

DFW Retiree Network

News Update!

Greetings, Retirees.

By the end of this quarter, we will **complete our 4th year**. Hurray to that! We enjoyed 5 events including a signature event, one health webinar and other fun activities in 2024-25. We have continued to offer opportunities to engage based on the most recent survey of interest.

At the same time, we also noticed a decline in attendance. Based on this observation, the Steering Committee will be making changes to the frequency and types of events. We will let you know the update. Your response and attendance to the events in 2025-26 will be crucial for shaping the future of our Retiree Network.

We will continue to have our Retiree Network Facebook group whereby we will continue to share DFW news. Also, with that, everyone can be a leader and can plan events for other members.

We will share information on next event when available. Until then, relax, reconnect and rejuvenate.

Best regards from DFW Retiree Network
