

REQUEST FOR PROPOSAL
CONCESSIONS OPPORTUNITY

Addendum No. 3

August 24, 2018

Questions	Answers
Is "rent" used synonymously with "10% of gross receipts?" The preferred supplier receives the office space at no cost in year one and also in year two and year three correct?	Yes. Please see the revised Package Document. Yes.
MAG - we define an amount as a minimum monthly payment which we must make to the airport each month unless the 10% gross revenue payment is greater that that amount in the given month, is this correct?	There is no MAG.
Under Services, List, Pricing and Payment, the second point reads" The pricing proposal shall include all-inclusive pricing by monthly rate" ? I don't understand this.....don't we take payment directly from the customers?	The pricing plan should include prices for individual meet and greets, all-inclusive monthly rate, and any additional a la carte services. Please refer to Addendum 2.
Is there any payment involved to the airport authority other than the 10% of gross receipts, payable monthly, and the MAG, if applicable?	Refer to the Draft Agreement.
In the content page of the RFP document, it has mentioned there is Attachment 3 – Draft Concession Agreement. Could you please kindly also upload the draft agreement into the portal for our review?	See Attachment 3: Draft Agreement
