

Spot Pet Rx Program*

exclusively for
Sam's Club members

Exclusive pet med pricing on select medications for members who purchase a Spot Pet Insurance policy.

- More than 120 commonly prescribed pet medications available including flea & tick prevention, heartworm prevention and antibiotics.
- No out-of-pocket costs on select medications.
- No paperwork and no waiting for reimbursements.

* The Spot Pet Rx Program is exclusively available to Sam's Club member Exclusive Spot Pet Insurance policyholders. Prices listed in the program are based on specific quantities and manufacturers. Prices are subject to change without notice. The program prices apply only when the quantity filled matches the quantity specified on the program; higher doses may cost more. Program prices available through participating Sam's Club pharmacies within the Spot Pet Insurance network and cannot be combined with other offers or insurance. Not available in VA or Puerto Rico or on SamClub.com. Covered drugs may vary and subject to change without notice. The program price is not available if a drug is part of a compounded prescription. Program prices are not available to the general public and do not constitute Sam's Club usual and customary prices. Taxes or other fees may apply. Other restrictions apply. Terms subject to change without notice. Please consult with your veterinarian before administering any medications to your pets. Special pricing only available with Spot Pet Rx Program
