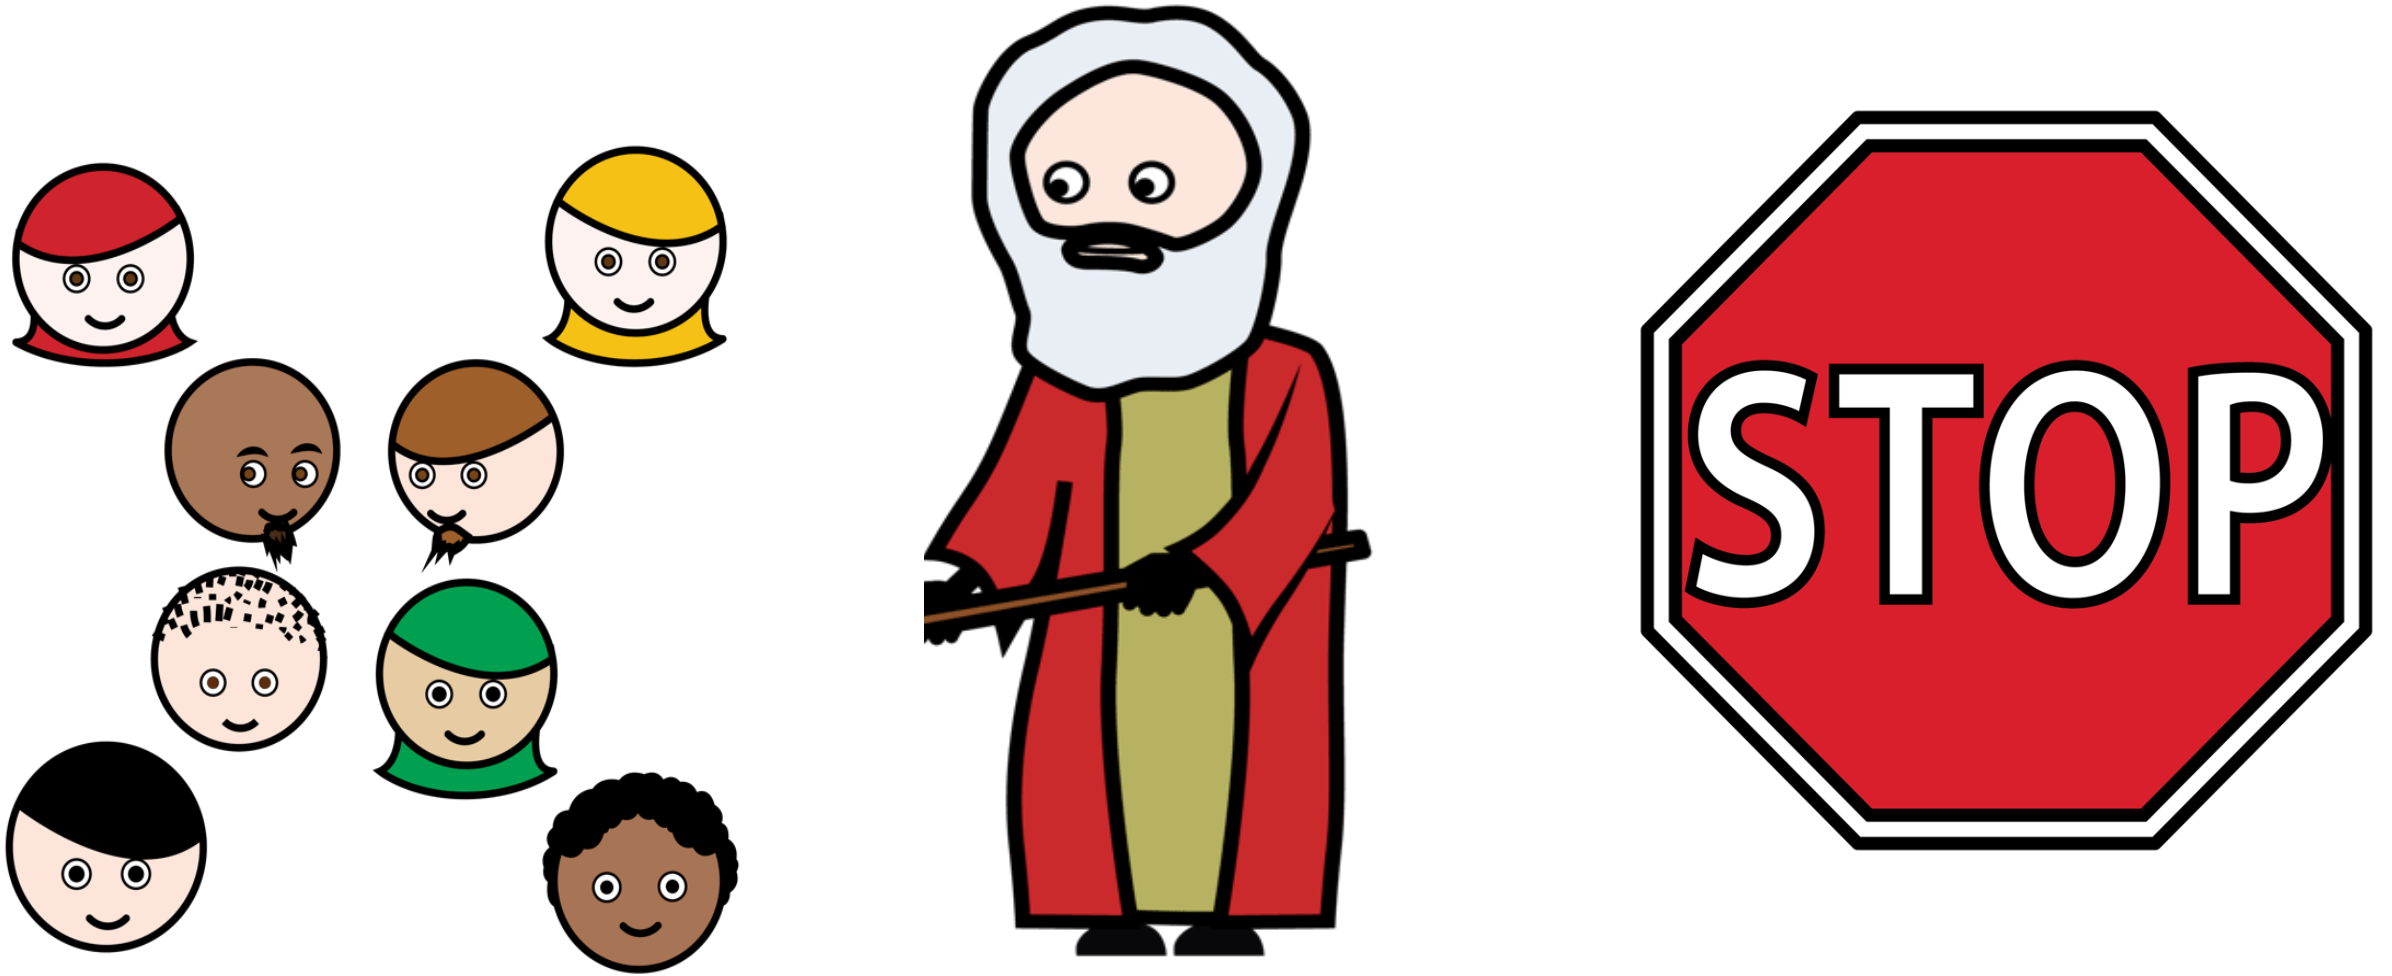

The people gave wood and oil for lamps.

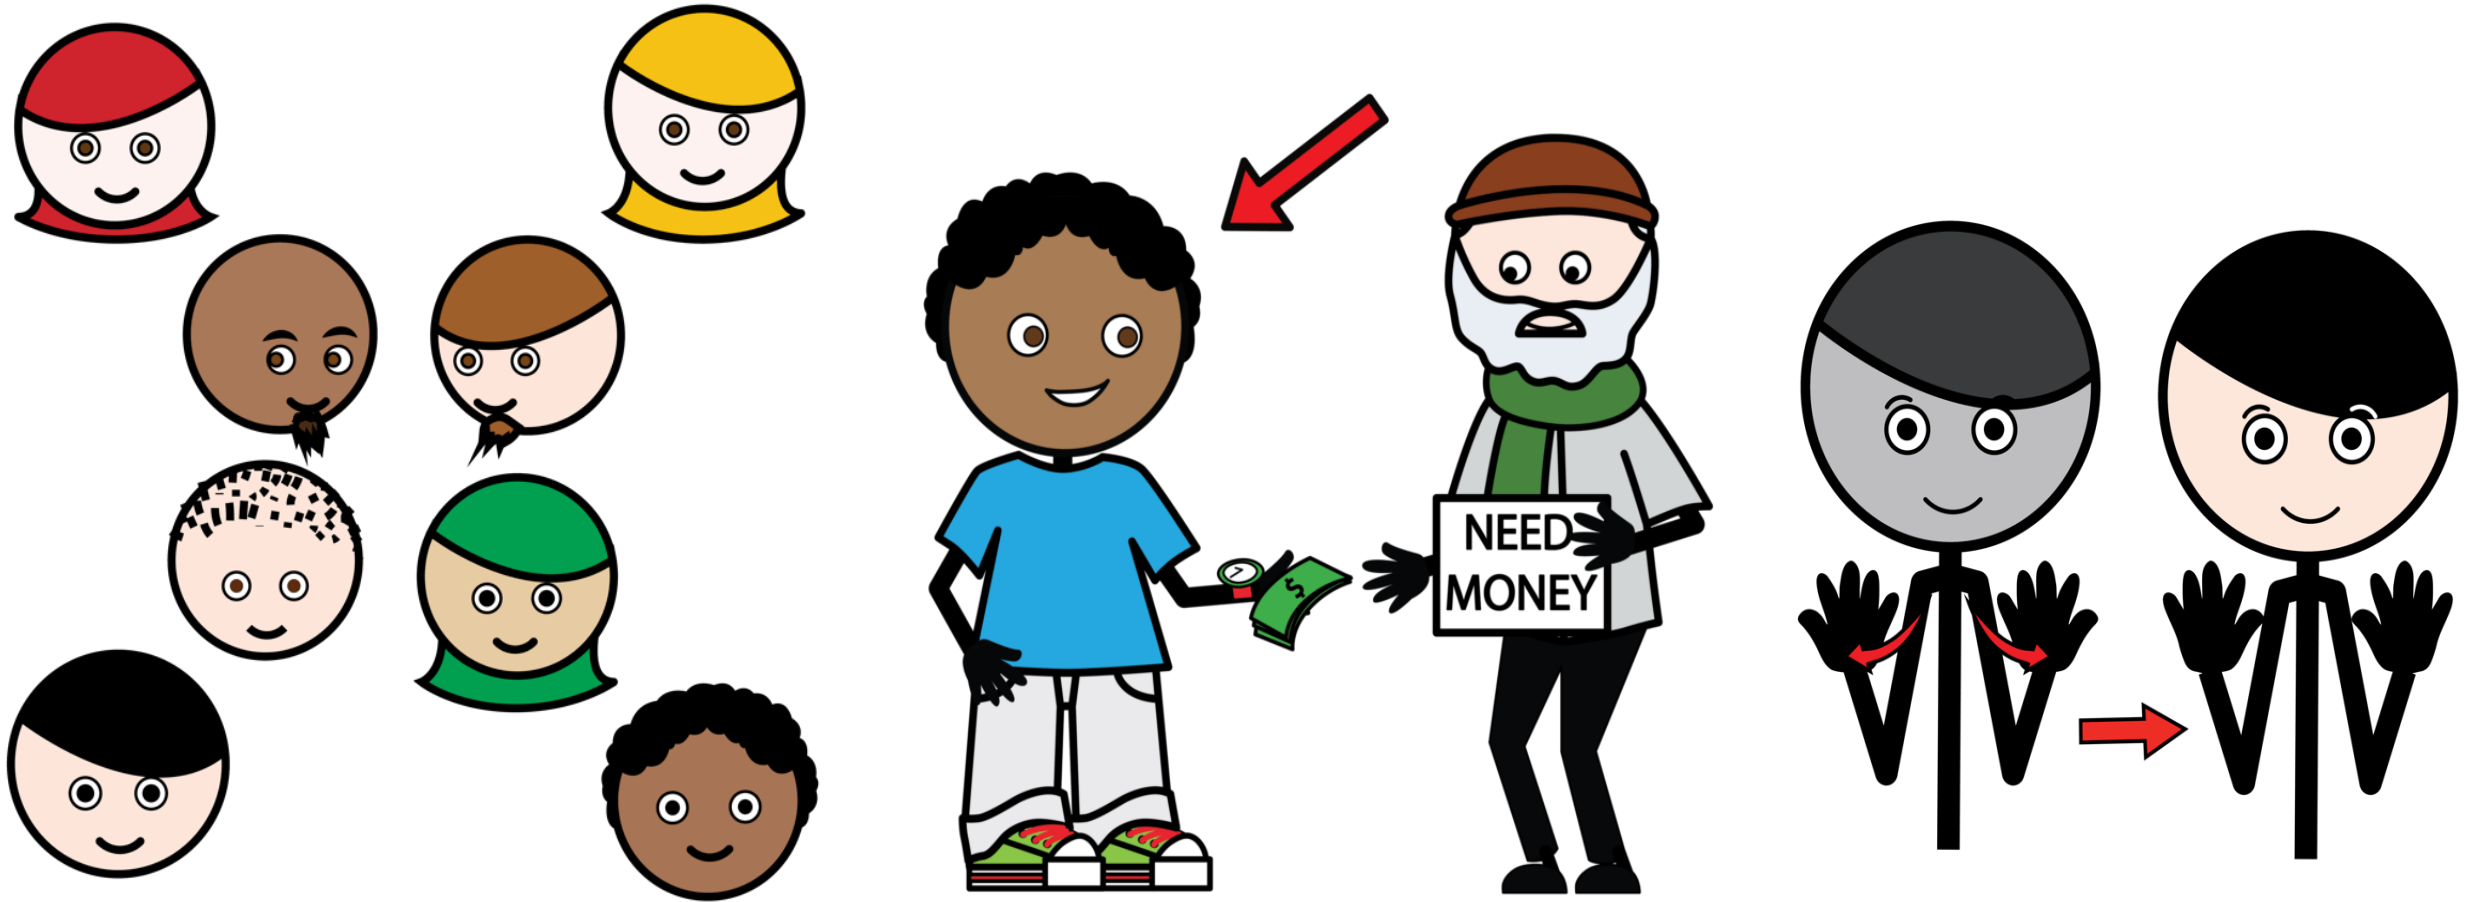

The people gave spices and precious gemstones.

**The people gave their time and worked hard
to build the tabernacle.**

The people gave so much that Moses had to tell them to stop because they had enough.

**The people gave generously and soon
the tabernacle was finished!**

Giving generously glorifies God.
