

This week's story: Image of God

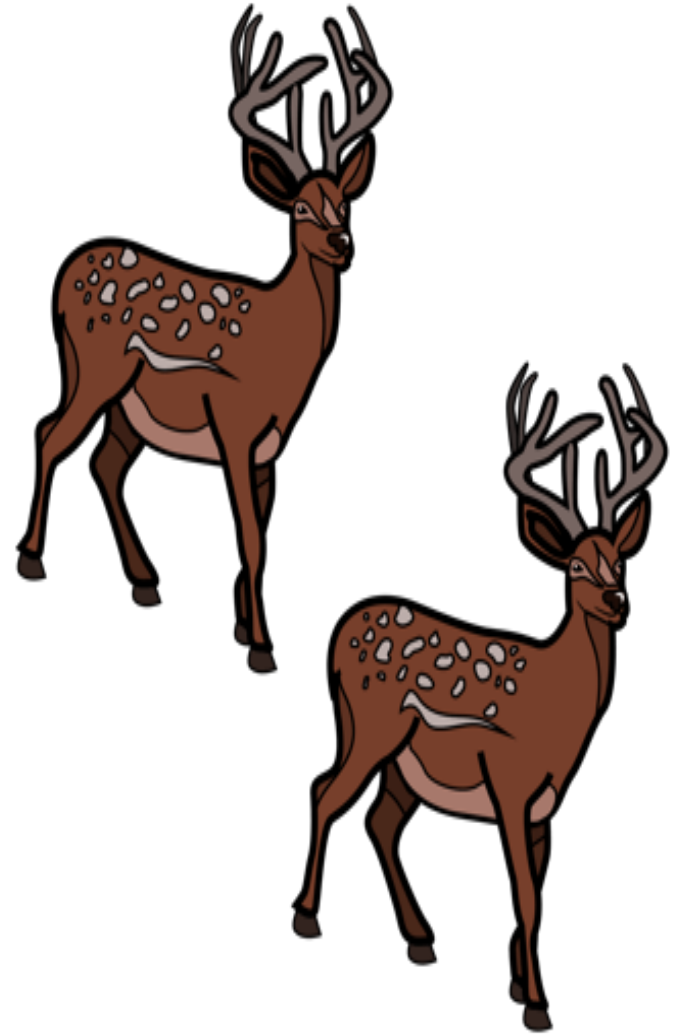

This week's Teaching Truth:
God is our Creator

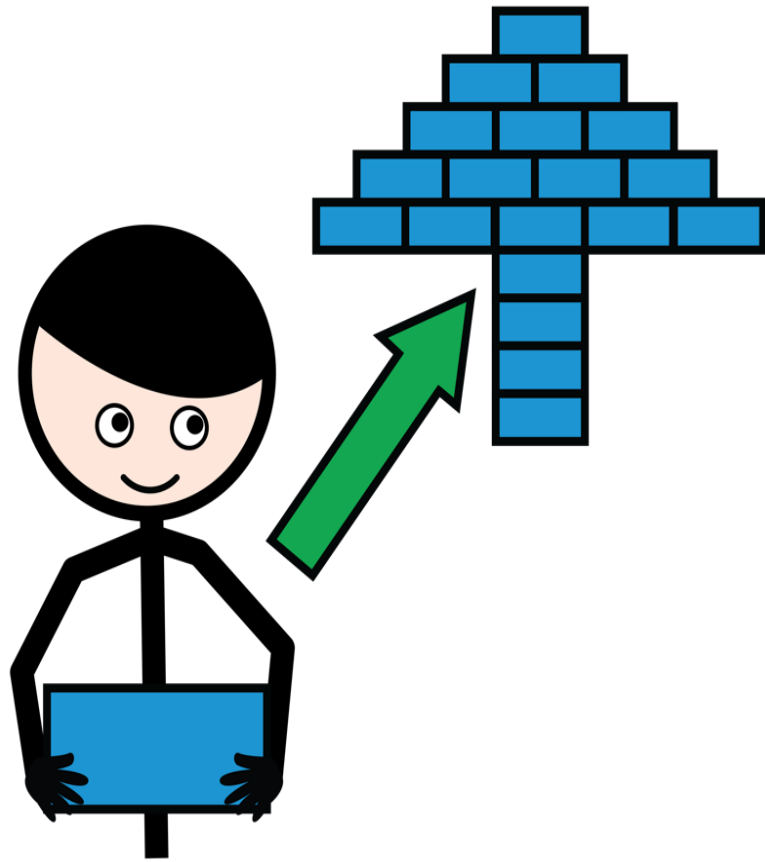

**In the beginning God created
the heavens and the earth.**

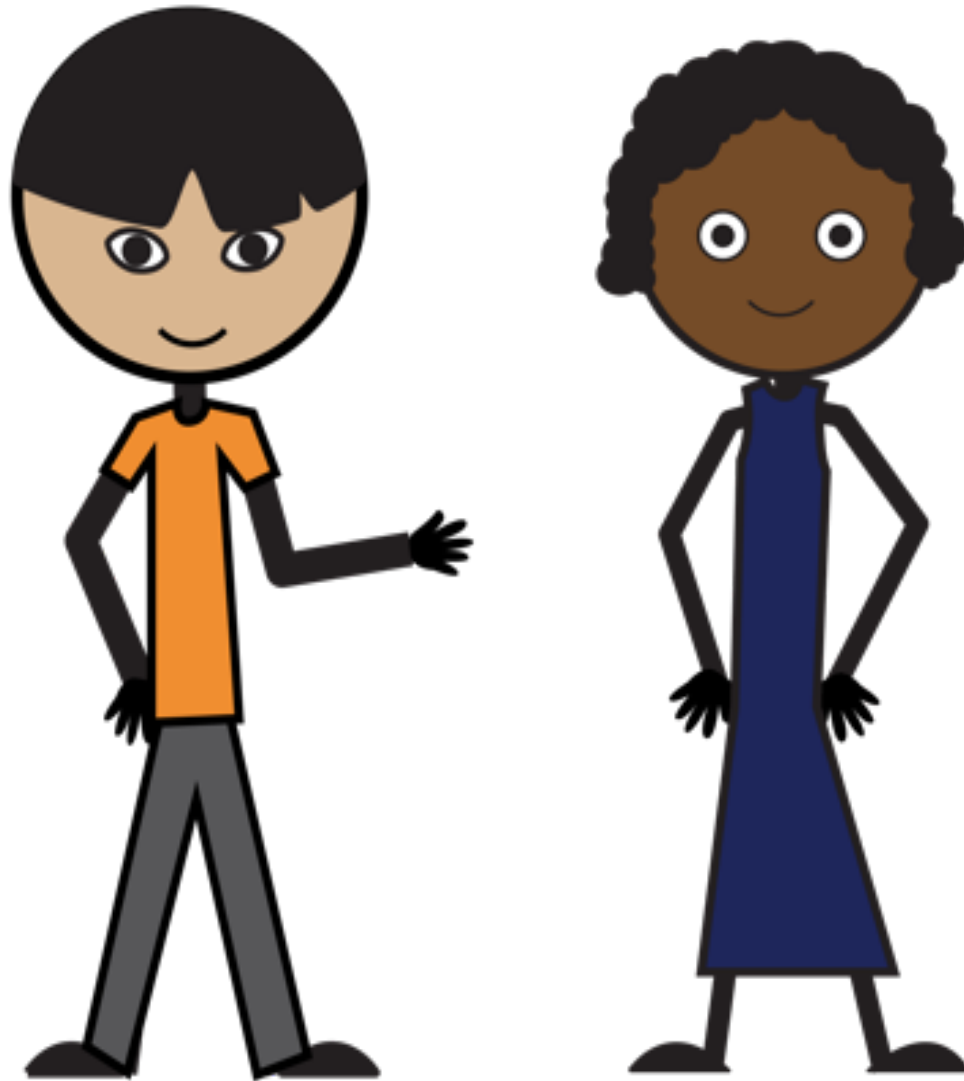

God made the sun, moon, and stars.

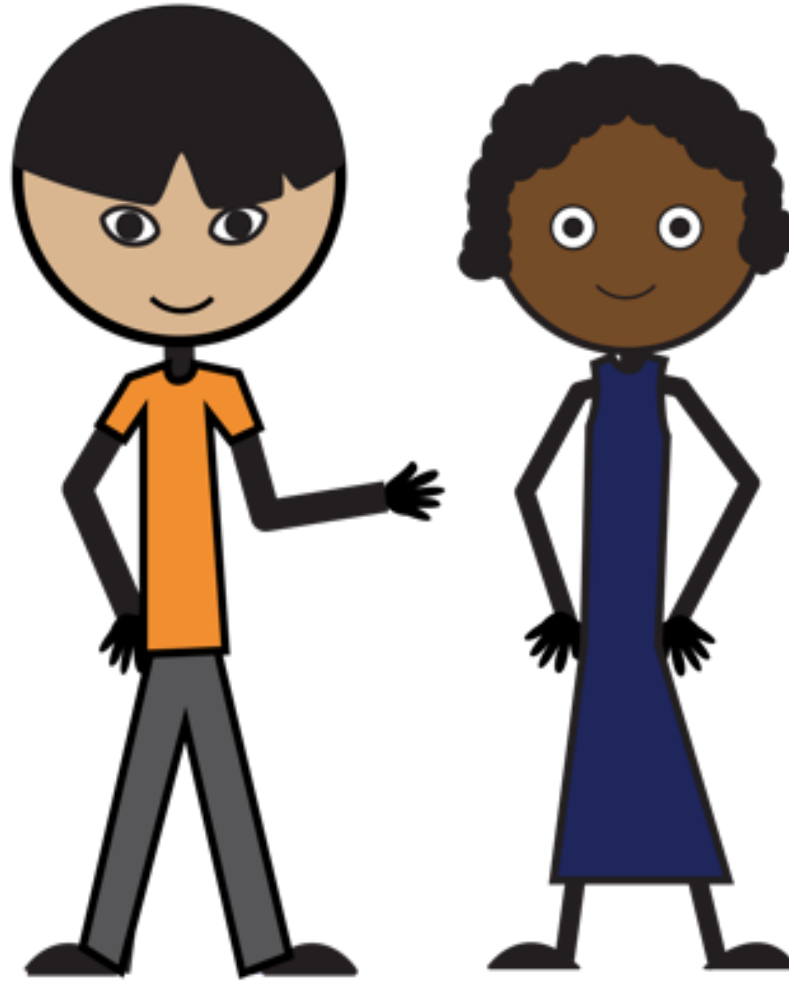

God made animals.

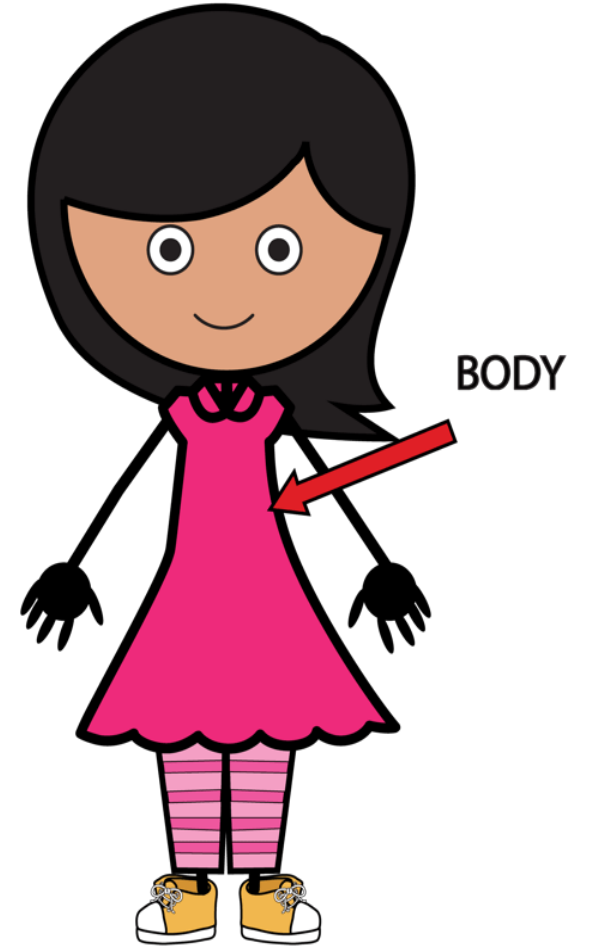

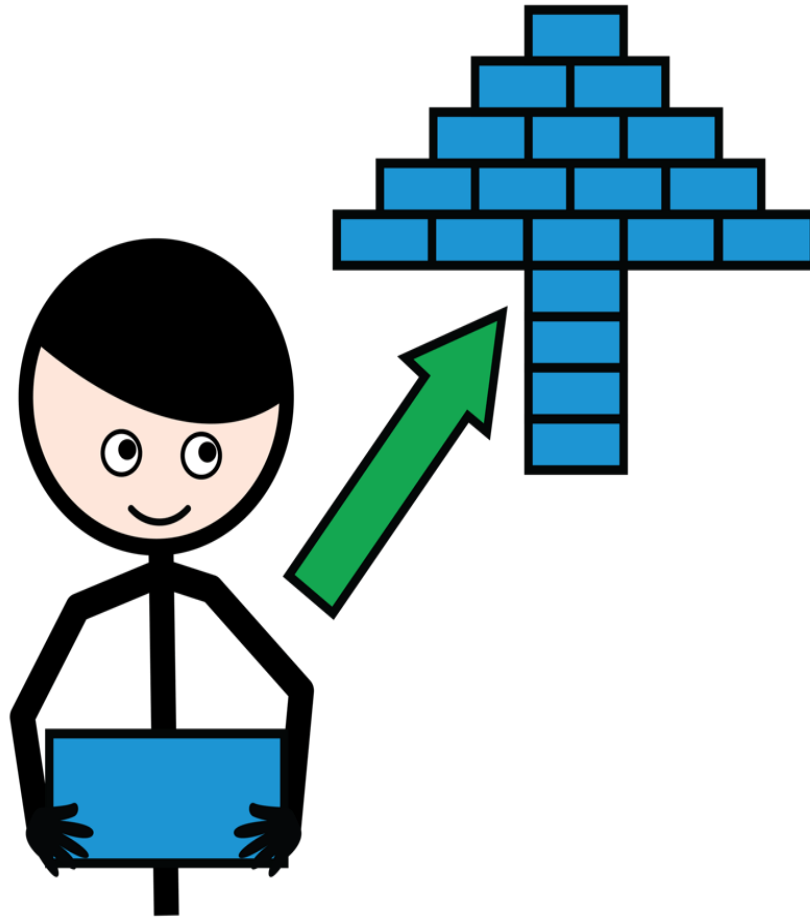

God created everything.

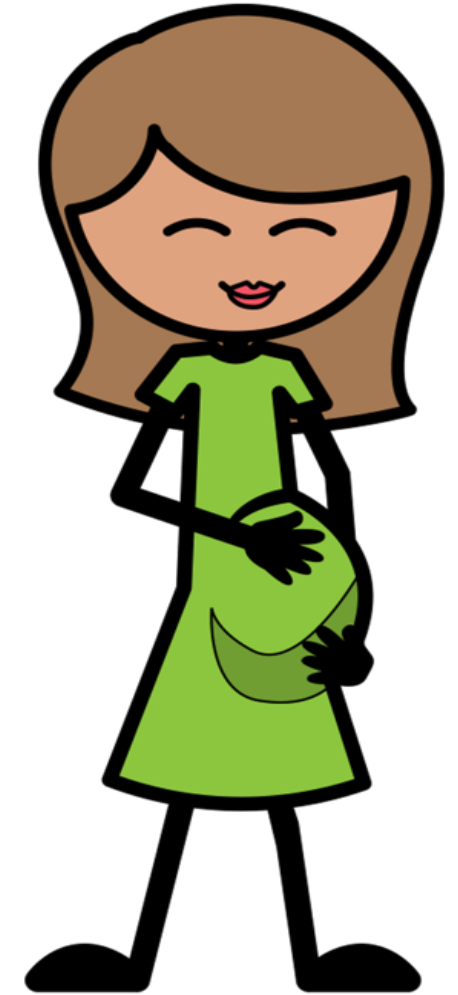

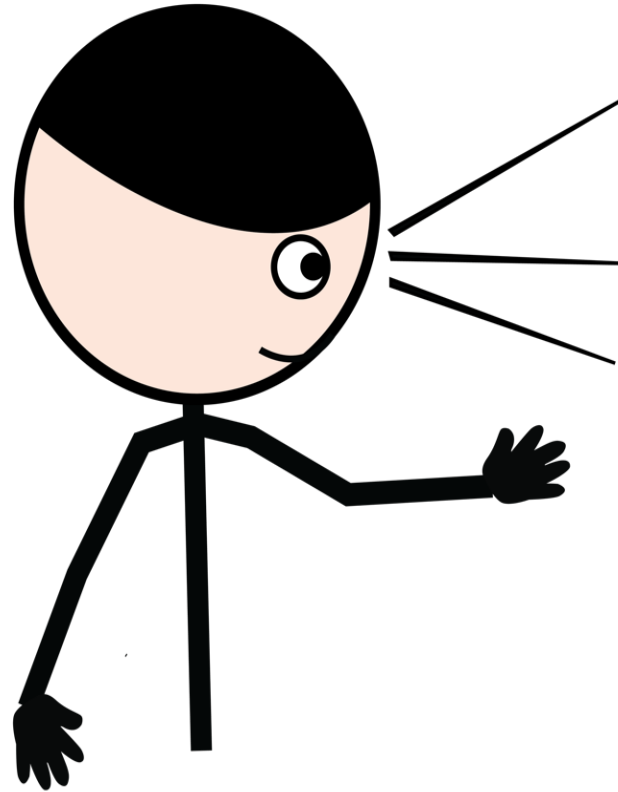

God made human beings.

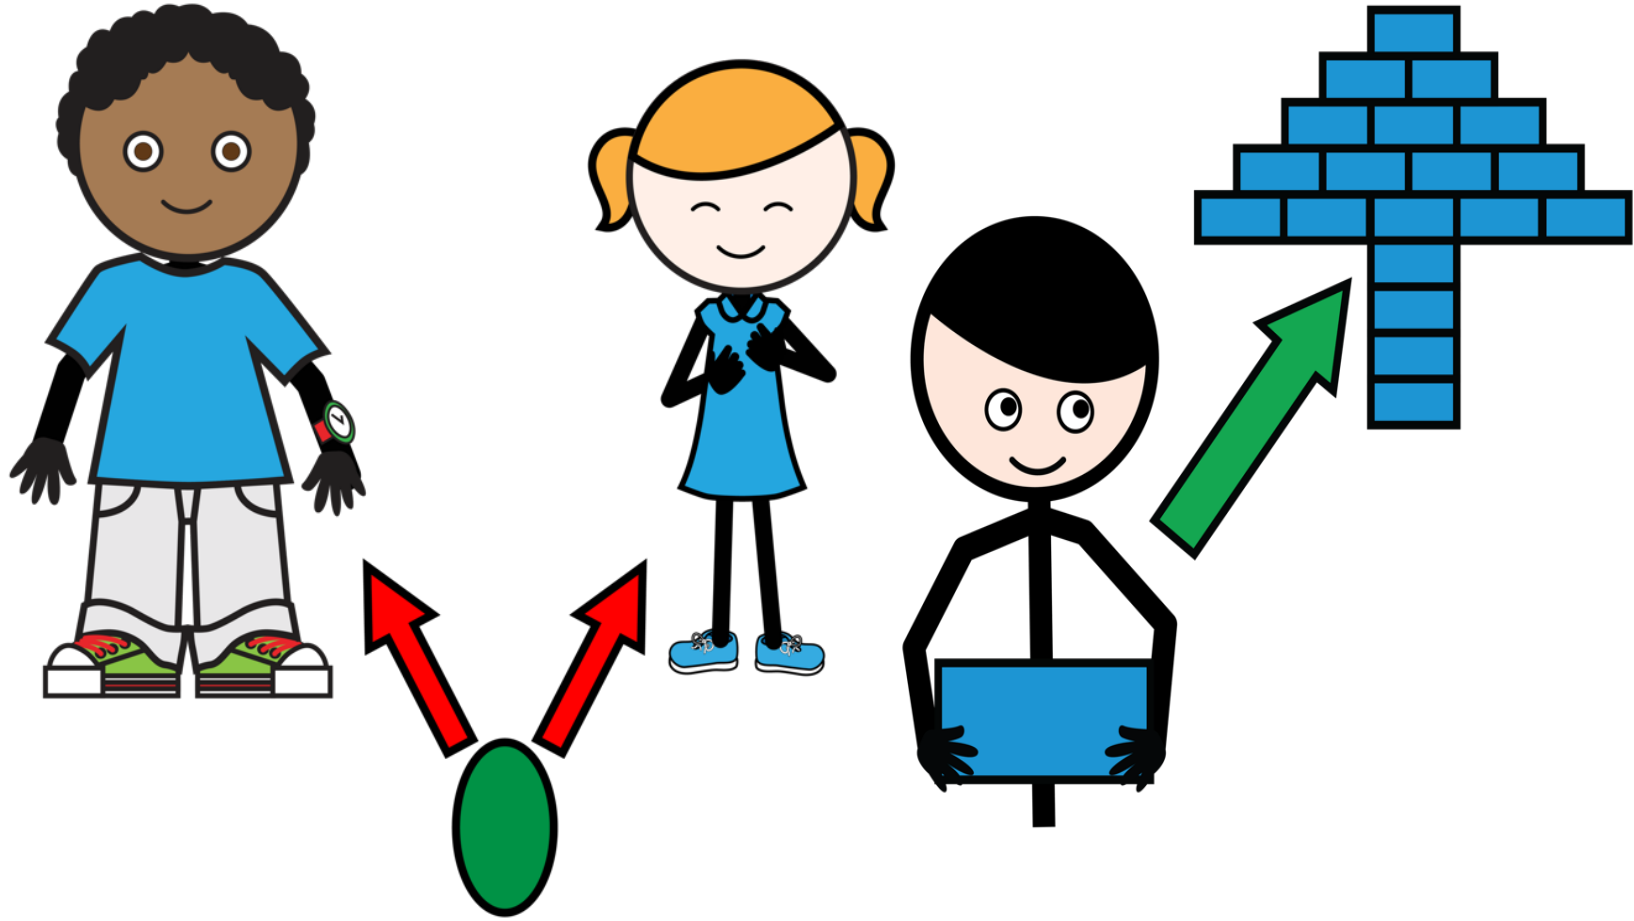

God made people in His image.

God created each part of our bodies.

**God watched over us when we
were in our mother, before we were born.**

God is our Creator.
