

Adam Jones 1979 Les Paul Custom (Aged & Signed), Antique Silverburst

Adam Jones is one of rock's most talented and sonically innovative guitarists, from multi-platinum selling and multiple Grammy Award® winning band Tool. This limited-edition Gibson Custom Shop model exactly replicates Adam's #1 guitar - his prized original Silverburst 1979 Gibson Les Paul™ Custom. The finish has been expertly aged and duplicates the original guitar, as do all the other details - right down to a mounted replica of his headstock mirror and the included custom Adam Jones hardshell case. Only 79 of these guitars, personally hand-signed and numbered by Adam, will be built by the expert luthiers and craftspeople of the Gibson Custom Shop.
