

This week's story:
Ruth cares for Naomi

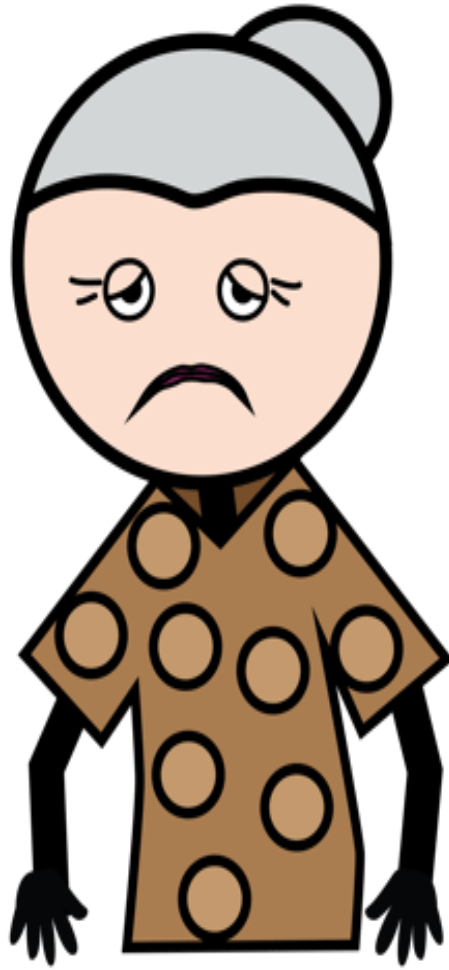

**Naomi was living in a country called Moab.
Her husband and two sons had died. She was sad.**

Naomi decided to go back to her hometown of Bethlehem.

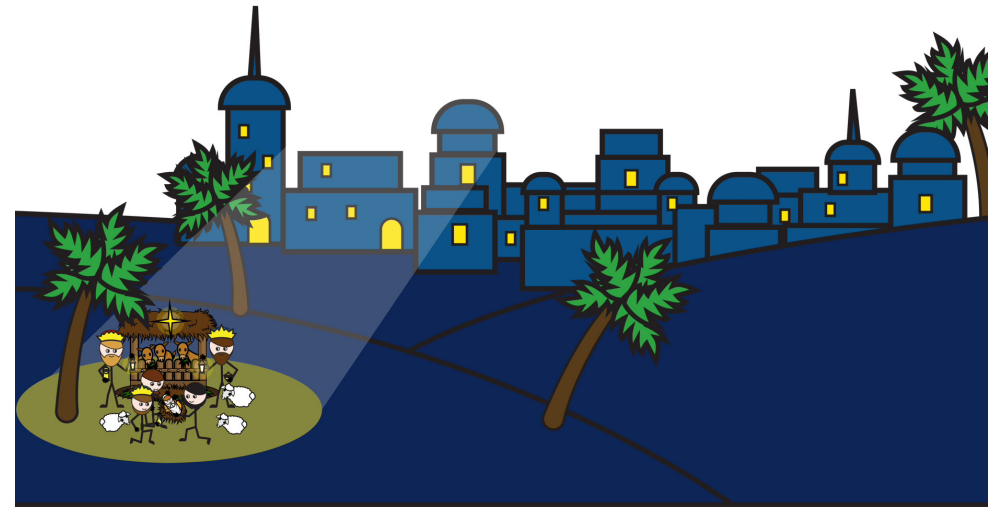

Ruth was the wife of one of Naomi's sons who had died. Naomi told her to stay in Moab with her family.

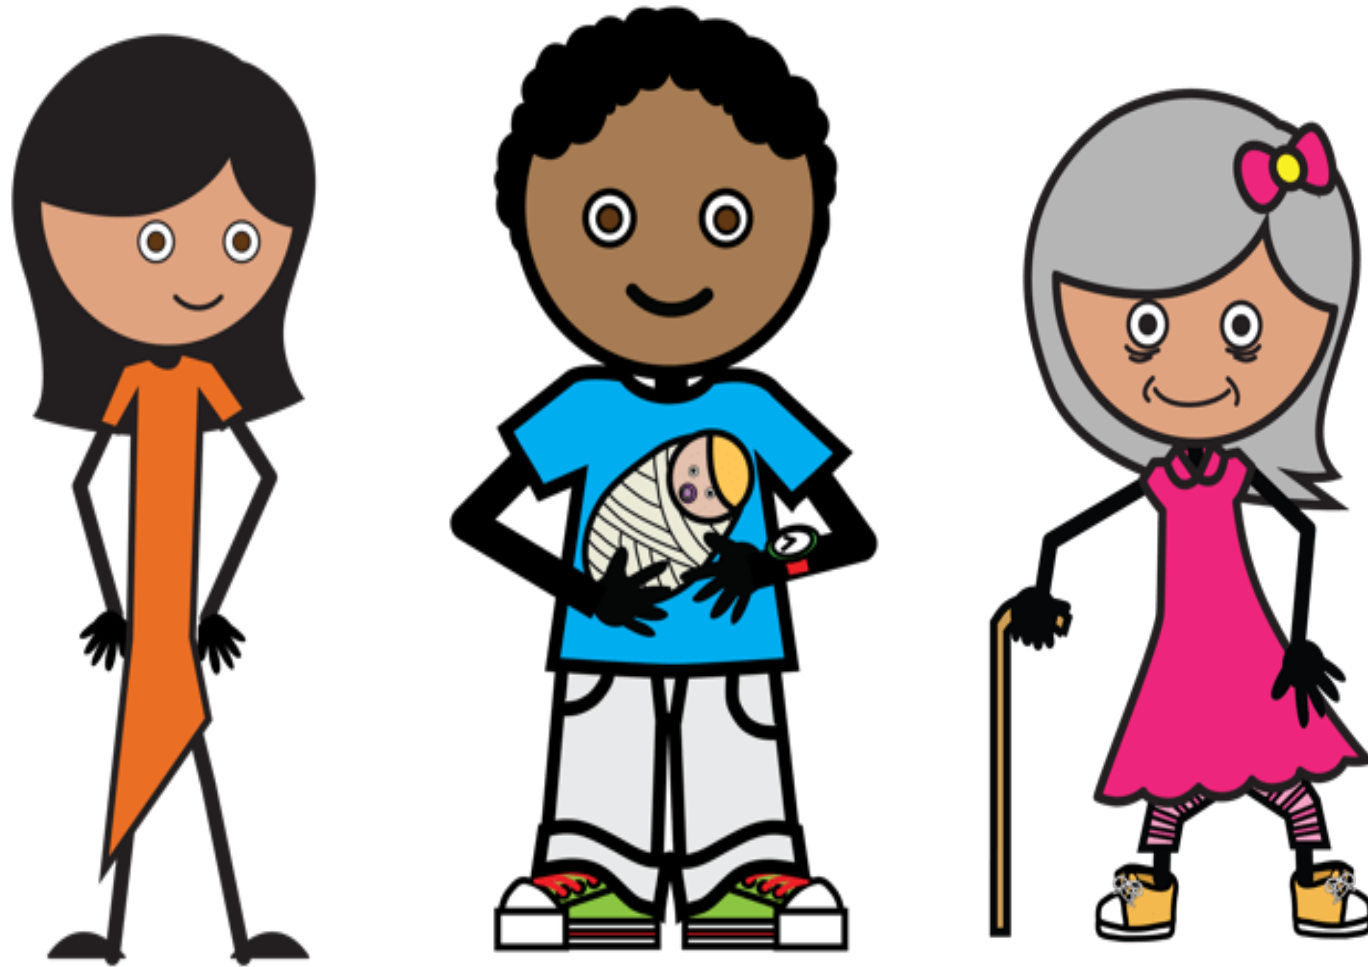

**Ruth said no. She would go with Naomi
and take her of her. Ruth put Naomi first.**

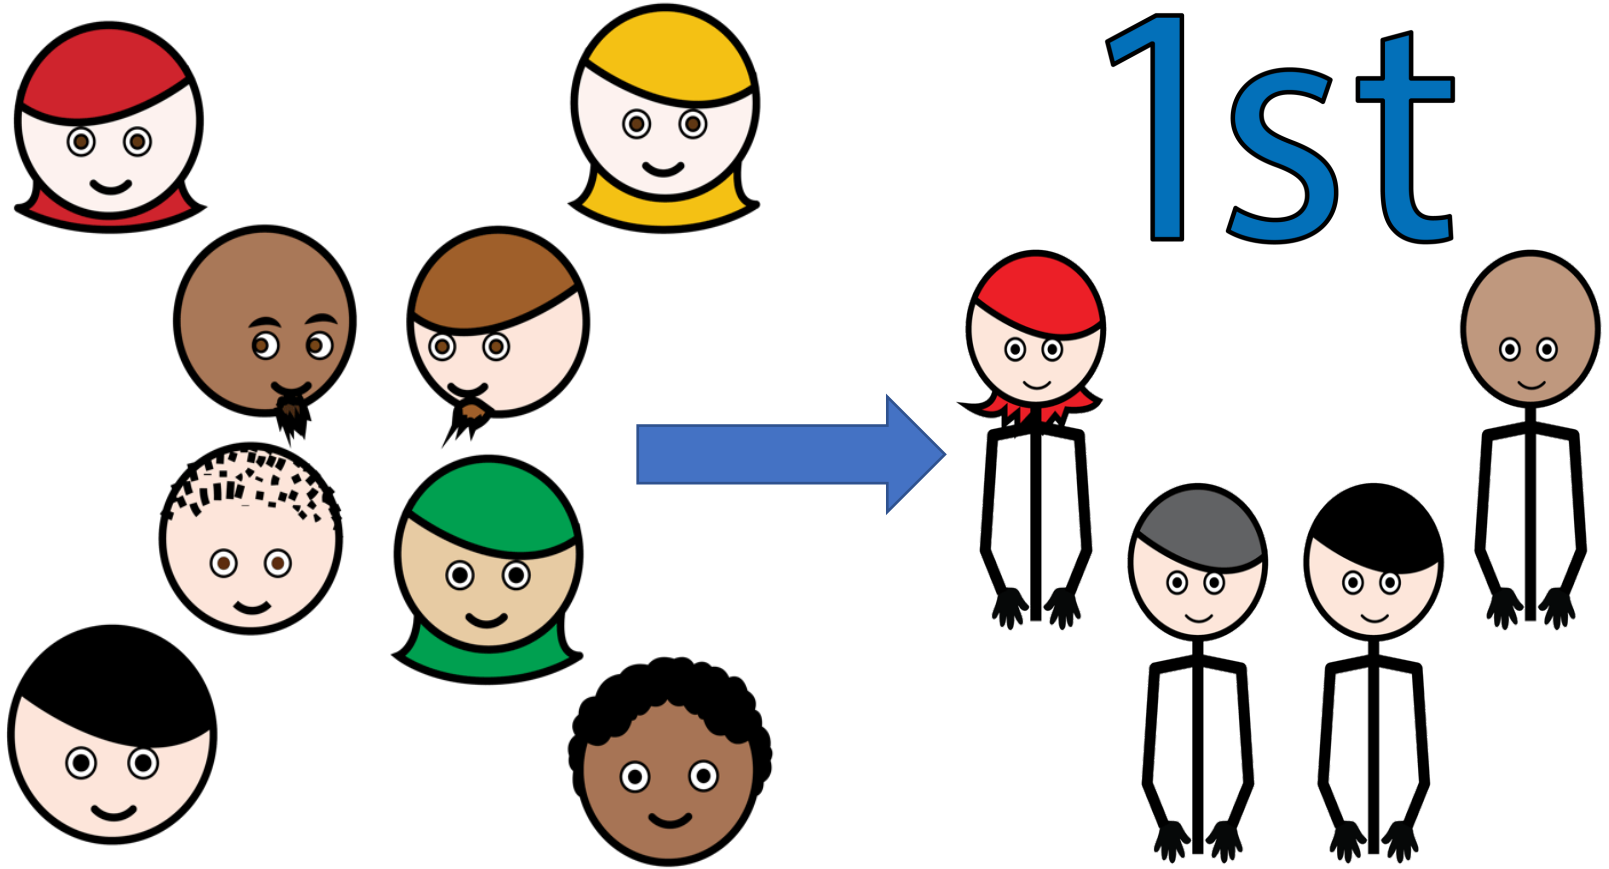

She chose to worship Naomi's God.

Ruth helped get Naomi food in Bethlehem.

**God used a man named Boaz to help Ruth and Naomi.
Boaz put Ruth first by taking care of her and marrying her.
They had a baby boy named Obed.**

God's people can put others first.
