

Billing Reconciliation Services

HR teams often face significant administrative burdens when managing billing reconciliation. Our experts help alleviate this challenge by automating manual processes to improve efficiency and significantly reduce compliance liability risks. Allow us to handle the complexities of billing reconciliation, enabling your HR team to focus on strategic initiatives.

COMPREHENSIVE BILLING SOLUTIONS

- **Dedicated Specialist:** Benefit from a designated expert who oversees your billing and reconciliations for accuracy and efficiency
- **Reconciliation:** Address inconsistencies promptly with our team on board to meticulously track adjustments and resolve discrepancies
- **Carrier Invoices:** Rely on us to handle the collection of medical, dental, vision, FSA, core ancillary and voluntary plans invoices
- **Reporting:** Receive a monthly audit of carrier bills and coverage lines
- **Preparation:** Experience a simplified process with us handling the preparation of self-bills

These services are available to businesses with 100 or more U.S. employees.
PEPM pricing dependent on company size, number of carriers, and coverage lines.
