

**This Week's Story:**  
**The Fiery Furnace**

**This Week's Teaching Truth:  
God is all-seeing.**

**Once there was a king named Nebuchadnezzar.  
He was a very proud king.**

**Nebuchadnezzar had a statue built. He wanted everyone to bow down to it and say he was god.**

**Shadrach, Meshach, and Abednego worked for the king. They would not bow to the statue. They would only worship the true God.**

**This made the king very, very angry.  
He ordered the men thrown into a fiery furnace.**

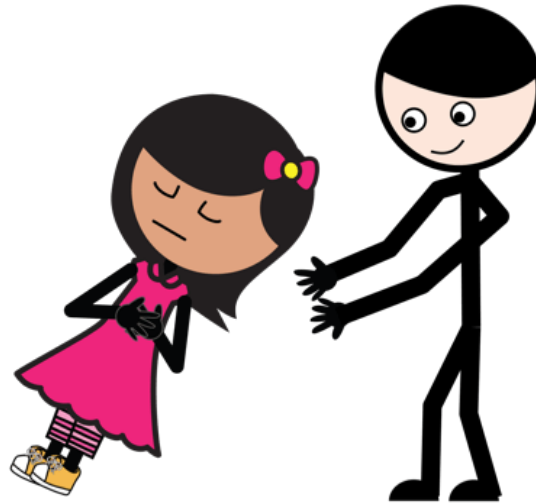

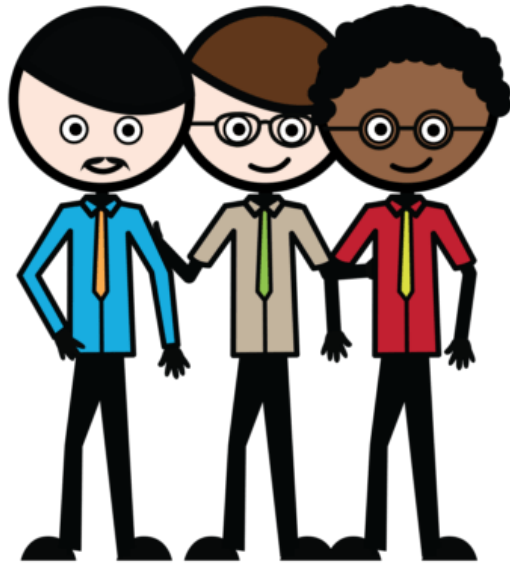

**The three men were not hurt in the furnace.  
God saw them and protected them.**

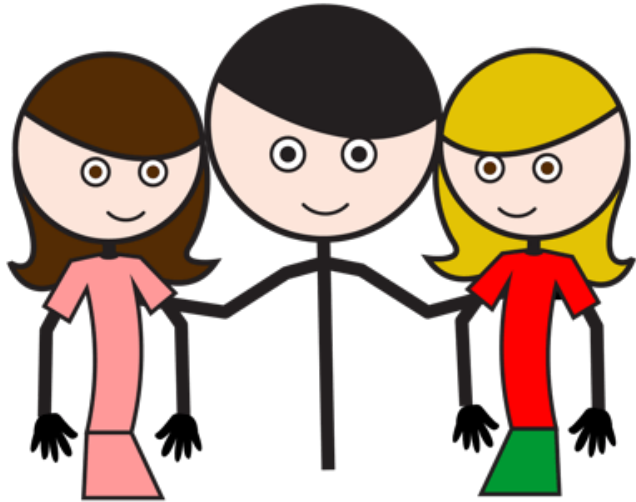

**The king took the men out of the fire  
and praised God.**

**We can always trust God because He  
sees us wherever we are.**

**God is all-seeing!**
