

ARFF EVOC COURSE

OVERVIEW:

Sign up for the ARFF Emergency Vehicle Operator Course (EVOC) to receive advanced training tailored for certified ARFF personnel. Perfect for experienced ARFF firefighters, aspiring or new ARFF apparatus operators, and company officers. Live fire sessions may qualify for annual FAA recertification. Secure your spot today and elevate your skills!

How it impacts you:

- Apparatus inspections and maintenance
- Legal aspects of driving
- Hard surface driving
- Tactical and strategic Considerations
- Mass application vehicle live fire evolutions
- Scenario-based ARFF simulator training

This course is designed to meet or exceed the minimum requirements of FAA-FAR 139.319 (j) (2); the minimum standards set forth in the International Civil Aviation Organization (ICAO) Airport Service Manual, Section 14.1.3; and are NFPA 1002 compliant, to include all live fire training requirements.

COST:

$1,650 Per Person
