

This week's story:
Our Forever Home

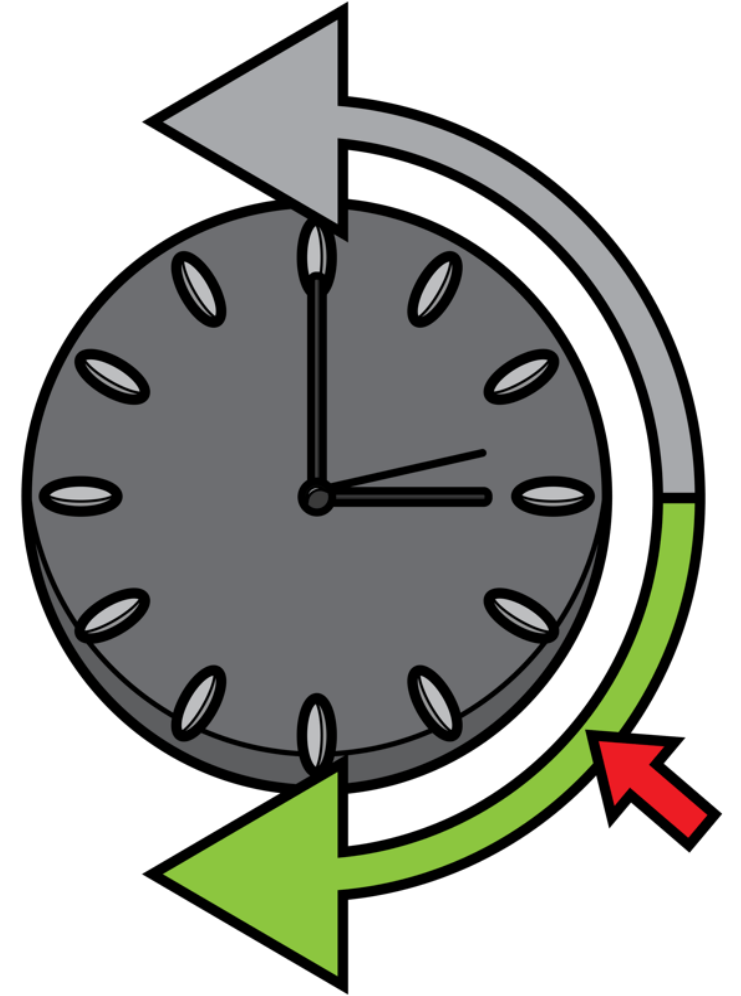

This week's Teaching Truth:
God's people will be with Him forever

John was one of Jesus's disciples. Now he was an old man.

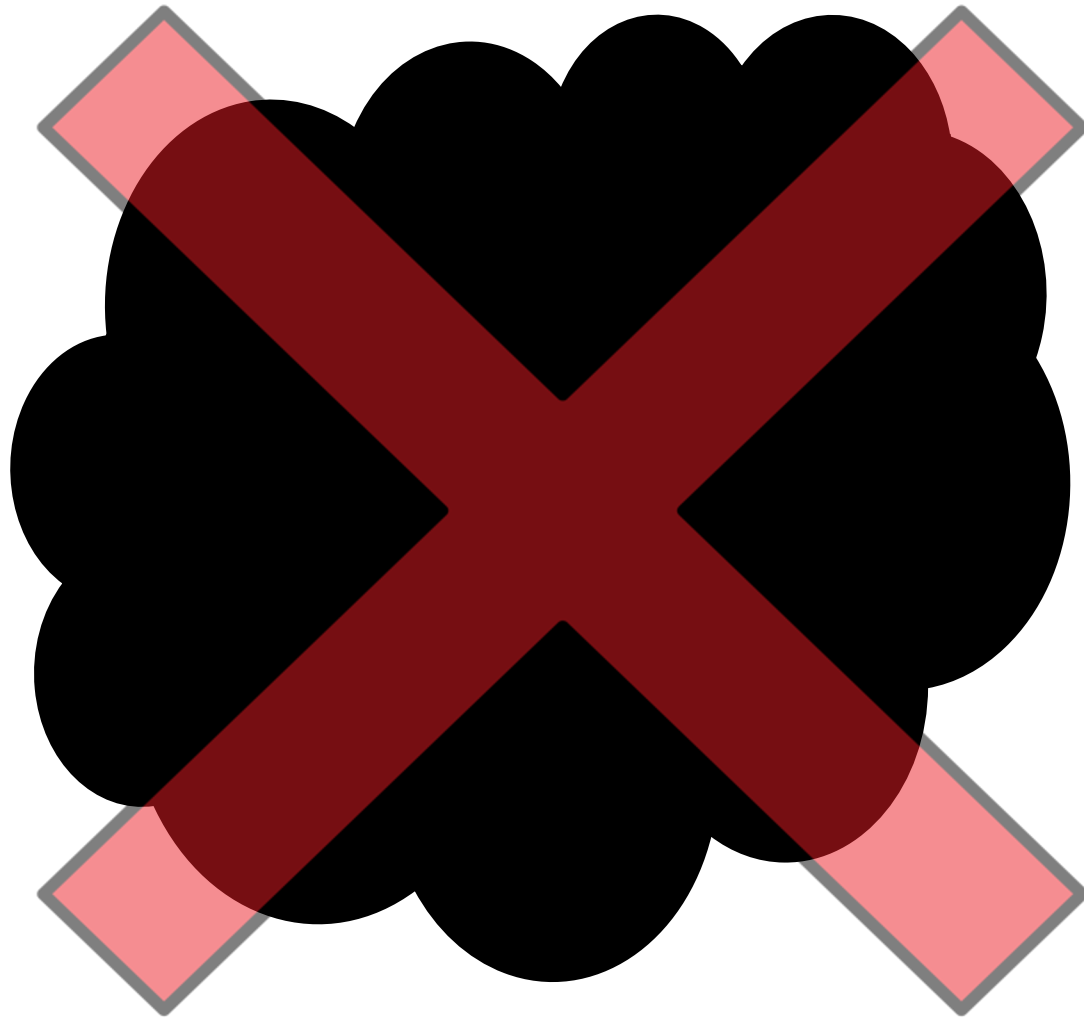

**John was living on an island.
It was his prison for telling people about Jesus.**

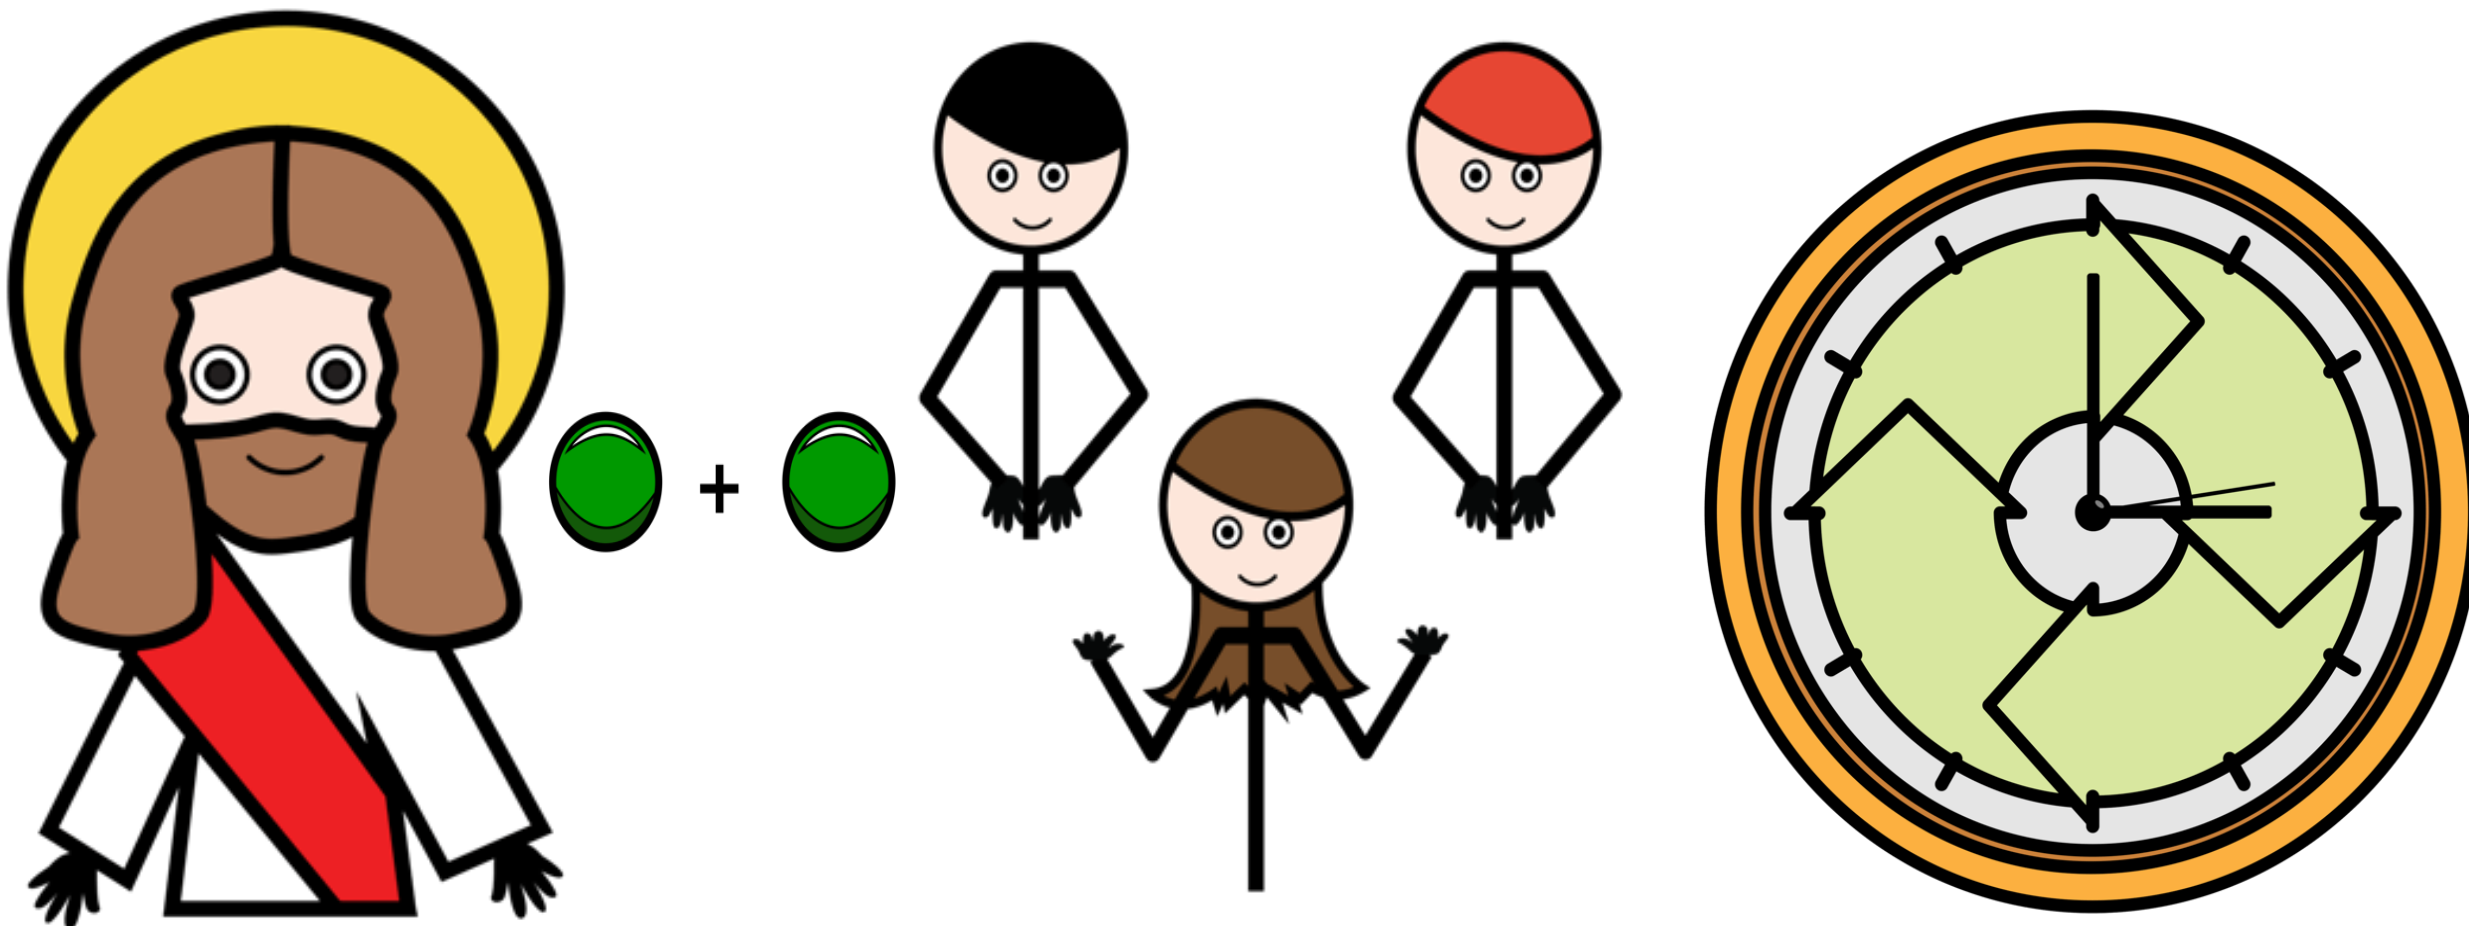

**One day, Jesus appeared to John.
Jesus told John all about the future.**

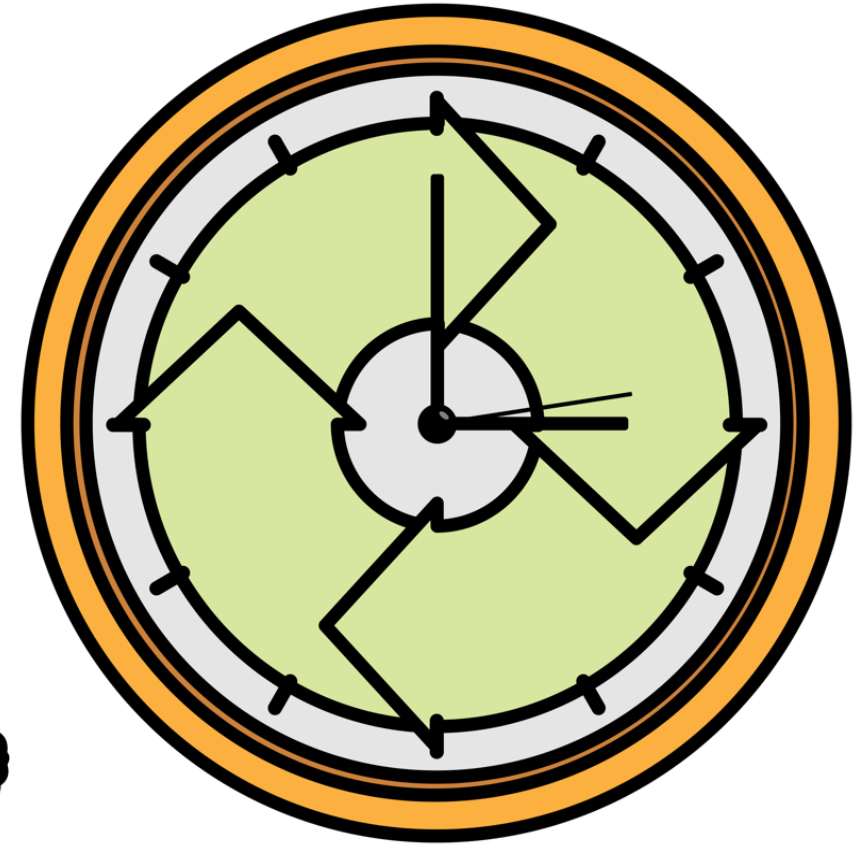

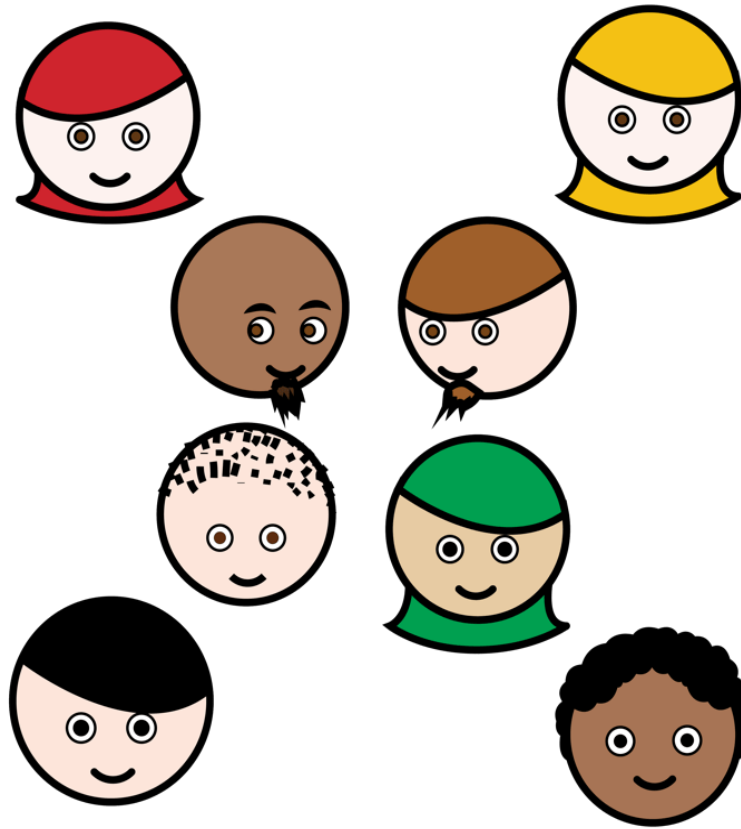

**Jesus told John he would make the earth new.
There will be no more crying.**

There will be no more sin.

Jesus will be with His people forever.

God's people will be with Him forever.
