

**This week's Finish Line:
We can be patient because God's plan is perfect.**

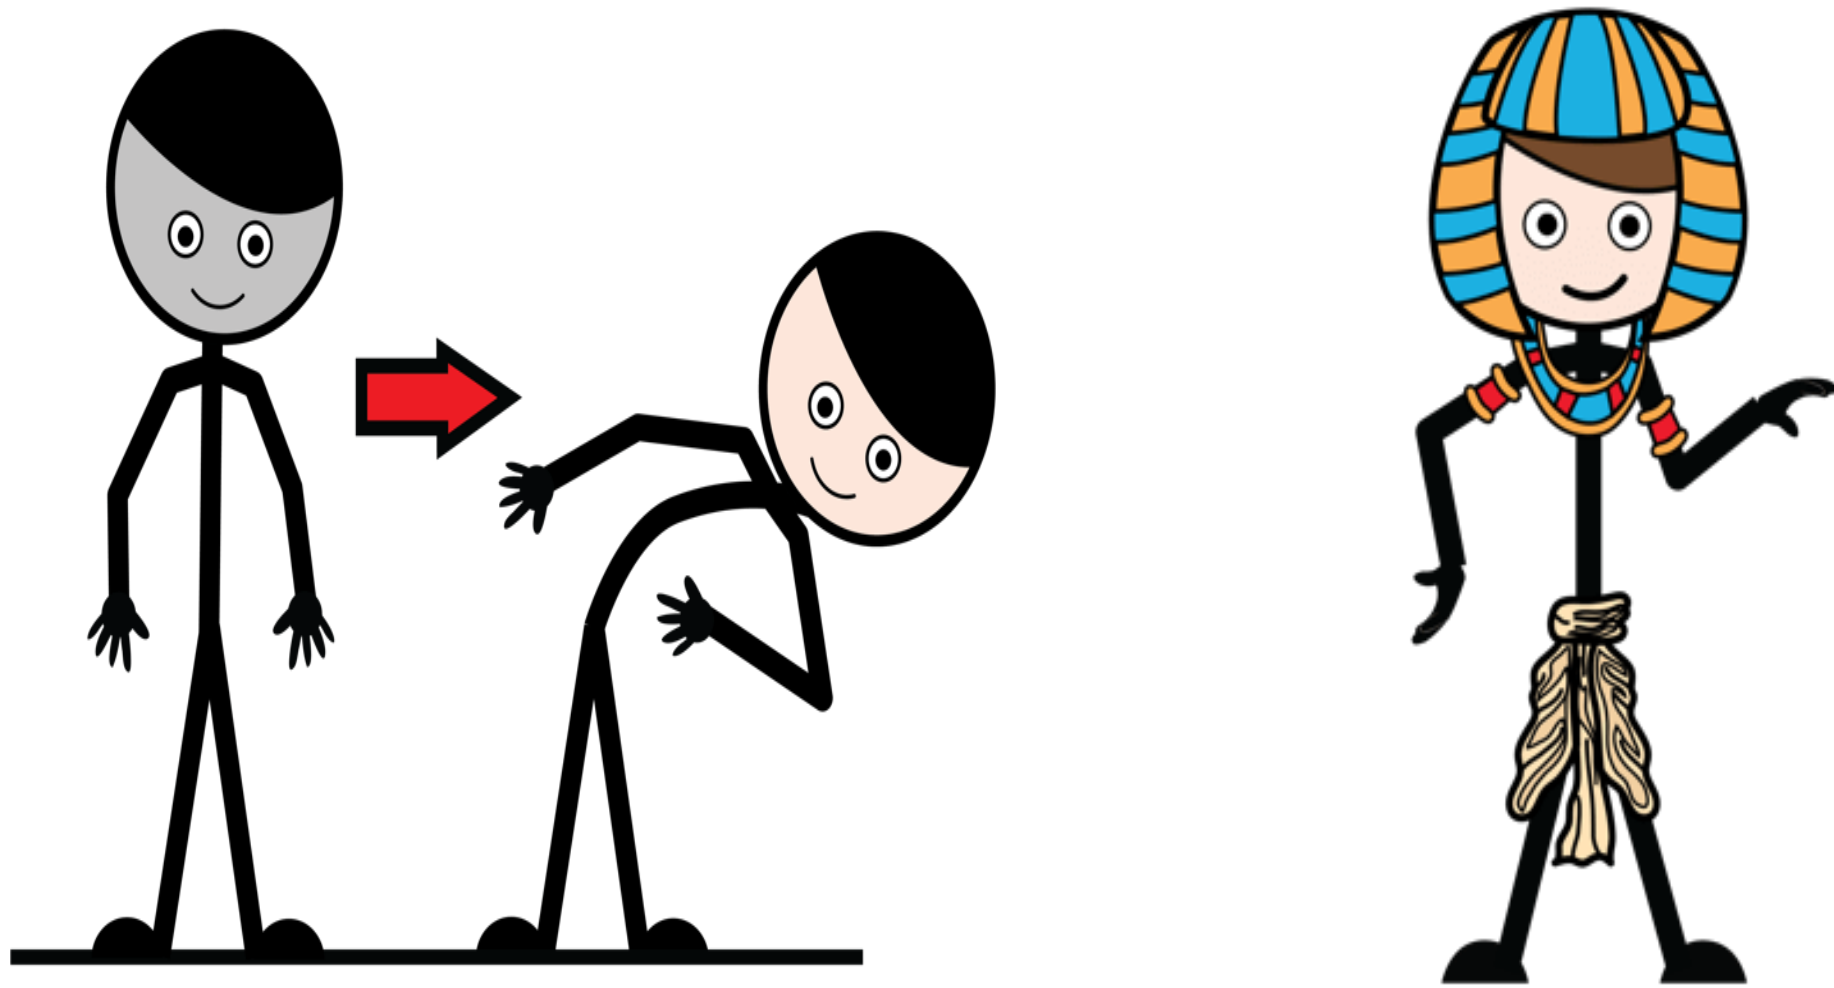

Patience

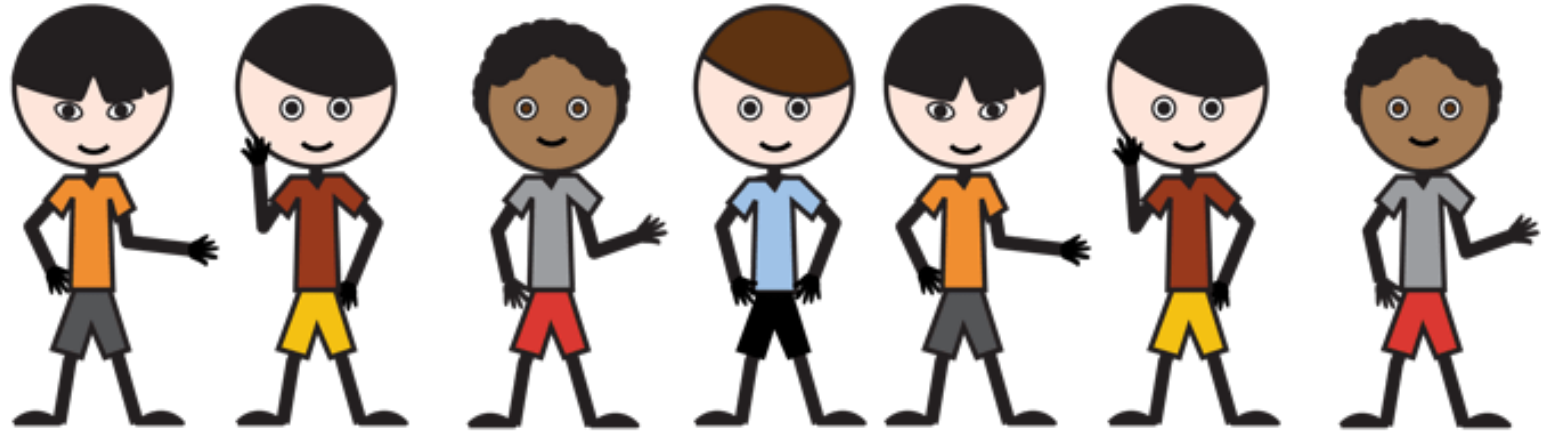

Trusting and waiting on God in all things

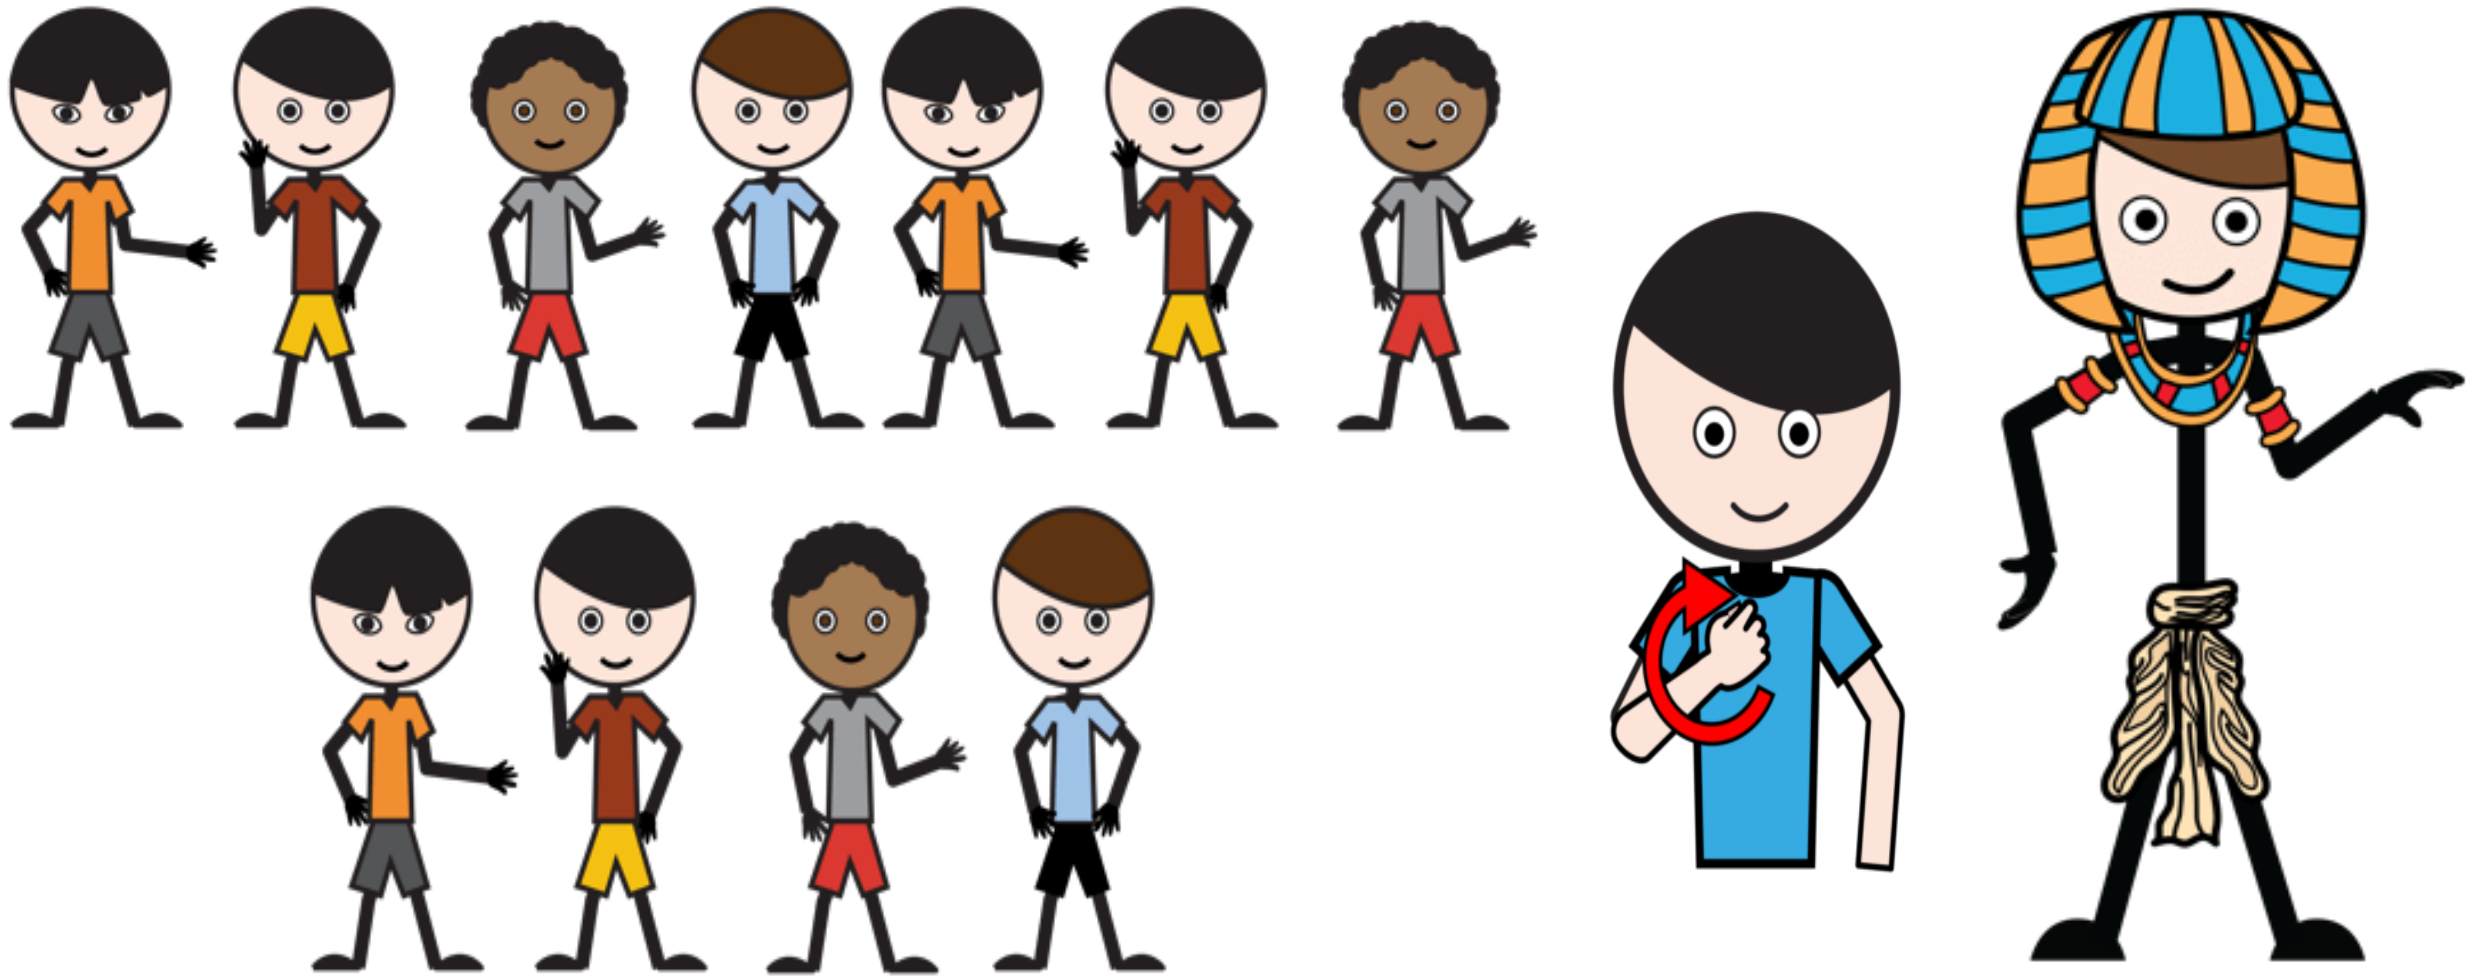

Joseph's brothers, the ones who had been mean to him, came to Egypt to buy food because they had none.

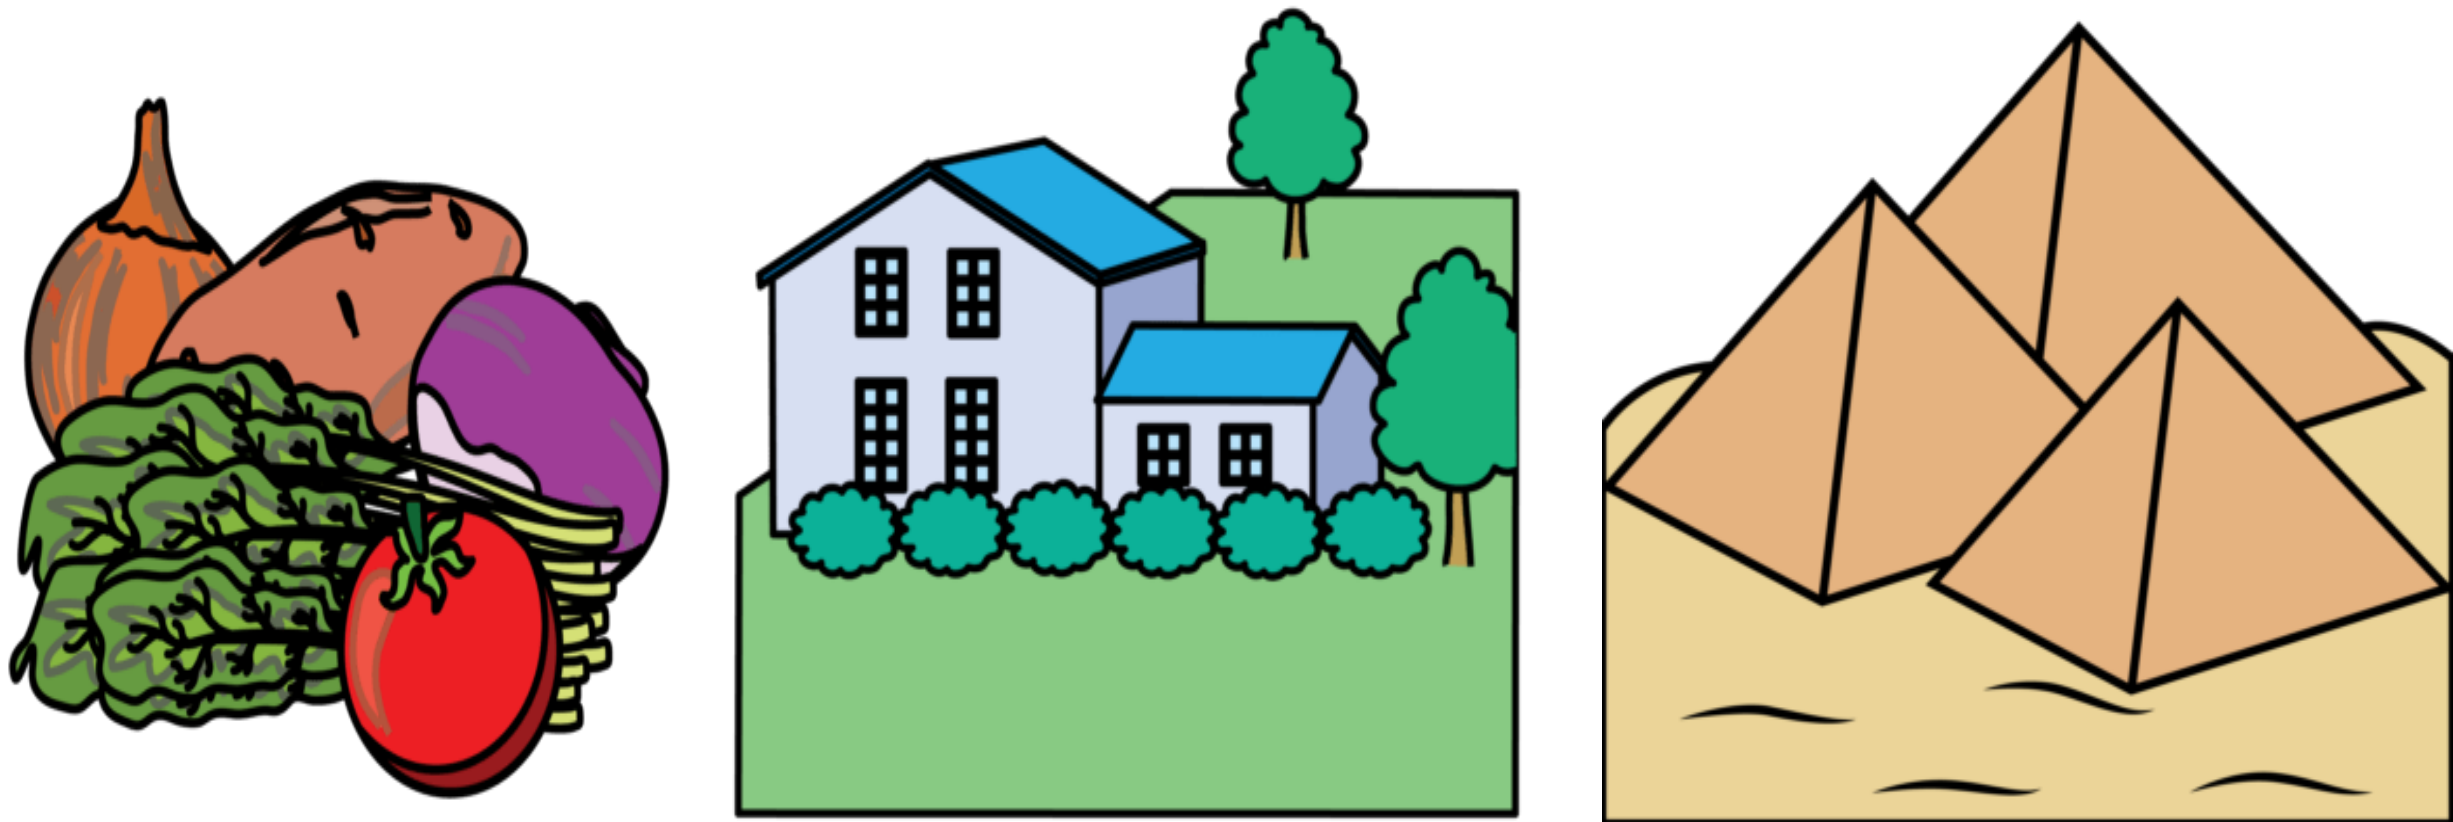

All the brothers bowed down before Joseph. They did not know it was him. He looked like an Egyptian.

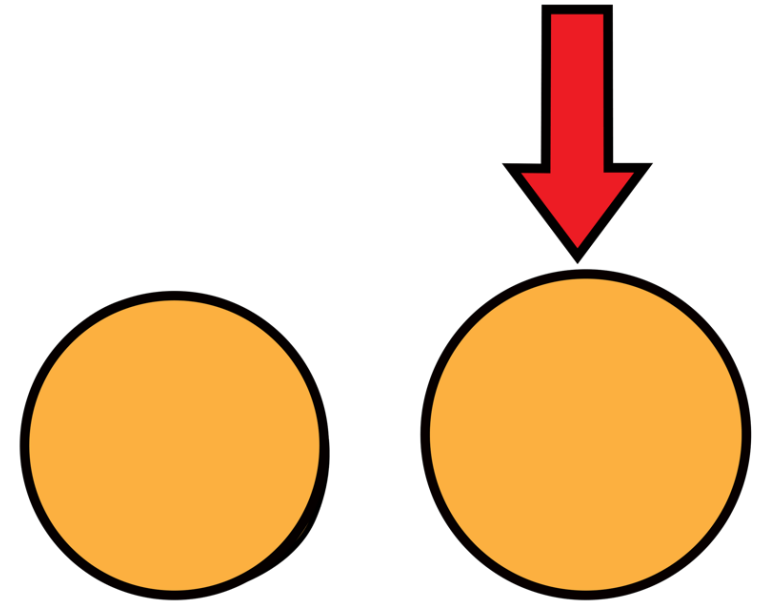

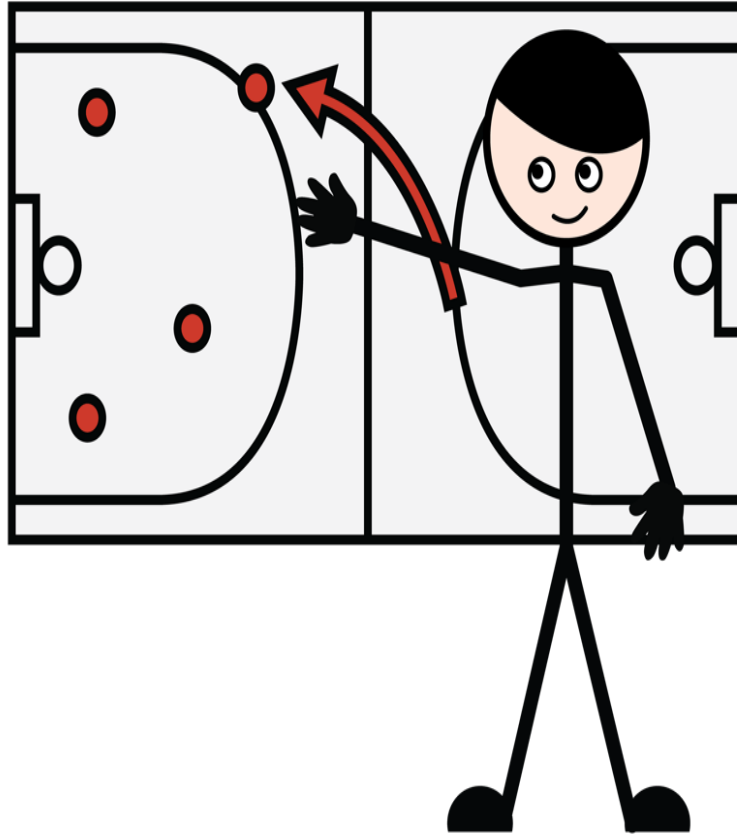

Joseph loved his brothers, but he tested them to see if God had changed their hearts.

**Joseph saw that their hearts had changed.
He forgave his brothers, and they said they were sorry.
Joseph knew God's plan was perfect.**

**Joseph provided food and a home for his family in Egypt.
God's plan helped Joseph save his family.**

We can be patient because God's plan is perfect.
