

# Baretta, Custom Graphics, "Strike First", Exclusive, Cobra Black and Yellow

With Cobra graphics designed by graphic artist Eric Caspers, this martial arts-inspired Baretta strikes first and strikes hard! This Baretta is part of the Kramer Custom Graphics Collection and is a tribute to one of the most iconic and original guitar designs in rock. Featuring an alder body, hard maple neck, a single Seymour Duncan® JB™ zebra-coil humbucker™, a Floyd Rose® 1000 series tremolo with an R2 1000 series locking nut, an EVH® D-Tuna® Drop D Tuning System, and a Floyd Rose LRT-L40 Trem Stop to keep the tuning stable when using the D-Tuna. It plays and sounds great, and, with the reverse headstock and "Strike First" Cobra Custom Graphics finish, it is sure to grab lots of attention.
