## Gender Diversity 1st Quarter 2015 Statistics

Under Listing Rule 10.4.5(j) NZSX listed companies (excluding overseas companies) are required to include in their Annual Report quantitative data on the gender breakdown of the Directors and Officers at the financial year end and including comparative figures for the prior financial year end.

The table below summarises the aggregated data for all companies that released their gender diversity statistics to the market in the three months ended 31 March 2015, and compares this to the same period last year. There are differences in the companies that comprise the two sets of data due to differences in the timing of releases as well as listings/delistings that have occurred during the periods.

	Q1 2015 (to 31 March 2015)	Q1 2014
No of companies	16	11
No of Directors (male / female)	89 / 12	65 / 7
% of Directors (male / female)	88% / 12%	90% / 10%
No of Officers (male / female)	85 / 18	53 / 17
% of Officers (male / female)	83% / 17%	76% / 24%
