

DCANZ & DairyNZ New Zealand Monthly Milk Production Data Publication Calendar

From March 2024 NZX took over the publication of the monthly national milk production data.

All publications by NZX will be done at UTC 04:00 am on the 20th of the month, unless this date falls in New Zealand on a weekend and/or on a public holiday, in which case it will be done at 04:00 am (UTC) on the following business day.

If you wish to be added to the email distribution list of this publication, please email us your details (full name, business name and contact number) to dairyteam@nzx.com

These are the 2025 & 2026 publication dates:
