

# The Great Commission

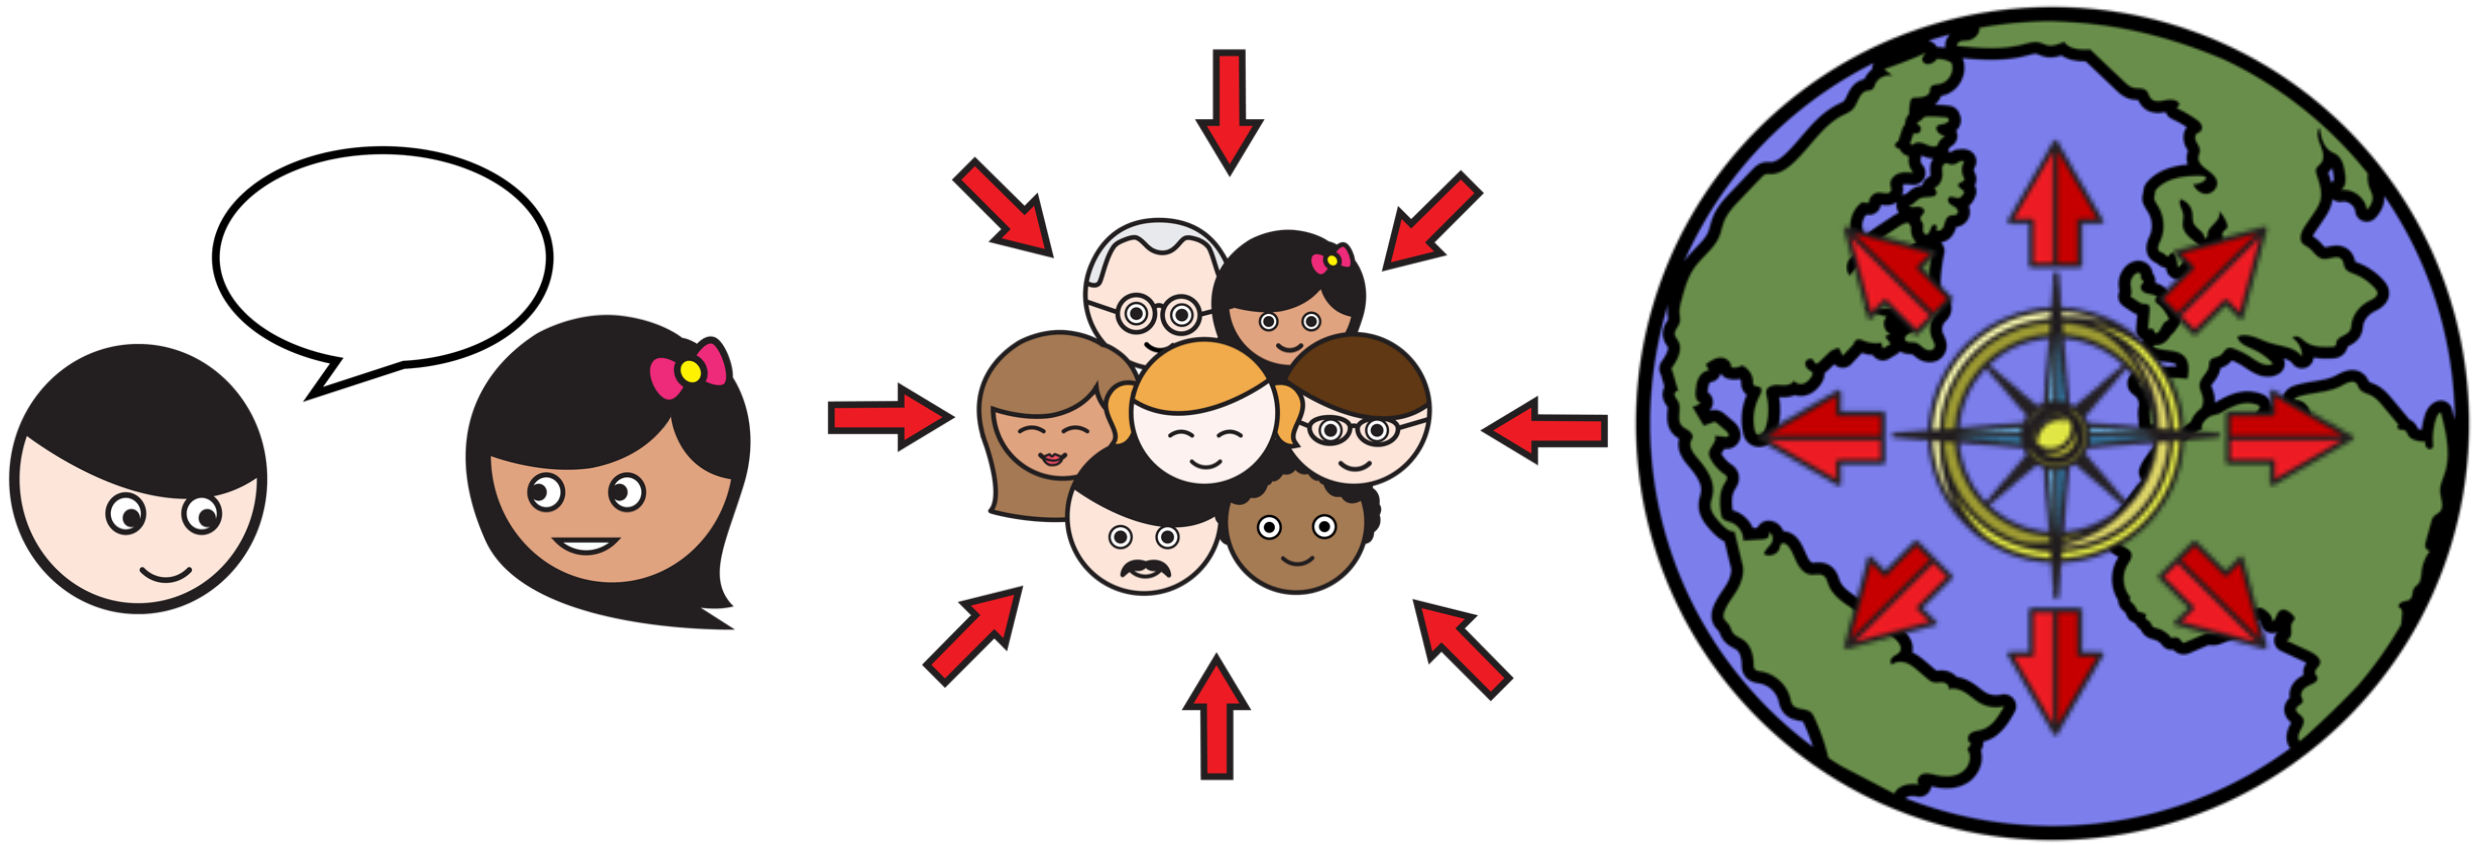

**Teaching Truth:  
God wants us to tell others about Jesus**

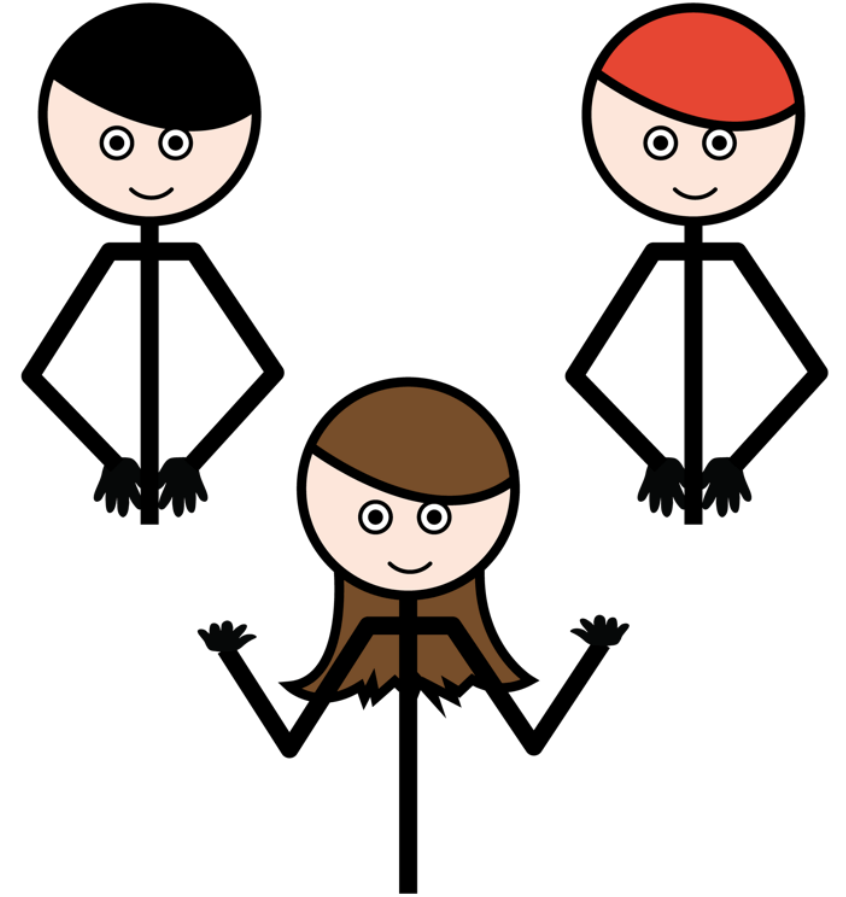

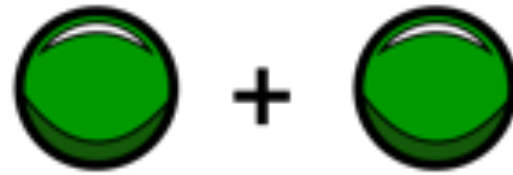

**Jesus gave us all work to do. He told his disciples to go and make more disciples.**

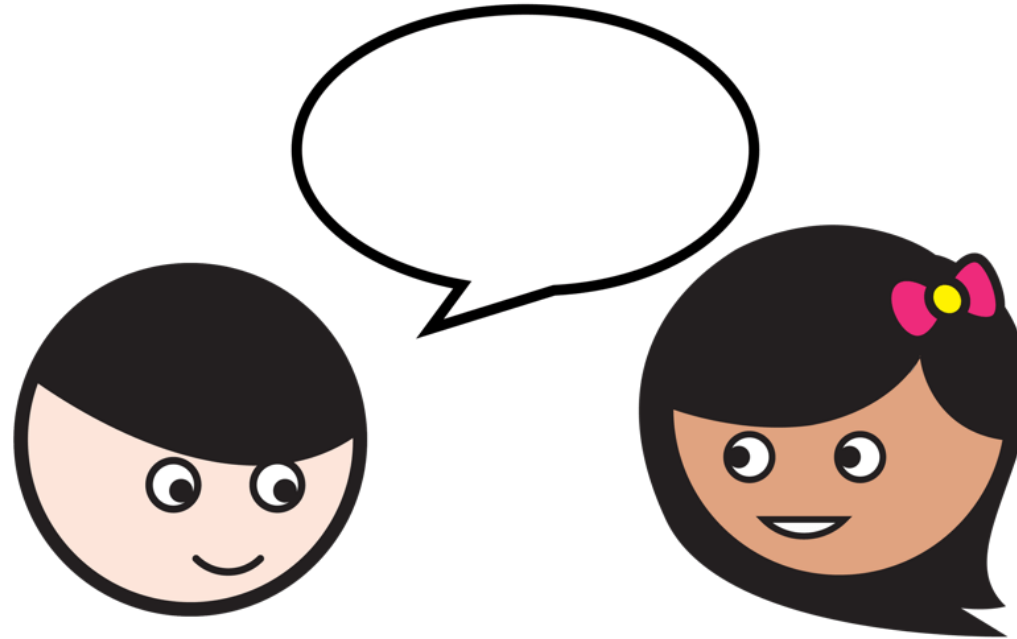

**We make more disciples by telling people about God's love  
and how Jesus died to save us from sin.**

**We can tell everyone everywhere the good news!**

**God wants us to work hard to tell the good news  
and know He is always with us.**
