

**This week's story:**  
**Jesus Feeds the 5,000**

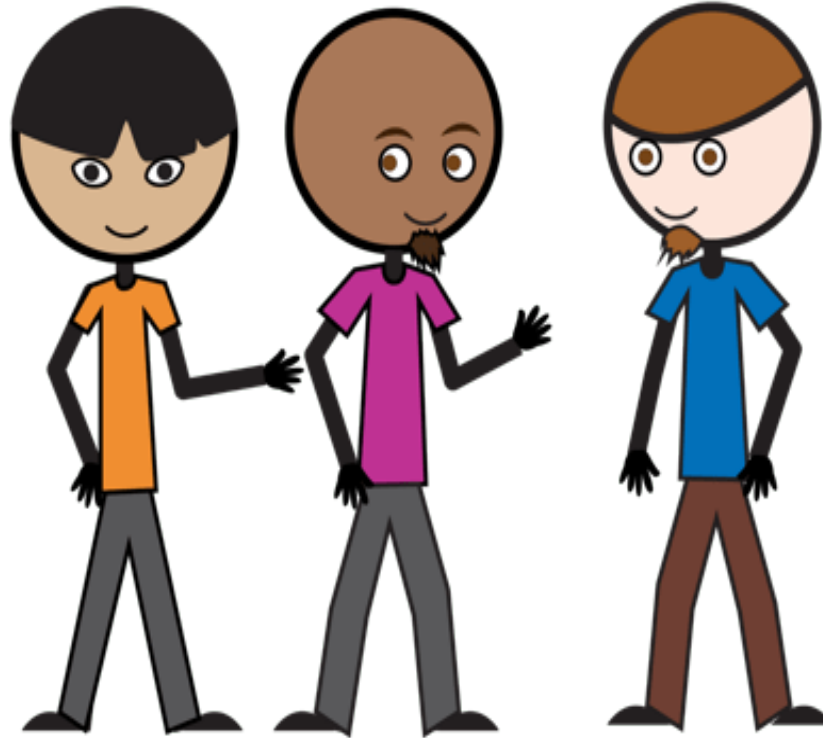

**Teaching Truth:**  
**Jesus has the power to provide**

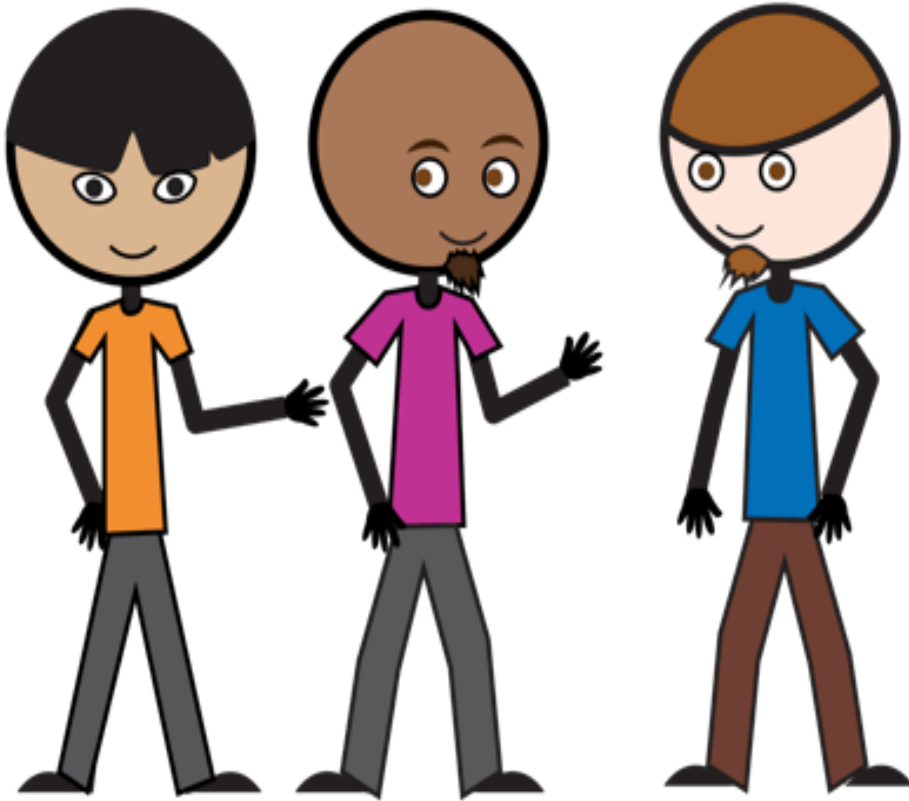

**Jesus was teaching to a large group of people  
on a hillside.**

**The people were there a long time  
and were getting very hungry.**

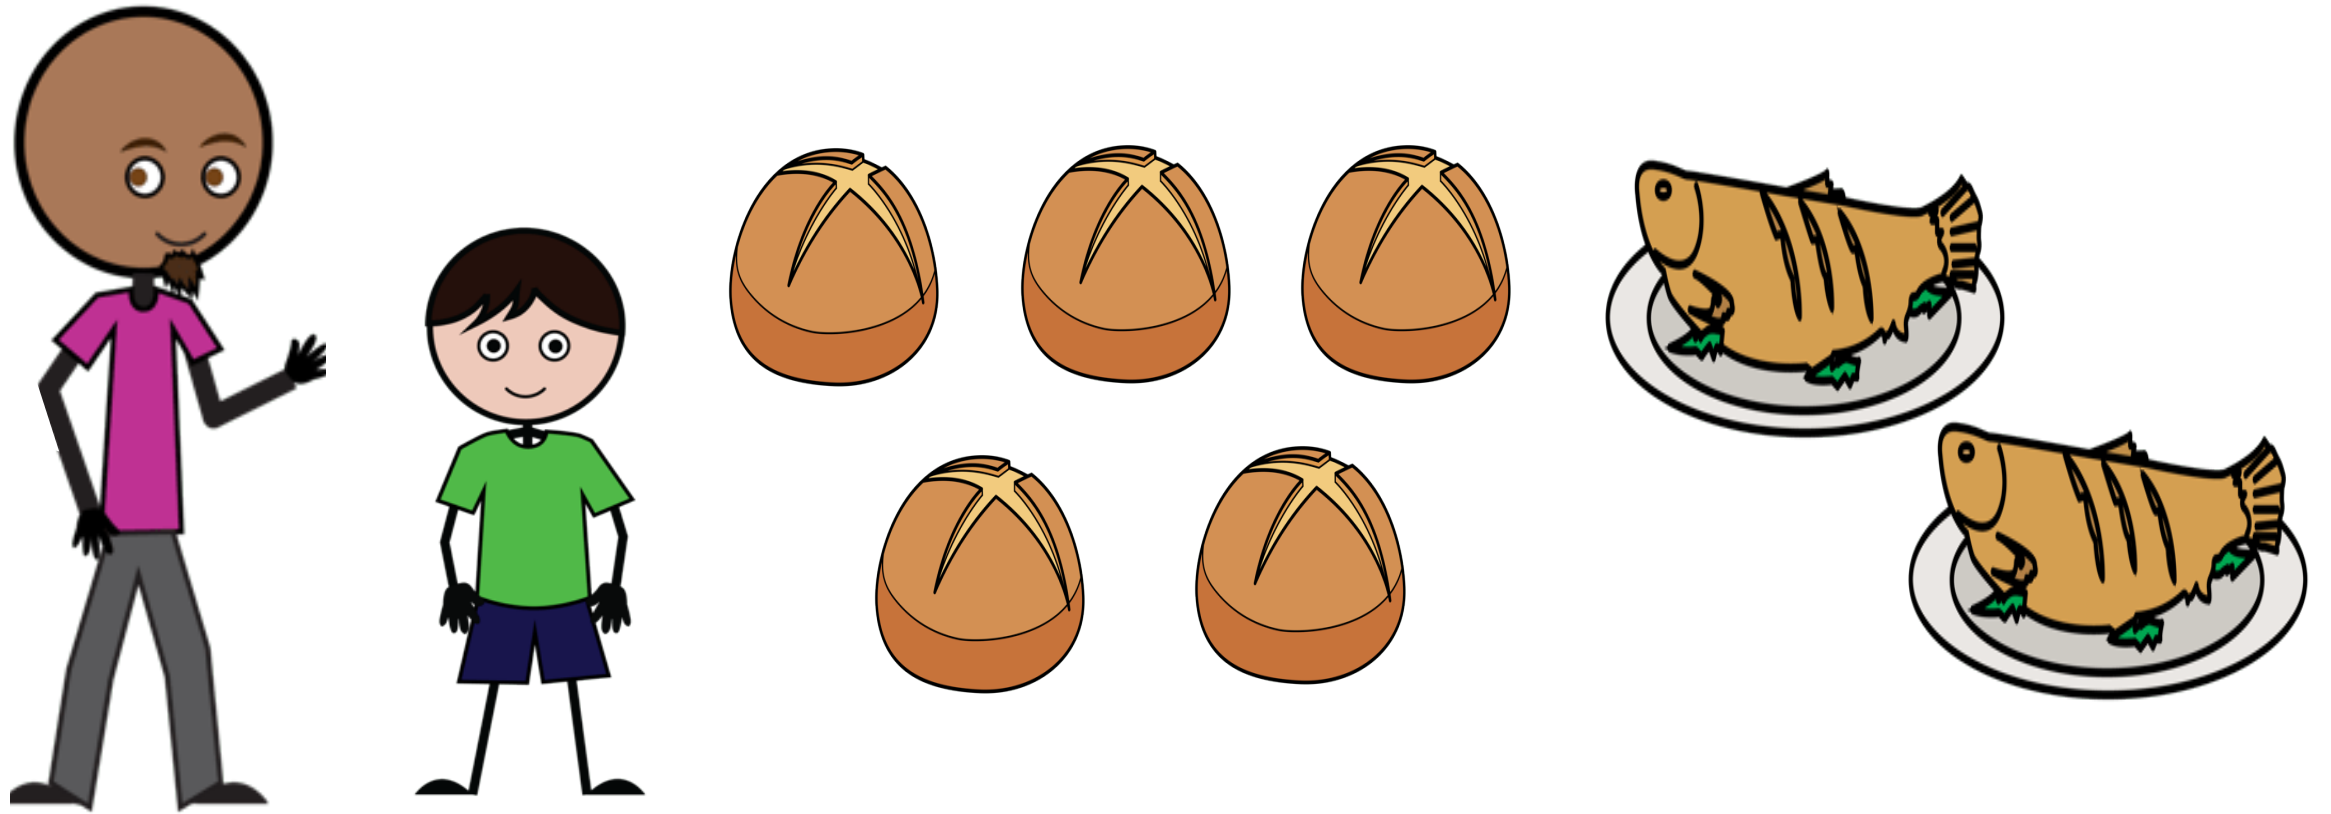

**Jesus told the disciples to get the people some food.**

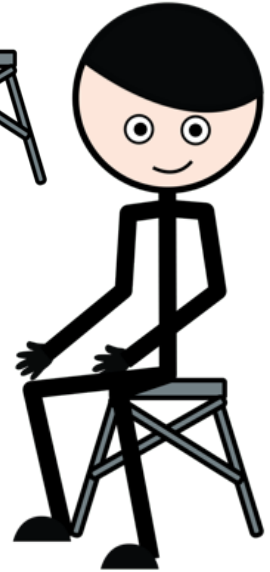

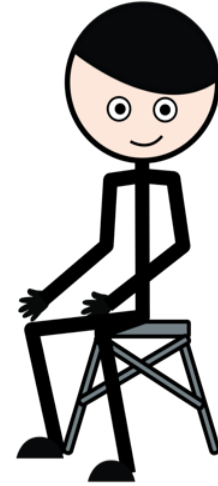

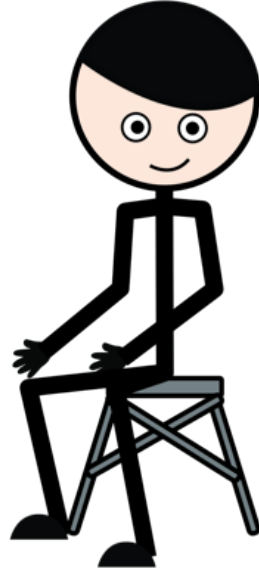

**The disciples said, “Where could we possibly buy enough bread for all these people?”**

**Andrew found a boy that had five loaves of bread and two fish he would share, but it did not seem like enough.**

**Jesus had everyone sit down.  
He prayed and then gave the disciples the food to pass out.**

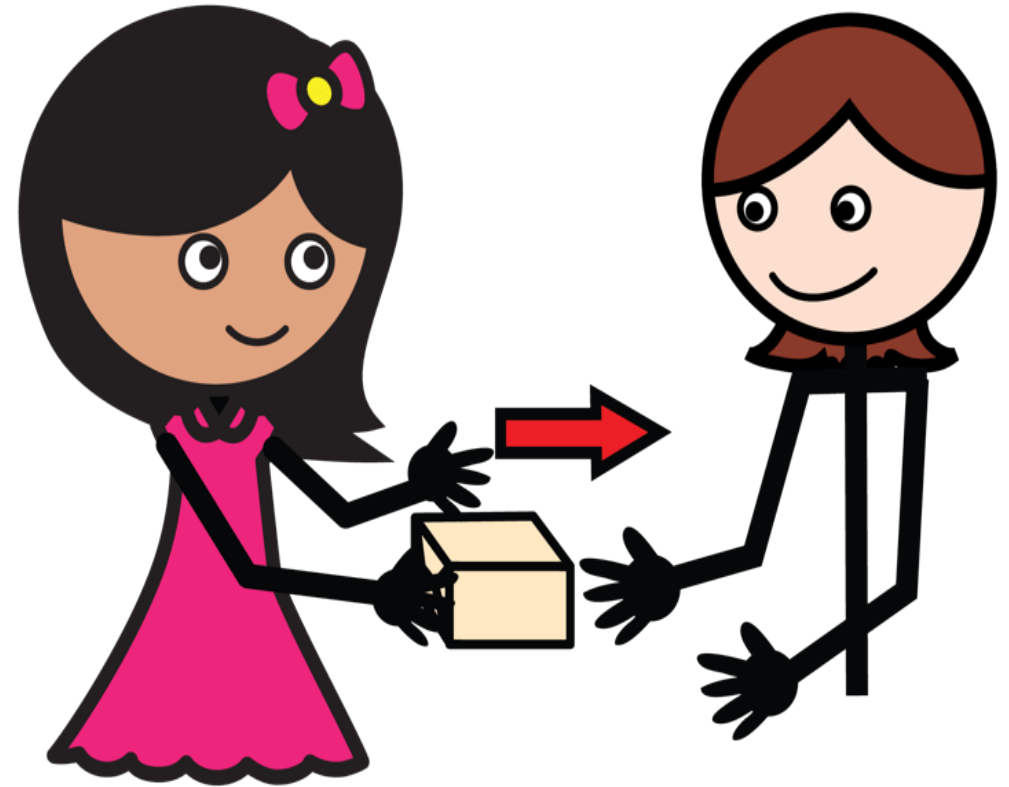

**Everyone had more than enough to eat.**

**Jesus provided food for 5,000 men plus women and children!**

**There were even 12 baskets of food left over.**

**Jesus has the power to provide.**
