

# Thankfulness

**A grateful heart that comes from trusting God**

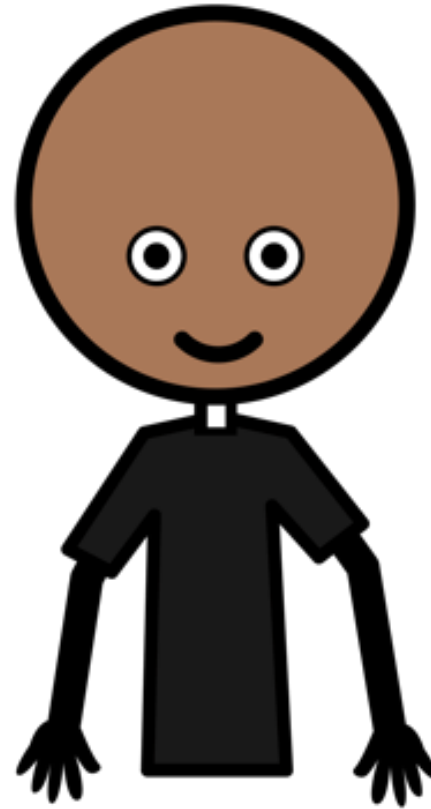

**This Week's Teaching Truth:**  
**We can be thankful for what God has done**

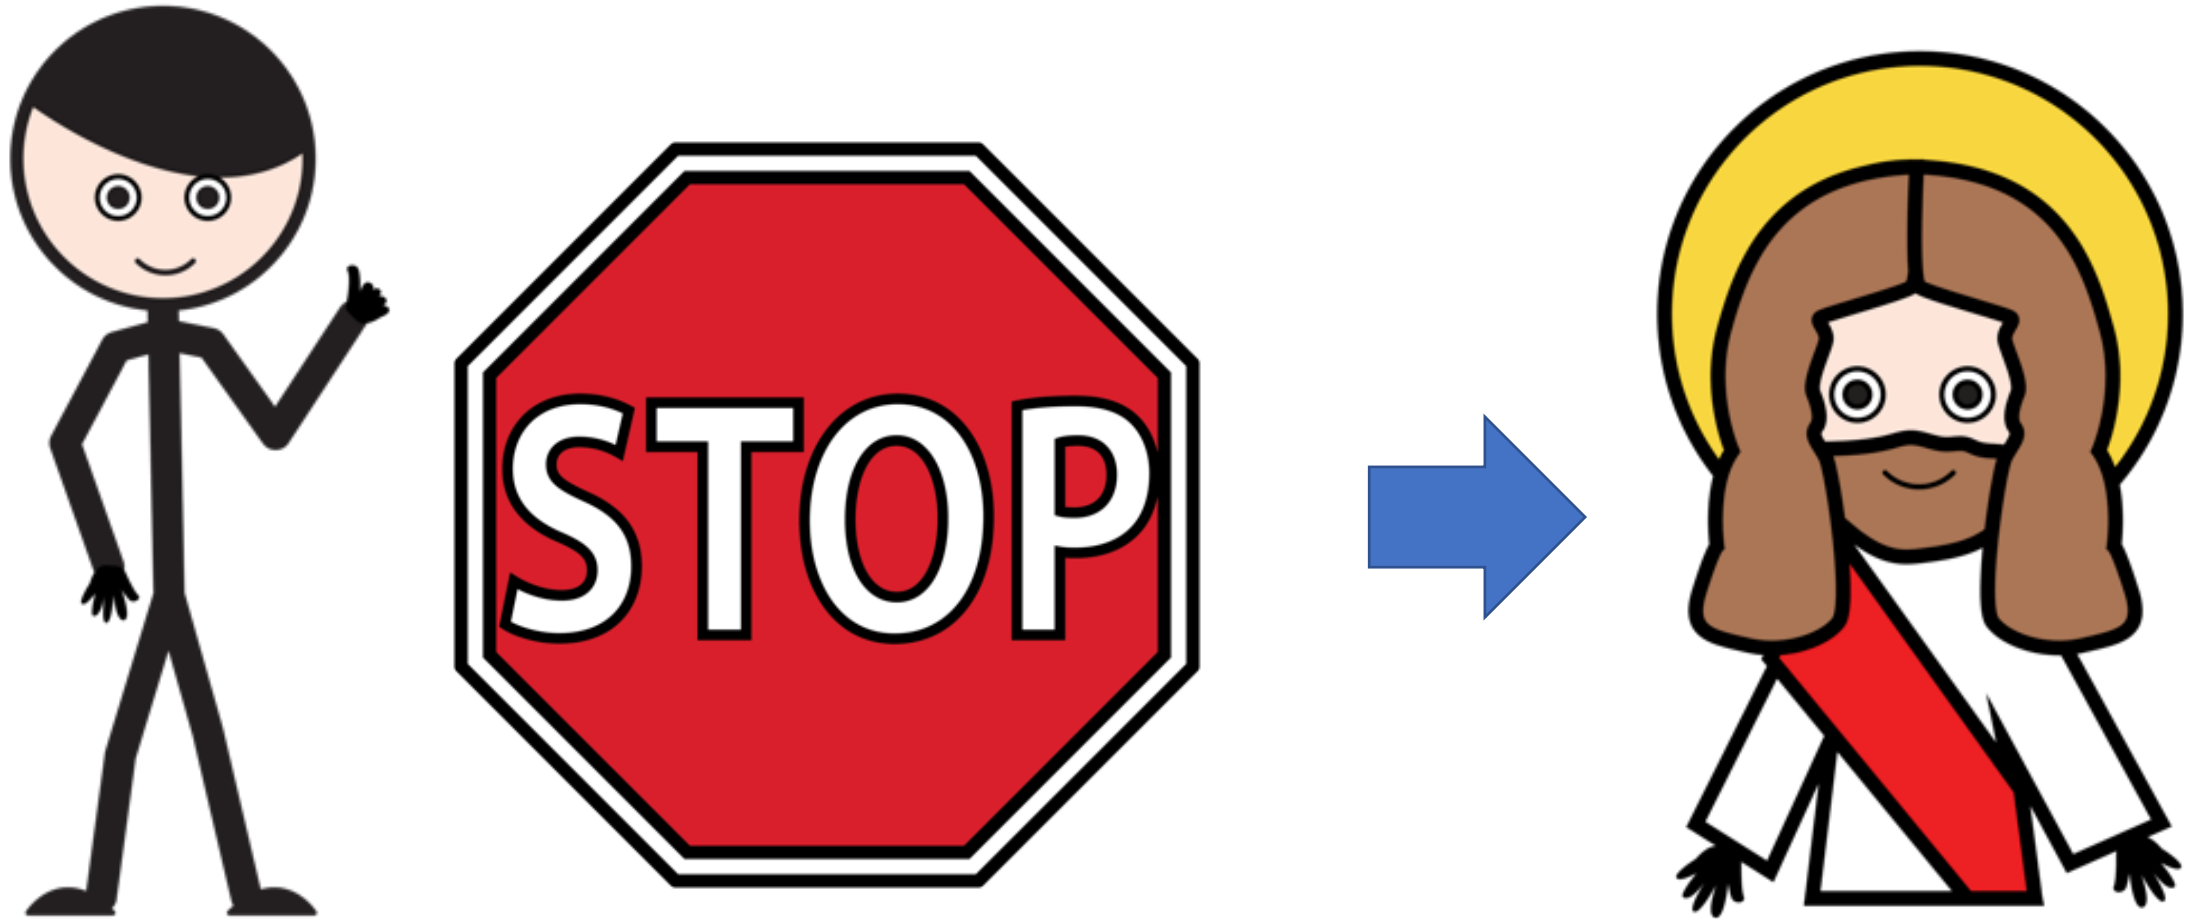

**Jesus and the disciples were traveling to a new town to preach the good news.**

**Ten men with a skin disease met Jesus on the road.  
They begged Jesus for mercy.**

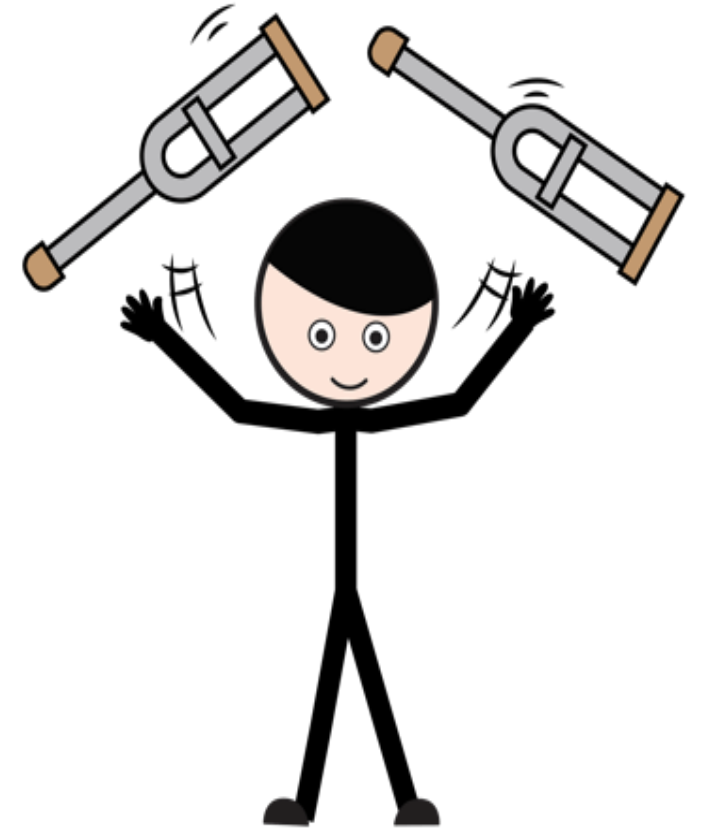

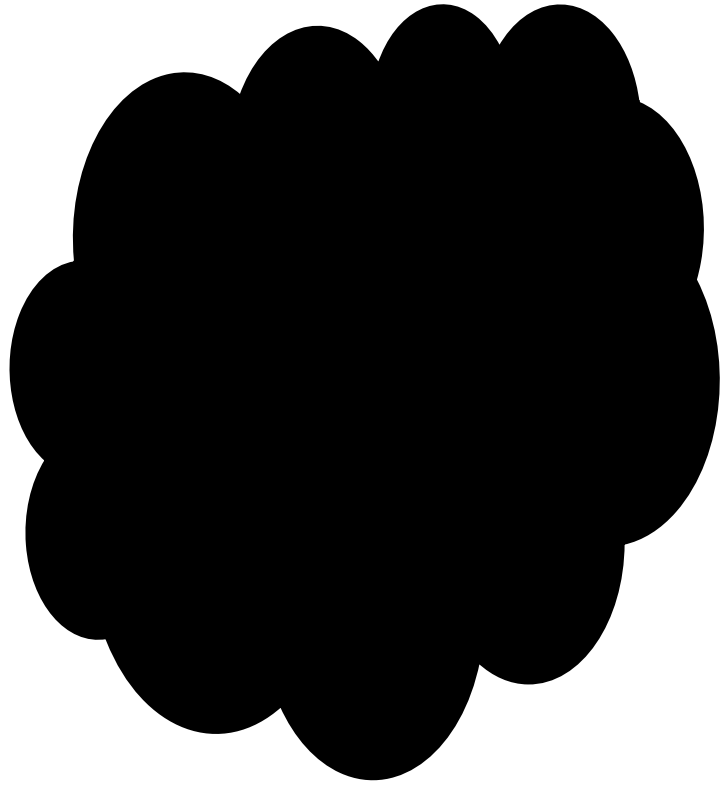

**Jesus told them to go show themselves.  
As they went, the men were healed.**

**One of the men, when he saw he was healed,  
stopped and went back to thank Jesus.**

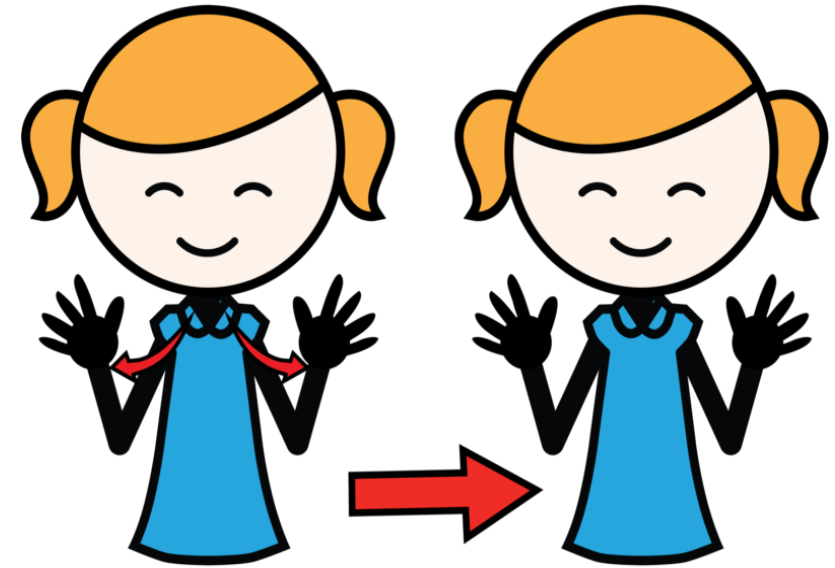

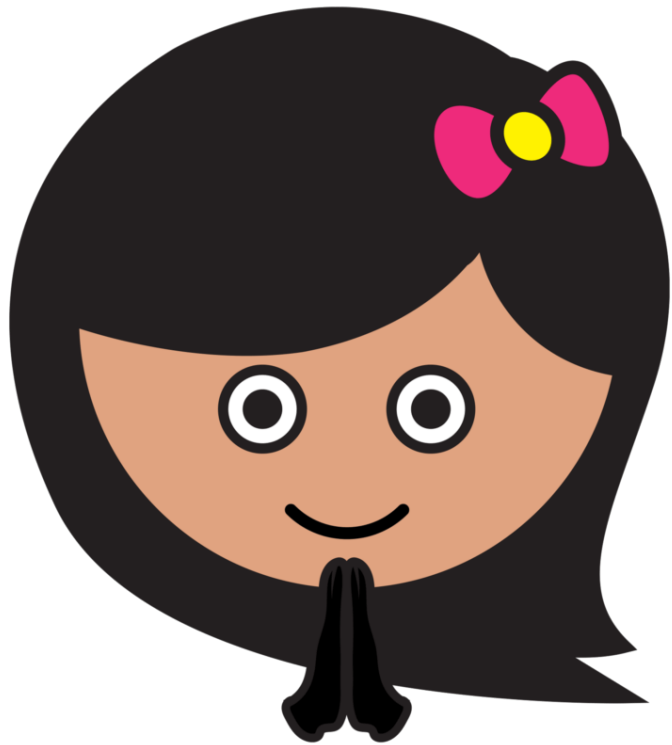

**Jesus praised the man's faith.**

**We are sick because of our sin. We need God to heal us. Jesus will heal us from our sin when we ask.**

**We can be thankful for what God has done!**
