Realizing the DFW Vision

DFW is a significant economic driver in the State of Texas and a key community asset for the North Texas region. This Buying Plan aligns with the Airport's Strategic Plan key result to strengthen DFW's community impact by driving economic vitality.

At DFW we recognize that suppliers play a critical role in the Airport's ability to ensure timely availability of quality supplies, materials, equipment, technology, construction, and

professional services in support of the Airport's operational and administrative functions as well as its revenue-generating initiatives.

Consolidating contract opportunities in this Buying Plan provides suppliers and the business community time to learn, prepare and plan to bid on upcoming opportunities and allows businesses time to develop partnerships to effectively participate as sub-contractors and suppliers.

DFW is focused on positively impacting customers, employees, and communities. This Buying Guide serves as a catalyst for opportunities, resources and growth as business owners look to build business success.

We are charting a new course in Procurement and Materials Management that works collaboratively with suppliers and buyers, promotes transparency, and enhances supplier diversity. Join us in realizing the DFW vision of Travel. Transformed.
