

# Listing and Quotation of Fund Securities

Applies to Rules as at: 1 January 2019

## Summary

This Practice Note explains the process and documents required for an application for listing of issuers of fund securities on the NZX Main Board.

**Relevant NZX Listing Rules (Rules):** 1.2, 1.12, 1.15, 7.1.1, 7.2.3, 7.3

Applicants for listing and quotation of fund securities on the NZX Main Board, whether through an initial public offering (IPO) or through a compliance listing, are required to submit various documents with their application. This Practice Note sets out the process for seeking both listing and quotation. Practice Note [Application for Quotation](#) sets out the process to be followed where an Issuer is already listed and is only seeking quotation of an additional financial product.

The application process follows a number of specific steps.

### Step one: engage with NZX Regulation (NZXR)

Applicants are encouraged to engage with NZXR as early as possible, in order to advise NZXR of the proposed transaction. This enables NZXR to provide guidance and support through the process. Refer to NZX's Guidance Note [Issuer Engagement with NZX Regulation](#) for more information on how to work effectively with NZXR.

At this stage, applicants will need to provide NZX with a signed [Pre-Listing Agreement](#). For issuers of fund securities, NZX expects that the applicant will be the fund manager.

### Step two: submit the most time sensitive documents

Some of the documents in the listing process take longer to review than others. Accordingly, a number of documents need to be provided to NZXR at least four weeks prior to the offer opening or a compliance listing taking place.

#### Draft Listing Application

The listing application will ultimately need to include all information required by Rule 1.12 and be accompanied by specific documents.

The documents and information for a listing application need to be received by the time the offer opens or the compliance listing occurs, which in practical terms allows the applicant additional time to provide these.

Draft offering document or profile	An applicant will need to prepare an offering document or profile in compliance with Rules 1.15.2(b) and 7.3.1 as part of the listing process. This document requires NZXR to confirm it has no objection to the document. During this initial period, NZXR will review the document and enter into several comment rounds with the applicant and its advisors.
Register documents (if required)	If an applicant is undertaking an IPO under the Financial Markets Conduct Act 2013 (FMCA), the offering document is supplemented by a register entry. NZXR will review the register entry for the proposed offer.

Financial statements	The applicant must provide for NZXR's review all financial statements that are required to be provided under the FMCA or the Rules.
Waiver applications (if required) or other approvals	An applicant should consider whether it will require any waivers from the Rules prior to listing. NZXR is happy to engage with an applicant regarding this and receive a draft application(s).

### Step three: provide additional information

Once the applicant has provided the documents set out above, and NZXR has commenced its review of the offering document or profile, further information must be provided in advance of:

- The date that the offer will open, if the applicant is making an IPO; or
- The date that the securities will be quoted, if the applicant is undertaking a compliance listing.

Final application for listing and quotation	Usually, the issuer or its advisors will provide NZX with a letter that sets out the application for listing, and the status of the material required by Rule 1.12, at this stage of the process. NZX has produced a <a href="#">template</a> .  This letter usually also includes the information NZXR requires for quotation of securities. While NZXR has previously released its Practice Note <a href="#">Application for Quotation</a> , the template letter above replicates that for issuers seeking an initial listing.
Final offering document or profile	Following the review of the offering document or profile, NZXR will request a final, clean copy in order to issue its formal letter confirming it has no objections.
Final governing document and solicitor's opinion	The issuer should provide NZXR with the governing document and a solicitor's opinion in advance of the governing document coming into effect. NZXR will not review the draft governing document and issuers do not need to seek confirmation that NZX does not object to the document.
A copy of the applicant's certificate of incorporation	In the case of issuers of fund securities, this should be the manager's certificate of incorporation
MAP agreement	An executed <a href="#">MAP Agreement</a> entitles the applicant to use of NZX's market announcement platform.
Listing agreement	The <a href="#">Listing Agreement</a> will need to be executed and supplied to NZXR.
Information for nzx.com	NZX publishes an overview of issuer's business on nzx.com.
Annual reports	The applicant must provide copies of its annual reports for the past five years, if available. For issuers of fund securities, it is the annual reports that include the financial information relating to the fund that is intended to be listed that should be provided (if available).

At the conclusion of this step, NZXR will issue its formal confirmation of non-objection to the offer document or profile and any waivers required. For applicants that are undertaking an IPO, the Offering Document can now be provided to the Registrar, and subsequently, the offer can open.<sup>1</sup>

#### **Step four: listing and quotation**

Upon completion of the steps above to NZX's satisfaction, the applicant will list and its securities will quote on the NZX Main Board.<sup>2</sup>

NZX will execute the listing agreement on the date that the applicant lists on the NZX Main Board.

---

<sup>1</sup> Note: this is subject to the applicant also satisfying the requirements of the Financial Markets Conduct Act 2013 to the Financial Market Authority's satisfaction.

---

<sup>2</sup> Applicants should note that NZX is not obliged to grant a listing application, regardless of whether the applicant concerned complies with all applicable provisions of the NZX Listing Rules. NZX may refuse listing and quotation at its absolute discretion and without giving any reasons for such refusal.
