

SG Standard, Heritage Cherry

The Gibson SG Standard rocks the classic looks and features associated with the late 60's style SG models sought after by many. A rounded profile mahogany neck, bound rosewood fingerboard, long tenon 19th fret neck joint, and a solid mahogany body provide the backbone for singing sustain. The 490R and 490T Alnico II pickups provide the power to drive. A black, 5-ply, full-face pickguard set this SG Standard apart from others... a truly versatile classic.
