Marsha Crear joined other volunteers at the event. Can you identify the other volunteers?

Golfers:

John Smith, DFW Retiree, put together a team and joined the fun.

Friday, April 29, 2022, at the Bear Creek Golf Club on the DFW Airport campus Golfers and volunteers, came out to support the DFW Chaplaincy at the Annual **"Swing into Spring Golf Tournament"**.

Proceeds of the event went to benefit the Chaplaincy's mission, *"To be a ministry of presence, spiritual counseling, and personal support to the DFW Airport community at large, providing places of worship and reflection for people of all faiths and religious traditions."*

The Chaplaincy started the fundraising golf tournament in the 1980s. After a hiatus from 2006 to 2012, the Chaplaincy resumed the tournament fundraiser and settled under the Swing into Spring title starting in 2016.

2022 was one of our best tournaments in recent history with 19 teams (76 golfers) and 14 sponsors. Top sponsors included DFW, AACU, Valet DFW, and Paradies Lagardere. This year's top teams included DFW tied for second place. We are so pleased to have connected with the DFW Retiree Network and genuinely appreciated the support of those who were able to participate, as volunteers and golfers, with us this year (volunteers in photo SLP\_3111).

After a fun day of golfing, golfers gather for awards.

DFW team with Ken Buchanan and Dean Ahmad placed second!
