Sustainability North Stars

DFW's Aspirations for a Resilient, Future-Proof Airport

DFW Airport's updated
Sustainability Management
Plan will include six focus
areas – our Sustainability
North Stars. For each North
Star, we have established an
aspirational goal and are
implementing several
supporting strategies.

Achieving the North Star goals will ensure DFW remains a resilient and future-proof operation. Many of the initiatives outlined in our plan align with multiple North Stars. These synergies enabling DFW to maximize our sustainability impact.

Energy Performance

100% clean, resilient energy by 2030

Climate Action

Net-zero carbon by 2030

Water & Biodiversity

Water and nature positive by 2040

Circular Economy

Zero waste by 2040

Equity

Culture of diversity and inclusivity

Health & Wellness

Enhanced employee and customer wellness
