

Corporate Actions

Up to date information on corporate actions, takeovers, mergers and all other activity by listed issuers.

It includes:

- Full list of all current equity and debt securities
- The Weekly Diary, which gives a summary of all market announcements issued by NZX during the previous week and upcoming changes to the status of listed issuers' securities, published every Friday as a word document
- Daily Corporate Actions file, a subset of the information from the Weekly Diary in a CSV format
- Dividend Reinvestment Plans file, which contains all securities with dividends eligible for reinvestment, in a CSV format updated every Friday

Subscriber benefits:

- Keep up to date with NZ corporate activity with concise information on takeover offers, mergers, new listings, share consolidation, share issues and all other actions of listed companies
- Allows you to synchronise your trading database with NZX
- Improve efficiency and avoid missed data with advance warning of revisions to exchange reference data

Format:

- Weekly and daily reports downloadable in CSV format
- Weekly diary is in word format via i-search
- Email notification when Weekly Diary is ready
