# Central Depository Procedures

## Section 1: Introduction and General Provisions

### Amendment Procedure

#### *Procedures for Rule 1.3.1*

1.3.1 *Subject to Rule 1.3.2 and Rule 6.11.8, CDO may, from time to time, amend these Rules, in accordance with the Procedures. NZX may request that CDO amend the Rules by providing CDO with written notice of proposed amendments. CDO must amend the Rules as proposed by NZX from time to time in accordance with Procedures except if such amendment would, in CDO's reasonable opinion, materially increase the risk to the Settlement System in respect of the clearing and settlement of Settlement Transactions. Amendments to these Rules come into effect and are binding on CDO, CHO, Depository Participants and the Nominee on the date specified by CDO by Notice provided that:*

- (a) the date specified is no less than 20 Business Days after CDO has sent Notice of the amendment to Depository Participants; and*
- (b) the proposed amendment to the Rules is not disallowed under the RBNZ Act.*

#### **1.1 Amendment of Rules**

1.1.1 CDO may from time to time at its discretion (and shall if requested to do so by NZX) propose amendments to the Rules by Notice to Depository Participants. The Notice will set out (as applicable):

- (a) the Rule or Rules to be amended;
- (b) the nature of the issues that have arisen which necessitate the amendment;
- (c) the result CDO desires to achieve from the amendment;
- (d) to the extent practicable, the amendment proposed;
- (e) to the extent it differs from the timetable set out in Procedure 1.1.2, the timetable for the amendment; and
- (f) any other information CDO believes is relevant.

1.1.2 The process for an amendment of the Rules will, except to the extent CDO determines otherwise, follow the indicative timeframe set out below following issue of Notice of the amendment:

- |   |   |
|---|---|
| (a) CDO to receive submissions on proposed amendment.   | 15 Business Days following Notice                           |
| (b) CDO to consider submissions and give Notice to Depository Participants of its decisions on issues raised. | 15 Business Days after closing date for submissions         |
| (c) CDO to receive submissions on CDO response.   | 10 Business Days after further Notice issued                |
| (d) CDO to consider submissions and provide final amendments (if any).  | 10 Business Days after closing date for further submissions |

1.1.3 CDO may give Notice of the amendment to such other interested parties as it considers fit. CDO shall give a copy of any such Notice to NZX.

1.1.4 CDO must consult with Depository Participants when proposing amendments to the Procedures that would result in the imposition of, in the reasonable opinion of CDO, materially more onerous obligations on Depository Participants generally.

1.1.5 Subject to Procedure 1.1.4, CDO may depart from the process set out in this Procedure.

- 5.8.1 *Where Income is paid by an Issuer in relation to any Borrowed Product on or by reference to an Income Payment Date falling before the redelivery by the Borrower of Equivalent Product in respect of that Borrowed Product, the Borrower shall on the date of the payment of such Income, (the “**Relevant Payment Date**”) pay to each Lender a sum of Money (“**Substitute Payment**”) equivalent to the amount that that Lender would have been entitled to receive (after any deduction, withholding or payment for or on account of any foreign withholding tax made by the relevant Issuer (or on its behalf) in respect of such Income) had such Borrowed Product not been lent to the Borrower and been held by the Lender on the Income Payment Date, irrespective of whether the Borrower received the same. A Borrower is required to comply with any requirements and pay any amounts, including in respect of applicable tax laws and regulations and directives, as specified by Procedure. - (a) if the quantity of Admitted Product in the Lending Pool is equal to the quantity of Admitted Product in the Borrowing Request or the Notice given by the Lender, CDO will select all that Admitted Product;
- (b) if the quantity of Admitted Product in the Lending Pool is greater than the quantity of Admitted Product in the Borrowing Request or in the Notice given by the Lender, then:

in the Borrowing Request or the Lender's Notice then all of that Depository Participant's Admitted Product in the Lending Pool will be selected and Admitted Product of the Depository Participant next in sequence will then be selected until sufficient Admitted Product has been selected to fulfil the Borrowing Request or the Lender's Notice.

## **5.5 Recall**

- 5.5.1 Notice may be given by a Lender recalling Equivalent Product for the purposes of Rule 5.4.1(c) by issuing a recall instruction entered through the Depository System or by giving a recall notice message [MT526]. Such notice will constitute a notice requesting recall of an amount of Equivalent Product of a particular class.
- 5.5.2 Notice may be given by a Borrower in accordance with Rule 5.4.1(e) by issuing a repayment request entered through the Depository System in respect of all or part of a particular loan.
- 5.5.3 Notice may be given by CHO recalling Equivalent Product for the purposes of Rule 5.4.1(c) or Rule 5.6.1(c)(iii) by giving a recall notice message [MT526]. CHO may give Notice for the purposes of Rule 5.4.1(c) in respect of all loans in respect of Equivalent Product of a particular class, in respect of some or all loans of a particular Borrower, or to some or all Equivalent Product for a particular loan. Without limitation, CHO's Notice may relate to the recall of Equivalent Product in respect of which there is a Corporate Action other than a cash distribution, interest payment, subdivision or bonus issue of Admitted Product (including Admitted Product of any class issued by any Issuer whether or not the Issuer of the bonus Admitted Product is the Issuer of the Admitted Product in respect of which the bonus Admitted product is issued).
- 5.5.4 If a Lender gives a Notice under Procedure 5.5.1 in respect of Equivalent Product and that Lender is party to more than one Lending Transaction relating to Equivalent Product of that class, and if there is insufficient Admitted Product in the Lending Pool to equal that required by the Lender and CDO is required to select the Borrower or Borrowers from whom Equivalent Product will be recalled under Rule 5.6.1(c)(ii), then CDO will select the Borrowers by reference to the date and time on which the Lending Transactions were first created, and in doing so CHO will first select the Borrowers in respect of the earliest date and the earliest time on a particular date.

## **5.6 Income**

- 5.6.1 Each Borrower is required to comply with the requirements in respect of tax for a Lending Transaction in this Procedure.

- 5.6.2 If an Imputation Credit or FDP Credit is attached to the Income in respect of the Substitute Payment, then the Borrower may:
- (a) attach Imputation Credits to the Substitute Payment; and/or
  - (b) issue a Credit Transfer Notice,
  - (c) and if so, the Borrower must provide to the Lender all necessary forms, certificates or confirmations, duly completed, to enable the Lender to utilise such Imputation Credits and/or FDP Credits available to the Borrower in respect of the Substitute Payment. This Procedure applies even if the Borrower is unable for any reason to attach an Imputation Credit to or issue a Credit Transfer Notice in respect of a Substitute Payment.
- 5.6.3 If the Borrower does not attach Imputation Credits or issue a Credit Transfer Notice in accordance with Procedure 5.6.2, equivalent to the aggregate of all Imputation Credits and FDP Credits (“**Credits**”) that were attached to the Income, then the Borrower must pay to the Lender, in addition to the Substitute Payment, an amount equal to the difference between the amount of Credits that were attached under Procedure 5.6.2 and the aggregate of all Credits that were attached to the Income.
- 5.6.4 If the Borrower is required to pay New Zealand tax in accordance with the Income Tax Act 2007 in respect of the Substitute Payment, the amount of the Substitute Payment is equal to the amount of the Income less the amount of New Zealand tax (including any FDP liability under the FDP Rules) that would be payable by the Lender, if the Lender had derived the Income.
- 5.6.5 Subject to Procedure 5.6.4, all payments by a Depository Participant under Rule 5.5 and these Procedures are to be made without any deduction or withholding for or on account of any taxes. If any deduction or withholding is required by law, then, if CDO so requires, the payer must pay such additional amount to ensure that the other party receives the full amount that the party would have received had no such deduction or withholding been required.
- 5.6.6 If the Borrower is required to make a Substitute Payment, the Borrower shall pay to the Commissioner of Inland Revenue of New Zealand (on or before the applicable payment date for the RWT) in respect of the Substitute Payment, the correct amount of RWT calculated in accordance with section RE 17 of the Income Tax Act 2007.
