Clearing and Settlement Rule Book

Section 1: Introduction and General Provisions

1.1 The Clearing House

1.1.1 The Clearing House and the Depository together form part of the Settlement System. CHO is the operator of the Clearing House and makes the Clearing House available for the following purposes:

- (a) to enable Clearing Participants to provide clearing and settlement services in relation to Transactions in Approved Products by assuming the obligations in relation to those Transactions;
- (b) to remove direct transaction counterparty risk for Transactions in Approved Products by the assumption, through novation, of those counterparty obligations by CHO;
- (c) to manage counterparty risk exposure, including by use of its own financial resources, rules governing capital adequacy and prudential practice, as well as imposing appropriate risk management techniques, including the requirement for calculation of Margin and provision of Collateral and Default Fund Payments;
- (d) to enable Clearing Participants and Lending Clearing Participants to meet obligations in relation to delivery of Approved Products and to exercise rights in relation to receipt of Approved Products;
- (e) to enable Clearing Participants and Lending Clearing Participants to meet obligations in relation to payment of moneys and exercise rights in relation to receipt of moneys; and
- (f) to provide any other services not inconsistent with these Rules.

1.1.2 CHO provides or makes available to Clearing Participants and Lending Clearing Participants, for a fee, services and facilities in the Clearing House, including:

- (a) electronic clearing and settlement of Transactions in Approved Products;

- (b) information and reports in relation to Settlement Transactions to Clearing Participants, Lending Clearing Participants and other Persons;
- (c) statistical and other information in relation to the operation of the Clearing House; and
- (d) such other services or facilities as specified from time to time in accordance with these Rules.

1.1.3 Nothing in these Rules limits in any way the services or facilities that are or may be provided or made available by CHO, whether through the Clearing House or otherwise.

1.2 Status of Rules

1.2.1 These Rules provide for:

- (a) the basis on which settlement instructions are given to Clearing Participants, Lending Clearing Participants and CHO;
- (b) the basis on which settlement obligations of CHO, Clearing Participants and Lending Clearing Participants are determined and calculated;
- (c) the basis on which settlements between Clearing Participants and CHO are effected (using netting);
- (d) the basis on which settlements between Lending Clearing Participants and CHO are effected; and
- (e) any action to be taken if a Clearing Participant or a Lending Clearing Participant is unable, or is likely to become unable, to meet that Clearing Participant's or Lending Clearing Participant's obligations to any or all of the following:
 - (i) CHO; and/or
 - (ii) any other party to these Rules; and/or
 - (iii) any other Person.

1.2.2 These Rules and any Procedure made in accordance with Rule 1.4 constitute a binding contract between CHO, each Clearing Participant, each Lending Clearing Participant and each Responsible Person. In agreeing to be bound by these Rules, CHO and each Clearing Participant (and its Responsible Person) and each Lending Clearing Participant (and its Responsible Person) agrees to be bound by the NZ Markets

Disciplinary Tribunal Rules in the manner provided for in these Rules with the effect that:

- (a) Clearing Participants and their Responsible Persons are bound by, and have the benefit of, all applicable NZ Markets Disciplinary Tribunal Rules; and
- (b) Lending Clearing Participants shall be bound by, and have the benefit of, NZ Markets Disciplinary Tribunal Rule 4.5 and all provisions of the NZ Markets Disciplinary Tribunal Rules necessary to give effect to that rule.

1.2.3 Any agreement entered into between Clearing Participants, Lending Clearing Participants or any of them pursuant to these Rules or the Procedures constitutes a binding contract between those Clearing Participants and/or Lending Clearing Participants, as the case may be, and is enforceable by CHO.

1.2.4 Nothing in these Rules or any Procedure, or in the status of Clearing Participants or Lending Clearing Participants, shall:

- (a) entitle a Clearing Participant, a Lending Clearing Participant or any other Person to take action (except as provided by Rule 1.2.4(e) and Rule 1.2.5) against any of CHO, CDO, Nominee, NZX, the operator of an NZX Market or the NZ Markets Disciplinary Tribunal, whether to challenge the right of CHO, CDO, Nominee, NZX, the operator of an NZX Market or the NZ Markets Disciplinary Tribunal to exercise or not exercise any of their respective powers under the Rules in such manner as it thinks fit, or for the consequences of any such exercise or non-exercise other than as expressly provided for in these Rules or the Procedures; or
- (b) limit or affect the rights of CHO or the NZ Markets Disciplinary Tribunal in respect of the Rules and in particular (but without limitation) the absolute discretion to make rulings and waivers and the right of CHO to amend (including replace, vary, remove or otherwise substitute) all or any of the Rules or the Procedures in the manner expressly provided for in these Rules and the Procedures; or
- (c) entitle any Person to prior notice (or any notice) of any exercise by CHO, CDO, Nominee, NZX, any operator of an NZX Market or the NZ Markets Disciplinary Tribunal of any power under, or in relation to these Rules or the Procedures, including in respect of CHO, notice of any ruling under these Rules in the manner provided for in these Rules or the Procedures (except as expressly required by these Rules or the Procedures); or

- (d) entitle any Person to pursue any proceedings to enforce any provision of the Rules which is the subject of a current ruling, other than on the basis of, and in accordance with, such ruling; or
- (e) confer or purport to confer, on any Person (other than CDO, Nominee, NZX, the operator of an NZX Market and the NZ Markets Disciplinary Tribunal) who is not a party to those Rules, a benefit under the Rules enforceable under Subpart 1 of Part 2 of the Contract and Commercial Law Act 2017, or create an obligation enforceable at the suit of the Person.

1.2.5 Those provisions in these Rules and any Procedures which specifically refer to any one or more of CDO, Nominee, NZX (including with respect to NZX, Rules 1.3, 1.4, 6.2, 6.14, 6.15, 8.4, and 8.7), the operator of any NZX Market or the NZ Markets Disciplinary Tribunal confer a benefit on such of those Persons referred to in those provisions and, subject to this Rule 1.2.5, are intended to be enforceable by each such Person by virtue of Subpart 1 of Part 2 of the Contract and Commercial Law Act 2017. Notwithstanding the foregoing, these Rules and any Procedures may be revoked, deleted or amended in any way and at any time in accordance with these Rules without consent of CDO (except as provided in Rule 1.3.3), Nominee, the operator of an NZX Market (other than, for the avoidance of doubt, NZX) or the NZ Markets Disciplinary Tribunal.

1.2.6 Each Clearing Participant and each Lending Clearing Participant acknowledges that in agreeing to be bound by the Rules and the Procedures pursuant to Rule 1.2, it is not relying upon any Pre-Contractual Statement that is not set out in the Rules or the Depository Rules. No Clearing Participant or Lending Clearing Participant shall have any right of action against CHO arising out of or in connection with any Pre-Contractual Statement except in the case of fraud or to the extent repeated in the Rules and the Depository Rules. For the purposes of this Rule 1.2.6, a “**Pre-Contractual Statement**” means any prior drafts, agreements, undertakings, representations, warranties, promises, assurances and arrangements of any nature whatsoever, whether or not in writing, relating to the Rules, the Procedures and the Depository Rules and Depository Operating Procedures.

1.2.7 CHO is not acting as a fiduciary for or adviser to any Clearing Participant or Lending Clearing Participant in respect of the Rules, the Procedures and/or any Settlement Transactions or Transactions.

1.3 Amendment of Rules

- 1.3.1 Subject to Rule 1.3.2 and Rule 1.3.3, CHO may, from time to time, amend these Rules in accordance with the Procedures. NZX may request that CHO amend the Rules by providing CHO with written notice of proposed amendments. CHO must amend the Rules as proposed by NZX from time to time in accordance with the Procedures except if such amendment would, in CHO's reasonable opinion, materially increase the risk to the Settlement System in respect of the clearing and settlement of Settlement Transactions. Amendments to these Rules come into effect and are binding on CHO, Clearing Participants and Lending Clearing Participants on the date specified by CHO by Notice, provided that:
- (a) the date specified is no less than 20 Business Days after CHO has sent Notice of the amendment to Clearing Participants and Lending Clearing Participants; and
 - (b) the proposed amendment is not disallowed under the BPS Act.
- 1.3.2 CHO may not amend this Rule 1.3 nor any of Rules 1.4, 6.2, 6.14, 6.15, 8.4 and 8.7 without the prior written consent of NZX. CHO must give NZX notice of any proposed amendments to the Rules. CHO may not make any amendments to any of the other Rules without the prior written consent of NZX, such consent not to be withheld by NZX if, in CHO's reasonable opinion, failure to make such amendments would materially increase the risk to the Settlement System in respect of the clearing and settlement of Settlement Transactions.
- 1.3.3 CHO may not amend this Rule 1.3, nor any of Rules 4.2.7(c), 4.2.12(a), or 4.2.21(a) without the prior written consent of CDO.
- 1.4 Procedures**
- 1.4.1 CHO may, from time to time, with the prior written approval of NZX, prepare and approve written Procedures under these Rules relating to the operation of the Clearing House and the activities of CHO, Clearing Participants and Lending Clearing Participants. CHO may not amend Procedures 1.1, 6.1 and 6.2 without the prior written consent of NZX. NZX may not withhold its consent to amendments to any other Procedure if, in CHO's reasonable opinion, failure to make those amendments would materially increase the risk to the Settlement System in respect of the clearing and settlement of Settlement Transactions.
- 1.4.2 NZX may at any time request that CHO amend the Procedures by providing CHO with written notice of proposed amendments. CHO must amend the Procedures as proposed by NZX from time to time, except if such amendments would, in CHO's reasonable opinion, materially increase the risk to the Settlement

System in respect of the clearing and settlement of Settlement Transactions.

1.4.3 If there is any inconsistency between any Rule and any Procedure, the Rules will prevail.

1.4.4 The Procedures do not form part of the Rules. However, if a Rule requires a Person to comply with any part of the Procedures, failure by the Person to comply with that part of the Procedures is a contravention of that Rule.

1.5 Effect of Amendment

1.5.1 Unless expressly stated otherwise, where a Rule or Procedure is amended, deleted or lapses or otherwise ceases to have effect, that circumstance does not:

- (a) revive anything not in force or existing at the time at which that circumstance takes effect;
- (b) affect the previous operation of that Rule or Procedure or anything done under that Rule or Procedure;
- (c) affect any right, privilege, obligation or liability acquired, accrued or incurred under that Rule or Procedure;
- (d) affect any penalty, forfeiture, suspension, termination or disciplinary action taken or incurred in respect of that Rule or Procedure (including in respect of any contravention of that Rule or Procedure); or
- (e) affect any investigation, disciplinary proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture, suspension, termination or disciplinary action, in respect of that Rule or Procedure (including in respect of any contravention of that Rule or Procedure),

and any such investigation, disciplinary proceeding or remedy may be instituted, continued or enforced, and any such penalty, forfeiture, suspension, termination or disciplinary action may be imposed as if the circumstance had not taken effect.

- (c) is otherwise entitled to exercise a degree of control over a Clearing Participant which effectively confers upon that Person the powers and responsibilities of a Responsible Person,

to be a Responsible Person.

2.13.6 CHO may (in its absolute discretion) withdraw its approval for an individual to be the Responsible Person for a Clearing Participant or Lending Clearing Participant, by Notice to the Clearing Participant or Lending Clearing Participant, for any reason whatsoever, including if:

- (a) CHO considers that:
 - (i) the Responsible Person no longer satisfies any of the requirements set out in Rule 2.13.2;
 - (ii) the Responsible Person fails to comply with the obligations set out in the Rules, including Rule 2.13.4; or
 - (iii) the continuation of that individual as the Responsible Person for the Clearing Participant or Lending Clearing Participant will be detrimental, or reasonably likely to be detrimental, to the wellbeing, proper conduct, stability or integrity of the Clearing House or the clearing and settlement of Settlement Transactions; or
- (b) the Clearing Participant or Lending Clearing Participant is, or is to be, Suspended under Rule 7.12 or terminated under Rule 7.14.

2.13.7 Where a Responsible Person of a Clearing Participant or Lending Clearing Participant fails to comply with the obligations set out in the Rules or Procedures, that Clearing Participant or

Lending Clearing Participant will also have contravened the Rules.

2.14 C&S Agreements

2.14.1 Each General Clearing Participant and Default Clearing Participant must enter into and maintain a C&S Agreement with each Person for whom it will provide clearing and settlement services. Each General Clearing Participant, and each Default Clearing Participant, must notify CHO in writing of:

- (a) each C&S Agreement it enters into and the terms and conditions of that agreement; and/or
- (b) each C&S Agreement it terminates or does not renew on expiry.

2.14.2 A C&S Agreement must provide for the matters prescribed by Procedure. A C&S Agreement may include such other terms and conditions that are not inconsistent with the Rules or the matters prescribed by Procedure. If any such inconsistency exists, the Rules and the matters prescribed by Procedure will prevail.

Procedure 2.37

2.14.3 A C&S Agreement must contain provisions to the effect that:

- (a) The Customer and the Clearing Participant agree that the terms of their relationship in respect of Transactions and any dealings between them concerning Approved Products are subject to, and that they are bound by, the Securities Legislation and the Rules in so far as they apply to Transactions.
- (b) The Customer and the Clearing Participant:
 - (i) acknowledge that at the time specified by Rule 3.3.2, every Transaction subject to clearing on the Clearing House will be novated in accordance with Rule 3.3 and the Clearing Participant will become principal in the resulting Settlement Transaction and take on all of the delivery and settlement obligations for that Settlement Transaction; and
 - (ii) agree to the novation to the full extent required by law.
- (c) The Customer acknowledges and agrees that:
 - (i) any benefit or right obtained by a Clearing Participant or any other legal result, upon novation of Transactions in accordance with

Rule 3.3, is personal to the Clearing Participant and the benefit of that benefit, right or legal results does not pass to the Customer. The Customer has no rights, whether by way of subrogation, or otherwise, against CHO in relation to any Transaction novated in accordance with Rule 3.3;

- (ii) the liability of CHO and/or any Affected Persons to any Person (including the Customer) is limited or excluded by, and subject to, the provisions of Rule 8.1;
 - (iii) the liability of any Affected Persons (as defined pursuant to Rule 9.5 of the Depository Rules) to any Person (including the Customer) is limited by, and subject to, the provisions of Rule 9.1 of the Depository Rules;
 - (iv) the Customer shall ensure that each client agreement entered into between the Customer and its clients includes such disclosures, statements and other provisions as are required by the rules of the NZX Market to be included in the client agreement in relation to clearing and settlement of Transactions for the client, including a statement that the client acknowledges and agrees that the liability of CHO and/or any Affected Persons to any Person (including the client) is limited or excluded by, and subject to, the provisions of Rule 8.1 and a statement that the client acknowledges and agrees that every Transaction subject to clearing on the Clearing House will be novated in accordance with the Rules; and
 - (v) it shall provide the Clearing Participant with such information as CHO may request in writing to the Clearing Participant.
- (d) In respect of a Transaction to be cleared and settled in accordance with the Rules, the Clearing Participant has and shall have, at all times, the full and exclusive rights, power and authority to act in all of its activities with CHO to the exclusion of any other Person (including any client or other Person on behalf of whom the Customer is acting), including full authority to bind the original party to the Transaction to these Rules and authorise the dealing of

that Person's Admitted Product in the Depository in accordance with these Rules.

- (e) The Clearing Participant and the Customer irrevocably and severally appoint CHO, and every Director or Personnel for the time being of CHO, at the option of CHO to do all acts and execute all documents on the Clearing Participant's or the Customer's behalf for the purpose of exercising the powers conferred on CHO under the Rules including the power to sell or buy Approved Products, or to give-up, take-up, dispose of, close out or otherwise acquire Settlement Transactions.
- (f) The Customer and the Clearing Participant acknowledge that to the extent that there are any inconsistencies between the C&S Agreement and the Rules, (whether arising because of amendment to the Rules or otherwise) the Rules will prevail and apply as if the Customer and the Clearing Participant had agreed and entered into an agreement consistent with the Rules.
- (g) Other than amendments that are not material (e.g. pricing changes, minor typographical errors, etc) a Clearing Participant must notify CHO in writing of any proposed amendments to a C&S Agreement to which they are a party at least 10 Business Days before the amendment becomes effective.
- (h) The Customer and the Clearing Participant agree that they will make (at their own cost) any amendments to the C&S Agreement as may reasonably be required from time to time by CHO.
- (i) The Clearing Participant remains responsible for discharging its obligations under Settlement Transactions resulting from Transactions entered into by the Customer notwithstanding the termination of its C&S Agreement.
- (j) If a Clearing Participant intends to terminate its C&S Agreement with a Trading Participant, the Clearing Participant must notify CHO in writing of the time and date when this will occur.
- (k) The effect of any purported termination of a C&S Agreement shall be subject to the rules of any NZX Market in respect of which the Clearing Participant provides clearing and settlement services under the C&S Agreement.
- (l) The termination of a C&S Agreement is not effective until CHO accepts the termination in writing. In deciding

whether to accept a termination, CHO may have regard to whether:

- (i) the operator of any relevant NZX Market has been informed of the proposed termination;
 - (ii) the Customer is suspended by the operator of any relevant NZX Market and all orders of the Customer are removed from the NZX Market;
 - (iii) the Customer has become a Clearing Participant;
 - (iv) the Customer has entered into a C&S Agreement with another Clearing Participant; and
 - (v) appropriate arrangements have been made for the settlement, close out or give-up take-up of any Settlement Transactions of the Clearing Participant in relation to the Customer.
- (m) Unless alternative arrangements have been made for the settlement, close out or give-up take-up of any Settlement Transactions of the Clearing Participant in relation to the Customer, the Clearing Participant continues to have the obligation for Settlement Transactions resulting from Transactions entered into by the Customer prior to the termination of the C&S Agreement.
- (n) The Customer must, by the time specified in the C&S Agreement (which may be no later than 48 hours after the request for payment), or, if the C&S Agreement does not specify the time, within 24 hours after the request for payment:
- (i) pay to the Clearing Participant any amounts which the Clearing Participant asks the Customer to pay under Rule 3.17.1; or
 - (ii) provide security for those amounts which is acceptable to the Clearing Participant.

2.14.4 In relation to a Clearing Participant providing clearing and settlement services to a Customer, the Clearing Participant and Customer are bound by each term set out in Rule 2.14.3, whether or not that term is actually incorporated in a C&S Agreement with that Customer.

2.14.5 CHO may request that a Clearing Participant who enters into a C&S Agreement in accordance with this Rule 2.14 provide a legal opinion, from lawyers acceptable to CHO and at the

Clearing Participant's expense, that a C&S Agreement complies with the requirements of Rules 2.14.2 and 2.14.3.

- 2.14.6 CHO may publish to any other Clearing Participant such details provided to it under Rule 2.14.1 as it believes necessary to ensure all Clearing Participants are aware of the Persons for whom each Clearing Participant provides clearing and settlement services.

2.15 Unencumbered Funds and Products

- 2.15.1 All:

- (a) amounts transferred to a Payment Account, Account (including a Settlement Account), Default Fund Account or Money Collateral Account; or
- (b) Approved Product transferred to an Account (including a Settlement Account) or a Product Collateral Account,

by or on behalf of a Clearing Participant or Lending Clearing Participant must be transferred free and clear of any interest (including any Security Interest) whatsoever.

- 2.15.2 Any obligation on the part of a Clearing Participant or Lending Clearing Participant to make provision for or to protect the interests of, any other Person, including Customers of the Clearing Participant or Persons on whose behalf Customers of the Clearing Participant may be acting, must be satisfied by or against other assets of the Clearing Participant.

2.16 Segregation

- 2.16.1 A Clearing Participant may, by Notice to CHO, apply to CHO for approval to segregate Transactions being cleared and settled by the Clearing Participant on the Clearing House into two or more Settlement Accounts.

- 2.16.2 An operator of an NZX Market may, by Notice to CHO, apply to CHO for approval to segregate Transactions to be cleared and settled on the Clearing House into two or more Settlement Accounts for each Clearing Participant.

- 2.16.3 CHO may, in its absolute discretion, and without giving any reason, make a decision to either accept or decline an application for segregation under Rule 2.16.1 or Rule 2.16.2, and may accept an application subject to any terms and conditions as CHO in its absolute discretion determines. Acceptance or otherwise of the application for segregation will be notified to the Clearing Participant or the operator of an NZX Market (as the case may be) by Notice.

- 2.16.4 CHO may, by Notice, require any Clearing Participant to segregate Transactions cleared and settled by the Clearing Participant on the Clearing House into two or more Settlement Accounts.
- 2.16.5 A Clearing Participant must open and maintain in the Depository such number of Settlement Accounts as are necessary in order to enable recording and settlement of Settlement Transactions on a segregated basis.
- 2.16.6 CHO must record Settlement Transactions against Settlement Accounts in accordance with instructions received in respect of the relevant Transaction.
- 2.16.7 A Clearing Participant may apply to CHO to have the record of a Settlement Transaction transferred from one of its Settlement Accounts to another of its Settlement Accounts. CHO may in its absolute discretion, and without giving any reason, either accept or decline an application for transfer of a Settlement Transaction under this Rule.
- 2.16.8 A Clearing Participant remains, in accordance with the terms and conditions of these Rules, responsible for, and liable to CHO in respect of, all Transactions in respect of which that Clearing Participant is the Clearing Participant which are cleared and settled on the Clearing House, notwithstanding the segregation of such Transactions into two or more Settlement Accounts of the Clearing Participant.
- 2.16.9 Except where Rule 2.16.10 applies, CHO may not apply or set-off any Collateral or proceeds thereof recorded against a Customer Account towards payment for or in satisfaction of a Clearing Participant's obligations to CHO in respect of any Settlement Transactions recorded against that Clearing Participant's House Account.
- 2.16.10 If a Clearing Participant becomes Insolvent, CHO may only apply or set-off any Collateral (or proceeds thereof) recorded against a Customer Account in or towards payment or satisfaction of a Clearing Participant's obligations to CHO in respect of any Settlement Transactions recorded against that Clearing Participant's House Account if (and only to the extent that) the liquidator confirms in writing in terms satisfactory to CHO that;
- (a) the liquidator will pay an amount equal to the amount that is to be applied or set-off into an account held for Customers of the Clearing Participant; and
 - (b) the liquidator will either distribute that amount to Customers of the Clearing Participant or apply that amount

to discharge liabilities that Customers owe to the Clearing Participant.

Section 3: Clearing

3.1 Transactions for Clearing

3.1.1 **Mandatory Transactions:** Subject to Rule 3.2, all Mandatory Transactions are automatically subject to clearing and settlement on the Clearing House in accordance with these Rules.

3.1.2 **Discretionary Transactions:** Subject to Rule 3.2, a Discretionary Transaction may be submitted for clearing and settlement on the Clearing House in accordance with these Rules by:

- (a) both Trading Participants reporting or confirming the Transaction to the operator of an NZX Market in accordance with arrangements for the reporting or confirmation of Discretionary Transactions; or
- (b) the Clearing Participants providing clearing and settlement services to both parties to the Transaction assenting (in accordance with the relevant Procedure) to clearing and settlement of the Discretionary Transaction on the Clearing House, and

Procedure 3.1

a Discretionary Transaction will become subject to clearing and settlement on the Clearing House if and when CHO gives notice of acceptance in accordance with Procedure. The submission of a Discretionary Transaction in accordance with this Rule 3.1.2 for clearing and settlement on the Clearing House is irrevocable and a Clearing Participant may not withdraw a Discretionary Transaction from the Clearing House after acceptance by CHO, except by cancellation in accordance with Rule 3.10.2.

Procedure 3.2

3.1.3 CHO will ensure that it makes and maintains arrangements with the operator of each NZX Market so that, immediately upon the creation of a Mandatory Transaction or the reporting or confirmation of a Discretionary Transaction, the operator of that NZX Market will notify CHO of the Transaction and the Clearing Participants to whom the Transaction will be novated pursuant to Rule 3.3.

3.1.4 **Lending Transactions:** Subject to Rule 3.2, all Lending Transactions are automatically subject to clearing and settlement on the Clearing House in accordance with the Rules. CHO will ensure that it makes and maintains arrangements with CDO so that, immediately upon the creation of a Lending

Transaction under the Depository Rules, CDO will notify CHO of the Lending Transaction and the Clearing Participants or Lending Clearing Participant to whom the Transaction will be novated pursuant to Rule 3.3.

3.1.5 Instruction to clear and settle: Any Mandatory Transaction, Discretionary Transaction or Lending Transaction that is subject to clearing and settlement on the Clearing House in accordance with these Rules constitutes an irrevocable instruction by each Clearing Participant and each Lending Clearing Participant to CHO to clear and settle the Transaction in accordance with the Rules and (except in the case of a Lending Transaction), without reference to the original parties to the Transaction.

3.1.6 Recording of Transactions: Transactions to be cleared and settled on the Clearing House (other than Lending Transactions) shall be recorded against the Settlement Account of each of the Clearing Participants providing clearing and settlement services to the parties to the Transaction. Where CHO has approved or required the segregation of Transactions being cleared and settled by a Clearing Participant under Rule 2.16, Transactions shall be recorded against the Settlement Accounts established by the Clearing Participant for the purposes of the settlement of the Transactions of that type. A Settlement Transaction arising from a Lending Transaction will be recorded against the Account of the Borrower against which a Borrowing Request is made (or if CHO is the Borrower, against CHO's Settlement Account) and against the Account of the Lender or Accounts of the Lenders in which Admitted Product available to lend is held.

3.1.7 CHO will notify each Clearing Participant in accordance with Procedure of each Settlement Transaction recorded against a Settlement Account or Account of that Clearing Participant.

Procedure 3.1.3

3.2 Position Limits

3.2.1 CHO may prescribe by Procedure or by Notice limits on Transactions which will be accepted for clearing and settlement on the Clearing House.

Procedure 3.2

3.2.2 CHO may prescribe limits under Rule 3.2.1:

- (a) that apply to a Clearing Participant or Clearing Participants or class of Clearing Participant generally; and/or
- (b) that apply to a Lending Clearing Participant or Lending Clearing Participants or a class of Lending Clearing Participants generally; and/or
- (c) that apply to a specified Settlement Account or Account; and/or

- (d) on the number of Transactions, the number of Transactions in a particular class or classes of Transactions to be accepted for clearing and settlement on the Clearing House as determined by CHO.

Procedure 3.2

3.2.3 Initial Margin Limits: CHO may prescribe by Procedure or by Notice a limit on the amount of exposure a Clearing Participant or Lending Clearing Participant may have by limiting the total aggregate amount of Initial Margin liability that the Clearing Participant or Lending Clearing Participant is permitted to have, including, in the case of a Clearing Participant, in respect of one or more NZX Markets. A limit may be imposed in respect of a Clearing Participant, Lending Clearing Participant or Clearing Participants or a class of Clearing Participants or Lending Clearing Participants generally.

3.2.4 Positions in Excess of Limits: If CHO determines that a Clearing Participant or Lending Clearing Participant has exceeded or is likely to exceed a limit imposed under Rule 3.2.2 or 3.2.3, CHO may:

- (a) direct the Clearing Participant to make application under Rule 3.6.1 to novate a Settlement Transaction other than a Settlement Transaction arising from a Lending Transaction to another Clearing Participant; and or
- (b) direct the Clearing Participant to make application under Rule 3.7.1 to set-off Settlement Transactions; and/or
- (c) terminate any Settlement Transaction; and/or
- (d) refuse to accept any Transaction for clearing and settlement on the Clearing House; and/or
- (e) recalculate any amount of Additional Margin; and/or
- (f) take or refrain from taking any action CHO considers is appropriate in the circumstances.

3.3 Novation of Terms

3.3.1 CHO will act as the central counterparty to a Transaction subject to clearing on the Clearing House and will undertake settlement of that Transaction.

3.3.2 Rule 3.3.3 will take effect in respect of a Transaction (other than a Lending Transaction):

- (a) in the case of a Mandatory Transaction, immediately upon entry into the Transaction under the rules of the relevant NZX Market; and

- (b) in the case of a Discretionary Transaction, immediately upon notice of acceptance of the Transaction for clearing and settlement on the Clearing House by CHO in accordance with Rule 3.1.2.

3.3.3 Upon this Rule 3.3.3 becoming effective in respect of a Transaction, the Clearing and Settlement Terms of the Transaction are cancelled and replaced by two separate and independent Settlement Transactions comprising:

- (a) a Settlement Transaction between the buyer's Clearing Participant in substitution for the buyer in respect of the Transaction and CHO in substitution for the seller in respect of the Transaction; and
- (b) a Settlement Transaction between the seller's Clearing Participant in substitution for the seller in respect of the Transaction and CHO in substitution for the buyer in respect of the Transaction.

3.3.4 The terms of a Settlement Transaction arising in respect of a Transaction (other than a Settlement Transaction arising from a Lending Transaction) will be identical to the Clearing and Settlement Terms of that Transaction except:

- (a) the parties thereto will be substituted for the new parties identified in Rule 3.3.3;
- (b) the new parties identified in Rule 3.3.3 will, for the purpose of the Rules and the Procedures, be deemed to be acting as principal and not as agent (notwithstanding an original buyer or seller under the relevant Transaction may have been acting as agent); and
- (c) CHO may terminate the Settlement Transaction as provided in Rule 3.2.4(c); and
- (d) as provided in Rule 3.4.

3.3.5 Upon entry into a Mandatory Transaction or submission of a Discretionary Transaction for clearing and settlement on the Clearing House:

- (a) the buyer and seller in respect of the Transaction, the buyer and seller in respect of the Settlement Transactions that replace that Transaction and CHO are deemed to have agreed to effect the novation of terms referred to, and in the manner described, in this Rule 3.3;
- (b) each of the parties referred to in Rule 3.3.5(a), other than CHO, are deemed to have agreed to the provisions

required to be included in a C&S Agreement set out in Rule 2.14.3.

- 3.3.6 Where Rule 3.3.3 would result in the obligations of both parties to a Transaction being novated to one Clearing Participant because either:
- (a) the Clearing Participant is the Clearing Participant for the buyer and the seller; or
 - (b) the Clearing Participant is a buyer or seller in respect of the Transaction,

no form of merger or extinguishment will occur and the obligations under the respective Settlement Transactions will continue to subsist in such a way as to be regarded for the purposes of the Rules as separately existing obligations of the Clearing Participant.

- 3.3.7 **Novation of Lending Transactions:** Rule 3.3.8 will take effect in respect of a Lending Transaction immediately upon creation of that Lending Transaction under the Depository Rules, provided that Rule 3.3.8 will not apply in respect of a Lending Transaction to which CHO is a party as a result of it exercising its powers under Rule 4.3.1(c), Rule 4.3.3(b) or Rule 7.4.1(h), which will instead be deemed to be a Settlement Transaction upon creation of that Lending Transaction under the Depository Rules.

- 3.3.8 Upon this Rule becoming effective in respect of a Lending Transaction, the Clearing and Settlement Terms of the Transaction are cancelled and replaced by two separate and independent Settlement Transactions comprising:
- (a) a Settlement Transaction between the Lending Clearing Participant or Clearing Participant who is the Borrower and CHO, in substitution for the Lender or Lenders in respect of the Lending Transaction; and
 - (b) a Settlement Transaction between every Lending Clearing Participant or Clearing Participant who is a Lender in respect of the Lending Transaction and CHO, in substitution for the Borrower.

- 3.3.9 Each separate Settlement Transaction arising from a Lending Transaction will be identical to the Clearing and Settlement Terms of the original Lending Transaction (including the terms set out in Depository Rules 5.6 and 5.7) except that:
- (a) the parties thereto will be substituted for the new parties identified in Rule 3.3.8;

- (b) CHO may terminate the Settlement Transaction and call for redelivery of Equivalent Product or redeliver Equivalent Product at any time in its absolute discretion (including as provided in Rule 3.2.4(c)); and
- (c) as provided in Rule 3.4.

3.4 Terms of Settlement Transactions

- 3.4.1 In addition to the terms described in Rule 3.3.4, Rule 3.3.9, and this Rule 3.4 and notwithstanding any other provision in the relevant Settlement Transaction, each Settlement Transaction will incorporate the provisions set out in Rules 8.1, 8.2, 8.3 and 8.4 and will be subject to the Rules as they apply to that Settlement Transaction.
- 3.4.2 Without limiting Rule 3.4.1, the rights and obligations of a Clearing Participant under a Settlement Transaction arising from a Futures Contract will include an obligation to pay Variation Margin to CHO calculated under Rule 3.8.2(b), and a right to receive Variation Margin from CHO under Rule 3.8.2(a).
- 3.4.3 Each Settlement Transaction has effect and is valid and enforceable in accordance with its terms as established by these Rules, regardless of the efficacy, validity or enforceability of the Transaction from which the Settlement Transaction results or any other cause whatsoever.
- 3.4.4 A Clearing Participant or Lending Clearing Participant may not bring any claim or proceedings to invalidate or render void, or that has the effect or intent, either partial or otherwise of invalidating or avoiding, any Settlement Transaction, or its obligations in connection with a Settlement Transaction.
- 3.4.5 CHO is entitled to rely conclusively upon the accuracy of the particulars of Transactions transmitted to it by any NZX Market or provided to it by parties to a Transaction and is not bound to recognise or act on any actual or alleged error or omission in relation to such particulars.

3.5 Exercise of Options

- 3.5.1 The exercise by a Clearing Participant of its rights under a Settlement Transaction that arises from an Option must be notified to CHO in the manner prescribed by Procedure. If a Clearing Participant submits a notice of exercise under this Rule, the Clearing Participant may only amend or withdraw that exercise notice prior to the time, and in the manner, prescribed by Procedure. A Procedure may provide that in the absence of instructions from the Clearing Participant to the contrary, CHO may, on behalf of the Clearing Participant, exercise any rights of

Procedures 3.3-3.4

the Clearing Participant under the Settlement Transaction that arises from an Option prior to expiry of the Option. The method for final exercise of a Settlement Transaction that arises from an Option shall be specified by Procedure.

- 3.5.2 For each Settlement Transaction arising from an Option exercised by or on behalf of a Clearing Participant under this Rule 3.5, CHO may exercise its rights as buyer under one or more Settlement Transactions arising from Options, which are (when aggregated) identical in all aspects (but for price and contract date) to the Option exercised by or on behalf of the Clearing Participant. Such Settlement Transactions will be selected by CHO at random, or in such other manner as determined by CHO. CHO must notify the Clearing Participant who is the seller of an Option if CHO exercises its rights under that Option.
- 3.5.3 The rights of a Clearing Participant or CHO under a Settlement Transaction that arises from an Option, which have not been exercised in accordance with Rule 3.5.1 or Rule 3.5.2 by the last time permitted in accordance with the terms of such Option are deemed to have expired.
- 3.5.4 If CHO or a Clearing Participant who is a party to a Settlement Transaction that arises from an Option, exercises its rights in accordance with Rules 3.5.1 or 3.5.2 then, subject to Rule 3.5.6, a new Settlement Transaction comes into existence on terms determined in accordance with the Settlement Transaction exercised under Rule 3.5.1 or Rule 3.5.2 and:
- (a) in the case of a Call exercised by the Clearing Participant, the buyer to that Settlement Transaction will be the Clearing Participant and the seller will be CHO;
 - (b) in the case of a Put exercised by the Clearing Participant, the seller to that Settlement Transaction will be the Clearing Participant and the buyer will be CHO;
 - (c) in the case of a Call exercised by CHO, the buyer to that Settlement Transaction will be CHO and the seller will be the Clearing Participant; and
 - (d) in the case of a Put exercised by CHO, the seller to that Settlement Transaction will be CHO and the buyer will be the Clearing Participant.
- 3.5.5 All of the Rules apply to a Settlement Transaction created under Rule 3.5.4 and without limitation, a Clearing Participant who is party to a Settlement Transaction created in accordance with Rule 3.5.4 must immediately provide, in accordance with the terms of that Settlement Transaction, Eligible Collateral in

respect of Initial Margin calculated under Rule 3.11 and Additional Margin (if any) calculated under Rule 3.16 in relation to the Settlement Transaction, and thereafter the terms of rights and obligations in respect of that Settlement Transaction determined in accordance with Rule 3.3 and Rule 3.4 in the same manner as if the Settlement Transaction arose directly from novation of a Transaction under Rule 3.3.

- 3.5.6 **Cash Settled Options:** If CHO or a Clearing Participant who is party to a Settlement Transaction arising from a cash-settled Option exercises its rights in accordance with Rules 3.5.1 or 3.5.2, settlement will be effected by payment of the Final Settlement Amount.

3.6 Give-up & Take-up Transactions

- 3.6.1 A Clearing Participant may apply to CHO for the rights and obligations of that Clearing Participant under a Settlement Transaction arising from a Derivatives Contract to be novated in full to another Clearing Participant by notification to CHO in the form and in the manner prescribed by Procedure.

Procedure 3.5

- 3.6.2 CHO may, after receipt of confirmation of acceptance from the proposed Transferee given in accordance with Procedure, in its absolute discretion, and without giving any reason, either accept or decline an application for novation of a Settlement Transaction under Rule 3.6.1, and may accept the application subject to any terms and conditions as CHO in its absolute discretion determines. Acceptance or otherwise of the application for novation will be notified to the Transferor and Transferee in the manner prescribed by Procedure. Upon notification of acceptance of an application for novation in accordance with the Procedure, the Settlement Transaction is cancelled and replaced by a separate and independent Settlement Transaction on identical terms between the Transferee and CHO. Subject to Rule 3.6.3, the rights and obligations of the Transferee will entirely supersede and replace the rights and obligations of the Transferor with respect to the relevant Settlement Transaction.

Procedure 3.5 and 3.6

- 3.6.3 No novation may be made in accordance with Rule 3.6.2 if a Credit Event has occurred in relation to the Transferee, or will occur as a result of the novation, regardless of whether CHO has accepted the application for novation. In those circumstances the purported novation will be ineffective, and the rights and obligations of the Transferor under a Settlement Transaction will remain in full force and effect.

3.7 Match-Out or Set-Off of Settlement Transactions

3.7.1 A Clearing Participant who is buyer to one or more Settlement Transactions that result from Derivatives Contracts and a Clearing Participant that is a seller (who may be the same Clearing Participant as the buyer) to one or more other Settlement Transactions that result from Derivatives Contracts the terms of which, when aggregated, are identical in all respects other than price and contract date, may apply to CHO in the form and in the manner prescribed by Procedure and for its rights and obligations under those Settlement Transactions to be set-off.

3.7.2 CHO may in its absolute discretion, and without giving any reason, make a decision to either accept or decline an application for set-off of Settlement Transactions under Rule 3.7.1.

3.7.3 CHO may accept the application subject to any terms and conditions as CHO in its absolute discretion determines.

3.7.4 Acceptance or otherwise of an application for set-off will be notified to the Clearing Participant in the manner prescribed by Procedure.

3.7.5 Upon acceptance of an application for set-off, CHO will adjust the record of the Settlement Transactions against the Accounts of the Clearing Participant or Clearing Participants.

3.7.6 If a buyer or seller in respect of a Derivatives Contract marks that Derivatives Contract for match-out with a Settlement Transaction or Settlement Transactions arising from Derivatives Contracts with identical terms (except for price and contract date) to which the buyer's or seller's Clearing Participant is, respectively, a seller or buyer, and if the Settlement Transactions are all recorded against the same Settlement Account then, upon novation of that Derivatives Contract to CHO, CHO will set-off the resulting Settlement Transaction against the other Settlement Transaction(s) and adjust the record of the relevant Settlement Transactions against the Accounts of the relevant Clearing Participants accordingly.

3.7.7 The rights and obligations under each Migrating Settlement Transaction will be set off in accordance with the following procedure:

- (a) CHO will identify the Migrating Settlement Transactions following the close of the Business Day immediately prior to the Migration Date;
- (b) the rights and obligations under each Migrating Settlement Transaction will be set off as between CHO as buyer/seller, on the one hand, and the Clearing Participants collectively as seller/buyer, on the other hand

(the “**Migration Set-Off**”) — the result of which being that, in economic terms, a Clearing Participant who is buyer/seller to a Migrating Settlement Transaction will have its rights and obligations under that transaction set off against one or more other Migrating Settlement Transactions, the terms of which, when aggregated, are identical in all respects other than price and contract date, of a Clearing Participant that is a seller/buyer (who may be the same Clearing Participant as the buyer/seller);

- (c) CHO or NZX will, as the agent of each Clearing Participant, instruct SGX-DC to create one or more open positions on the derivatives market operated by SGX-DT with an SGX-DC clearing participant, on behalf of that Clearing Participant, that replicate the terms of all the Migrating Settlement Transactions of that Clearing Participant to the maximum extent reasonably practicable (but subject to paragraph (d) below) (each, an “**Equivalent SGX Settlement Transaction**”);
- (d) in the case of a Migrating Settlement Transaction that results from an MKP Option, the corresponding Equivalent SGX Settlement Transaction’s contract specifications will specify a European style exercise rather than an American style exercise;
- (e) the effective time of the Migration Set-Off will be the time on the Migration Date at which CHO or NZX receives notice in writing from SGX-DC confirming that SGX-DC has created the Equivalent SGX Settlement Transactions;
- (f) CHO will adjust the record of the Migrating Settlement Transactions against the Accounts of the relevant Clearing Participants to reflect the Migration Set-Off; and
- (g) for the purposes of Part 5C of the BPS Act:
 - (i) each of the Migration Set-Off and the instruction to SGX-DC to create the Equivalent SGX Settlement Transactions is an act that discharges an obligation to make a payment or transfer the title to, or an interest in, property in accordance with these Rules for the purposes of paragraph (b) of the definition of “settlement” in section 156M of the BPS Act; and
 - (ii) the Migration Set-Off constitutes “netting” as defined in section 156M of the BPS Act.

3.7.8 If, for whatever reason (including, without limitation, the failure by SGX-DC to provide the notice referred to in Rule 3.7.7(e)),

the Migration Set-Off does not occur on the scheduled Migration Date:

- (a) the Migrating Settlement Transactions will, subject to paragraph (b), continue to be subject to these Rules as if Rule 3.7.7 did not exist; and
- (b) the Migration will take place on an alternative Migration Date as notified by NZX in a Notice to Clearing Participants given on or after the scheduled Migration Date, but otherwise in accordance with Rule 3.7.7.

For the avoidance of doubt, this Rule 3.7.8 may operate in respect of successive alternative Migration Dates.

3.8 Calculation of Variation Margin on Futures Contracts

3.8.1 At the close of each Business Day CHO will calculate Variation Margin in respect of each Settlement Transaction arising from Futures Contracts in accordance with the Procedures. For the avoidance of doubt, for the purposes of this Rule 3.8.1 and a “Migrating Settlement Transaction”, “Business Day” excludes the day immediately prior to the Migration Date.

Procedure
3.11.10.

3.8.2 Upon calculation of Variation Margin in accordance with Rule 3.8.1, CHO will attribute the daily profit and loss amounts as follows:

- (a) any profit attributable to a Settlement Transaction will be an amount payable by CHO to a Clearing Participant; and
- (b) any loss attributable to a Settlement Transaction will be an amount payable by a Clearing Participant to CHO.

3.8.3 Daily profit and loss amounts calculated under Rule 3.8.2 are netted under Rule 3.9.4(b) and settled under Rule 4.1.2(b).

3.9 Netting

3.9.1 Settlement Transactions arising from Commodity

Transactions: Continuously on each Business Day, CHO will net the gross obligations and entitlements of each Clearing Participant in respect of Settlement Transactions arising from Commodity Transactions recorded against each Settlement Account. For each Settlement Account of every Clearing Participant and each Settlement Day a Net Open Position will be continuously calculated by CHO in accordance with this Rule; and

- (a) the total of all amounts in a particular currency that a Clearing Participant is required to pay CHO on a Settlement Day will be set-off against the total of all amounts in a particular currency that the Clearing

Participant is entitled to receive from CHO on that Settlement Day; and

- (b) the total quantity of Approved Product of a particular class to be delivered by the Clearing Participant to CHO on a Settlement Day will be set-off against the total quantity of Approved Product of a particular class to be delivered by CHO to that Clearing Participant on that Settlement Day.

3.9.2 Each Clearing Participant and CHO agree that the payment and delivery obligations of the Clearing Participant and CHO under each Settlement Transaction arising from Securities Transactions recorded against a Settlement Account for each Settlement Day are cancelled and replaced with the obligation to pay or deliver, and right to receive payment or delivery of, each Net Open Position for each Approved Product and each currency, for each Settlement Time on each Settlement Day for each Settlement Account.

3.9.3 In the case of an Approved Product, the Net Open Position of a Clearing Participant will be an obligation of the Clearing Participant to deliver to CHO or a right of the Clearing Participant to receive from CHO the netted quantity of the relevant Approved Product calculated in accordance with Rule 3.9.1(b). In the case of amounts in each currency, the Net Open Position of a Clearing Participant will be an obligation of the Clearing Participant to make payment or a right of the Clearing Participant to receive a payment of the net amount in that currency calculated in accordance with Rule 3.9.1(a).

3.9.4 **Settlement Transactions arising from Derivatives Contracts:**

- (a) Continuously on each Business Day CHO will calculate each Clearing Participant's positions in Settlement Transactions arising from Derivatives Contracts recorded against each Settlement Account. CHO will continuously calculate a Clearing Participant's aggregated total long or total short and net position in Settlement Transactions arising from each particular class of Derivatives Contracts; and
- (b) At the close of business on each Business Day, CHO will net the gross Payment Obligations and gross Payment Rights in respect of each Clearing Participant's positions in respect of Settlement Transactions arising from Derivatives Contracts recorded against each Settlement Account. For each Settlement Account of every Clearing Participant and in respect of each Settlement Day, a Net Open Position will be calculated in each currency and (in respect of that Settlement Account) the total Payment Obligations of the Clearing Participant in a currency payable on a Settlement

Day will be set off against the total Payment Rights of the Clearing Participant in that currency payable on that Settlement Day; and

- (c) each Clearing Participant and CHO agree that the Payment Obligations and Payment Rights of the Clearing Participant under each Settlement Transaction arising from Derivatives Contracts recorded against a Settlement Account for each Settlement Day are cancelled and replaced with the obligation to pay or deliver, and right to receive payment of, each Net Open Position for each currency, for that Settlement Day.

3.9.5 Where a Settlement Transaction requires payment in a currency for which there is no Payment Account, the payment obligation will be converted into NZ\$ in accordance with Rule 6.10 and the amount netted with the Clearing Participant's NZ\$ Net Open Position.

3.10 Cancellation of Settlement Transaction

3.10.1 The cancellation of a Mandatory Transaction by the operator of an NZX Market in accordance with the rules of that NZX Market will result in the cancellation of the Settlement Transactions of the Clearing Participants recorded with CHO as buyer and seller in respect of the cancelled Transaction (including by CHO creating and processing such additional Settlement Transactions as may be necessary).

3.10.2 The cancellation of a Discretionary Transaction:

- (a) by the operator of an NZX Market in accordance with rules or other arrangement of that NZX Market; or
- (b) by agreement between both parties in accordance with the relevant Procedure,

Procedure 3.9

will result in the cancellation of the relevant Settlement Transactions of the Clearing Participants recorded with CHO as buyer and seller in respect of the cancelled Transaction (including by CHO creating and processing such additional Settlement Transactions as may be necessary).

3.10.3 CHO will ensure that it makes and maintains arrangements with the operator of each NZX Market so that, immediately upon the cancellation of a Transaction in accordance with the applicable rules or arrangement, the operator of that NZX Market will notify CHO of the cancellation of that Transaction.

3.10.4 The cancellation of Settlement Transactions will be recorded against the relevant Settlement Accounts of the Clearing

Participants party to those Settlement Transactions and CHO must recalculate Net Open Positions to reflect the cancellation of a Settlement Transaction.

3.11 Margin Requirements

3.11.1 CHO will calculate at such times on each Business Day as it may determine (or more frequently if Rule 3.16 applies) the Margin obligations (other than Variation Margin in respect of Futures Contracts calculated and attributed in accordance with Rule 3.8.1) of each Clearing Participant and Lending Clearing Participant in relation to all Settlement Transactions to which that Clearing Participant or Lending Clearing Participant is a party. The total Margin obligation of a Clearing Participant or a Lending Clearing Participant, as the case may be, shall be the aggregate of:

- (a) for Settlement Transactions that arise from Commodity Transactions, the amount calculated in accordance with Rule 3.11.2 on the basis of the Clearing Participant's Net Open Positions in respect of all Settlement Transactions arising from Commodity Transactions recorded against each Settlement Account of that Clearing Participant;
- (b) for Settlement Transactions that arise from Derivatives Contracts, the amount calculated in accordance with Rule 3.11.3 on the basis of all Settlement Transactions that arise from Derivatives Contracts recorded against each Settlement Account of that Clearing Participant; and
- (c) for Settlement Transactions that arise from Lending Transactions, the amount calculated in accordance with Rule 3.11.4 on a gross basis in respect of that Clearing Participant's or Lending Clearing Participant's, as the case may be, delivery obligations and payment obligations under each Lending Transaction for which the Clearing Participant or Lending Clearing Participant, as the case may be, is a Borrower.

3.11.2 The Margin obligation of a Clearing Participant in relation to Settlement Transactions arising from Commodity Transactions in a particular currency to which the Clearing Participant is a party will be the sum of the following Margin components, each calculated on the basis of each of the Clearing Participant's Net Open Positions in each Approved Product and currency recorded against each Settlement Account:

- (a) Initial Margin, being an obligation reflecting the net risk of all the payment and/or delivery obligations of the Clearing Participant in respect of each Net Open Position;

- (b) Variation Margin, being an obligation reflecting any unrealised loss in respect of Approved Product that is to be delivered or received under Settlement Transactions since the immediately preceding calculation of Variation Margin in respect of those Settlement Transactions; and
- (c) Additional Margin, being an obligation reflecting risks particular to the subject of the Settlement Transactions, the currency in which the Settlement Transactions are denominated, the Clearing Participant or such other factors as CHO determines in its absolute discretion should be taken into account.

3.11.3 The Margin obligations (other than Variation Margin in respect of Futures Contracts calculated and attributed in accordance with Rule 3.8.1) of a Clearing Participant in relation to all Settlement Transactions arising from Derivatives Contracts in a particular currency to which the Clearing Participant is a party will be the sum of the following Margin components, each calculated on the basis of all of the Settlement Transactions arising from Derivatives Contracts to which the Clearing Participant is a party recorded against each Settlement Account and in each currency:

- (a) Initial Margin, being an obligation reflecting the risk of the Clearing Participant's positions in those Settlement Transactions and all payment and/or delivery obligations in respect thereof;
- (b) if the Settlement Transactions arise from Options, Variation Margin, being an obligation reflecting any unrealised loss in respect of Settlement Transactions arising from Options since the immediately preceding calculation of Variation Margin in respect of those Settlement Transactions; and
- (c) Additional Margin, being an obligation reflecting risks particular to the subject of the Settlement Transactions, the currency in which the Settlement Transactions are denominated, the Clearing Participant, or such other factors as CHO determines in its absolute discretion shall be taken into account.

3.11.4 The Margin obligation of a Clearing Participant or Lending Clearing Participant in relation to all Settlement Transactions arising from Lending Transactions will be Initial Margin, being an amount calculated each Business Day (or more frequently if Rule 3.16 applies) reflecting the aggregate risk of all the obligations of the Clearing Participant or Lending Clearing Participant to deliver Equivalent Product and make Substitute Payments under all Settlement Transactions which arise from

Lending Transactions for which that Clearing Participant or Lending Clearing Participant is a Borrower.

3.11.5 Immediately following calculation, in accordance with Rules 3.11.2, 3.11.3 and 3.11.4, of the Margin obligations of each Clearing Participant or Lending Clearing Participant, CHO will, by aggregating those amounts in particular currencies, calculate the total Margin obligation of each Clearing Participant or Lending Clearing Participant in each currency in respect of each Settlement Account or Accounts.

3.11.6 The methods for calculating each Margin component will be determined using a risk-based algorithm and/or such other method as may be provided by Procedure.

Procedure 3.11

3.11.7 CHO must notify Clearing Participants and Lending Clearing Participants of their Margin positions and obligations as provided by Procedure.

Procedure 3.12

3.12 Provision of Eligible Collateral

3.12.1 Each Clearing Participant and Lending Clearing Participant must deliver Eligible Collateral in accordance with Rule 3.12.3 in the proportions as determined by CHO under Rule 3.13.3 in respect of each Settlement Account or Accounts and to a value (as determined by CHO in accordance with Rule 3.13.2 to ensure that, at all times, CHO holds Collateral equal to at least that Clearing Participant's or that Lending Clearing Participant's total Margin obligation in respect of each Settlement Account or Account as calculated by CHO in accordance with Rule 3.11.5 and notified by CHO under Rule 3.11.7.

3.12.2 A Clearing Participant or Lending Clearing Participant may deliver Eligible Collateral to CHO at any time, and must deliver Eligible Collateral to, or at the direction of CHO, when required to do so by CHO. The methods of notifying CHO of the delivery by the Clearing Participant or Lending Clearing Participant of Eligible Collateral, or notifying Clearing Participants or Lending Clearing Participants of a requirement to deliver Eligible Collateral, will be provided for by Procedure.

Procedure 3.13 -
3.18

3.12.3 Subject to Rule 3.12.4, Eligible Collateral shall be delivered by a Clearing Participant or Lending Clearing Participant in the following manner:

- (a) Money Collateral must be transferred by the Clearing Participant's or Lending Clearing Participant's Settlement Bank to CHO's Money Collateral Account in the manner described by Procedure. Money Collateral in NZ\$ must be transferred to CHO's Money Collateral Account by a Clearing Participant or Lending Clearing Participant

Procedure 3.14

instructing its Settlement Bank to pay Money to CDO's ESAS Account. Money Collateral in currencies other than NZ\$ must be transferred by a Clearing Participant or Lending Clearing Participant instructing its Settlement Bank to pay Money to CDO's account in the Clearing Bank in cleared funds. Money Collateral may only be provided in currencies for which CHO holds a Money Collateral Account;

(b) Eligible Securities must be delivered to CHO by transfer to CHO's Product Collateral Account in the manner described by Procedure; and Procedures 3.14 and 3.18

(c) Third Party Collateral must be delivered by the Clearing Participant or Lending Clearing Participant to CHO and must be in a form prescribed by Procedure. Procedure 3.16

3.12.4 CHO may specify other methods of providing Collateral by Procedure. Procedure 3.18

3.12.5 Unless otherwise agreed in writing by CHO prior to delivery, all Money Collateral and Eligible Securities delivered as Collateral under Rule 3.12.3 shall constitute Transferred Collateral.

3.12.6 Eligible Collateral delivered by a Clearing Participant or Lending Clearing Participant to, or at the direction of, CHO (other than Transferred Collateral or Third Party Collateral) is automatically and without further action charged to and made subject to a Security Interest in favour of CHO as security for discharge of all obligations of the Clearing Participant or Lending Clearing Participant to CHO, including, but not limited to the obligation to pay or deliver the Net Open Positions.

3.12.7 Upon delivery of Eligible Collateral that is Transferred Collateral (other than Third Party Collateral) to CHO:

(a) all of the Clearing Participant's or Lending Clearing Participant's right, title and interest to or in respect of that Eligible Collateral is transferred absolutely (and not by way of security) to CHO, and the Clearing Participant or Lending Clearing Participant ceases to have any rights in respect of that Eligible Collateral;

(b) the relevant Clearing Participant or Lending Clearing Participant shall be deemed, in respect of any such Eligible Collateral that are Eligible Securities Lodged in the Depository, to have:

(c) CHO shall have full rights and powers, and may in its absolute discretion deal with the Transferred Collateral in any manner, including instructing the Nominee to give effect to the instructions in Rule 3.12.7(b).

3.12.8 All Collateral provided by, or on behalf of, a Clearing Participant or Lending Clearing Participant will be identified against an Account of the Clearing Participant or Lending Clearing Participant in accordance with Rule 3.14.1 and, subject to Rule 2.16.9, may be applied by CHO towards discharging all of the Clearing Participant's or Lending Clearing Participant's obligations to CHO (if any) in the manner set out in Rule 7.9.

3.12.9 A Clearing Participant's or Lending Clearing Participant's written agreement to be bound by these Rules on becoming a Clearing Participant or a Lending Clearing Participant shall constitute the written agreement of that Clearing Participant or Lending Clearing Participant to the creation of a charge and Security Interest in all Collateral (other than Transferred Collateral or Third Party Collateral) delivered in respect of it.

3.12.10 CHO must invest, or direct the investment of, Money Collateral transferred to it in an account with a Bank selected, and on terms to be determined, at CHO's discretion. CHO will prescribe the principles for investment of Money Collateral by Procedure.

Procedure 3.15

3.12.11 A Clearing Participant or Lending Clearing Participant shall, subject at all times to CHO's Security Interest in Collateral (other than Transferred Collateral) and Rules 7.4 and 7.9.1, be entitled to all rights incidental to beneficial ownership of the Collateral (other than Transferred Collateral) delivered to, or at the direction of, CHO in accordance with Rules 3.11 and 3.12.1, including, without limitation, receipt of interest and dividend payments and exercise of voting and other rights. Any such benefit, interest, gain or other Proceeds received or accrued on any Securities Collateral (other than any Proceeds of enforcement of a charge or Security Interest in the Collateral or application of the Collateral) belongs to the Clearing Participant or Lending Clearing Participant that provided the Collateral and will be credited to the relevant Account of the Clearing Participant or Lending Clearing Participant subject to any deduction or withholding required by law.

3.12.12 In respect of any Transferred Collateral transferred to CHO by a Clearing Participant or Lending Clearing Participant in respect of which CHO has not made a transfer of property or assets to the Clearing Participant or Lending Clearing Participant under Rule 3.15.2(b), then provided that Clearing Participant or Lending Clearing Participant is not a Non-Performing Clearing Participant:

- (a) CHO will transfer to the Clearing Participant or Lending Clearing Participant Money, Securities or other property or assets of the same type, nominal value (if any), description and quantity as CHO has received in respect of principal, interest, dividends and other payments and distributions of Money or securities, as a result of CHO owning the Transferred Collateral; and
- (b) CHO will not exercise any voting or other discretionary rights CHO is entitled to exercise in respect of Transferred Collateral.

3.12.13 For the avoidance of doubt, CHO shall have no obligations to a Non-Performing Clearing Participant under Rule 3.12.12, and Rule 3.12.12 shall cease to operate in respect of a Non-Performing Clearing Participant.

3.13 Eligible Collateral, Haircuts and Concentration Limits

3.13.1 CHO may in its sole discretion specify by Procedure the Money, Eligible Securities, Third Party Collateral and other property or assets that will be accepted by CHO as Eligible Collateral.

Procedures 3.16-3.18

3.13.2 CHO will have sole discretion to determine the valuation of Eligible Collateral, including the Haircut to be applied to each type of Eligible Collateral and will publish such details by Procedure.

Procedure 3.19

3.13.3 CHO will have sole discretion, by Procedure or otherwise to:

- (a) determine the quantity or proportion of each type of individual Eligible Securities, Money, Third Party Collateral or other property or assets which any or all Clearing Participants or Lending Clearing Participants may or must deliver and/or maintain as Collateral;
- (b) impose a minimum requirement by proportion and/or value for Money Collateral; or
- (c) refuse to accept or reject any Third Party Collateral provided by a Clearing Participant or Lending Clearing Participant.

Procedure 3.20

3.13.4 If CHO notifies a Clearing Participant or Lending Clearing Participant that:

- (a) the issuer of any Third Party Collateral held by CHO in respect of that Clearing Participant's or Lending Clearing Participant's obligations is no longer acceptable to CHO; or
- (b) following a change of law or regulation, the form of any Third Party Collateral held by CHO in respect of that Clearing Participant's or Lending Clearing Participant's obligations is no longer acceptable to CHO,

then that Clearing Participant or Lending Clearing Participant shall promptly, and in any event within 2 Business Days, replace that Third Party Collateral with other Eligible Collateral in all respects acceptable to CHO.

3.14 Recording Delivery of Collateral

3.14.1 CHO must record Collateral delivered by a Clearing Participant or Lending Clearing Participant against a Settlement Account or Account of that Clearing Participant or Lending Clearing Participant in accordance with Procedure and any directions given by that Clearing Participant or Lending Clearing Participant. If a Clearing Participant or Lending Clearing Participant does not direct which of its Settlement Accounts or Accounts Collateral must be recorded against, CHO may record collateral delivered by that Clearing Participant or Lending Clearing Participant against any Settlement Account or Account of that Clearing Participant or Lending Clearing Participant as determined by CHO in its sole discretion.

Procedure 3.14

3.14.2 A Clearing Participant or Lending Clearing Participant may transfer Eligible Collateral recorded against one Settlement Account or Account to another Settlement Account or Account by requesting a withdrawal of Eligible Collateral or the transfer of property or assets under Rule 3.15.2 and delivering that Eligible Collateral under Rule 3.12, except where, as a result of such transfer, the amount of Collateral recorded against a Settlement Account or Account would be less than the total Margin obligations in respect of that Account or Settlement Account calculated by CHO in accordance with Rule 3.11.5 or where the requirements imposed by CHO under Rule 3.13.3 are not met.

3.15 Withdrawal, Return or Substitution of Eligible Collateral

3.15.1 Clearing Participants and Lending Clearing Participants may elect to deliver to CHO Eligible Collateral in excess of the amount required by CHO.

3.15.2 A Clearing Participant or Lending Clearing Participant who is not a Non-Performing Clearing Participant may:

- (a) request the withdrawal of Collateral and the release of CHO's Security Interests in that Collateral (other than Transferred Collateral) or return of Third Party Collateral; and
- (b) require CHO to transfer to it property or assets of the same type, nominal value (if any), description and quantity as Transferred Collateral (other than Third Party Collateral) that the Clearing Participant or Lending Clearing Participant has previously transferred to CHO, to the extent that CHO has not previously transferred property or assets to the Clearing Participant or Lending Clearing Participant in respect of that Transferred Collateral.

3.15.3 CHO must, in accordance with Procedure, comply with a request made under Rule 3.15.2 but only if after doing so: Procedure 3.21

- (a) the value of Eligible Collateral held by CHO will exceed the Clearing Participant's or Lending Clearing Participant's current Margin obligation calculated under Rule 3.11.5; or
- (b) due to substitution or exchange of Eligible Collateral with other Eligible Collateral of at least equal value to the Margin calculated in accordance with Rule 3.11, the value of Eligible Collateral held by CHO will exceed the Clearing Participant's or Lending Clearing Participant's current Margin obligation calculated under Rule 3.11.5.

3.15.4 The procedure for withdrawal of Collateral (other than Transferred Collateral), return of Third Party Collateral, and transfers of property or assets under Rule 3.15.2(b) will be prescribed by Procedure. Procedure 3.21

3.15.5 Where a Clearing Participant or Lending Clearing Participant desires to withdraw or have returned or receive a transfer in respect of particular Collateral or types of Collateral in accordance with Rule 3.15.2 and, as a result would no longer comply with Rule 3.12.1, it must first provide other Eligible Collateral which satisfies its Margin obligation calculated under Rule 3.11.5 and subsequently request withdrawal or return of the desired Collateral or a transfer of property or assets under Rule 3.15.2.

3.15.6 The value of Eligible Collateral held by CHO in respect of a Clearing Participant or Lending Clearing Participant shall be reduced by the value of any property or assets transferred to

that Clearing Participant or Lending Clearing Participant pursuant to Rule 3.15.2(b).

- 3.15.7 If Collateral provided by a Clearing Participant or a Lending Clearing Participant ceases to be Eligible Collateral or ceases to comply with any requirement imposed by CHO under Rule 3.13.3, then that Clearing Participant or that Lending Clearing Participant must deliver additional Eligible Collateral, and/or withdraw Collateral to ensure that Collateral held by CHO in respect of that Clearing Participant or that Lending Clearing Participant from time to time meets the requirements of Rule 3.12.1 and any requirements imposed under Rule 3.13.3.
- 3.15.8 CHO must record the withdrawal of Collateral by or the transfer of property or assets to a Clearing Participant or Lending Clearing Participant in accordance with this Rule against the relevant Settlement Account or Account of that Clearing Participant or Lending Clearing Participant.

3.16 Intra-day Margin Calls

- 3.16.1 CHO may at any time recalculate in accordance with Rule 3.11 the Margin obligation or entitlement of any Clearing Participant or Lending Clearing Participant and require any Clearing Participant or Lending Clearing Participant to provide Eligible Collateral in accordance with Rule 3.12. The timing for complying with such further Eligible Collateral requirements will be notified to the Clearing Participant or Lending Clearing Participant at the time a request for further Eligible Collateral is notified.
- 3.16.2 Without limiting the circumstances when CHO may exercise its powers under Rule 3.16.1, CHO may exercise its powers under Rule 3.16.1:
- (a) in relation to a Clearing Participant or Lending Clearing Participant who has an unusually large number of Net Open Positions or Settlement Transactions, or who has unusually large Net Open Positions or Settlement Transactions;
 - (b) if there has been an unusual movement in the price of an Approved Product or Approved Products generally; and
 - (c) in unusual market conditions.

3.17 Relationship between Clearing Participants and Customers in respect of Derivatives Contracts

- 3.17.1 Where a Settlement Transaction arising from a Derivatives Contract to which a Clearing Participant is a party relates to a Customer of that Clearing Participant, that Clearing Participant:
- (a) must call for cash or collateral from that Customer which the Clearing Participant considers sufficient security to ensure that the Clearing Participant is able to satisfy its obligations to CHO for all Settlement Transactions arising from Derivative Contracts to which that Clearing Participant is a party and that relate to that Customer;
 - (b) may call additional cash or collateral from that Customer which the Clearing Participant considers appropriate to be held as security in connection with the clearing and settlement of Settlement Transactions arising from Derivative Contracts to which that Clearing Participant is a party and that relate to that Customer; and
 - (c) may call from a Customer funds sufficient to cover amounts which the Clearing Participant is required to pay from time to time in respect of Settlement Transactions arising out of Derivative Contracts that relate to that Customer.
- 3.17.2 A Clearing Participant is not required to make a call under Rule 3.17.1 if:
- (a) the Customer has already paid that amount or collateral to the Clearing Participant; or
 - (b) the Customer has provided security for that amount to the Clearing Participant which is acceptable to the Clearing Participant.

Section 4: Settlement

4.1 Settlement

- 4.1.1 **Time for Settlement:** The time for settlement of obligations arising under Net Open Positions will be specified in the Procedures. Such Procedures will prescribe for each class or category of Net Open Position a time or times during each Settlement Day at which settlement of Net Open Positions is required. Settlement of obligations in respect of Transactions arising in respect of Lending Transactions, Shortfall Amounts or

Procedure 4.2

Withheld Approved Product may occur at any time during a Settlement Day.

4.1.2 Settlement of Commodity Transactions and Derivatives

Contracts: Settlement of obligations arising under Net Open Positions will be effected at the time determined in accordance with Rule 4.1.1 by:

- (a) the transfer of Approved Products to or from a Settlement Account, in satisfaction of each Clearing Participant's Net Open Position for each Approved Product in respect of that Settlement Account and in satisfaction of CHO's obligations in respect thereof (including an obligation to deliver Withheld Approved Product) pursuant to Rule 4.2.6 or Rule 4.2.7; and/or
- (b) the transfer of amounts of Money to or from a Settlement Account in satisfaction of each Clearing Participant's Net Open Positions in each currency in respect of that Settlement Account (including an obligation to pay a Shortfall Amount) and in satisfaction of CHO's obligations in respect thereof pursuant to Rule 4.2.6, Rule 4.2.7, Rule 4.2.11 or Rule 4.2.12.

4.1.3 Settlements effected in accordance with Rule 4.1.2 are valid and final and may not in any circumstances be reversed or avoided when:

- (a) in the case of Money, Money is credited to or debited from a Settlement Account; or
- (b) in the case of Approved Products, when Approved Products are credited to or debited from a Settlement Account,

in each case by CHO for the purposes of effecting settlement under this Section 4.

4.1.4 Settlement of Lending Transactions: Settlement of obligations arising from a Settlement Transaction arising from a Lending Transaction will be effected by:

- (a) immediately after novation of a Lending Transaction (or if CHO is the Borrower, immediately after the creation of the Lending Transaction), by the transfer of Approved Products from the Accounts or Settlement Accounts of the Lender or Lenders (as the case may be) to the Account or Settlement Account of the Borrower (or if CHO is the Borrower, CHO's Settlement Account) in accordance with the terms of the Settlement Transaction and Rule 4.2.14;

- (b) upon redelivery of Equivalent Product by the transfer of Approved Products from the Account or Settlement Account of the Borrower (or if CHO is the Borrower, CHO's Settlement Account) to the Account or Settlement Account of the Lender or Lenders (as the case may be) pursuant to Rule 4.2.16 or Rule 4.2.17; and
- (c) the transfer of amounts of Money to or from Accounts in respect of Substitute Payments in accordance with the terms of the Settlement Transaction and Rule 4.2.20 or Rule 4.2.21.

4.1.5 Settlements effected under Rule 4.1.4 are valid and final and may not in any circumstances be reversed or avoided when Approved Products and/or Money is credited or debited from an Account, Settlement Account or CHO's Settlement Account.

4.2 Settlement Process for Commodity Transactions

4.2.1 Prior to Settlement Closing in respect of a Settlement Time, each Clearing Participant must ensure that the quantities of Approved Products required for settlement of their Net Open Positions for each specific Approved Product for that Settlement Time in respect of each of its Settlement Accounts are held in that Clearing Participant's Settlement Accounts.

4.2.2 At each Settlement Closing in respect of Net Open Positions in respect of Commodity Transactions, CHO must Lock the Approved Products in each Clearing Participant's Settlement Accounts available for settlement of that Clearing Participant's Net Open Positions for each Approved Product due for settlement at that Settlement Time.

4.2.3 Prior to each Settlement Closing, each Clearing Participant must ensure that its Settlement Accounts hold sufficient clear and available funds required for settlement of their Net Open Positions for that Settlement Time by instructing its Settlement Bank to pay Money to the Payment Account by depositing Money to CDO's ESAS Account (in the case of NZ\$) or in the case of a currency other than NZ\$ by depositing Money in cleared funds to CHO's account at a Clearing Bank. A Clearing Participant must not fund its Settlement Accounts for settlement of Net Open Positions in respect of Settlement Transactions arising from Commodity Transactions otherwise than in accordance with this Rule.

4.2.4 If at a Settlement Closing there is insufficient Approved Product to settle each Net Open Position of all Clearing Participants at that Settlement Time, then:

- (a) CHO must allocate the available Approved Product (if any) to the Net Open Positions of Clearing Participants in respect of that Settlement Time. Where a Clearing Participant has more than one Shortfall Net Open Position in respect of a particular class of Approved Product, CHO must allocate available Approved Product to the Shortfall Net Open Position with the earliest original Settlement Date and there will be no netting of or set-off between Shortfall Net Open Positions at that Settlement Time. Where two or more Clearing Participants' entitlements to receive delivery of Approved Product first arose on the same Settlement Date, identification of the Clearing Participants who will receive Approved Products will be by a ballot conducted in the manner prescribed by the Procedures; and
- (b) in respect of each Net Open Position for which there was insufficient available Approved Product at that Settlement Closing, CHO must recalculate Net Open Positions for settlement at that Settlement Time by determining the delivery obligations of Clearing Participants in respect of Approved Product allocated under Rule 4.2.4(a), and by determining the payment obligations of Clearing Participants in respect of the delivery of that Approved Product, such recalculated Net Open Positions replacing the Net Open Positions due for settlement at that Settlement Time, and then CHO must settle those recalculated Net Open Positions under Rule 4.2.6 at that Settlement Time; and
- (c) in respect of each Net Open Position for which there was insufficient available Approved Product at that Settlement Closing, CHO must calculate Net Open Positions for the settlement of Approved Product that Clearing Participants failed to deliver by determining the delivery obligations in respect of that Approved Product and by determining the payment obligations of Clearing Participants in respect of the delivery of that Approved Product (each Net Open Position calculated under this paragraph being a separate "**Shortfall Net Open Position**") and
- (i) carry forward those Shortfall Net Open Positions to the Settlement Time on that Settlement Day (if any) for Settlement of Shortfall Net Open Positions for that particular class of Approved Product, and Rules 4.2.1 to 4.2.5 will apply in respect of Shortfall Net Open Positions carried forward under this Rule 4.2.4(c)(i) and that later Settlement Time on that Settlement Day; or

- (ii) if there is no Settlement Time for settlement of Shortfall Net Open Positions for that particular class of Approved Product on that Settlement Day, Rule 4.3.1 will apply.

4.2.5 Immediately before each Settlement Time on each Settlement Day for settlement of Net Open Positions in respect of Commodity Transactions CHO must check to see if there are sufficient clear and available funds in all Clearing Participants' Settlement Accounts for settlement of their Net Open Positions at that Settlement Time. If there are insufficient clear and available funds in all Clearing Participants' Settlement Accounts (each amount by which a Settlement Account is short being a "**Shortfall Amount**"), then CHO will deposit Money in CDO's ESAS Account (in the case of NZ\$) or in the case of a currency other than NZ\$ by depositing Money in cleared funds to CHO's account at a Clearing Bank equal to the aggregate of all Shortfall Amounts and CDO will record that deposit by crediting CHO's Settlement Account.

4.2.6 At each Settlement Time on each Settlement Day CHO must simultaneously:

- (a) debit each Settlement Account of each Clearing Participant by the quantities of Approved Product equal to the Net Open Positions for the delivery of Approved Product to CHO at that Settlement Time and credit that Approved Product to CHO's Settlement Account; and
- (b) debit each Settlement Account of each Clearing Participant by the amounts of Money equal to the Net Open Positions to pay Money to CHO at that Settlement Time and credit those amounts to CHO's Settlement Account; and
- (c) debit CHO's Settlement Account and credit the Settlement Account of each Clearing Participant whose Settlement Account holds sufficient clear and available funds required for settlement of all their Net Open Positions in each currency for that Settlement Time), with the quantities of Approved Product and/or amounts of Money equal to the Net Open Positions to receive delivery of Approved Product and/or receive payment from CHO at that Settlement Time.

4.2.7 If there are insufficient clear and available funds in a Clearing Participant's Settlement Account for settlement of its Net Open Positions at that Settlement Time, then Rule 4.3.2 applies, and:

- (a) CHO may debit CHO's Settlement Account and credit the Settlement Account of the Clearing Participant with the quantities of Approved Product having a value closest to but not exceeding the amount of clear and available funds held

in the Clearing Participant's Settlement Account (if any) for settlement at that Settlement Time (the difference between the Net Open Position and the amount of Approved Product credited being "**Withheld Approved Product**"); and;

- (b) CHO may retain Withheld Approved Product in an Account in the Depository in CHO's name pending payment of the Shortfall Amount and settlement under Rule 4.2.7(e) or sale of the Withheld Approved Product under Rule 7.4; and
- (c) CHO will advance the Shortfall Amount to the Clearing Participant by debiting CHO's Settlement Account and crediting the Settlement Account of the Clearing Participant by the Shortfall Amount and this Rule constitutes an irrevocable instruction to CDO to debit CHO's Settlement Account and credit the Settlement Account of the Clearing Participant;
- (d) the Shortfall Amount will be an amount due and owing by the Clearing Participant to CHO and the unperformed obligation of CHO in respect of the Net Open Position will be replaced by an obligation to deliver the Withheld Approved Product against payment of the Shortfall Amount by the Clearing Participant;
- (e) CHO may at any time debit a balance of Money in a Clearing Participant's Settlement Account and credit CHO's Settlement Account with the Shortfall Amount, and debit CHO's Account and credit a Clearing Participant's Settlement Account with Approved Product to meet its obligations to deliver Withheld Approved Product to a Clearing Participant; and
- (f) this Rule does not limit any other power or right CHO might have, including its powers or rights in Section 7.

4.2.8 Every Clearing Participant must at all times ensure that CHO's right to debit its Settlement Accounts set out in Depository Rule 3.2.1 remains valid, effective and in full force and effect.

4.2.9 **Settlement Process for Settlement Transactions arising from Derivatives Contracts:** Prior to each Settlement Closing, each Clearing Participant must ensure that its Settlement Accounts hold sufficient clear and available funds required for settlement of their Net Open Positions in respect of Derivative Contracts by instructing its Settlement Bank to pay Money to the Payment Account by depositing Money to CDO's ESAS Account (in the case of NZ\$) or in the case of a currency other than NZ\$ by depositing Money in cleared funds to CHO's account at a Clearing Bank. A Clearing Participant must not fund its Settlement Accounts for settlement of Net Open Positions in

respect of Derivative Contracts otherwise than in accordance with this Rule.

- 4.2.10 Immediately before each Settlement Time on each Settlement Day for settlement of Net Open Positions in respect of Derivative Contracts CHO must check to see if there is sufficient clear and available funds in all Clearing Participants' Settlement Accounts for settlement of their Net Open Positions at that Settlement Time. If there are insufficient clear and available funds in all Clearing Participants' Settlement Accounts (each amount by which a Settlement Account is short being a "**Shortfall Amount**"), then CHO will deposit Money in CDO's ESAS Account (in the case of NZ\$) or in the case of a currency other than NZ\$ by depositing Money in cleared funds to CHO's account at a Clearing Bank equal to the aggregate of all Shortfall Amounts and CDO will record that deposit by crediting CHO's Settlement Account.
- 4.2.11 At each Settlement Time on each Settlement Day for settlement of Net Open Positions in respect of Derivatives Contracts CHO must:
- (a) debit the Settlement Accounts of each Clearing Participant by the amounts of Money equal to the Net Open Positions to pay Money to CHO at that Settlement Time and credit those amounts to CHO's Settlement Account; and
 - (b) debit CHO's Settlement Account and credit the Settlement Accounts of each Clearing Participant with the amounts of Money equal to the Net Open Positions to receive Money from CHO at that Settlement Time.
- 4.2.12 If there are insufficient clear and available funds in a Clearing Participant's Settlement Account for settlement of its Net Open Positions at that Settlement Time, then Rule 4.3.2 applies, and:
- (a) CHO will advance the Shortfall Amount to the Clearing Participant by debiting CHO's Settlement Account and crediting the Settlement Account of the Clearing Participant by the Shortfall Amount and this Rule constitutes an irrevocable instruction to CDO to debit CHO's Settlement Account and credit the Settlement Account of the Clearing Participant;
 - (b) the Shortfall Amount will be an amount due and owing by the Clearing Participant to CHO;
 - (c) CHO may at any time debit a balance of Money in a Clearing Participant's Settlement Account and credit CHO's Settlement Account with the Shortfall Amount; and

- (d) this Rule does not limit any other power or right CHO might have, including its powers or rights in Section 7.
- 4.2.13 Every Clearing Participant must at all times ensure that CHO's right to debit its Settlement Accounts set out in Depository Rule 3.2.1 remains valid, effective and in full force and effect.
- 4.2.14 **Settlement Process for Settlement Transactions arising from Lending Transactions:** Immediately after novation of a Lending Transaction under Rule 3.3.8, or, if CHO is the Borrower, immediately after creation of a Lending Transaction under Rule 5.3 of the Depository Rules, CHO will debit the relevant Account or Settlement Account of the Lender or Lenders (as the case may be) by the quantity of Approved Product to be lent by that Lender or each of the Lenders (as the case may be) and credit the Account or Settlement Account of the Borrower (or, if CHO is the Borrower, CHO's Settlement Account) by the quantity of Approved Product to be borrowed by the Borrower.
- 4.2.15 A Borrower must ensure that the quantities of Approved Product required for settlement of delivery obligations under a Settlement Transaction arising from a Lending Transaction are held in the relevant Settlement Account or Account, (or, in the case of CHO, CHO's Settlement Account) at Delivery Time.
- 4.2.16 If sufficient Approved Product is available in the Borrower's Account (or, if CHO is the Borrower, in CHO's Settlement Account) for settlement of that Borrower's delivery obligations in respect of a Settlement Transaction arising from a Lending Transaction at a Delivery Time, then CHO must:
- (a) debit the relevant Account of the Borrower, (or, if CHO is the Borrower, CHO's Settlement Account) by the quantity of Approved Product available in the Borrower's Account or CHO's Settlement Account, as the case may be, for settlement of that Borrower's or CHO's delivery obligations in respect of the Settlement Transaction and that Delivery Time; and
 - (b) credit the Account of the Lender or the Accounts of the Lenders in each case as identified under Rule 5.6 or Rule 5.7 of the Depository Rules with the Approved Product debited from the Borrower's or CHO's account in accordance with Rule 4.2.16(a).
- 4.2.17 If there is insufficient Approved Product available in the Borrower's Account (or if CHO is the Borrower in CHO's Settlement Account) for settlement of that Borrower's or CHO's delivery obligations in respect of a Settlement Transaction

arising from a Lending Transaction at a Delivery Time, then Rule 4.3.3 will apply (except where CHO is the Borrower) and:

- (a) CHO may debit the relevant Account of the Borrower, or if CHO is the Borrower, CHO's Settlement Account, by the quantity of Approved Product in the Borrower's Account or CHO's Settlement Account, as the case may be, that is available at Delivery Time, or may from time to time become available after Delivery Time for settlement of that Borrower's or CHO's outstanding delivery obligations in respect of the Settlement Transaction; and
- (b) credit the Account of the Lender or the Accounts of the Lenders in each case as identified under Rule 5.6 or Rule 5.7 of the Depository Rules with the Approved Product debited from the Borrower's or CHO's account in accordance with Rule 4.2.17(a),

and CHO may exercise its powers under this Rule from time to time as Approved Product comes available for settlement of the Borrower's obligations in respect of a Settlement Transaction under a Lending Transaction until settlement of all outstanding obligations to deliver Approved Product in respect of the Settlement Transaction has been completed, or until the Settlement Transaction has been terminated under Rule 7.6, Rule 4.3.3(d) or Rule 4.3.3(e).

4.2.18 On a Relevant Payment Date, in respect of a Settlement Transaction arising from a Lending Transaction, the Clearing Participant or Lending Clearing Participant who is the Borrower must ensure there is sufficient Money in the relevant Account to meet its obligations to make Substitute Payments.

4.2.19 On a Relevant Payment Date, CHO must check to see if there are sufficient clear and available funds in all Clearing Participants' and Lending Clearing Participants' Accounts for settlement of their obligations to make Substitute Payments. If there are insufficient clear and available funds in all Clearing Participants' and Lending Clearing Participants' Settlement Accounts (each amount by which an Account is short being a "**Shortfall Amount**"), then CHO will deposit Money in CDO's ESAS Account (in the case of NZ\$) or in the case of a currency other than NZ\$ by depositing Money in cleared funds to CHO's account at a Clearing Bank equal to the aggregate of all Shortfall Amounts and CDO will record that deposit by crediting CHO's Settlement Account.

4.2.20 On a Relevant Payment Date in respect of a Settlement Transaction arising from a Lending Transaction, CHO will debit the Borrower's relevant Account, or if CHO is the Borrower, CHO's Settlement Account, and credit the Lender's or Lenders'

relevant Account or Accounts with the Money required to meet the Borrower's obligation to make a Substitute Payment and, if there is more than one Lender, then CHO must allocate Money to the Accounts of the Lenders in accordance with Rule 5.8 of the Depository Rules.

- 4.2.21 If there are insufficient clear and available funds in a Clearing Participant's or Lending Clearing Participant's Account to meet the Borrower's obligation to make a Substitute Payment, then Rule 4.3.2 applies and:
- (a) CHO will advance the Shortfall Amount to the Clearing Participant or Lending Clearing Participant by debiting CHO's Settlement Account and crediting the Account of the Clearing Participant or Lending Clearing Participant by the Shortfall Amount and this Rule constitutes an irrevocable instruction to CDO to debit CHO's Settlement Account and credit the Account of the Clearing Participant or Lending Clearing Participant;
 - (b) the Shortfall Amount will be an amount due and payable by the Clearing Participant or Lending Clearing Participant to CHO;
 - (c) CHO may at any time debit a balance of Money in a Clearing Participant's or Lending Clearing Participant's Account and credit CHO's Settlement Account with the Shortfall Amount;
 - (d) this Rule does not limit any other power or right CHO might have, including its powers or rights in Section 7.

4.2.22 The Borrower must at all times ensure that CHO's right to debit its Accounts set out in Depository Rule 3.2.1 remains valid, effective and in full force and effect.

4.3 Consequences of Settlement Failure

4.3.1 **Failure to Deliver Approved Product in Respect of Settlement Transactions arising from Commodity Transactions:** If Rule 4.2.4(c)(ii) applies, then, without prejudice to CHO's rights under Section 7, CHO will be entitled at its sole discretion to undertake all or any of the following actions (and CHO will endeavour to exercise its powers in the sequence set out in this Rule unless it believes there is good reason to do otherwise):

- (a) carry forward Shortfall Net Open Positions for settlement at a Settlement Time on the next Settlement Day for settlement of Shortfall Net Open Positions of Clearing Participants and settle Shortfall Net Open Positions under

Rules 4.2.1 to 4.2.5 and/or carry forward Shortfall Net Open Positions under Rule 4.2.4(c);

- (b) buy in Approved Products in accordance with Rule 7.5 for the purpose of effecting settlement, and settle Shortfall Net Open Positions under Rules 4.2.1 to 4.2.5;
- (c) buy Approved Product or borrow Approved Product in accordance with Depository Rule 5.2.1 to meet CHO's delivery obligations in respect of Shortfall Net Open Positions in respect of Clearing Participants other than the Non-Performing Clearing Participant;
- (d) liquidate and apply Collateral or other assets of a Non-Performing Clearing Participant who failed to have sufficient Approved Product in its Settlement Account at Settlement Closing in accordance with Rule 7.9;

- (f) terminate Shortfall Net Open Positions of any Clearing Participant (not being a Non-Performing Clearing Participant), and any Shortfall Net Open Position terminated under this paragraph will be replaced by an obligation of CHO's to pay the compensation amount under Rule 4.4;
- (g) exercise any of the powers set out in Rule 7.4;
- (h) refer a Non-Performing Clearing Participant who failed to have sufficient Approved Product in its Settlement Account at Settlement Closing to the NZ Markets Disciplinary Tribunal;
- (i) recover from the Non-Performing Clearing Participant who failed to have sufficient Approved Product in its Settlement Account at a Settlement Closing any compensation amount payable by CHO under Rule 4.4 arising in respect of that failure; and
- (j) charge the costs incurred in remedying a shortfall (whether by borrowing, termination, buy-in, buying or carrying forward, and with CHO having absolute discretion as to the option or options it shall take to remedy the shortfall) to the Non-Performing Clearing Participant failing to have the Approved Product in its Settlement Account at a Settlement Closing.

4.3.2 **Failure to Pay Money:** If a Clearing Participant or a Lending Clearing Participant fails to have sufficient clear and available

funds in its Settlement Account or Account at a Settlement Time or on a Relevant Payment Date, then, without prejudice to CHO's rights under Section 7, CHO will be entitled at its sole discretion to undertake all or any of the following actions:

- (a) liquidate and apply Collateral or other assets of the Clearing Participant or Lending Clearing Participant in accordance with Rule 7.9;
- (b) exercise the powers set out in Rule 7.4;
- (c) in the case of a Clearing Participant (but not a Lending Clearing Participant) refer the Clearing Participant to the NZ Markets Disciplinary Tribunal; and
- (d) charge the costs or losses incurred in remedying the shortfall (including in respect of the sale of Withheld Approved Product) to the Clearing Participant or Lending Clearing Participant which failed to have sufficient clear and available funds in its Settlement Account or Account at a Settlement Time or on a Relevant Payment Date.

4.3.3 Failure to Deliver Approved Product in Respect of Settlement Transactions arising from Lending Transactions:

If a Clearing Participant or Lending Clearing Participant fails to have all or any part of the required quantity of an Approved Product required to be in its Account at a Delivery Time in respect of a Settlement Transaction arising from a Lending Transaction, then, without prejudice to CHO's rights under Section 7, CHO will be entitled at its sole discretion to undertake all or any of the following actions (and CHO will endeavour to exercise its powers in the sequence set out in this Rule unless it believes there is good reason to do otherwise):

- (a) buy in Approved Products in accordance with Rule 7.5 for the purpose of effecting settlement, and settle the obligations of the Clearing Participant or Lending Clearing Participant under Rule 4.2.17;
- (b) buy Approved Product or borrow Approved Product in accordance with Depository Rule 5.2.1 to meet CHO's delivery obligations in respect of Clearing Participants or Lending Clearing Participants other than the Non-Performing Clearing Participant;
- (c) liquidate and apply Collateral or other assets of the Clearing Participant or Lending Clearing Participant in accordance with Rule 7.9;
- (d) terminate in accordance with Rule 7.6 the Settlement Transaction between the Borrower and CHO;

- (e) terminate the Settlement Transaction between CHO and the Lender or Lenders and the obligation of CHO to deliver Approved Product to a Clearing Participant or Lending Clearing Participant will be replaced by an obligation of CHO's to pay the compensation amount under Rule 4.4;
- (f) exercise any of the powers set out in Rule 7.4;
- (g) in the case of a Clearing Participant only, refer the Clearing Participant to the NZ Markets Disciplinary Tribunal;
- (h) recover from the Non-Performing Clearing Participant who failed to have sufficient Approved Product in its Account at a Delivery Time any compensation amount payable by CHO under Rule 4.4 arising in respect of that failure; and
- (i) charge the costs incurred in remedying a shortfall (whether by borrowing, termination, buy-in, buying or carrying forward, and with CHO having absolute discretion as to the option or options it shall take to remedy the shortfall) to the Non-Performing Clearing Participant failing to have the Approved Product in its Account at a Delivery Time.

4.4 Compensation for Settlement Failure

4.4.1 If CHO fails to deliver any or all of the required quantity of an Approved Product (other than Withheld Approved Product) required to be delivered at a Delivery Time or at a Settlement Time (including where the obligation to deliver Approved Product has been replaced under Rule 4.3.1(f) or Rule 4.3.3(e) by an obligation to pay compensation (if any) in accordance with this Rule 4.4), or CHO fails to pay all or any part of the amount required to be paid by CHO at a Settlement Time or on a Relevant Payment Date then, subject to Rule 4.4.8, affected Clearing Participants and Lending Clearing Participants may seek compensation from CHO in accordance with this Rule 4.4, for direct losses resulting from that failed delivery or payment, which CHO will be entitled to recover from any Clearing Participant or Lending Clearing Participant responsible for the failure. Nothing in this Rule 4.4.1 will limit or otherwise affect any other rights of CHO under these Rules in relation to any Clearing Participant or Lending Clearing Participant responsible for the settlement failure.

4.4.2 A Clearing Participant or Lending Clearing Participant who wishes to seek compensation from CHO in accordance with Rule 4.4.1, must lodge with CHO within the time specified in Rule 4.4.3 a claim specifying:

- (a) the amount of compensation claimed;

- (b) the time, Delivery Time, Settlement Time or Relevant Payment Date at which the delivery or payment (as the case may be) was due;
- (c) the quantity and identity of the Approved Product which was not delivered (“**Product Shortfall**”), or the amount which was not paid (“**Payment Shortfall**”) as the case may be;
- (d) the amount that was required to be paid by the Clearing Participant at Settlement Time (if any) in respect of the Product Shortfall (“**Settlement Price**”) or the quantity and identity of the Approved Product required to be delivered by the Clearing Participant at Settlement Time (if any) in respect of the Product Shortfall or the Payment Shortfall; and
- (e) the amount of compensation (if any) the Clearing Participant has been required to pay to its Customer.

4.4.3 A Clearing Participant or Lending Clearing Participant must lodge a claim for compensation under Rule 4.4.2:

- (a) in respect of a failure to make payment, within 5 Business Days after the Settlement Date or Relevant Payment Date on which payment was due; and
- (b) in respect of a failure to deliver Approved Product, within 5 Business Days after the Settlement Date or Delivery Time on which the Net Open Position or Settlement Transaction in respect of the shortfall of Approved Product is terminated under Rule 4.3.1(f) or 4.3.3(e).

4.4.4 CHO shall determine a claim for compensation lodged in accordance with Rule 4.4.2 within 10 Business Days of receipt. In doing so, CHO must determine in good faith the amount of compensation which reflects the direct losses referred to in Rule 4.4.1. CHO must pay the amount of compensation (if any) which CHO so determines is payable, within 5 Business Days of that determination unless CHO is required to re-calculate the compensation amount payable in accordance with Rule 4.4.7(a). Subject to Rule 4.4.7, CHO’s determination will be final and will not be able to be further disputed or challenged by the Clearing Participant or Lending Clearing Participant.

4.4.5 If CHO determines to pay less than the amount of compensation claimed, it will, when notifying the Clearing Participant or Lending Clearing Participant of its determination, provide reasons for its determination and a calculation showing how the amount of compensation paid (if any) was calculated.

4.4.6 The compensation available from CHO under this Rule 4.4 (if any):

- (a) will not in any circumstances include any measure of, or compensation for, indirect or consequential losses; and
- (b) in the case of a Product Shortfall (other than in respect of a Lending Transaction), will not in any circumstances exceed a total of 100% of the Settlement Price for that Product Shortfall;
- (c) in the case of Product Shortfall in respect of a Lending Transaction, will not in any circumstances exceed a total of 100% of the value of that Product Shortfall at the Delivery Time; and
- (d) in the case of a Payment Shortfall, will not in any circumstances exceed the amount of that Payment Shortfall.

4.4.7 If the Clearing Participant or Lending Clearing Participant who lodged a claim under Rule 4.4.2:

- (a) can demonstrate in writing to CHO within 3 Business Days of the date of the determination of that claim by CHO under Rule 4.4.4 that CHO's determination or calculations provided under Rule 4.4.5 contain a manifest error in the calculations provided in respect of such claim, CHO must re-calculate and re-determine such claim taking into account any such manifest error within 10 Business Days of the date of receiving Notice of such error (if properly lodged within the required time period). CHO must pay the amount of compensation (if any) which CHO so determines is payable, within 5 Business Days of re-determining that claim; or
- (b) alleges that CHO has failed to determine its claim in good faith as required by Rule 4.4.4 (that is, that CHO has acted in bad faith), it may apply to the NZ Markets Disciplinary Tribunal under the NZ Markets Disciplinary Tribunal Rules for a determination as to whether CHO has failed to determine its claim in good faith. Without prejudice to the rights of the NZ Markets Disciplinary Tribunal under the NZ Markets Disciplinary Tribunal Rules or the rights of any party to appeal such decision under the NZ Markets Disciplinary Tribunal Rules, if the Tribunal finds that CHO:
 - (i) did not fail to determine its claim in good faith, the determination made by CHO pursuant to

Rule 4.4.4 shall remain in full force and effect;
or

- (ii) did fail to determine its claim in good faith, CHO shall recalculate and re-determine the claim for compensation and Rules 4.4.4 and 4.4.5 and 4.4.6 shall apply in respect of any such re-determination.

4.4.8 CHO will not be liable to pay compensation in respect of any settlement failure if such failure arises out of causes beyond the reasonable control of CHO or NZCDC and such causes may include, but will not be limited to, acts of God, war, terrorism, civil disturbance, riots, acts of civil or military authority, embargos, fires, floods, explosions, accidents, labour disputes, mechanical breakdowns, computer system failures or other failures of equipment, failures of or defects in computer or system software, unavailability of or any restriction on any online communications system or communications media or facilities, interruptions (whether in whole or in part) of power supplies or other utilities or services, any suspension, restriction or closure of any market, any market emergency, failure, interruption or suspension of any depository, Depository Participant (not being the Clearing Participant or Lending Clearing Participant referred to in Rule 4.4.1 as being responsible for the settlement failure), custodian, registry, bank or financial institution (not being the Clearing Participant or Lending Clearing Participant referred to in Rule 4.4.1 as being responsible for the settlement failure), any law, decree, regulation, or order or directive of any government, competent authority or any court or tribunal, and any other causes in all cases which are beyond CHO's or NZCDC's reasonable control.

Section 5: Reporting

5.1 Access

5.1.1 Clearing Participants and Lending Clearing Participants may view information and download reports in respect of their clearing and settlement obligations.

5.2 Reports

5.2.1 CHO will make reports available to Clearing Participants and Lending Clearing Participants in accordance with Procedures.

Procedure 5.1

5.3 Errors

- 5.3.1 Clearing Participants and Lending Clearing Participants will be responsible for checking reports and must notify CHO in the event of any error by no later than 5:00pm on the Business Day following the day on which the report was received.
- 5.3.2 CHO will specify, in a Notice to the Clearing Participant or Lending Clearing Participant, the steps that will be taken by CHO (in its absolute discretion) or that must be taken by the Clearing Participant or Lending Clearing Participant, in relation to the error. If CHO specifies steps that must be taken by the Clearing Participant or Lending Clearing Participant, the Clearing Participant or Lending Clearing Participant shall take the steps specified in the Notice on the day on which the demand is made, or if the demand is made after 3:30pm, by 11:00am the next Business Day or at such later time as may be specified in the Notice.
- 5.3.3 Without limiting the steps that CHO may take in relation to an error identified by CHO or notified by CHO pursuant to Rule 5.3.2, CHO may in its absolute discretion, and without giving any reason:
- (a) transfer a Settlement Transaction from one Settlement Account or Account to another Settlement Account or Account as specified in the Notice by CHO pursuant to Rule 5.3.2 (including by CHO creating and processing such additional Settlement Transactions as may be necessary); and/or
 - (b) recalculate Net Open Positions in Settlement Transactions arising from Commodity Transactions and recalculate positions in and Net Open Positions in respect of Settlement Transactions arising under Derivatives Contracts of a Clearing Participant; and/or
 - (c) recalculate under Rule 3.11 the Margin requirements of the Clearing Participant or Lending Clearing Participant; and/or
 - (d) transfer the allocation of Eligible Collateral from a Clearing Participant's Settlement Account or Account to another Settlement Account or Account of that Clearing Participant; and
 - (e) transfer the allocation of Eligible Collateral from a Lending Clearing Participant's Account to another Account of that Lending Clearing Participant;
 - (f) recalculate under Rule 10.1 the Default Fund Requirement or the Default Fund Contribution or Default Fund Payment Obligation of the Clearing Participant; and

- (g) take such other steps as CHO considers appropriate in the circumstances to ensure the wellbeing, proper conduct, stability or integrity of the Clearing House or the clearing and settlement of Settlement Transactions.

5.3.4 Nothing in this Rule 5.3 shall derogate from, and neither CHO nor any Clearing Participant or Lending Clearing Participant shall take any steps that derogate from, the irrevocable settlement of a Settlement Transaction.

Section 6: CHO Powers and Relationship with Operators of NZX Markets

6.1 Additional Powers

6.1.1 The powers set out in this Section are in addition to and without limitation of the rights and powers of CHO set out elsewhere in these Rules, in CHO's constitution and at law.

6.2 Approval of Products

6.2.1 Any Person may apply to NZX, in the form prescribed by Procedure, to have a class of Commodity or Derivatives Contract approved as an Approved Product.

Procedure 6.1

6.2.2 NZX may approve any Commodity or Derivatives Contract that is Admitted Product and is capable of being cleared and settled on the Clearing House as an Approved Product whether or not the class is quoted or traded on an NZX Market.

6.2.3 Upon receipt of an application or on its own initiative, NZX may at its absolute discretion approve a class of Commodity or Derivatives Contract as an Approved Product which CHO must then prescribe in Procedure. CHO may attach to an approval granted by NZX any conditions of approval CHO considers necessary for the integrity, reliability and efficiency of the Clearing House.

Procedure 6.2

6.2.4 Where NZX approves a class of Commodity or Derivatives Contract under Rule 6.2.3, CHO must notify the applicant, the Issuer of the Approved Product (if any), the operator of any NZX Market upon which the Approved Product is traded and each Clearing Participant and Lending Clearing Participant. Notice given under this Rule 6.2.4 will specify:

- (a) the Commencement Date for that Approved Product; and
- (b) any conditions attached to approval of the Approved Product.

- 6.2.5 CHO may with NZX's prior written consent at any time, at its discretion, either:
- (a) suspend approval of an Approved Product until further Notice, provided that any period of suspension does not exceed 60 Business Days; and
 - (b) revoke approval of an Approved Product, whether or not approval of the Approved Product is already suspended.
- 6.2.6 If CHO suspends or revokes approval of an Approved Product in accordance with Rule 6.2.5, CHO must promptly give Notice of the suspension or revocation to NZX, the Issuer of the Approved Product (if any), the operator of any NZX Market upon which the Approved Product is traded and each Clearing Participant and Lending Clearing Participant. The Notice must specify the time and date on which the suspension or revocation is effective and in the case of a suspension, the period of the suspension.
- 6.2.7 Withdrawal of approval of an Approved Product will not affect a Clearing Participant's, Lending Clearing Participant's or CHO's rights or obligations under a Settlement Transaction entered into prior to notification of the withdrawal of approval.
- 6.2.8 CHO may, at any time, with NZX's prior written consent, remove any suspension, and give Notice accordingly to NZX, the Issuer of the Approved Product (if any), any NZX Market upon which the Approved Product is traded and each Clearing Participant and Lending Clearing Participant.

6.3 Clearing Banks

- 6.3.1 CHO must appoint at least one Bank as a Clearing Bank for the purpose of making and receiving of payments in each relevant currency other than NZ\$. In order to be appointed by CHO as a Clearing Bank, a Bank must:
- (a) have adequate capacity for receiving and making payments in currencies other than NZ\$; and
 - (b) hold a rating of not less than A- from Standard & Poor's Ratings Services or Fitch Ratings Limited or A3 from Moody's Investor Services Limited.
- 6.3.2 CHO may revoke a Clearing Bank's appointment and appoint another Bank in its place at its discretion. CHO will endeavour to give Clearing Participants and Lending Clearing Participants not less than 15 Business Days' Notice of a change in the status of a Clearing Bank, but may make a change with shorter or no notice if the Clearing Bank ceases to satisfy the requirements of Rule 6.3.1(a) or (b) and a change is, in the opinion of CHO,

required to ensure a Clearing Bank that satisfies those requirements is available.

6.4 Complaints and Investigations

6.4.1 CHO may receive and consider complaints from any Person about CHO, CHO's operation of the Clearing House, a Clearing Participant, a Lending Clearing Participant, a Clearing Participant's or a Lending Clearing Participant's Directors, Responsible Person, Personnel, agents or other Person within the control of the Clearing Participant or Lending Clearing Participant as the case may be, or CHO's clearing and settlement activities. On receipt of a complaint CHO may, at its absolute discretion and without giving any reason:

- (a) reject summarily any complaint which appears to be insubstantial, immaterial, vexatious and/or frivolous; or
- (b) investigate the complaint in accordance with Rule 6.4.3; or
- (c) refer the complaint to any other Person that has jurisdiction in relation to the subject matter of the complaint or whom CHO believes is better qualified to deal with the matter including under a Reciprocal Arrangement.

6.4.2 CHO will maintain a record of complaints detailing each complaint received by it, any investigation or other action taken and the outcome of the complaint.

6.4.3 CHO may, either as a result of receiving a complaint in accordance with Rule 6.4.1 or on its own initiative, investigate a complaint and make such enquiries as it thinks fit. As a result of its investigations, CHO may exercise such powers as are conferred on it under these Rules as it thinks fit.

6.4.4 Where CHO has received and considered a complaint concerning CHO and/or its operation of the Clearing House, and has been unable to resolve that complaint to the satisfaction of the complainant, it must notify the complainant of that fact.

6.5 Investigation Powers

6.5.1 CHO may (either on its own initiative or in accordance with a request made to it by the NZ Markets Disciplinary Tribunal, the operator of an NZX Market, or any Person with whom CHO has a Reciprocal Arrangement) for the purposes of ascertaining whether a Clearing Participant or Lending Clearing Participant is complying or has complied with these Rules or any rules or requirements of an NZX Market or any Person with whom CHO has a Reciprocal Arrangement, or ascertaining whether to exercise any rights or powers under these Rules:

- (a) require any Clearing Participant or Lending Clearing Participant to produce for inspection any documents or records (whether in physical or electronic form) in that Clearing Participant's or Lending Clearing Participant's possession or control;
- (b) require any Clearing Participant or Lending Clearing Participant to procure any Director of the Clearing Participant or Lending Clearing Participant, or any Personnel, agent or other Person within the control of the Clearing Participant or Lending Clearing Participant, to produce for inspection any documents or records (whether in physical or electronic form) in that Person's possession or control;
- (c) require any Clearing Participant or Lending Clearing Participant to reproduce, or assist in reproducing in usable form, any document or record produced, or required to be produced to CHO;
- (d) inspect and make records or copies of any document or record produced to CHO;
- (e) require the Clearing Participant or Lending Clearing Participant to, or require the Clearing Participant or Lending Clearing Participant to procure (subject to law) any Director, Personnel, agent or other Person within the control of the Clearing Participant or Lending Clearing Participant to answer questions, provide explanations and/or give evidence as may be required by CHO, and if required by CHO, in the form of a statutory declaration in accordance with the Oaths and Declarations Act 1957;
- (f) require the Clearing Participant or Lending Clearing Participant to procure any Director, Personnel, agent or other Person within the control of the Clearing Participant or Lending Clearing Participant to appear before CHO at a specified date, time and place to answer questions, provide explanations and/or give evidence as may be required by CHO, and if required by CHO under an oath or affirmation in accordance with the Oaths and Declarations Act 1957;
- (g) require the Clearing Participant or Lending Clearing Participant to provide a written explanation of any circumstances in relation to its business that are relevant or material to its business as a Clearing Participant or Lending Clearing Participant;
- (h) send any representative of CHO to any Clearing Participant's or Lending Clearing Participant's offices for

the purpose of exercising any powers and discretions of CHO;

- (i) require the Clearing Participant or Lending Clearing Participant to supply, within the time specified by CHO, an audit certificate from the Clearing Participant's or Lending Clearing Participant's auditor or such other practicing chartered accountant specified by CHO. The audit certificate must have the content prescribed by CHO by Procedure; and/or

7.7.3 Where CHO undertakes a currency conversion calculation under Rule 7.7.1 to convert amounts to the Close Out Currency, the Non-Performing Clearing Participant must indemnify and hold CHO harmless against all costs, losses, expenses, claims, actions, suits, judgments, damages, penalties, obligations or liabilities which CHO may sustain or incur directly or indirectly as a result of the amount receivable by CHO at the time it is received being in a different currency to any corresponding obligation CHO is required to meet at that or any other time. Any such amount must be paid on demand to CHO and may be deducted from any amount payable to the Non-Performing Clearing Participant on close out under Rule 7.7, or added to any amount payable by the Non-Performing Clearing Participant on close out under Rule 7.7.

CHO must notify the Non-Performing Clearing Participant of any set off effected under these Rules. If any obligation is unascertained, CHO may make an estimation of that obligation in good faith and effect set off in respect of that obligation, subject to CHO adjusting its accounting, and requiring additional payment, or making additional payment, once the obligation is ascertained. Section 7A: CHO Default and CHO Insolvency

7A.1 CHO Default

7A.1.1 If a CHO Default occurs, the Clearing Participant or Lending Clearing Participant in respect of whom the CHO Default occurs may, by Notice to CHO, elect to terminate its Affected Transactions in accordance with Rules 7A.3 to 7A.7.

7A.2 CHO Insolvency

7A.2.1 If a CHO Insolvency occurs, any Clearing Participant or Lending Clearing Participant may, by Notice to CHO, elect to terminate its Affected Transactions in accordance with Rules 7A.3 to 7A.7.

7A.3 Termination Date

7A.3.1 On or before the third Business Day after receipt by CHO of a Notice pursuant to Rule 7A.1.1 or 7A.2.1, CHO:

- (a) will determine a date (the “**Termination Date**”) for the termination of all Affected Transactions of all Affected Clearing Participants, such date to be no later than two Business Days after the date of determination;
- (b) may:
 - (i) in the case of a CHO Default, select in its sole discretion for termination in accordance with this Section 7A any one or more Settlement Transactions of any Clearing Participant or Lending Clearing Participant (other than an Electing Clearing Participant) that are outstanding as at the Termination Date; and

 - (i) the Termination Date; and
 - (ii) in the case of a CHO Default, each of its Affected Transactions.

7A.4 Termination and determination of Net Termination Amounts

7A.4.1 On the Termination Date:

- (a) each Affected Transaction will be terminated, with the result being that neither CHO nor the relevant Affected Clearing Participant will be obliged to make any further payment of Money or delivery of Approved Product in respect of that

Affected Transaction that, but for termination under this Section 7A, was due for payment or delivery on or after the Termination Date;

- (b) the obligations of CHO and the relevant Affected Clearing Participant in respect of a terminated Affected Transaction will be replaced by:
 - (i) where a party had an obligation to deliver Approved Product, an obligation on that party to pay an amount equal to the Market Value of that Approved Product on the Termination Date; and

 - (ii) secondly, a net amount equal to the aggregate of each payment obligation under paragraph (b) above for the relevant Affected Transactions that are recorded against the House Account of the Affected Clearing Participant.

Each Net Termination Amount is to be denominated in NZD, and any currency conversion required in order to calculate that amount is to be made in accordance with Rule 6.10.

For the purposes of Part 5C of the BPS Act, this process for determining the Net Termination Amount constitutes “netting” as defined in section 156M of the BPS Act. For the avoidance of doubt, Rule 3.9 will not apply in respect of any Affected Transaction.

in which case, Rules 7.9.2, 7.9.3 and 7.10.2, as applicable, will apply (with the necessary changes).
- 7A.5.3 Any Net Termination Amount to be paid by CHO, a Clearing Participant or Lending Clearing Participant under this Rule 7A.5 and not paid by its due date for payment will be treated as an unpaid amount and will bear interest at the rate prescribed by CHO by Procedure.
- 7A.6 **Other consequences of termination**
- 7A.6.1 If the Affected Transactions of an Affected Clearing Participant are to be terminated due to a CHO Insolvency:
- (a) the Affected Clearing Participant's access to the Clearing House System will cease with effect as from the date of the CHO Insolvency, except to the extent continuing access is required in order to ensure the operation of Rule 7.15.7; and
 - (b) the Affected Clearing Participant will be deemed to have resigned in accordance with Rule 7.13.1 or 7.13.2, as applicable, with effect as from the Termination Date. Rule 7.15 will therefore apply accordingly (including, without limitation, Rule 7.15.7).
- 7A.6.2 If the Affected Transactions of an Affected Clearing Participant are to be terminated (whether due to a CHO Insolvency or a CHO Default), subject to Rule 2.16.9, after all of the obligations of that Affected Clearing Participant to CHO have been discharged in full, including any fees, charges or levies payable by that Affected Clearing Participant to CHO and any penalties, fines or other amounts determined by the NZ Markets Disciplinary Tribunal:

7A.7.1 If any Rule in this Section 7A is inconsistent with:

- (a) any Rule in Section 11, the Rule in Section 11 is to prevail;
- or
- (b) any Rule in a Section other than Section 11, the Rule in this Section 7A is to prevail.

- (a) in the case of Losses resulting from fraud that is directly attributable to an Affected Person, that Affected Person's liability shall not be subject to a monetary cap. For the purpose of this Rule 8.1.3(a), all inter-related events which give rise to liability for that Affected Person will be treated as one event;
- (b) in the case of Losses resulting from fraud that is indirectly attributable to an Affected Person through general principles of law (such as vicarious liability or agency), the total aggregate liability of that Affected Person and all other Affected Persons for those Losses shall not exceed NZ\$5 million. For the purpose of this Rule 8.1.3 (b):
 - (i) all inter-related events which give rise to liability for an Affected Person will be treated as one event. If any two or more Clearing Participants and/or any two or more Lending Clearing Participants suffer Losses resulting from fraud that is indirectly attributable to an Affected Person through general principles of law (such as vicarious liability or agency) and which exceed the total aggregate limit of NZ\$5 million, the liability of that Affected Person to each of those Clearing Participants and/or Lending Clearing Participants shall be proportional to the total of those Losses suffered by each of those Clearing Participants and/or Lending Clearing Participants respectively up to the total of NZ\$5 million; and
 - (ii) all claims against any two or more Affected Persons which arise out of the same event or inter-related

events shall be aggregated for the purpose of determining whether the NZ\$5 million limit in this Rule 8.1.3(b) has been reached, to the intent that the aggregate liability of all Affected Persons in respect of that event or those inter-related events shall not exceed that NZ\$5 million limit, and to the extent that the aggregate liability of all Affected Persons would (but for this Rule 8.1.3(b)) otherwise exceed that NZ\$5 million limit, each Affected Person shall be severally liable for its proportional share of that NZ\$5million aggregate liability (such proportion to be calculated by reference to what would otherwise be the liability of that Affected Person as a proportion of what would otherwise be the total liability of all Affected Persons); and

- (c) in the case of compensation payable by CHO to a Clearing Participant or Lending Clearing Participant under Rule 4.4, the compensation payable by CHO shall be subject to such limitations, conditions and exclusions as set out in Rule 4.4.

8.1.4 Except as expressly set out in Rule 8.1.2, no Affected Person will have any obligation or liability to any Person, whether a claim is made in contract, tort (including negligence), equity or otherwise, and whether under statute, warranty, indemnity, or any other obligation to pay, including in the event of:

- (a) any Losses (including direct, indirect or consequential loss or damage) which may be suffered or incurred, or which may directly or indirectly arise, out of or in connection with that or any other Affected Person's activities;
- (b) a Clearing Participant's or Lending Clearing Participant's inability to use the Clearing House System or any other CHO system;
- (c) a failure, error or omission on the part of that or any other Affected Person including any loss or damage in respect of:
 - (i) the result of clearing and settling on the Clearing House;
 - (ii) any inoperability or malfunction of equipment, software or any other product supplied to a Clearing Participant or Lending Clearing Participant, or in respect of its installation, maintenance or removal; or
 - (iii) the exercise by that or any other Affected Person of a decision making power;
- (d) CHO accepting a Clearing Participant's or Lending Clearing Participant's resignation, or CHO's decision to suspend or

terminate a Clearing Participant's or Lending Clearing Participant's participation in the Clearing House or to declare a Clearing Participant or Lending Clearing Participant to be a Defaulting Clearing Participant or CHO's exercise of any power in respect of a Non-Performing Clearing Participant.

- 8.1.5 If for any reason any Affected Person is liable to any one or more Persons under or in connection with these Rules, all Affected Persons' total aggregate liability in respect of all those Persons together, and all Affected Persons' breaches, acts and omissions combined, will not in any circumstances exceed an aggregate total of \$100 (or if this amount is not enforceable at law, then the minimum amount that is enforceable at law), provided that this limitation will not apply to liability permitted under Rule 8.1.2.
- 8.1.6 An Affected Person may require a Clearing Participant or Lending Clearing Participant to pay that Affected Person's reasonable cost of producing (pursuant to court order, regulatory request, or other legal process) records relating to the business or affairs of a Clearing Participant or Lending Clearing Participant, or any Director, Personnel, agent or other Person acting on behalf of the Clearing Participant or Lending Clearing Participant. This applies regardless of who requires the production.
- 8.1.7 An Affected Person will not be required to make payment pursuant to Rule 8.1.2(a) unless the Clearing Participant or Lending Clearing Participant has provided written details of the claim to that Affected Person no later than 18 calendar months following the date on which the Clearing Participant or Lending Clearing Participant became or should reasonably become aware of the specific act, fact, circumstance or event which gave rise to the claim.
- 8.1.8 The limitations and exclusions in this Rule 8.1 are cumulative and independent, and will apply whether a claim is made in contract, tort (including negligence), equity or otherwise, and whether under statute, warranty, indemnity, or any other obligation to pay, but will not apply to compensation payable under Rule 4.4.

8.2 Limitation on Action

- 8.2.1 No Clearing Participant or Lending Clearing Participant will be entitled to take (and to the maximum extent permitted by law each Clearing Participant and each Lending Clearing Participant waives and abandons its right to take) any legal proceedings, arbitration or other proceedings (including in relation to negligence) against any Affected Person seeking to impose any liability on any Affected Person for the alleged failure on that or any other Affected Person's part to prevent or require action by a Clearing Participant, a Lending Clearing Participant or any of a Clearing Participant's or Lending Clearing Participant's Directors, Personnel, agents or any other Person acting

on behalf of the Clearing Participant or Lending Clearing Participant, other than legal proceedings relating to fraud.

8.3 Indemnity

8.3.1 A Clearing Participant or Lending Clearing Participant will not be required to indemnify an Affected Person under this Rule 8.3 against Losses incurred by that Affected person arising out of or in connection with the fraud, wilful default or gross negligence of that Affected Person, but only to the extent that such fraud, wilful default or gross negligence of that Affected Person contributed directly to the Losses.

8.3.2 Subject only to Rule 8.3.1, each Clearing Participant and each Lending Clearing Participant undertakes and agrees to indemnify each Affected Person against all Losses incurred or suffered by that Affected Person where such Losses arose out of or in connection with:

- (a) any breach by that Clearing Participant or that Lending Clearing Participant of its obligations under the Rules;
- (b) any wilful, unlawful, reckless or negligent act or omission by that Clearing Participant or that Lending Clearing Participant; or
- (c) any action taken by CHO on behalf of, and at the request of, a Clearing Participant or a Lending Clearing Participant under Rule 6.12.2.

8.3.3 Without limitation to Rule 8.3.2 above, if any legal proceedings, arbitration or other proceedings are brought to impose any liability on any Affected Person for the alleged failure on that or any other Affected Person's part to prevent or require action by a Clearing Participant or Lending Clearing Participant (the "**Relevant Clearing Participant**") or any of the Relevant Clearing Participant's Directors, Personnel or agents, or other Person acting on behalf of the Relevant Clearing Participant, such Relevant Clearing Participant hereby undertakes to indemnify each Affected Person against:

- (a) all expenses and reasonable legal fees reasonably incurred by that Affected Person arising from or in connection with the proceedings;
- (b) any payment made by that Affected Person (in its absolute and sole discretion) arising from or in connection with settlement of the proceedings; and
- (c) any payment made by that Affected Person as a result of any order or award made in the proceedings.

8.4 Definition of Affected Person

- 8.4.1 For the purposes of Rules 8.1, 8.2 and 8.3, an “**Affected Person**” means each of CHO, NZCDC, a Director, Personnel or agent of CHO or NZCDC and any other Person acting on behalf of CHO (including NZX), and “**Affected Persons**” means any two or more of those Persons.
- 8.4.2 The provisions of Rules 8.1, 8.2 and 8.3 and this Rule 8.4 are for the benefit of each Affected Person and are intended to be enforceable by each Affected Person.

8.5 Notices

- 8.5.1 In these Rules and the Procedures, a reference to notifying a Person or giving a Person notice includes a reference to:
- (a) giving notice of those matters to the Person; or
 - (b) transmitting a message containing those matters to the Person.
- 8.5.2 For the purposes of the Rules and Procedures, a message which is transmitted by CHO or a Clearing Participant or Lending Clearing Participant will be deemed to be received when the message is made available for collection in the Clearing House facility for passing messages between CHO and Clearing Participants and Lending Clearing Participants.
- 8.5.3 If any Rule or Procedure requires or permits giving of notice of matters to a Person, the Rule or Procedure requires or permits the giving to that Person of a written document containing those matters.
- 8.5.4 For the purposes of any Rule or Procedure that requires or permits a document or notice to be given to a Person, whether the expression “serve”, “give”, or “send” or any other expression is used, the document may be given, and will be deemed to have been received, in the manner set out in the relevant Procedure. Nothing in this Rule or the Procedures prevents documents being sent, given to or served on a Person in any other manner permitted by law. Any document or notice shall be deemed to have been received by the recipient of the document or notice if the recipient has effectively received the document or notice, notwithstanding any non-compliance with this Rule or the Procedures.
- 8.5.5 If under these Rules CHO is to give any notice to some or all Clearing Participants or some or all Lending Clearing Participants, accidental omission by CHO to give notice to one or more Clearing Participants or Lending Clearing Participants does not affect the validity and enforceability of any resolution, decision, proceeding or act in connection with which the notice was to have been given.
- 8.5.6 Without limiting any other provision of this Rule 8.5, any notice to be given by a Clearing Participant or Lending Clearing Participant to

Procedure 8.1.

Procedure 8.2

CHO under Rule 2.9 must be given to the Head of Operations of CHO, in the manner prescribed by the Procedures.

- 8.5.7 A Clearing Participant or Lending Clearing Participant must acquire and maintain an operating e-mail system for the purposes of receiving notices under Rule 8.5.4.

8.6 General Provisions

- 8.6.1 **Transfer by a Clearing Participant or Lending Clearing Participant:** A Clearing Participant or Lending Clearing Participant may not transfer, assign or otherwise dispose of any of its rights and entitlements or obligations arising under these Rules.
- 8.6.2 **Transfer by CHO:** Subject to receipt of all regulatory approvals, CHO may transfer or assign its rights, entitlements and obligations under these Rules, the Procedures, the NZ Markets Disciplinary Tribunal Rules and related Procedures and/or under any Settlement Transaction to any Person. Each Clearing Participant and each Lending Clearing Participant is deemed to have consented to any transfer in accordance with this Rule of CHO's rights, entitlements and obligations under these Rules, the Procedures, the NZ Markets Disciplinary Tribunal Rules and related Procedures and/or any Settlement Transaction.
- 8.6.3 **Governing Law:** These Rules, and any other agreements entered into, or deemed to have been entered into, under these Rules, will be governed and construed in accordance with the laws of New Zealand and each Clearing Participant and each Lending Clearing Participant irrevocably submits to the exclusive jurisdiction of the courts of New Zealand. Each Clearing Participant and each Lending Clearing Participant irrevocably waives;
- (a) any objection arising at any time to the undertaking of proceedings in New Zealand;
 - (b) any claim that such proceedings have been brought in an inconvenient forum; and
 - (c) the right to object to such proceedings on the grounds that the courts of New Zealand do not have jurisdiction over it.
- 8.6.4 **Interim Injunctions:** CHO and the NZ Markets Disciplinary Tribunal (and for the avoidance of doubt no Clearing Participant or Lending Clearing Participant) shall be entitled to apply to a court in a jurisdiction other than New Zealand for provisional or interim relief measures, whether or not such relief is sought before the initiation of any proceedings in New Zealand.
- 8.6.5 **Language:** Every document required to be provided to CHO under or in connection with these Rules and Procedures, and the NZ Markets

Disciplinary Tribunal Rules must be in the English language or, if not in English, and if so required by CHO, be accompanied by a certified English translation and, in such case, the English translation will prevail unless the document is a constitutional, statutory or other official document.

- 8.6.6 **Waiver:** No indulgence or concession granted by CHO (except as expressly granted by CHO pursuant to Rule 6.7), and no omission or delay in exercising any rights or powers or privileges of CHO under these Rules, will operate as a waiver thereof, nor will any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
- 8.6.7 **Voice Recording:** CHO may record telephone conversations with CHO without the use of warning tones. The records will be sole property of CHO and may be adduced as evidence in any court, regulatory, disciplinary or other proceedings of the matters discussed.
- 8.6.8 **Conclusive Evidence:** Any written advice, statement or report by CHO which relates to clearing and settlement will, in the absence of manifest error, be final and conclusive unless disputed by the recipient within 5 Business Days of its deemed receipt by the Clearing Participant or Lending Clearing Participant. Except as otherwise agreed by CHO, the failure of a Clearing Participant or Lending Clearing Participant to inform CHO of any error or omission in any written advice, statement or report promptly within 5 Business Days of its deemed receipt by the Clearing Participant or Lending Clearing Participant will constitute a waiver in favour of CHO by such Clearing Participant or Lending Clearing Participant of any right to require rectification of that written advice, statement or report.
- 8.6.9 **Invalidity:** The invalidity, illegality and unenforceability in whole or in part of any of the provisions of these Rules in respect of any Clearing Participant or Lending Clearing Participant will not affect the validity, legality and enforceability of those Rules in respect of any other Clearing Participant or Lending Clearing Participant or the validity, legality and enforceability of the remaining part or provisions of these Rules.
- 8.6.10 **No Set-off:** Subject to these Rules, all payments to be made by a Clearing Participant or Lending Clearing Participant to CHO for its own account (including any fees levies and charges imposed by CHO) under or in respect of these Rules, the Procedures or any Settlement Transactions shall be made without (and free and clear of any deduction for) set-off or counterclaim.
- 8.6.11 **Validity of Action:** An action or inaction by CHO under the Rules or any Procedure may not be challenged on the ground that a Rule,

Procedure, direction, decision, resolution or requirement of CHO or any agreement made by CHO is ultra vires or otherwise invalid.

8.6.12 Notices or Time: A decision, resolution, proceeding or act of CHO under these Rules is not invalidated by defect, irregularity or deficiency of notice or time unless:

- (a) a Clearing Participant or Lending Clearing Participant concerned by the defect, irregularity or deficiency requests, within 5 Business Days of the date that the Clearing Participant or Lending Clearing Participant knew or should reasonably have known of the defect, irregularity or deficiency, that CHO resolve that the decision, resolution, proceeding or act is invalid;
- (b) CHO believes that the defect, irregularity or deficiency has caused or may cause substantial injustice which cannot reasonably be avoided; and
- (c) CHO accordingly resolves that the decision, resolution, proceeding or act is invalid.

8.6.13 Service of process:

- (a) Without prejudice to any other mode of service allowed under any relevant law, a Clearing Participant or a Lending Clearing Participant in each case who is not incorporated in New Zealand, shall, if so required by CHO, promptly (and in any event within 5 Business Days of Notice of such requirement), irrevocably appoint an agent for service of process in relation to any proceedings before the New Zealand courts in connection with these Rules. Such Clearing Participant, or Lending Clearing Participant, as the case may be, agrees that failure by an agent for service of process to notify that Clearing Participant or Lending Clearing Participant, as the case may be, of the process will not invalidate the proceedings concerned. If such Clearing Participant or Lending Clearing Participant, as the case may be, fails to appoint an agent under this Rule, CHO may appoint another agent for this purpose.
- (b) If any Person appointed as agent for service of process is unable for any reason to act as agent for service of process, that Clearing Participant or Lending Clearing Participant, as the case may be, shall promptly (and in any event within 10 Business Days of such event taking place) appoint another agent on terms acceptable to CHO. Failing this, CHO may appoint another agent for this purpose.

8.7 Confidentiality of Information and Intellectual Property

8.7.1 Confidentiality of Information Provided to CHO: Unless otherwise provided under these Rules, or in any other agreement between CHO and the Clearing Participant or Lending Clearing Participant, CHO

must treat all information and documents received by CHO from or on behalf of a Clearing Participant or Lending Clearing Participant or relating to that Clearing Participant or Lending Clearing Participant or any applicant to be a Clearing Participant or a Lending Clearing Participant under or in connection with these Rules (“**Confidential Information**”) as confidential. CHO will however be entitled to disclose Confidential Information in all or any of the following circumstances:

- (a) CHO may disclose any Confidential Information to its Related Persons, CDO, Nominee, the NZ Markets Disciplinary Tribunal or the operator of an NZX Market;
- (b) CHO may disclose any Confidential Information to any Person with whom CHO has a Reciprocal Arrangement, in connection with the performance by CHO of its functions and exercise of CHO’s powers under the Rules;
- (c) for the purposes of enabling CHO to institute, carry on or defend any proceedings including any court proceedings;
- (d) as required by law, or as required or requested by an operator of an NZX Market in accordance with any listing rule or market conduct rule of that market, or in accordance with a Reciprocal Arrangement;
- (e) for the purpose of enabling CHO to discharge its functions and obligations under these Rules, having regard to the Risk Management Purposes (including by CHO disclosing Confidential Information to SGX-DC or SGX-DT for the purposes of, or in connection with, the Migration);
- (f) in relation to enforcement of a Clearing Participant’s or Lending Clearing Participant’s obligations under these Rules;
- (g) to enable CHO or any Person approved by CHO to publish or distribute aggregated information and reports, or other information and reports in relation to Settlement Transactions and the operation of the Clearing House generally;
- (h) for any other purpose with the consent of the Clearing Participant, or Lending Clearing Participant or applicant as the context requires; or
- (i) where the Confidential Information is already in the public domain or becomes public, other than as a result of breach by CHO of this Rule.

8.7.2 **Confidentiality of Information provided to Clearing Participants and Lending Clearing Participants:** Unless otherwise provided under these Rules, or in any other agreement between CHO and the

Clearing Participant or Lending Clearing Participant, as the case may be, the Clearing Participant or Lending Clearing Participant, as the case may be, must treat all information and documents received by the Clearing Participant or Lending Clearing Participant, as the case may be, from or on behalf of CHO under or in connection with these Rules (“**CHO’s Confidential Information**”) as confidential. The Clearing Participant or Lending Clearing Participant as the case may be, will, however, be entitled to disclose CHO’s Confidential Information in all or any of the following circumstances:

- (a) as required by law or by any listing rule or market conduct rule of an NZX Market or any other exchange on which it or its Related Persons are listed;
- (b) as requested or required by any Alternative Regulator to whose jurisdiction the Clearing Participant or Lending Clearing Participant or any of their respective Related Persons are subject; or
- (c) where CHO’s Confidential Information is already in the public domain or becomes public, other than as a result of breach by the Clearing Participant or Lending Clearing Participant of this Rule; or
- (d) for any other purpose with the prior consent of CHO.

8.7.3 **Intellectual Property:** Subject to payment of fees, levies and charges in accordance with these Rules, CHO grants (and is authorised to grant) to each Clearing Participant and each Lending Clearing Participant a non-exclusive, non-transferable licence to use and communicate with the Clearing House System only to the extent, and in the manner, required or permitted by these Rules and the Procedures.

8.7.4 CHO reserves (and is authorised to reserve) all Intellectual Property rights that CHO, CDO or NZX have or may have in relation to the Settlement System and the information passing into or out of, or held within, the Settlement System (including any right CHO, CDO or NZX may have to the confidentiality of that information). No Clearing Participant or Lending Clearing Participant may have or obtain any ownership, copyright or other Intellectual Property in any of CHO’s, CDO’s or NZX’s Confidential Information or in any aspect of the Settlement System.

8.7.5 No Clearing Participant or Lending Clearing Participant may:

- (a) copy, alter, or modify or attempt to copy, alter or modify all or any part of the Settlement System;

- (b) attempt to recreate, reverse engineer or in any other way derive the source code or object code for all or any part of the Settlement System;
- (c) use or communicate with, or about, the Settlement System otherwise than as required or permitted by these Rules; or
- (d) allow a Person that is not a Director, Personnel, agent or other Person acting on behalf of, the Clearing Participant or Lending Clearing Participant and authorised by the Clearing Participant or Lending Clearing Participant for that purpose to access the Settlement System.

8.7.6 **Reciprocal Arrangement:** CHO shall use reasonable endeavours to enter into, and maintain, a Reciprocal Arrangement with each of NZX and CDO.

Section 9: Capital Adequacy

Capital Adequacy

- 9.1.1 **Minimum Capital Required:** Subject to Rule 9.1.2, a Clearing Participant must at all times maintain its Net Tangible Current Assets at a level equal to, or greater than, its Prescribed Minimum Capital Adequacy, which shall be the higher of:
- (a) the Minimum NTCA of the Clearing Participant, as prescribed for its category of Clearing Participant by Rule 9.2; and
 - (b) the Total Risk Requirement of the Clearing Participant, as calculated in accordance with Rule 9.5.
- 9.1.2 **Other Prudential Supervision Regime:** A Clearing Participant may be exempted from the requirements of Rule 9.1.1, if CHO is satisfied that the Clearing Participant is subject to, and is complying with, an equivalent level of prudential supervision by an Alternative Regulator, in accordance with the laws of the applicable jurisdiction.
- 9.1.3 A Clearing Participant holding an exemption under Rule 9.1.2 must:
- (a) comply with all obligations to, or requirements of, the Alternative Regulator;

 - (e) notify CHO if the Clearing Participant ceases to be subject to regulation by the Alternative Regulator as soon as reasonably practicable after becoming aware of the same.
- 9.1.4 An exemption under Rule 9.1.2 may be revoked at any time by CHO and will be deemed to be revoked immediately if:

- (a) the Clearing Participant ceases to be subject to regulation by the Alternative Regulator; or
- (b) the Clearing Participant's standing, authorisation or approval conferred by the Alternative Regulator is suspended or terminated or otherwise materially adversely impaired.

9.2 Capital Adequacy Requirements

9.2.1 The Minimum Net Tangible Current Asset levels are:

- (a) \$1,000,000 for an Individual Clearing Participant;
- (b) \$5,000,000 for a General Clearing Participant; and
- (c) \$5,000,000 for a Default Clearing Participant.

9.3 Capital Adequacy Reporting

9.3.1 A Clearing Participant must calculate:

- (a) the Clearing Participant's Net Tangible Current Assets;
- (b) the Clearing Participant's Total Risk Requirement; and
- (c) the percentage that the Clearing Participant's Net Tangible Current Assets and Total Risk Requirement amounts form of its Prescribed Minimum Capital Adequacy,

as at the end of each Business Day (together, the "**Capital Adequacy Calculations**") with such calculation to be completed and recorded by the end of the next Business Day.

Procedure 2.19

9.3.2 A Clearing Participant must provide to CHO a monthly report of its daily Capital Adequacy Calculations during that month at the time and in the manner prescribed by Procedure.

Procedure 2.20

9.3.3 CHO may by Notice require a Clearing Participant to provide to CHO a report of its daily Capital Adequacy Calculations on a more regular basis as and when CHO considers necessary or desirable.

9.3.4 A Clearing Participant must notify CHO as soon as reasonably practicable after becoming aware that, between two consecutive Business Days the Clearing Participant's Net Tangible Current Assets as a percentage of its Prescribed Minimum Capital Adequacy:

- (a) having been above any of the percentage thresholds specified below, changes so that it is below that threshold; or

The percentage thresholds referred to above are: 100%, 120%, 150%, 200%, 300%, 500% and 1000%.

9.4 NTCA Calculation

- 9.4.1 A Clearing Participant's Net Tangible Current Assets are calculated as the sum of its tangible assets less the sum of its liabilities, as calculated in accordance with Generally Accepted Accounting Practice, this Rule 9.4 and Rule 9.13. In the event of any inconsistency between these Rules and Generally Accepted Accounting Practice, these Rules will prevail.

- 9.4.2 The following items must be excluded from the calculation of Net Tangible Current Assets:

- (a) all Intangible Assets (but liabilities including Contingent Liabilities associated with Intangible Assets must be included in the calculation);

- 9.4.3 CHO may, from time to time, notify a Clearing Participant that it must exclude any item that otherwise would be included in its NTCA calculation on such conditions and for such period notified by CHO. Where CHO has made a determination under this Rule, it will advise the Clearing Participant in writing, specifying the reasons for its determination.
- 9.4.4 The following items must be included in the calculation of Net Tangible Current Assets:
- (a) all Contingent Liabilities; and
 - (b) assets and liabilities in respect of segregated client monies held on the Clearing Participant's balance sheet.
- 9.4.5 A Clearing Participant may only exclude a Subordinated Debt from calculation of its liabilities, for the purposes of these Rules, with the prior approval of CHO.
- 9.4.6 CHO will not approve the exclusion of Subordinated Debt from calculation of the Clearing Participant's liabilities unless the Subordinated Debt is issued on terms that include that:
- (a) the terms of issue of the Subordinated Debt are subject to these Rules;
 - (b) the terms of issue of the Subordinated Debt cannot be amended without the prior approval of CHO;
 - (c) any repayment of the Subordinated Debt is subject to the Clearing Participant holding Net Tangible Current Assets above 120% of its Minimum NTCA after repayment;
 - (d) no repayments of the Subordinated Debt can be made without the prior approval of CHO;

- 9.4.7 CHO will not withhold approval to repayment of any Subordinated Debt if in the opinion of CHO, the Clearing Participant's Net Tangible Current Assets will continue,

immediately following repayment, to be greater than 120% of its Prescribed Minimum Capital Adequacy.

- (a) the Clearing Participant's budgeted total revenue for the month in which the calculation is made; and
- (b) the Clearing Participant's average actual monthly total revenue of the three complete consecutive calendar months preceding the date on which the calculation is made.

9.7 Counterparty Risk Requirement

9.7.1 A Clearing Participant may calculate the Positive Credit Exposure under Rule 9.7.3 and Rule 9.7.4 for an individual Counterparty on a net basis across all currencies only where and to the extent that netting is permissible on a "first in first out" basis under Generally Accepted Accounting Practice.

9.7.2 Liability of a Counterparty to a Clearing Participant may be netted against:

- (a) assets held by that Clearing Participant pending settlement of that liability; and/or
- (b) assets of that Counterparty under the control of that Clearing Participant in respect of which that Clearing

Participant has a right or lien that may be exercised in order to satisfy that liability.

- (a) include all trade and intragroup debtors;
- (b) include all transactions in Financial Instruments; and

- (d) 100% of all other transactions with that Counterparty.

9.7.5 Where a right of set-off exists and a single Counterparty has outstanding balances in more than one category specified in Rule 9.7.4, the debit or credit balance is first applied to the Positive Credit Exposure with the greatest Counterparty Risk Requirement.

9.8 Large Position Risk Requirement

9.8.1 The Large Position Risk Requirement is calculated as being the aggregate of the:

- (a) Large Position Counterparty Risk Requirement; and
 - (b) Large Position Issuer Risk Requirement,
- but must exclude any Net Underwriting Commitment.

- 9.8.2 The Large Position Counterparty Risk Requirement applies when a Clearing Participant's Positive Credit Exposure to an individual Counterparty exceeds 19% of that Clearing Participant's total liabilities and will be the sum of:
- (a) 2% of the value of transactions with that Counterparty that are not Overdue; and
 - (b) 10% of the value of transactions with that Counterparty that are Overdue.
- 9.8.3 The Large Position Issuer Risk Requirement applies when a Clearing Participant has a principal position in a class of an individual Issuer's Securities that is more than 10% of all the securities in that class or that has a value that exceeds 19% of that Clearing Participant's total liabilities and will be an additional 5% of the total of the value of the relevant Securities.

9.9 Position Risk Requirement Calculation

- 9.9.1 The Position Risk Requirement represents the aggregate of a Clearing Participant's individual absolute net position risk amounts in particular Financial Instruments or transactions. 9.9.2 In calculating the absolute net position in a particular Financial Instrument or transaction under Rule 9.9.1:

(a) the value of each Debt, Fund or Equity Security position under Rule 9.9.1(a) may be off-set by a derivative product over the same underlying Debt, Fund or Equity Security, to the extent that the exposure to that Debt, Fund or Equity Security is reduced by that derivative product;

9.12 Market Risk Requirement

9.12.1 From time to time CHO may by written Notice, require any Clearing Participant or all Clearing Participants to include a Market Risk Requirement in its or their Total Risk Requirement. In determining whether a Market Risk Requirement is necessary and in determining the amount or method of calculating a Market Risk Requirement, CHO will have regard to:

- (a) the risk profile of the Clearing Participant;
- (b) domestic and global market volatility; and
- (c) any other factor that CHO considers to be relevant.

9.12.2 A Clearing Participant will be required to calculate and include the Market Risk Requirement in its Total Risk Requirement in accordance with any Notice given by CHO from time to time.

9.13 Valuation and Foreign Currencies

9.13.1 In calculating its NTCA or Total Risk Requirement, a Clearing Participant must mark to market each of its principal positions in Financial Instruments on each Business Day. Except where provided for in the Rules, all assets and liabilities are to be valued in accordance with Generally Accepted Accounting Practice.

9.13.2 An Option or right may be valued using an option pricing model approved by CHO from time to time. The model used must be specified in all relevant reporting to CHO.

- 9.13.3 In arriving at a mark to market value for an Option or rights position with no published market price, or that cannot otherwise be valued under Rule 9.13.2, the position must be valued as follows:

- 9.13.6 Where CHO has made a determination under Rule 9.13.5, it will advise the Clearing Participant in writing, specifying the reasons for its determination.
- 9.13.7 In calculating NTCA or any component of the Total Risk Requirement, in respect of a Business Day, a Clearing Participant must convert any amounts in foreign currency other than the Base Currency to the Base Currency at the prevailing spot rate on or about the close of business on that Business Day from a readily available market source and the Clearing Participant must specify the rate and source in all relevant reporting to CHO.
- 9.13.8 For the purpose of Rule 9.13.7 CHO may, from time to time, stipulate that a specific source cannot be used as a source for currency conversion or may stipulate the source that must be used by the Clearing Participant.

Section 10: Default Fund

Default Fund Requirement and Default Fund Contribution

- 10.1.1 CHO will calculate, at such times as it may determine and in the manner specified by Procedure, the Default Fund Requirement. Procedure 9.1
- 10.1.2 CHO will calculate, at such times as it may determine and in the manner specified by Procedure, the total Default Fund Contribution of each Clearing Participant in relation to the Settlement Transactions arising from Derivatives Contracts. Procedure 9.1
- 10.1.3 The methods for calculating the Default Fund Requirement and the Default Fund Contribution will be determined using a risk-based method as provided by Procedure. Procedure 9.1

- 10.1.5 CHO must notify each Clearing Participant of its Default Fund Contribution in the manner specified by Procedure. Procedure 9.2
- 10.1.6 Without limiting the circumstances when CHO may exercise its powers under Rules 10.1.1, 10.1.2 or 10.1.4 CHO may exercise its powers:
- (a) if there has been growth in the number of Net Open Positions or Settlement Transactions;

- 10.2.2 A Clearing Participant may deliver a Default Fund Payment to CHO at any time, and must deliver a Default Fund Payment to, or at the direction of CHO, when required to do so by CHO. The methods of notifying CHO of the delivery by the Clearing Participant of a Default Fund Payment, or notifying Clearing Participants of a Default Fund Payment Obligation, will be provided for by Procedure. Procedure 9.2, 9.3 and 9.5

- 10.2.3 Subject to Rule 10.2.4, a Default Fund Payment shall be delivered by a Clearing Participant by transfer by the Clearing Participant's Settlement Bank to CHO's designated Default Fund Account, in the manner described by Procedure. Procedure 9.4
- 10.2.4 CHO may specify other methods of providing Default Fund Payments by Procedure. Procedure 9.4
- 10.2.5 Upon delivery of a Default Fund Payment to CHO:

 - (b) CHO shall have full rights and powers, and may in its absolute discretion deal with the Default Fund Payment in any manner.
- 10.2.6 All Default Fund Payments delivered by a Clearing Participant will be identified as part of that Clearing Participant's Default Fund Contribution in accordance with Rule 10.4.1 and each Clearing Participant acknowledges that CHO maintains its Default Fund Payments for the purposes of CHO applying the Default Fund towards a Declared Default in the manner set out in Rule 7.10 (including for the avoidance of doubt to cover losses arising from a default of another Clearing Participant). CHO holds the Default Fund on its own account, and not by way of security or on trust.
- 10.2.7 Provided that a Clearing Participant is not a Non-Performing Clearing Participant, CHO may pay to the Clearing Participant Money CHO has received in respect of interest, and other payments and distributions of Money, as a result of CHO investing Default Fund Payments in a Default Fund Account.
- 10.2.8 For the avoidance of doubt, CHO shall have no obligations to a Non-Performing Clearing Participant under Rule 10.2.7, and Rule 10.2.7 shall cease to operate for so long as a Declared Default is occurring and continuing (as determined by CHO in its sole discretion).
- 10.3 Eligible Money, haircuts and Concentration Limit**
- 10.3.1 CHO may in its sole discretion specify by Procedure the Money that will be accepted by CHO as Default Fund Payments. Procedure 9.6

Procedure 9.8

- 10.3.3 CHO will have sole discretion, by Procedure or otherwise to determine the quantity or proportion of each currency of Money which any or all Clearing Participants may or must maintain in satisfaction of their Default Fund Contribution.
- 10.3.4 If the currency of any Money delivered by a Clearing Participant as a Default Fund Payment ceases to comply with Rule 10.3.1 or ceases to comply with any quantity or proportion requirement imposed by CHO under Rule 10.3.3, then:
- (a) CHO may convert that Money into such other currency (or currencies) as it determines in order for that Default Fund Payment (once converted) to comply with Rule 10.3.1 and Rule 10.3.3;
 - (b) if CHO decides not to convert under Rule 10.3.4(a), or if a CHO conversion under Rule 10.3.4(a) does not fully satisfy the applicable Default Fund Payment Obligation, that Clearing Participant must deliver additional Money in such currency (or currencies) to ensure that the balance of the Clearing Participant's Default Fund Contribution Account meets the requirements of Rule 10.2.1 and Rule 10.3.3; and
 - (c) CHO will notify that Clearing Participant of any Money that may be repaid to it as a Default Fund Refund as a result of a conversion under Rule 10.3.4(a) or the delivery of additional Money under Rule 10.3.4(b).

10.4 Recording Default Fund Payments

- 10.4.1 CHO must record all Default Fund Payments delivered by a Clearing Participant against that Clearing Participant's Default Fund Contribution Account in accordance with Procedure and any directions given by that Clearing Participant.
- 10.4.2 On the application of the Default Fund under Rule 7.10.2(c), the balance of each Clearing Participant's Default Fund Contribution Account will be automatically reduced by the pro-rata amount determined by CHO.

Procedure 9.5

Fund Contribution Account will be automatically reduced by an equal amount.

10.5 Default Fund Refunds

- 10.5.1 Clearing Participants may elect to pay to CHO Default Fund Payments in excess of the amount required by CHO.

- 10.5.2 A Clearing Participant who is not a Non-Performing Clearing Participant may request a refund of Money from its Default Fund Contribution Account up to the amount that is the total value in its Default Fund Contribution Account that exceeds the Clearing Participant's current Default Fund Contribution calculated under Rule 10.1.2.

- 10.5.3 CHO may accept a request to refund Money under clause 10.5.2, but only to the extent that the amount refunded to that Clearing Participant represents amounts held in respect of that Clearing Participant's Default Fund Contributions that are greater than the amount that Clearing Participant is currently required to hold as its Default Fund Contribution calculated under Rule 10.1.2.

Procedure 9.9

- 10.5.4 The procedure for the transfers of Money under Rule 10.5.2 and Rule 10.5.3 will be prescribed by Procedure.

Procedure 9.9

Section 11: Recovery Powers

Availability of Recovery Powers

11.1.1 If CHO has determined to treat a Credit Event under Rule 7.1.1 (a) or (b) or 7.2.1(a) or (b) as a Declared Default in respect of a Clearing Participant or Lending Clearing Participant, as the case may be, CHO may, in addition to any other right or power it has under the Rules (including under Rules 7.4 to 7.11) exercise any or all of the following recovery powers:

- (a) in the case of a Cash Default:
 - (i) Offsetting Transaction (see Rule 11.2);
 - (ii) Partial Termination (see Rule 11.4);
 - (iii) Complete Termination (see Rule 11.5);
 - (iv) Emergency Assessment (see Rule 11.6); and
 - (v) Final Payment Reduction (see Rule 11.7); and

 - (ii) Partial Termination (see Rule 11.4);
 - (iii) Complete Termination (see Rule 11.5);
 - (iv) Emergency Assessment (see Rule 11.6); and
 - (v) Final Payment Reduction (see Rule 11.7).

11.2 Offsetting Transaction

11.2.1 **Trigger for Offsetting Transaction:** Rules 11.2.2 to 11.2.4 apply if:

- (a) the relevant Declared Default is a Cash Default;
- (b) the amount of Money required to be transferred by the relevant Non-Performing Clearing Participant to CHO on the Offsetting Transaction Date exceeds the sum of:
 - (i) the clear and available funds in the Non-Performing Clearing Participant's Settlement Accounts on that date;
 - (ii) the NZD equivalent of the Money Collateral provided by the Non-Performing Clearing Participant in respect of its obligations under these Rules;
 - (iii) the amount of the Junior Risk Capital; and
 - (iv) the amount (if any) available to be drawn down under the Liquidity Facility;
- (c) CHO has not given Notice of its intention to exercise its Termination powers in respect of the relevant Declared Default; and

- (d) CHO has given Notice to all Non-Defaulting Clearing Participants that Rules 11.2.2 to 11.2.4 apply and that the date during the Default Period specified as such in the Notice is the Offsetting Transaction Date.

11.2.2 Initial process for Offsetting Transactions: Where this Rule applies, CHO will, on or before the Offsetting Transaction Date:

- (a) determine the minimum number of Settlement Transactions that it believes must be subject to corresponding Offsetting Transactions (ACP) in order to restore a Matched Book;
- (b) allocate those Settlement Transactions among the Affected Clearing Participants generally on a pro rata basis, but in a manner that allows CHO:
 - (i) to give preference to Settlement Transactions that are in respect of more liquid Approved Products;
 - (ii) to involve as few Affected Clearing Participants as possible; and
 - (iii) to split any existing Settlement Transaction into two new Settlement Transactions having the combined same terms as the existing Settlement Transaction;
- (c) give Notice to each Affected Clearing Participant of:
 - (i) its Affected Transactions; and
 - (ii) its Offsetting Transactions (ACP) (including details of its Offsetting Transactions (ACP)); and
- (d) give Notice to the relevant Non-Performing Clearing Participant of:
 - (i) its Defaulted Transactions; and
 - (ii) its Offsetting Transactions (NCP) (including details of its Offsetting Transactions (NCP)).

11.2.3 Process for Offsetting Transactions (ACP): Where this Rules applies:

- (a) on the Offsetting Transaction Date, for each Affected Transaction, a contract having the following terms (an “**Offsetting Transaction (ACP)**”) will be deemed to have been entered into between CHO and the relevant Affected Clearing Participant:
 - (i) under the first leg of the Offsetting Transaction (ACP):
 - (A) CHO has an obligation to transfer to the Affected Clearing Participant, on the Offsetting Transaction Date, the same amount and type of Approved Product as the Affected Clearing Participant is required to transfer to CHO under the Affected Transaction; and
 - (B) the Affected Clearing Participant has an obligation to transfer to CHO, on the Offsetting Transaction Date, the same amount of Money as CHO is required to transfer to the Affected Clearing Participant under the Affected Transaction; and
 - (ii) under the second leg of the Offsetting Transaction (ACP):
 - (A) the Affected Clearing Participant has an obligation to transfer to CHO, on the first Business Day following the Offsetting Transaction Date, the same amount and type of Approved

Product as CHO is required to transfer to the Affected Clearing Participant under the first leg of the Offsetting Transaction (ACP); and

- (B) CHO has an obligation to transfer to the Affected Clearing Participant, on the first Business Day following the Offsetting Transaction Date, the same amount of Money as the Affected Clearing Participant is required to transfer to CHO under the first leg of the Offsetting Transaction (ACP);
- (b) nothing further is required to be done by either CHO or the relevant Affected Clearing Participant in order to enter into and bring into effect an Offsetting Transaction (ACP);
- (c) on the Offsetting Transaction Date, the obligations of each of CHO and the relevant Affected Clearing Participant in respect of the first leg of each Offsetting Transaction (ACP) are to be satisfied by way of set-off against the corresponding entitlement of that party under the related Affected Transaction, with the result that:
 - (i) each obligation of the Affected Clearing Participant to transfer Approved Product to CHO under the Affected Transaction is discharged by the equal but opposite obligation of CHO to transfer Approved Product to the Affected Clearing Participant under the first leg of the Offsetting Transaction (ACP);
 - (ii) each obligation of CHO to transfer an amount of Money to the Affected Clearing Participant under the Affected Transaction is discharged by the equal but opposite obligation of the Affected Clearing Participant to transfer Money to CHO under the first leg of the Offsetting Transaction (ACP);
 - (iii) each obligation of CHO to transfer Approved Product to the Affected Clearing Participant under the first leg of the Offsetting Transaction (ACP) is discharged by the equal but opposite obligation of the Affected Clearing Participant to transfer Approved Product to CHO under the Affected Transaction; and
 - (iv) each obligation of the Affected Clearing Participant to transfer an amount of Money to CHO under the first leg of the Offsetting Transaction (ACP) is discharged by the equal but opposite obligation of CHO to transfer Money to the Affected Clearing Participant under the Affected Transaction; and
- (d) on the first Business Day following the Offsetting Transaction Date, the obligations of each of CHO and the relevant Affected Clearing Participant in respect of the second leg of each Offsetting Transaction (ACP) are to be satisfied in the manner set out in Section 4.

11.2.4 **Process for Offsetting Transactions (NCP):** Where this Rules applies:

- (a) on the Offsetting Transaction Date, for each Defaulted Transaction, a contract having the following terms (an “**Offsetting Transaction (NCP)**”) will be deemed to have been entered into between CHO and the relevant Non-Performing Clearing Participant:

- (i) under the first leg of the Offsetting Transaction (NCP):
 - (A) the Non-Performing Clearing Participant has an obligation to transfer to CHO, on the Offsetting Transaction Date, the same amount and type of Approved Product as CHO is required to transfer to the Non-Performing Clearing Participant under the Defaulted Transaction; and
 - (B) CHO has an obligation to transfer to the Non-Performing Clearing Participant, on the Offsetting Transaction Date, the same amount of Money as the Non-Performing Clearing Participant is required to transfer to CHO under the Defaulted Transaction; and
- (ii) under the second leg of the Offsetting Transaction (NCP):
 - (A) CHO has an obligation to transfer to the Non-Performing Clearing Participant, on the first Business Day following the Offsetting Transaction Date, the same amount and type of Approved Product as the Non-Performing Clearing Participant is required to transfer to CHO under the first leg of the Offsetting Transaction (NCP); and
 - (B) the Non-Performing Clearing Participant has an obligation to transfer to CHO, on the first Business Day following the Offsetting Transaction Date, the same amount of Money as CHO is required to transfer to the Non-Performing Clearing Participant under the first leg of the Offsetting Transaction (NCP);
- (b) nothing further is required to be done by either CHO or the relevant Non-Performing Clearing Participant in order to enter into and bring into effect an Offsetting Transaction (NCP);
- (c) on the Offsetting Transaction Date, the obligations of each of CHO and the relevant Non-Performing Clearing Participant in respect of the first leg of each Offsetting Transaction (NCP) are to be satisfied by way of set-off against the corresponding entitlement of that party under the related Defaulted Transaction, with the result that:
 - (i) each obligation of CHO to transfer Approved Product to the Non-Performing Clearing Participant under the Defaulted Transaction is discharged by the equal but opposite obligation of the Non-Performing Clearing Participant to transfer Approved Product to CHO under the first leg of the Offsetting Transaction (NCP);
 - (ii) each obligation of the Non-Performing Clearing Participant to transfer an amount of Money to CHO under the Defaulted Transaction is discharged by the equal but opposite obligation of CHO to transfer Money to the Non-Performing Clearing Participant under the first leg of the Offsetting Transaction (NCP);
 - (iii) each obligation of the Non-Performing Clearing Participant to transfer Approved Product to CHO under the first leg of the Offsetting Transaction (NCP) is discharged by the equal but opposite obligation of CHO to transfer Approved Product to the Non-Performing Clearing Participant under the Defaulted Transaction; and

(iv) each obligation of CHO to transfer an amount of Money to the Non-Performing Clearing Participant under the first leg of the Offsetting Transaction (NCP) is discharged by the equal but opposite obligation of the Non-Performing Clearing Participant to transfer Money to CHO under the Defaulted Transaction; and

(d) on the first Business Day following the Offsetting Transaction Date, the obligations of each of CHO and the relevant Non-Performing Clearing Participant in respect of the second leg of each Offsetting Transaction (NCP) are to be satisfied in the manner set out in Section 4.

11.2.5 Offsetting Transactions deemed to be Settlement Transactions: Each leg of an Offsetting Transaction is deemed to be a Settlement Transaction for the purposes of these Rules despite the fact that an Offsetting Transaction arises from the exercise by CHO of its powers under Rule 11.2 rather than novation of a Transaction under Rule 3.3.

11.2.6 Multiple exercise of Offsetting Transaction: CHO may exercise its Offsetting Transaction powers on no more than three consecutive Business Days during any one Default Period.

11.3 VM Gains Haircut

11.3.1 Trigger for VM Gains Haircut: Rule 11.3.2 applies if:

- (a) the relevant Declared Default is a Derivatives Default;

 - (i) the clear and available funds in the Non-Performing Clearing Participant's Settlement Accounts on that date;
 - (ii) the NZD equivalent of the Money Collateral provided by the Non-Performing Clearing Participant in respect of its obligations under these Rules;
 - (iii) the amount of the Junior Risk Capital; and
 - (iv) the aggregate balance of the Default Fund Contribution Accounts for all Clearing Participants,(with the excess being the "**VM Gains Shortfall**");
- (c) CHO has not given Notice of its intention to exercise its Termination powers in respect of the relevant Declared Default; and
- (d) CHO has given Notice to all Non-Defaulting Clearing Participants that Rule 11.3.2 applies and that the date during the Default Period specified as such in the Notice is the VM Gains Haircut Date.

11.3.2 Process for VM Gains Haircut: Where this Rule applies, on the VM Gains Haircut Date:

- (a) CHO will determine, for each Affected Clearing Participant, the VM Gains attributable to that Affected Clearing Participant on that date, as reduced by that Affected Clearing Participant's Proportion of the VM Gains Shortfall (with the amount of the reduction being the "**VM Gains Haircut Amount**"), where

the “**Proportion**” for an Affected Clearing Participant is its VM Gains on that date as a proportion of the aggregate VM Gains for all Affected Clearing Participants on that date; and

- (b) CHO will give Notice to each Affected Clearing Participant of its VM Gains Haircut Amount (including details of its calculation).

11.3.3 Payment of VM Gains:

- (a) On the VM Gains Haircut Date, CHO will attribute to each Affected Clearing Participant the amount of its VM Gains, less its VM Gains Haircut Amount, on that date.
- (b) On the first Business Day following the VM Gains Haircut Date, CHO will attribute to each Affected Clearing Participant, in addition to other amounts attributable under Rule 3.8.1 or 3.11.3(b), its VM Gains Haircut Amount.

11.3.4 Multiple exercise of VM Gains Haircut: CHO may exercise its VM Gains Haircut powers on no more than three consecutive Business Days during any one Default Period.

- (b) CHO has determined that, in order to restore a Matched Book within a reasonable period, it is not necessary to effect a Complete Termination;
- (c) CHO has not given Notice of its intention to exercise its Complete Termination powers in respect of the relevant Declared Default; and
- (d) CHO has given Notice to all Non-Defaulting Clearing Participants that Rule 11.4.2 applies and that the date during the Default Period specified as such in the Notice is the Partial Termination Date.

11.4.2 Process for Partial Termination: Where this Rule applies:

- (a) CHO will, on or before the Partial Termination Date:
 - (i) determine the minimum number of Settlement Transactions that it believes must be terminated in order to restore a Matched Book; and
 - (ii) allocate those Settlement Transactions among the Affected Clearing Participants by either:
 - (A) a pro rata allocation across all Affected Clearing Participants; or
 - (B) if CHO determines in its sole discretion that this can occur within an acceptable timeframe, an allocation agreed between CHO and any one or more Affected Clearing Participants; and
- (b) on the Partial Termination Date:
 - (i) each Affected Transaction will be terminated, with the result being that neither CHO nor the relevant Affected Clearing Participant will be obliged to make any further payment or delivery of Approved Product in respect of that Affected Transaction that, but for

termination under this Rule 11.4.2, was due for payment or delivery on or after the Partial Termination Date;

- (ii) CHO will determine, for each Affected Clearing Participant, a single amount (the “**Net Termination Amount**”) that represents the aggregate net value of the relevant Affected Transactions, payable by or to that Affected Clearing Participant; and
- (iii) CHO will give Notice to each Affected Clearing Participant of its Affected Transactions and its Net Termination Amount (including details of its calculation and identification of who must pay that amount).

11.4.3 Denomination and payment of Net Termination Amounts:

- (a) Each Net Termination Amount is to be denominated in NZD, and any currency conversion required in order to calculate that amount is to be made in accordance with Rule 6.10.
- (b) Subject to Rule 11.7.3, each party that has an obligation to pay a Net Termination Amount will make that payment to the other party by no later than the first Business Day following the Partial Termination Date.

11.5 Complete Termination

11.5.1 Trigger for Complete Termination: Rule 11.5.2 applies if:

- (a) the relevant Declared Default is a Cash Default or a Derivatives Default;
- (b) CHO has determined that a Partial Termination would not restore a Matched Book within a reasonable period; and
- (c) CHO has given Notice to all Non-Defaulting Clearing Participants that Rule 11.5.2 applies and that the date during the Default Period specified as such in the Notice is the Complete Termination Date.

11.5.2 Process for Complete Termination: Where this Rule applies, on the Complete Termination Date:

- (a) each Affected Transaction will be terminated, with the result being that neither CHO nor the relevant Affected Clearing Participant will be obliged to make any further payment or delivery of Approved Product in respect of that Affected Transaction that, but for termination under this Rule 11.5.2, was due for payment or delivery on or after the Complete Termination Date;
- (b) CHO will determine, for each Affected Clearing Participant, a single amount (the “**Net Termination Amount**”) that represents the aggregate net value of the relevant Affected Transactions, payable by or to that Affected Clearing Participant; and
- (c) CHO will give Notice to each Affected Clearing Participant of its Net Termination Amount (including details of its calculation) and will specify who must pay that amount.

- (a) the relevant Declared Default is a Cash Default or a Derivatives Default;
- (b) the amount of Money required to restore a Matched Book on the Emergency Assessment Date exceeds the sum of:
 - (i) the clear and available funds in the Non-Performing Clearing Participant's Settlement Accounts on that date;
 - (ii) the NZD equivalent of the Money Collateral provided by the Non-Performing Clearing Participant in respect of its obligations under these Rules;
 - (iii) the amount of the Junior Risk Capital; and
 - (iv) where the relevant Declared Default is a Derivatives Default, the aggregate balance of the Default Fund Contribution Accounts for all Clearing Participants;
- (c) CHO has not given Notice of its intention to exercise its Complete Termination powers in respect of the Declared Default; and
- (d) CHO has given Notice to all Non-Defaulting Clearing Participants that Rule 11.6.2 applies and that the date during the Default Period specified as such in the Notice is the Emergency Assessment Date.

11.6.2 **Process for Emergency Assessment:** Where this Rule applies, on the Emergency Assessment Date:

- (a) CHO will determine, for each Affected Clearing Participant, an amount (the "**Emergency Assessment Amount**") equal to that Affected Clearing Participant's Proportion of the Total Emergency Assessment Amount, where:
 - (i) the "**Proportion**" for an Affected Clearing Participant is:
 - (A) in the case of a Cash Default, its average Initial Margin Capital Requirement over the 22 Business Days immediately prior to the start of the relevant Default Period as a proportion of the average Initial Margin Capital Requirement for all Affected Clearing Participants over that same period; and
 - (B) in the case of a Derivatives Default, its most recently calculated Default Fund Contribution as a proportion of the most recently calculated Default Fund Requirement; and
 - (ii) the "**Total Emergency Assessment Amount**" is the amount determined by CHO to be the lesser of:
 - (A) its aggregate net loss (both realised and forecast) arising under or in connection with the relevant Declared Default; and
 - (B) either:
 - (1) in the case of a Cash Default:

- (y) where there has been a single Declared Default during the relevant Default Period, \$5 million; or
 - (z) where there has been more than one Declared Default during the relevant Default Period, \$10 million, in either case, less the aggregate Total Emergency Assessment Amounts (if any) paid in respect of all other Declared Defaults during that Default Period; or
- (2) in the case of a Derivatives Default:
- (y) where there has been a single Declared Default during the relevant Default Period, the most recently calculated Default Fund Requirement; or
 - (z) where there has been more than one Declared Default during the relevant Default Period, twice the most recently calculated Default Fund Requirement, in either case, less the aggregate Total Emergency Assessment Amounts (if any) paid in respect of all other Declared Defaults during that Default Period; and
- (b) CHO will give Notice to each Affected Clearing Participant of its Emergency Assessment Amount (including details of its calculation).

11.6.3 Payment of Emergency Assessment Amount: Each Affected Clearing Participant will pay its Emergency Assessment Amount to CHO by no later than the first Business Day following the Emergency Assessment Date.

11.6.4 Multiple exercise of Emergency Assessment: CHO may exercise its Emergency Assessment powers more than once during any one Default Period.

11.7 Final Payment Reduction

11.7.1 Trigger for Final Payment Reduction: Rule 11.7.2 applies if:

- (a) the relevant Declared Default is a Cash Default or a Derivatives Default;
- (b) CHO has exercised its Termination powers as a result of that Declared Default;
- (c) the net aggregate of the Net Termination Amounts for all Affected Clearing Participants is not sufficient to enable CHO to pay all amounts owing to all Affected Clearing Participants on the applicable Termination Date (with the deficit being a “**Net Termination Amount Shortfall**”); and
- (d) CHO has given Notice to all Affected Clearing Participants that Rule 11.7.2 applies and that the date during the Default Period specified as such in the Notice is the Final Payment Reduction Date.

11.7.2 Process for Final Payment Reduction: Where this Rule applies, on the Final Payment Reduction Date:

- (a) CHO will determine, for each Affected Clearing Participant to whom a Net Termination Amount is payable, the amount (the “**Final Payment Reduction Amount**”) equal to the product of:
 - (i) that Net Termination Amount; and

- (ii) that Affected Clearing Participant's Proportion of the Net Termination Amount Shortfall, where the "**Proportion**" for an Affected Clearing Participant is its Net Termination Amount as a proportion of the aggregate Net Termination Amounts for all Affected Clearing Participants; and

- (b) CHO will give Notice to each Affected Clearing Participant of its Final Payment Reduction Amount (including details of its calculation).

11.7.3 Payment of Final Payment Reduction Amount: CHO will pay the Net Termination Amount less the applicable Final Payment Reduction Amount to the relevant Affected Clearing Participant by no later than the first Business Day following the Final Payment Reduction Date. Such payment discharges in full CHO's obligation to pay the Net Termination Amount.

11.8 General provisions applying to Recovery Powers

11.8.1 CHO discretion as to exercise of Recovery Powers:

- (a) Except where expressly provided to the contrary, CHO may exercise a Recovery Power in any way it considers appropriate.
- (b) Nothing in these Rules creates a right for any person to compel CHO to exercise a Recovery Power, or to exercise a Recovery Power in a particular way.
- (c) Each amount to be calculated by CHO under or in relation to this Section 11 is to be calculated by CHO in its sole discretion, but acting in good faith and in a commercially reasonable manner, in accordance with Procedure.

11.8.2 Multiple exercise of Recovery Powers: Except where expressly provided to the contrary, CHO may exercise a Recovery Power more than once in a Default Period.

11.8.3 No interest payable by CHO: No interest is payable by CHO in respect of any amount payable by it, or any reduction in or deferral of any amount otherwise payable by it, under this Section 11 in connection with its exercise of its Recovery Powers.

11.8.4 CHO not in default by exercising Recovery Power: CHO is not in default under any Rule merely because it exercises a Recovery Power.

11.8.5 Netting: For the purposes of Part 5C of the BPS Act, each of:

- (a) the set-off arrangements for Offsetting Transactions in Rules 11.2.3(c) and 11.2.4(c); and
- (b) the process for determining the Net Termination Amount in Rule 11.4.2(b)(ii) or 11.5.2(b),

constitutes "netting" as defined in section 156M of the BPS Act. For the avoidance of doubt, Rule 3.9 will not apply in respect of any Affected Transaction.

11.8.6 FMI Act: If the NZCDC settlement system is designated as a "systemically important" FMI under the FMI Act:

- (a) the regulator has broad powers it may exercise if that system were to become distressed, including:

- (i) the power to give directions to CHO, a Clearing Participant or a Lending Clearing Participant; and
- (ii) the power to appoint a statutory manager to CHO; and
- (b) the ability of the regulator to exercise those powers is unaffected by anything done in connection with a Recovery Power,

where **FMI**, **regulator** and **distressed** have the meaning given to those terms in the FMI Act.

11.8.7 Overriding nature of Section: If any Rule in this Section 11 is inconsistent with any other Rule, the Rule in this Section 11 is to prevail.

11.9 Default Waterfall

11.9.1 Cash Default: If there is a CHO Loss caused by a Cash Default, CHO must apply the following assets in the following order towards satisfaction of that CHO Loss:

- (a) all Collateral provided by the Non-Performing Clearing Participant in respect of its obligations under the Rules;
- (b) the amount of the Junior Risk Capital;
- (c) all Emergency Assessment Amounts paid by Affected Clearing Participants;
- (d) the amount of the Senior Risk Capital; and
- (e) the CHO Equity.

11.9.2 Derivatives Default: If there is a CHO Loss caused by a Derivatives Default, CHO must apply the following assets in the following order towards satisfaction of that CHO Loss:

- (a) all Collateral provided by the Non-Performing Clearing Participant in respect of its obligations under the Rules;
- (b) the balance of the Default Fund Contribution Account of the Non-Performing Clearing Participant;
- (c) the amount of the Junior Risk Capital;
- (d) the aggregate balance of the Default Fund Contribution Account of each Non-Defaulting Clearing Participant;
- (e) all Emergency Assessment Amounts paid by Affected Clearing Participants;
- (f) the amount of the Senior Risk Capital; and
- (g) the CHO Equity.

11.9.3 General provisions applying to Default Waterfall:

- (a) The application of the assets within a tier in Rule 11.9.1 or 11.9.2 with respect to a CHO Loss does not preclude the application of any remaining assets in that tier in any other or subsequent CHO Loss.
- (b) CHO may elect to treat the CHO Losses that arise in respect of multiple Non-Performing Clearing Participants during a Default Period as a single combined CHO Loss for the purposes of Rule 11.9.1 or 11.9.2. However,

if CHO elects not to do so, it will apply the relevant assets separately and consecutively in respect of each CHO Loss.

- (c) If some, but not all, of the aggregate amount available to CHO under Rule 11.9.1(c), 11.9.2(d), or 11.9.2(e) is required to enable CHO to meet a CHO Loss, CHO must apply each of those amounts pro rata according to each Affected Clearing Participant's contribution.
- (d) Despite Rules 11.9.1 and 11.9.2, CHO may apply the relevant assets in any order it considers appropriate so as to enable CHO to meet its obligations in a timely manner. If CHO makes an application of assets other than in accordance with Rule 11.9.1 or 11.9.2, it will subsequently make the adjustments it considers necessary to restore all parties to the position they would have been in had there been no such deviation.
- (e) An action taken by CHO under this Rule 11.9 does not release a Clearing Participant or Lending Clearing Participant from any obligation it has to CHO.
